Rating: The Notes are expected to be rated A2 by Moody's and A by S&P on issue.

Risk Factors: There are certain factors that may affect the Issuer's ability to fulfil its obligations under the Notes. Certain of these are set out under the sections entitled "*Additional Risk Factors*" below and "*Risk Factors*" on pages 8 to 23 of the Base Prospectus and include the following risk factors related to the Issuer:

- (a) the Issuer is a special purpose vehicle: the Issuer is not an operating company. The Issuer has, and will have, no assets other than certain assets relating to the Programme;

- (b) the Issuer is not but may become regulated by a regulatory authority: the Issuer is not, nor is required to be, licensed, registered or authorised under any current securities, commodities or banking laws of its jurisdiction of incorporation and the Issuer operates and will operate without supervision by any authority in any jurisdiction. There is no assurance, however, that regulatory authorities in one or more jurisdictions would not take a contrary view regarding the applicability of any such laws to the Issuer. Any investment in the Notes does not have the status of a bank deposit in Ireland and is not within the scope of the deposit protection scheme operated by the Central Bank of Ireland. The Issuer is not regulated by the Central Bank of Ireland by virtue of the issue of the Notes;
- (c) examinership: if an examiner is appointed to the Issuer, the Trustee would be precluded from enforcing the security over any Mortgaged Property (as defined in Condition 3(a) (*Security*)) during the period of the examinership; and
- (d) preferred creditors: preferred creditors under Irish law and Fixed Security: under Irish law, upon an insolvency of an Irish company such as the Issuer, when applying the proceeds of assets subject to fixed security which may have been realised in the course of a liquidation or receivership, the claims of a limited category of preferential creditors will take priority over the claims of creditors holding the relevant fixed security. These preferred claims include the remuneration, costs and expenses properly incurred by any examiner of the company which have been approved by the Irish courts.

In addition, there are certain factors which are material for the purpose of assessing the risks related to the Notes, including the following:

- (i) the Notes are limited recourse: all payments to be made by the Issuer in respect of the Notes will be made only from and to the extent of the sums received or recovered by or on behalf of the Issuer or the Trustee in respect of the relevant Mortgaged Property in respect of the Notes (for the avoidance of doubt, excluding the Mortgaged Property subject to the Managers' Security) and the Notes will not be guaranteed by, or otherwise be the responsibility of, the Loan Notes Issuer or any of its affiliates;
- (ii) ranking of claims: the claims of Noteholders rank junior to those of certain other transaction parties including the claims of the Trustee for its fees and expenses;
- (iii) secondary markets: no assurance of market liquidity is given and, in the unlikely event that a secondary market in the Notes does develop, there can be no assurance that it will continue;
- (iv) taxation: each Noteholder will assume and be solely responsible for any and all taxes of any jurisdiction or governmental or

regulatory authority that may be applicable to any payment to it in respect of the Notes;

- (v) credit risk: a prospective purchaser of the Notes should have such knowledge and experience in financial and business matters and expertise in assessing credit risk that it is capable of evaluating the merits, risks and suitability of investing in the Notes including any credit risk associated with the Issuer and the Loan Notes;
- (vi) risks in respect of the Charged Assets: the Issuer's ability to pay or deliver amounts in respect of the Notes will be limited to it having received such amounts from the Loan Notes and a prospective purchaser of the Notes should have regard to the risks and investment considerations set out in the section of the Loan Notes Base Prospectus headed "*Risk Factors*", on pages 16 to 28 (inclusive) thereof;
- (vii) limitations on enforcement against the Loan Notes Issuer: in no circumstances shall the Trustee or, as the case may be, the Managers' Trustee be permitted when acting in its capacity as trustee for the Noteholders or the Managers, nor shall the Noteholders or the Managers, (when acting in their respective capacities) be permitted, to take any action against the Loan Notes Issuer or enforce any claim that the Issuer may have against the Loan Notes Issuer under the Loan Notes or otherwise whether before, upon, or after any security created by or pursuant to the Trust Deed becoming enforceable, such action only to be taken by the Redemption Agent or the Enforcement Agent, as applicable;
- (viii) restrictions on transfer of the Loan Notes: The Issuer shall be subject to certain transfer restrictions applicable to the Loan Notes in relation to any disposal of the Loan Notes. Neither the Redemption Agent nor the Enforcement Agent acting on behalf of the Issuer shall, and shall not be required to, dispose of the Loan Notes where such disposal would violate any such transfer restrictions. These transfer restrictions may limit the ability of the Issuer to dispose of the Loan Notes. In addition, the Loan Notes are not listed or admitted to trading on any exchange and have not been accepted for clearance through any clearing system. As a result, there will be no established trading market in the Loan Notes and the Loan Notes will be illiquid. The illiquidity of the Loan Notes may have a severely adverse effect on the market value of the Loan Notes.
- (ix) provision of information: any of the Issuer, the Trustee, the Managers or any affiliate may have acquired, or during the term of the Notes may acquire, non-public information with respect to the Loan Notes Issuer. None of such persons is under any obligation to make such information directly available to Noteholders. None of such persons is under any obligation to make available any information relating to, or keep under review on the Noteholders' behalf, the business, financial conditions, prospects, creditworthiness or status of affairs of the Loan Notes

Issuer or conduct any investigation or due diligence into the Loan Notes Issuer;

- (x) business relationships: the Issuer, the Managers or any affiliate may have existing or future business relationships with the Loan Notes Issuer, and will pursue actions and take steps that they deem or it deems necessary or appropriate to protect their or its interests arising therefrom without regard to the consequences for a Noteholder;
- (xi) legality of purchase: none of the Issuer, the Trustee, the Managers nor any affiliate has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective purchaser of the Notes. However, notwithstanding the lawfulness of any acquisition of the Notes, where a Note is held by or on behalf of a U.S. person (as defined in Regulation S) who is not an eligible investor for U.S. securities law purposes at the time it purchases such Note, the Issuer may, in its discretion, redeem the Notes of any such holder who holds any Note in violation of the application transfer restrictions or compel any such holder to transfer the Notes to an eligible investor, in each case, at the expense and risk of such holder;
- (xii) enforcement of legal liabilities: it may not be possible to enforce, in original actions in Irish courts or Luxembourg courts, liabilities predicated solely on the U.S. federal securities laws. None of the shareholders or directors of the Issuer has any direct obligation to any Noteholders, for payment of any amount by the Issuer in respect of the Notes;
- (xiii) listing: if at any time the maintenance of any listing is agreed by each Manager to have become unduly onerous in relation to the Issuer, the Issuer may obtain and maintain a listing of such Notes on such other major stock exchange (which may or may not be a Regulated Market) as it may (with the consent of the Managers) decide;
- (xiv) ratings: the Notes and the Loan Notes are rated securities. Credit ratings of debt securities represent the rating agencies' opinions regarding their credit quality and are not a guarantee of quality. Rating agencies do not evaluate the risks of market value fluctuations and therefore may not fully reflect the true risks of the Notes. Rating agencies may fail to make timely changes in credit ratings in response to subsequent events, so that an issuer's current financial condition may be better or worse than a rating indicates. Rating agencies may change their rating methodology, which could adversely affect the rating of the Notes;
- (xv) maturity date: if on the Scheduled Maturity Date of the Notes a "Solvency Event" (as defined in the Loan Notes Conditions) has occurred and is continuing, then the Maturity Date of the Notes will be extended and the Noteholders will have no right to repayment until such event no longer exists or prior approval by FINMA or any Successor Authority (as defined in the Loan Notes

