

Space that works **Building F**

The Auditorium in Building **F** seats up to 200 people. State-of-the-art multi-media equipment offers high-resolution, digital presentations and has the capacity for interactive audience participation.

There are 14 labs in Building **F**. In every room, seating can be arranged for large group seminars, or smaller work groups. Lab walls can be reconfigured and all furniture is mobile for maximum flexibility. A Wireless LAN and numerous floor ports allow easy access for computer connections.

Auditorium features:

- 18-screen, high-resolution video wall for multi-media presentations
- 2 permanently installed simultaneous translation booths
- Audio/visual connection to every lab for multi-site communication
- 200 square meters seats 200 people theater style, seats 120 people at tables
- Flexible halogen lighting for television production
- Floor-mounted laptop PC connections for audience participation
- Wireless LAN
- Full TV production facilities available upon request
