

Garage parking at Zurich Development Center

Dear customer

In order to be fair and provide the same service to all our customers, please kindly note that no parking spaces can be reserved in our underground garage.

1. Parking at the Zurich Development Center

The allocation of the parking spaces will now be on a 'first come first served' basis on arrival. So that you can draw the limited number of parking spaces to the attention of your guests promptly, we suggest that you forward the following information to them, or ask them to use a shuttle bus service.

2. Blue -zone parking

Should the Zurich Development Center car park be full, there is blue-zone street parking nearby. Daily blue-zone parking vouchers issued by the local police are available from our reception for CHF 15. -.

3. Free public car park - Dolder swimming pool (Wellenbad), Zurich

There is a free public car park at the Dolder swimming pool (ice-skating rink in winter). This is about 10 - 15 minutes on foot from the Zurich Development Center.

4. Shuttle bus "Wellenbad Dolder to Zurich Development Center"

If you would like to organize a shuttle bus, we recommend the two companies below. Please contact them directly.