Conditions) is given for such repayment; and

- (xvi) subordination: the obligations of the Loan Notes Issuer under the Loan Notes are subordinated and will rank junior in priority of payment to the claims of senior creditors. Interest on the Loan Notes may be deferred when such interest has accrued in respect of an interest period which ends on an Optional Interest Payment Date (as defined in the Loan Notes Conditions) and if a Solvency Event (as defined in the Loan Notes Conditions) has occurred and is continuing. Certain Arrears of Interest (as defined in the Loan Notes Conditions) may only be payable on Loan Notes following the prior written approval of FINMA or any Successor Authority. The above events would have an impact on the amount and timing of any payout under the Notes. There is also a real risk that the Noteholders may lose all or some of their investment should the Loan Notes Issuer become insolvent.

Neither the Arranger, nor any of its affiliates is under any legal or regulatory obligation to purchase any Notes or support any losses suffered by the Issuer or the purchasers of any Notes or to repurchase or make a market in any Notes. Neither the Arranger, nor its affiliates guarantees or stands behind the Issuer, the obligations of the Issuer under the Notes, and will not make good and is under no obligation to make good any losses under any Notes. The Issuer, the investors and each person into whose possession this document comes will be deemed to have acknowledged and agreed to the foregoing.

Investors' attention is specifically directed to the section hereof entitled "Additional Risk Factors" and investors should be fully aware that they may be required to hold Notes until maturity since no assurances can be given that a liquid market (or any market at all) will exist in respect of the Notes.

ADDITIONAL RISK FACTORS

The following risks are supplemental to the risk factors set out in the Base Prospectus (under the section entitled “Risk Factors”) and incorporated by reference into this Prospectus. Capitalised terms used in this section of this Prospectus have the meaning given in the conditions of the Notes or the conditions of the Loan Notes. Each investor contemplating purchasing any Notes must ensure that it understands the risks associated with its investment as set out in the Base Prospectus and also the additional risks set out below.

Investors are exposed to the risk of total or partial loss of their investment.

Investor Suitability

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each investor should:

- (a) have the requisite knowledge and experience in financial and business matters to evaluate the merits and risks of an investment in the Notes and the rights attaching to the Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (b) be capable of bearing the economic risk of an investment in the Notes for an indefinite period of time;
- (c) understand thoroughly the terms of the Notes and be familiar with the behaviour of the relevant financial markets;
- (d) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

No investigations

No investigations, searches or other enquiries have been made by or on behalf of the Issuer, the Managers, the Trustee, the Managers' Trustee or the Enforcement Agent in respect of the Loan Notes and no representations or warranties, express or implied, have been given by the Issuer, the Managers, the Trustee, the Managers' Trustee, the Enforcement Agent or any other person on their behalf in respect of the Loan Notes.

Potential conflicts of interest

The Managers and their affiliates have engaged in, or may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with the Issuer, the Loan Notes Issuer or their respective affiliates. They have received, or may in the future receive, customary fees and commissions for these transactions.

In addition, in the ordinary course of their business activities, the Managers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer, the Loan Notes Issuer or their respective affiliates. Certain of the Managers or their affiliates that have a lending relationship with the Issuer, the Loan Notes Issuer or their respective affiliates routinely

hedge their credit exposure to the Issuer, the Loan Notes Issuer or their respective affiliates consistent with their customary risk management policies. Typically, such Managers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in the Issuer's, the Loan Notes Issuer's or their respective affiliates' securities, including potentially the Notes offered hereby. Any such short positions could adversely affect future trading prices of the Notes offered hereby. The Managers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

Possibility of U.S. withholding tax on payments

In certain circumstances payments to the Issuer may be subject to U.S. withholding tax if it fails to enter into an agreement with the IRS (as described below). In addition, a holder of the Notes may become subject to U.S. withholding at a rate of 30 per cent. on all, or a portion of, certain payments in respect of the Notes made to it after 31 December 2016 in the case of passthru payments if, as expected, the Notes are treated as equity for U.S. federal tax purposes or if the Notes are treated as debt for U.S. federal tax purposes and are significantly modified after 31 December 2012. Recently released proposed regulations contain an exception that provides that the new withholding tax rules will not apply to debt instruments that are outstanding on 1 January 2013 (provided that they are not significantly modified on or after that date). The IRS's guidance in this regard is only preliminary, and the scope of these rules remains unclear and potentially subject to material changes.

On 18 March 2010, the United States enacted sections 1471 through 1474 of the U.S. Internal Revenue Code. ("**FATCA**"). Under FATCA, a non-U.S. financial institution generally will be required to enter into an agreement (an "**FFI Agreement**") with the U.S. Internal Revenue Service (the "**IRS**") to identify "financial accounts" held by U.S. persons or entities with substantial U.S. ownership, as well as accounts of other financial institutions that are not themselves participating in (or otherwise exempt from) the FATCA reporting regime. For these purposes, the term financial institution includes, among others, banks, insurance companies and entities that are engaged primarily in the business of investing, reinvesting or trading in securities, commodities or partnership interests, including securitization vehicles. If a participating financial institution makes a relevant payment to an accountholder that has not provided information requested to establish that the accountholder is exempt from reporting under the rules, or if the recipient of the payment is a non-participating financial institution (that is not otherwise exempt), the payor may be required to withhold 30 per cent. on a portion of the payment. The IRS has indicated an intention to treat, for example, interest and principal paid by a participating financial institution as being subject to this 30% withholding, but only in proportion to the value of the financial institution's direct and indirect U.S. assets as compared to its total assets. However, the IRS is further considering the treatment of these so-called "passthru payments" and it is not clear how this rule will ultimately apply to the Issuer or the Notes.

If the Issuer is required to enter into an FFI Agreement and fails to do so, or fails to comply with its obligations under that agreement, the Issuer would be subject to 30 per cent. withholding on all, or a portion of, payments received from U.S. sources and from participating or deemed compliant Foreign Financial Institutions. It is unclear whether the Loan Notes Issuer will be a Foreign Financial Institution and, if it were, whether the Loan Notes would be instruments on which passthru payment withholding would be required.

The relevant rules have not yet been fully developed and the future application of FATCA to the Issuer and the holders of Notes is uncertain. If the Issuer determines that it must comply with FATCA in order to receive certain payments free of U.S. withholding tax, Noteholders may be required to provide certain information or be subject to withholding on certain payments (including payments upon redemption of Notes) made to them. The withholding obligation in respect of a non-participating financial institution may apply whether the financial institution is receiving payments for its own account or on behalf of another person. If a holder is subject to withholding on account of FATCA, there will be no additional amount payable by way of compensation to the holder for the deducted amount. An investor that is able to claim the

benefits of an income tax treaty between its own jurisdiction and the United States may be entitled to a refund of amounts withheld pursuant to the FATCA rules, though the investor would have to file a U.S. tax return to claim this refund and would not be entitled to interest from the IRS for the period prior to the refund.

THE FATCA PROVISIONS ARE PARTICULARLY COMPLEX AND THEIR APPLICATION TO THE ISSUER IS UNCERTAIN AT THIS TIME. EACH HOLDER OF NOTES SHOULD CONSULT ITS OWN TAX ADVISOR TO OBTAIN A MORE DETAILED EXPLANATION OF THE FATCA PROVISIONS AND TO LEARN HOW THIS LEGISLATION MIGHT AFFECT EACH HOLDER IN ITS PARTICULAR CIRCUMSTANCE.

Risk Factors in relation to the Loan Notes

Potential investors should make their own investigations in respect of the Loan Notes Issuer and the Loan Notes, including having regard to the disclosure, risks (including specific risk factors therein) and investment considerations set out in the Loan Notes Documents.

Payments on the Notes are dependent on payments on the Loan Notes

Investors should note that payments on the Notes are dependent on payments on the Loan Notes. Any event that causes the Loan Notes Issuer not to make all or part of any scheduled payments on the Loan Notes, or to delay any such payments, will result in corresponding reductions and delays in respect of principal and interest payable in respect of the Notes. The Notes may also be redeemed earlier than anticipated due to events affecting the Loan Notes such as Accounting Events, Capital Events and Regulatory Events, all as defined and more particularly set out in the Loan Notes Documents. Certain of these events may cause significant losses to Noteholders and may result in the Notes paying no interest or redeeming at zero. As Noteholders are exposed to the market price of the Loan Notes which will generally fluctuate with, among other things, the liquidity and volatility of the financial markets, general economic conditions, domestic and international political events, developments or trends in a particular industry and the financial condition of the Loan Notes Issuer, an early redemption may result in capital losses incurred by the Noteholders at the time the Notes are redeemed.

Although the terms and conditions of the Loan Notes provide for the possibility of the Loan Notes being redeemed early at the option of the Loan Notes Issuer (subject to obtaining the prior written consent of FINMA or any successor authority thereto and provided that such consent is required at that time under applicable capital or solvency regulations), the Loan Notes Issuer is under no obligation to exercise its option to redeem the Loan Notes prior to their Scheduled Maturity Date and accordingly holders of the Notes should be aware that the Notes may not be redeemed prior to the Maturity Date of the Notes.

The Noteholders will have no right to physical delivery of the Loan Notes under the terms of the Notes. Any enforcement of security over the Loan Notes is subject to the transfer restrictions set forth in the terms and conditions of the Loan Notes (the “**Loan Notes Conditions**”). These transfer restrictions severely limit the potential transferees of the Loan Notes.

The Maturity Date of the Notes may be extended indefinitely

If on the Scheduled Maturity Date of the Notes a “Solvency Event” (as defined in the Loan Notes Conditions) has occurred and is continuing, then the Maturity Date of the Notes will be extended and the Noteholders will have no right to repayment until such event no longer exists or prior approval by FINMA or any Successor Authority (as defined in the Loan Notes Conditions) is given for such repayment.

The Loan Notes Issuer’s obligations under the Loan Notes are subordinated

The obligations of the Loan Notes Issuer under the Loan Notes are subordinated and will rank junior in priority of payment to the claims of Senior Creditors (as defined in the Loan Notes Conditions).

Furthermore, the Loan Notes Issuer shall have the option to defer payments of interest on the Loan Notes when such interest has accrued in respect of an interest period which ends on an Optional Interest Payment Date (as defined in the Loan Notes Conditions) and shall also be required to defer payment of interest on the Loan Notes if a Solvency Event (as defined in the Loan Notes Conditions) has occurred and is continuing. Certain Arrears of Interest (as defined in the Loan Notes Conditions) may only be payable on Loan Notes following the prior written approval of FINMA or any Successor Authority. The above events would have an impact on the amount and timing of any payout under the Notes. There is also a real risk that the Noteholders may lose all or some of their investment should the Loan Notes Issuer become insolvent.

No withholding and early redemption for taxation reasons

If the Issuer (A) would be required by law to withhold or account for tax, (B) would suffer tax in respect of its income in respect of the Loan Notes or (C) would receive net of tax any payment in respect of the Loan Notes, so that it would be unable to make payment of the full amount scheduled in respect of the Notes, then (subject to certain exceptions as specified in Condition 7(c)) the Issuer may use its reasonable endeavours to arrange the substitution of it as obligor under the Notes in order to cure such withholding or accounting. However if it is unable to or does not so arrange such substitution, the Issuer shall notify the Noteholders that all payments in respect of the Notes shall thereafter be made subject to and after deduction of all applicable taxes. Such deduction shall not constitute an Event of Default under Condition 11 (*Events of Default*). Following such notification, Noteholders may (other than in the case of (C) above) require the Issuer to redeem Notes by Cash Settlement at their Early Redemption Amount, subject to deduction of certain costs and expenses, all as further described in Condition 7(c) (*Redemption for Taxation Reasons*). See the section entitled "*Taxation*" on pages 170 to 174 of the Base Prospectus.

The Loan Notes Conditions provide that, subject to certain exemptions, the Loan Notes Issuer shall make all payments of principal and interest on the Loan Notes, free of any withholding or deduction for or on account of any taxes, duties or assessments or governmental charges in Switzerland unless such withholding or deduction is required by law. The Issuer and the Managers have received a legal opinion from Swiss counsel of the Loan Notes Issuer that the Loan Notes Issuer is not at the date of issue of the Loan Notes required by law to make such deduction or withholding. The Loan Notes Issuer has obtained a tax ruling from the relevant Swiss authorities that no Swiss tax withholding or deduction will be required to be made by it in respect of payments due to be made by it to the Issuer under the Loan Notes. However, there can be no assurance as to the future impact of any possible administrative or judicial decision or change to any relevant Swiss law and/or administrative practice after the date of issue of the relevant Loan Notes.

Although the Loan Notes provide for the payments of additional amounts to be paid by the Loan Notes Issuer if the Loan Notes Issuer becomes obliged by Swiss law to make any withholding or deduction in respect of payments of principal and interest under the Loan Notes, the obligation to pay such additional amounts may not be enforceable under Swiss law. In that event, the Notes may become subject to redemption in such circumstances and may result in amounts payable to Noteholders being less than their principal amount.

If the Loan Notes Issuer becomes obliged to pay additional amounts in respect of the Loan Notes pursuant to the imposition of any withholding or deduction in respect of payments of principal and interest under the Loan Notes as a result of a change in, or amendment to the laws and regulations of Switzerland, the Loan Notes Issuer may, provided that FINMA or any domestic or foreign successor to FINMA or otherwise that has primary supervisory authority over the Loan Notes Issuer (i) has given (and has not subsequently withdrawn) its consent to the redemption if such consent is required or (ii) has not objected to such redemption, redeem all of the Loan Notes which will result in the redemption of all of the Notes.

Purchase, Exchange or Retirement of Notes: Tender Offers and Exchange Offers

The terms of the Notes provide that in certain circumstances (as set out in paragraph 29 under "Additional Terms and Conditions"), the Issuer may participate in a Tender Offer or an Exchange Offer (each as defined

in the Additional Terms and Conditions) of the Loan Notes Issuer with respect to the Loan Notes. If, in such circumstances, the Loan Notes Issuer defaults in the performance of its payment or delivery obligations under the terms of any such Tender Offer or Exchange Offer, then the Issuer will not be able to satisfy its corresponding payment or delivery obligations to Noteholders in respect of any corresponding Aquarius Tender Offer or Aquarius Exchange Offer (each as defined in the Additional Terms and Conditions). Any failure by the Issuer to make a payment or delivery due in connection with any Aquarius Tender Offer or Aquarius Exchange Offer shall constitute a default in payment in respect of the Notes for purposes of Condition 11(a) (*Events of Default*), leading to the security for the Notes becoming enforceable. Accordingly, Noteholders must recognise that they will be exposed to the risk of default by the Loan Notes Issuer in respect of any Tender Offer or Exchange Offer, regardless of whether or not they participate in any corresponding Aquarius Tender Offer or Aquarius Exchange Offer. Any Aquarius Tender Offer or Aquarius Exchange Offer is subject to any terms or conditions required by the Trustee and, for so long as the Notes are listed on the official list of the Irish Stock Exchange and admitted to trading on Global Exchange Market of the Irish Stock Exchange, all applicable rules and regulations of the Irish Stock Exchange, and to notification to Moody's and S&P and confirmation from S&P that the then current rating of the Notes by S&P will not be adversely affected after the conclusion of any such Aquarius Tender Offer or Aquarius Exchange Offer.

Modification, waivers and substitution

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders, including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The conditions of the Notes also provide that the Trustee may, in certain circumstances described in Condition 17 (*Meetings of Noteholders; Modification, Waiver and Substitution*) and in the Trust Deed, without the consent of Noteholders, agree to (i) any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of Notes which in the opinion of the Trustee is not materially prejudicial to the interests of the Noteholders or (ii) any modification of the same which is of a formal, minor or technical nature or to cure a manifest error.

Transfer restrictions in Loan Notes

The Issuer shall be subject to certain transfer restrictions applicable to the Loan Notes in relation to any disposal of the Loan Notes. In particular, the Loan Notes can only be transferred to certain Qualifying Banks (as defined in the Loan Notes Conditions) as set out in Condition 10(j) (*Restrictions on Transfer of Certain Notes*) and Condition 10(k) (*Grants of Security*) of the Loan Notes Conditions. Neither the Redemption Agent nor the Enforcement Agent acting on behalf of the Issuer shall, and shall not be required to, dispose of the Loan Notes where such disposal would violate any such transfer restrictions. These transfer restrictions may limit the ability of the Issuer to dispose of the Loan Notes. In addition, the Loan Notes are not listed or admitted to trading on any exchange and have not been accepted for clearance through any clearing system. As a result, there will be no established trading market in the Loan Notes and the Loan Notes will be illiquid. The illiquidity of the Loan Notes may have a severely adverse effect on the market value of the Loan Notes.

Limitations on enforcement against the Loan Notes Issuer

In no circumstances shall the Trustee or, as the case may be, the Managers' Trustee, be permitted when acting in its capacity as trustee for the Noteholders or the Managers, nor shall the Noteholders or the Managers, (when acting in their respective capacities) be permitted, to take any action against the Loan Notes Issuer or enforce any claim that the Issuer may have against the Loan Notes Issuer under Loan Notes or otherwise whether before, upon, or after any security created by or pursuant to the Trust Deed becoming enforceable (the "**Enforcement Restriction**").

If the Loan Notes (or part thereof) become due and repayable by reason of default in payment or otherwise, or if there is a default in payment on exercise of any optional settlement in relation to the Loan Notes that is continuing after any grace period applicable thereto, then the Issuer may (provided that the Noteholders' Security has not become enforceable) procure that the Redemption Agent (subject to being secured and/or indemnified and/or prefunded to its satisfaction) takes such steps as are necessary or appropriate to attempt to enforce the Issuer's rights in respect of the Loan Notes, but shall not, unless so directed by the Trustee acting at the direction of an Extraordinary Resolution of Noteholders, request that the Redemption Agent dispose of the Loan Notes in accordance with the Conditions.

Following the occurrence of an Event of Default and acceleration of the Notes in accordance with Condition 11 (*Events of Default*), the Trustee at its discretion may, and shall (i) if directed by an Extraordinary Resolution of the Noteholders or so requested in writing by the holders of at least one-fifth of the principal amount of the Notes then outstanding and (ii) if indemnified to its satisfaction, institute such proceedings against the Issuer to enforce the provisions of the Notes and/or the Trust Deed, subject always to the Enforcement Restriction.

The Enforcement Agent shall, if the Issuer is directed by an Extraordinary Resolution of the Noteholders or requested in writing by the holders of at least one fifth of the principal amount of the Notes then outstanding, and subject to having been indemnified and/or secured and/or prefunded to its satisfaction, exercise and/or enforce on behalf of the Issuer as the Issuer's agent any claim that the Issuer may have against the Loan Notes Issuer under the Loan Notes and/or the Loan Notes Purchase Agreement or take any action against the Loan Notes Issuer and/or dispose of the Loan Notes. Any such action brought by the Enforcement Agent against the Loan Notes Issuer shall be taken by the Enforcement Agent acting as agent of the Issuer and not, for the avoidance of doubt, as trustee for the Noteholders and no Noteholder shall be entitled to give directions to the Enforcement Agent in relation to the manner in which any such action is pursued against the Loan Notes Issuer. In no circumstances will any Loan Notes be delivered to a Noteholder.

The Trustee and the Noteholders are subject to the Enforcement Restriction and may not take enforcement action even (in the case of the Trustee) if directed to do so by the Noteholders. The Noteholders will have no right to take possession of the Loan Notes or take any action against the Loan Notes Issuer.

Payments

No person other than the Issuer will be obliged to make payments on the Notes.

Managers' Security

The proceeds of enforcement of the Managers' Security (as defined below) will be held by the Enforcement Agent on trust for the Managers and, subject to the prior ranking claims of the Managers' Trustee and the Enforcement Agent, applied in respect of any Managers' Claims (as defined below). Noteholders have no direct or indirect interest in the Managers' Security and will not be entitled to the proceeds of enforcement of the Managers' Security.

Credit Ratings

The Notes and the Loan Notes are rated securities. Credit ratings of debt securities represent the rating agencies' opinions regarding their credit quality and are not a guarantee of quality. Rating agencies attempt to evaluate the safety of principal and interest payments and do not evaluate the risks of fluctuations in market value; therefore, credit ratings may not fully reflect the true risks of an investment. Rating agencies may fail to make timely changes in credit ratings in response to subsequent events, so that an issuer's current financial condition may be better or worse than a rating indicates. Rating agencies may change their rating methodology, which could adversely affect the rating of the Notes.

ANNEX 1
OTHER TERMS OR SPECIAL CONDITIONS

1. Interest

The interest payable in respect of the Notes is linked to interest payments in respect of the Loan Notes. Any event that causes the Loan Notes Issuer not to make all or part of any scheduled interest payments in respect of the Loan Notes, or to delay any such scheduled interest payments, will result in corresponding reductions or delays to the interest payable in respect of the Notes.

If the Loan Notes are not subject to any such reductions or delays and subject as provided below, each Note will pay interest on the Note Interest Payment Date that is, or is the Payment Day immediately following, each Scheduled Loan Notes Interest Payment Date, at the applicable Loan Notes Rate of Interest.

Each Note bears interest from (and including) the Note Interest Commencement Date on the basis of the relevant Note Interest Amount calculated in respect of each relevant Note Interest Payment Date. For each Note Interest Payment Date on which a Note is outstanding, the relevant Note Interest Amount shall be due and payable in respect of the Specified Denomination of the relevant Note on such Note Interest Payment Date.

Interest will cease to accrue on each Note on the Scheduled Maturity Date unless payment of principal is improperly withheld or refused, in which event interest will continue to accrue (both before and after judgment) on any overdue principal from the due date for redemption to the Relevant Date (as defined in the Loan Notes Conditions) at the rate determined daily by the Calculation Agent to be the rate for overnight deposits in the applicable currency. Such interest shall be added annually to the overdue sum and shall itself bear interest accordingly.

“**Business Day Convention**” means Modified Following Business Day Convention.

“**Interest Calculation Date**” means in respect of a Loan Notes Interest Amount, the Loan Notes Interest Payment Date relating thereto or, if later, the later of (i) the date on which the Issuer receives payment of the Loan Notes Interest Amount relating to such Loan Notes Interest Payment Date and (ii) the date on which the Calculation Agent is notified by or on behalf of the Issuer of the Loan Notes Interest Amount relating to such Loan Notes Interest Payment Date and has received any information required in order to enable the Calculation Agent to determine the related Note Interest Amount.

“**Interest Commencement Date**” means the Issue Date of the Loan Notes.

“**Loan Notes Conditions**” means the detailed terms and conditions of the Loan Notes, set out in the “Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes” in the Loan Notes Trust Deed, as amended and supplemented by the Loan Notes Final Terms.

“**Loan Notes Final Terms**” means the final terms issued in respect of the Loan Notes. *The form of the Loan Notes Final Terms are set out at Appendix A to this Prospectus.*

“**Loan Notes Interest Amount**” means any interest amount payable in respect of the Loan Notes, including but not limited to scheduled Interest Payments and payments of Arrears of Interest (each as defined in the Loan Notes Conditions), to the extent that the relevant interest amount is actually received by the Issuer and subject to any adjustments to such amounts as set out in the Loan Notes Final Terms.

“**Loan Notes Interest Payment Date**” means any date on which a Loan Notes Interest Amount is payable.

“**Loan Notes Issue Date**” means the “Issue Date” of the Loan Notes (as defined in the Loan Notes Conditions).

“**Loan Notes Trust Deed**” means the amended and restated trust deed of the Loan Notes Issuer dated 15 May 2012.

2. **Sale of Charged Assets**

Condition 3(f) (*Sale of Charged Assets*) shall be amended as follows:

- (a) The reference in sub-paragraph (i) to “at least three dealers” shall be replaced with a reference to “at least five dealers”;
- (b) Notwithstanding any term to the contrary, the Redemption Agent:
 - (i) shall only sell or arrange the sale of the relevant Charged Assets on the earlier to occur of (i) the day on which firm bid quotations from at least five dealers have been obtained, or (ii) the day falling 30 days after the date on which the Redemption Agent first becomes required to sell the relevant Charged Asset (the “**Long Stop Date**”); and
 - (ii) the Redemption Agent may only purchase the relevant Charged Assets itself if either (i) it provides a firm bid quotation at a time when it has received at least one other firm bid quotation for the purchase of the relevant Charged Assets, or (ii) it has attempted to obtain firm bid quotations for the purchase of the relevant Charged Assets but has not been able to obtain such quotations prior to the Long Stop Date.

3. **Early Redemption - Redemption in relation to the Loan Notes**

Condition 7(b) (*Redemption in relation to the Charged Assets*) shall be deleted and replaced with the following:

"Early repayment of Loan Notes

If the Loan Notes are to be redeemed in full pursuant to their terms (including, for the avoidance of doubt, the redemption of the Loan Notes pursuant to the exercise of the Loan Notes Issuer of its rights under the Loan Notes to redeem the Loan Notes on the Loan Notes First Call Date or any Loan Notes Interest Payment Date thereafter), the Issuer shall, forthwith upon becoming aware of such redemption, on giving such period of notice as expires not more than ten nor less than five Business Days following the date upon which the Issuer is due to receive the redemption proceeds of such Loan Notes to the Trustee, the Redemption Agent, the Principal Paying Agent and to the Noteholders in accordance with Condition 16 (*Notices*), and, if such proceeds are received by the Issuer on the due date therefor, redeem each Note in full at an amount in cash equal to such Note's *pro rata* share of such proceeds.

If such proceeds are not so received by the Issuer, then:

- (A) the Issuer shall not be obliged to redeem the Notes until it has received all of the proceeds of the Loan Notes or any final amount paid towards satisfaction of the Loan Notes; and
- (B) the Issuer shall:
 - (x) procure that the Redemption Agent, subject to the provisions of the Trust Deed and to Condition 12 (*Enforcement*), shall make such filings or claims as the Redemption Agent shall, in its sole and absolute discretion, deem necessary or appropriate to pursue the rights and claims of the Issuer in respect of the Loan Notes to the extent reasonably practicable so to do, provided that (A) the Redemption Agent may, but is not obliged to, initiate any proceedings against the Loan Notes Issuer and (B) shall not be obliged to take any action under this Condition 7(b) until it has been indemnified and/or secured and/or prefunded as to its costs and expenses in so acting to its satisfaction; or
 - (y) if the Issuer is so directed in writing by the Trustee (acting at the direction of an Extraordinary Resolution of Noteholders), the Issuer shall promptly direct in identical form and substance to such direction, that the Redemption Agent shall arrange for and administer the sale of the Loan Notes in accordance with Condition 3(f), subject to the transfer restrictions thereof, on behalf of the Issuer. The Issuer shall at the same time (unless otherwise agreed by the Trustee) give notice (a) that the Notes are to be redeemed at the Early Redemption Amount pursuant to this Condition 7(b) following receipt of the realisation proceeds of the Loan Notes and (b) upon receipt of such proceeds, of the date upon which the Notes are to be redeemed (which date shall be not more than ten nor less than five Business Days following receipt of such proceeds), in both cases to the Noteholders in accordance with Condition 16 (*Notices*), the Trustee and the Principal Paying Agent."

4. **Redemption for Taxation Reasons**

Condition 7(c) (*Redemption for taxation reasons*) shall be modified so that, following the occurrence of any taxation event listed in paragraph (i)(C) thereof, the substitution procedure set out in paragraph (ii) thereof shall apply but paragraph (iv)(B) shall not apply in respect of the Notes in such circumstance.

5. **Mortgaged Property**

The last sentence of Condition 3(a) shall be deleted in its entirety and replaced with the following:

"The assets over which the security referred to above are created by the Issuer in relation to the Notes, including the Charged Assets and the contractual rights over which the Managers' Security is created, is herein referred to as "**Mortgaged Property**"."

6. **Security**

6.1 Noteholders' Security

Pursuant to the Trust Deed in relation to the Notes, for all moneys and other liabilities payable or owed by the Issuer in relation to the Notes (save in respect of any Managers' Claim), the Issuer with full title guarantee and as continuing security will:

- (a) except to the extent assigned by way of security pursuant to (b) below, charge by way of first fixed charge in favour of the Trustee for itself and as trustee for the Enforcement Agent and the Noteholders, the Charged Assets including all sums and/or assets received or receivable under the Loan Notes, and all rights in respect thereof or relating thereto whether or not against third parties and any account in which any Charged Assets relating to the Notes may be deposited from time to time or by which any such Charged Assets may be represented from time to time, in each case together with the debts represented thereby and all related interests and all proceeds of such Charged Assets;
- (b) assign by way of security in favour of the Trustee for itself and as trustee for the Enforcement Agent and the Noteholders, all of its rights, title and interest in, to and under the Loan Notes (including, without limitation, its rights, title and interest in respect of all moneys and/or assets derived therefrom and held by or on behalf of the Issuer);
- (c) assign by way of security in favour of the Trustee for itself and as trustee for the Enforcement Agent and the Noteholders, all its rights, title and interest in, to and under the Agency Agreement and the Custodial Services Agreement (including, without limitation, its rights, title and interest in respect of all moneys and/or assets then or thereafter held by the Principal Paying Agent and/or the Custodian and/or the Redemption Agent in respect of such Series whether for the purpose of payment of principal, premium (if any) and/or interest (if any) in respect of the Notes or otherwise in relation to the Notes to the Noteholders, or otherwise held by the Principal Paying Agent and/or the Custodian and/or the Redemption Agent on behalf of the Issuer) and the debts represented thereby;
- (d) assign by way of security in favour of the Trustee for itself and as trustee for the Enforcement Agent and the Noteholders, all its rights, title and interest in, to and under the Loan Notes Purchase Agreement except to the extent included in the Managers' Security (as defined in the Supplemental Trust Deed);
- (e) assign by way of security in favour of the Trustee for itself and as trustee for the Enforcement Agent and the Noteholders all its rights, title and interest in, to and under any of its bank accounts in respect of the Notes and the debts represented thereby (excluding, for

the avoidance of doubt, the Issuer's bank accounts in its country of incorporation or elsewhere containing the paid up ordinary share capital and any transaction fees of the Issuer, and any interest accrued thereon, in each case); and

- (f) assigns by way of security in favour of the Trustee for itself and as trustee for the Noteholders all its rights, title and interest in, to and under the Trust Deed insofar as the same relates to the appointment of the Enforcement Agent as the Issuer's agent in connection with the rights and assets of the Issuer referred to in paragraphs (a) to (e) above,

such assignments and charges, together, the "**Noteholders' Security**".

6.2 Managers' Security

Pursuant to the Trust Deed in relation to the Notes, for any Managers' Claim, the Issuer with full title guarantee and as continuing security will:

- (a) assign by way of security in favour of the Managers' Trustee, for itself and as trustee for the Enforcement Agent and each Manager, the Issuer's rights, title and interest under the Loan Notes Purchase Agreement other than the Issuer's right to acquire the Loan Notes arising thereunder;
- (b) charge in favour of the Managers' Trustee, for itself and as trustee for the Enforcement Agent and each Manager, by way of first fixed charge the proceeds of, income from and sums arising from the enforcement of any claim under the Loan Notes Purchase Agreement, except for any claim of the Issuer in relation to its right to acquire the Loan Notes; and
- (c) assign by way of security in favour of the Managers' Trustee, for itself and as trustee for each Manager, the Issuer's rights, title and interest under the Trust Deed insofar as the same relates to the appointment of the Enforcement Agent as the Issuer's agent in connection with the rights and assets of the Issuer referred to in paragraphs (a) and (b) above,

such assignments and charges, together, the "**Managers' Security**".

The Managers' Security is granted as continuing security in respect of any claim a Manager may have (a "**Managers' Claim**") against the Issuer under the Subscription Agreement arising from any representation, warranty, covenant or agreement given therein by the Issuer regarding the Loan Notes, the Loan Notes Issuer and/or the Loan Notes Documents prepared by the Loan Notes Issuer in respect of the Loan Notes.

No Noteholder shall have any interest in the Managers' Security. The Managers' Security shall become enforceable upon a Managers' Claim being made. Upon the Managers' Security becoming enforceable the Noteholders' Security shall not consequently become enforceable and the Notes shall not be affected thereby and shall accordingly remain outstanding.

Each Manager (when acting in such capacity) is not permitted to take any action against the Loan Notes Issuer nor to enforce any claim that the Issuer may have against the Loan Notes Issuer under the Loan Notes and/or the Loan Notes Purchase Agreement or otherwise whether before, upon, or after the Managers' Security becoming enforceable. The Managers must rely on similar (but not identical) rights to those of the Noteholders, including a right of consultation and agreement with the Issuer (or the Enforcement Agent acting as agent of the Issuer) in relation to any such action or the enforcement of any such claim and/or a right to remove the Managers' Trustee, in each case in accordance with the provisions of the Trust Deed in relation to the Notes.

Each Manager, in respect of the Managers' Security, is subject to limited recourse provisions equivalent to those set out in Condition 3(h) (*Limited Recourse*) and Condition 12 (*Enforcement*) in

respect of the Mortgaged Property, in accordance with the provisions of the Subscription Agreement and the Trust Deed in relation to the Notes.

The assignment by way of security in favour of the Managers' Trustee of the Issuer's right under the Loan Notes Purchase Agreement to acquire the Loan Notes, and the first fixed charge in favour of the Managers' Trustee of all proceeds from, income from and sums arising from enforcement of any claim under the Loan Notes Purchase Agreement but only if such claim relates to the Issuer's right to acquire the Loan Notes, shall form part of the Managers' Mortgaged Property.

In respect of the application of the proceeds of realisation or enforcement of the Managers' Security, the proceeds shall be held on trust and applied:

- (i) first, in payment or satisfaction of the fees, costs, charges, expenses and liabilities properly incurred by the Managers' Trustee or any Appointee in preparing and executing the trusts under the Trust Deed (including any taxes required to be paid, the costs of realising any such security and the Managers' Trustee's remuneration) insofar as the same relate to the Managers' Security;
- (ii) secondly, in payment or satisfaction of the fees, costs, charges, expenses and liabilities properly incurred by the Enforcement Agent in acting as Enforcement Agent of the Issuer in respect of the Managers' Security under the terms of the Trust Deed (including any taxes required to be paid, the costs of realising or enforcing any such security and the Enforcement Agent's remuneration);
- (iii) thirdly, in meeting any Managers' Claim (as defined above); and
- (iv) fourthly, in payment of the balance (if any) to the Issuer.

7. Enforcement

Condition 12 (*Enforcement*) shall be deleted in its entirety and replaced with the following:

"At any time after the Notes or any of them shall have become due and repayable and have not been repaid and/or upon any Managers' Claim being made, the Trustee or the Managers' Trustee (as applicable) may, at its discretion and without notice, institute such proceedings (or take any other step or action) against the Issuer as it may think fit to enforce repayment thereof together with accrued interest (if any) and to enforce the provisions of the Notes and the Trust Deed, and subject always to the Enforcement Restriction (as defined below), but it shall not be bound to institute any such proceedings (or take any other step or action) unless:

- (a) in the case of the Trustee, it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by the holders of at least one-fifth of the principal amount of the Notes then outstanding (in which event it shall be obliged so to act, subject as provided in Condition 11 (*Events of Default*)) and shall have been indemnified and/or secured and/or prefunded to its satisfaction;
- (b) in the case of the Managers' Trustee, it shall have been so directed in writing by the Managers and shall have been indemnified and/or secured and/or prefunded to its satisfaction.

If the Noteholders' Security and/or the Managers' Security has become enforceable, the Enforcement Agent shall, if directed by the Issuer as directed by an Extraordinary Resolution of the Noteholders or requested in writing by the holders of at least one fifth of the principal amount of the Notes then outstanding:

- (i) take such steps or actions or make such filings or claims as specified in the relevant Extraordinary Resolution or request, as applicable, to pursue the rights and claims of the Issuer in respect of the Loan Notes (subject to their terms) to the extent reasonably practicable so to do; or
- (ii) arrange for and administer the sale of the Loan Notes,

provided that the Enforcement Agent shall not be obliged to take any action which it is directed to take under this Condition 12 (*Enforcement*) until it has been indemnified and/or secured and/or prefunded as to its costs and expenses in so acting to its satisfaction.

The Enforcement Agent shall, if a Managers' Claim is made, take such steps or actions or make such filings or claims as the Managers may direct in writing to pursue the rights and claims of the Issuer under the Loan Notes Purchase Agreement (including making any indemnity claim thereunder) in order to satisfy such Managers' Claim, provided that the Enforcement Agent shall not be obliged to take any action under this Condition 12 (*Enforcement*) until it has been indemnified and/or secured and/or prefunded to its satisfaction by the Managers or any of them as to its costs and expenses in so acting.

The Enforcement Agent acting in such capacity shall be subject to the transfer restrictions applicable to the Loan Notes in relation to any disposal of the Loan Notes. The Enforcement Agent shall not, and shall not be required to, dispose of the Loan Notes where such disposal would violate any such transfer restrictions.

Without prejudice and subject to the other provisions of this Condition 12, in no circumstances shall the Trustee or, as the case may be, the Managers' Trustee be permitted when acting in its capacity as trustee for the Noteholders, or, as the case may be, the Managers, nor shall the Noteholders or the Managers (when acting in their respective capacities) be permitted, to take any action against the Loan Notes Issuer or enforce any claim that the Issuer may have against the Loan Notes Issuer under the Loan Notes and/or the Loan Notes Purchase Agreement or otherwise whether before, upon, or after any security created by or pursuant to the Trust Deed becoming enforceable (the "**Enforcement Restriction**").

In acting as the Issuer's agent for the purpose of this Condition 12, the Enforcement Agent shall be permitted to take all such actions as would have been permitted to be taken by the Trustee upon the Noteholders' Security becoming enforceable (save where restricted as a matter of law), disregarding for such purpose, the Enforcement Restriction that would otherwise have applied in respect of the Trustee.

After realising the security which has become enforceable and distributing the net proceeds in accordance with Condition 3 (*Security*) (in the case of the Noteholders' Security) and paragraph 6.2 below (in the case of the Managers' Security), the obligations of the Issuer with respect to the Noteholders or the Managers in respect of the Notes, the Subscription Agreement, the Agency Agreement and the Custodial Services Agreement shall be satisfied and none of the foregoing parties may take any further steps against the Issuer to recover any further sums in respect thereof and the right to receive any such sums shall be extinguished.

In particular, none of the Trustee, the Managers' Trustee, the Enforcement Agent, the Principal Paying Agent, the Custodian, the Agent Bank, the Redemption Agent, the Calculation Agent, the Determination Agent, the Managers or any Noteholder shall be entitled in respect thereof to petition or to take any other steps for the insolvency, winding-up or dissolution of the Issuer or the appointment of an examiner in respect of the Issuer nor shall any of them have any claim in respect of the Notes for any other Series."

8. Limited Recourse

Condition 3(h)(i) (*Limited Recourse*) shall be deleted in its entirety and replaced with the following

"All payments to be made by the Issuer hereunder in respect of the Notes will be made only from and to the extent of the sums received or recovered from time to time by or on behalf of the Issuer or the Trustee or the Enforcement Agent in respect of the Noteholders' Security;"

In particular, but without limitation, none of the Noteholders shall be entitled to petition or take any other step for the insolvency, examinership, winding-up or liquidation of the Issuer to recover any Shortfall.

9. Notices

Upon receipt by the Issuer of any notice from the Loan Notes Issuer pursuant to the conditions of the Loan Notes, the Issuer shall cause to be published a copy of each such notice to the Noteholders in accordance with Condition 16 (*Notices*).

10. Meetings of Noteholders

Condition 17 (*Meetings of Noteholders; Modification, Waiver and Substitution*) shall be amended by adding the following paragraphs at the end thereof:

"The Issuer may exercise any rights in its capacity as holder of, or party to an agreement comprised in, the Mortgaged Property pursuant to the consent of the Trustee or the authority of an Extraordinary Resolution of the Noteholders and, if such direction is given, the Issuer will act only in accordance with such directions (as more specifically set out in the Trust Deed). In particular, the Issuer will not attend or vote at any meeting of holders of the Loan Notes (if applicable), or give any consent or notification or make any declaration in relation to the Loan Notes, unless it shall have been so requested by the Trustee or by any Extraordinary Resolution of the Noteholders.

In addition, the Issuer shall, if so directed in writing by the holders of at least one-fifth in principal amount of the Notes then outstanding, or if so directed by an Extraordinary Resolution of the Noteholders (in each case, a "**Noteholder Direction**") (subject in each case to its being indemnified to its satisfaction), exercise any rights in its capacity as holder of the Loan Notes (including to direct the trustee in respect of the Loan Notes to enforce the terms of the Loan Notes as contemplated thereby) or its right under the Loan Notes Purchase Agreement to acquire the Loan Notes in accordance with such direction (as more specifically set out in the Trust Deed).

At any time after the security for the Notes has become enforceable, the Enforcement Agent shall, if the Issuer is directed to do so by any Noteholder Direction (subject in each case to the Enforcement Agent being indemnified and/or secured to its satisfaction), exercise on behalf of the Issuer as the Issuer's agent any rights of the Issuer in the Issuer's capacity as holder of the Loan Notes (including to direct the trustee in respect of the Loan Notes to enforce the terms of the Loan Notes as contemplated thereby) or the Issuer's right under the Loan Notes Purchase Agreement to acquire the Loan Notes and the Enforcement Agent will act only in accordance with any Noteholder Direction (as more specifically set out in the Trust Deed).

Without prejudice to the foregoing, in no circumstances shall the Trustee be permitted when acting in its capacity as trustee for the Noteholders and the other secured parties, nor shall the Noteholders and the other secured parties (when acting in their respective capacities) be permitted, to take any action against the Loan Notes Issuer or enforce any claim that the Issuer may have against the Loan Notes Issuer under the Loan Notes or the Loan Notes Purchase Agreement or otherwise whether before, upon, or after any security created by or pursuant to the Trust Deed becoming enforceable."

11. Purchase, exchange or retirement of the Notes by the Issuer

Condition 9 shall not apply in respect of the Notes and the Issuer may purchase, exchange or retire the Notes on the following terms:

- (a) The Issuer may, provided that no Event of Default has occurred and is continuing, at any time make an offer to purchase the Notes for cash consideration (at any price) or to receive the Notes for cancellation (an "**Aquarius Tender Offer**") or to exchange the Notes for non-cash assets (an "**Aquarius Exchange Offer**") (in each case, whether in the open market, by private treaty or tender offer). Any Aquarius Tender Offer or Aquarius Exchange Offer may only be made on a limited recourse basis and upon terms that will ensure that after any such purchase, cancellation or exchange of Notes, the aggregate principal amount of Notes outstanding will be the same as the aggregate principal amount of Loan Notes outstanding. The Issuer shall not make an Aquarius Tender Offer or an Aquarius Exchange Offer (A) other than in the case of the Issuer receiving Notes for cancellation, without first having entered into an agency agreement with an agent to act as tender agent or, as the case may be, exchange agent for the Issuer in connection with the Aquarius Tender Offer or the Aquarius Exchange Offer and (B) without first being satisfied that its costs and expenses in connection with the same will be met, and subject to Moody's and/or S&P, as the case may be (or any other applicable rating agency), being notified of the same and, in the case of S&P only, confirming that the then current rating of the Notes by S&P will not be adversely affected after the conclusion of any such Aquarius Tender Offer or Aquarius Exchange Offer.

Furthermore, any Aquarius Tender Offer or Aquarius Exchange Offer shall be subject to any terms and conditions required by the Trustee and shall, for as long as the Notes are listed on the official list of the Irish Stock Exchange and admitted to trading on the Global Exchange Market of the Irish Stock Exchange, be in accordance with all applicable rules and regulations of the Irish Stock Exchange. The Issuer shall forthwith notify Moody's and/or S&P, as the case may be (or any other applicable rating agency), if any Notes are purchased or exchanged pursuant to this provision.

MANAGERS' INTERESTS

Subscription Agreement

Subject to the terms and conditions contained in the subscription agreement (the “**Subscription Agreement**”) with BNP Paribas, Commerzbank Aktiengesellschaft, Crédit Agricole Corporate and Investment Bank, Deutsche Bank AG, London Branch and Lloyds TSB Bank plc (the “**Managers**”) with respect to the Notes, the Issuer has agreed to sell to the Managers, and the Managers have jointly and severally agreed to purchase from the Issuer, the Notes.

The Subscription Agreement provides that the Managers’ obligations are subject to certain conditions precedent. The Subscription Agreement also entitles the Managers to terminate the Subscription Agreement in certain circumstances prior to the issue and subscription of the Notes. If the right to terminate the Subscription Agreement is exercised by the Managers, any previous purported purchase or subscription of the Notes will be deemed not to have been made. The Issuer has agreed to pay the Managers certain commissions and meet certain expenses in relation to the issue of the Notes. The Issuer has agreed to indemnify the several Managers against certain liabilities or to contribute to payments that the Managers may be required to make in respect of those liabilities.

Relationships and Other Matters

The Managers and their respective affiliates are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities.

Some of the Managers and their affiliates have provided from time to time, and may in the future provide, various financial advisory, investment banking and commercial banking services for the Issuer, for which they have received or will receive customary fees, commissions and reimbursement of expenses and they expect to provide these services to the Issuer in the future, for which they expect to receive customary fees and commissions.

In addition, in the ordinary course of their various business activities, the Managers and their respective affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers, and such investment and securities activities may involve securities and instruments of the Issuer. Certain of the Managers and their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Managers and their affiliates would hedge such exposure by entering into transactions that consist of either the purchase of credit default swaps or the creation of short positions in our securities, including potentially the Notes offered hereby, or securities of its affiliates. Any such short positions could adversely affect future trading prices of the Notes. The Managers and their respective affiliates may also make investment recommendations or publish or express independent research views in respect of such securities or financial instruments and may at any time hold, or recommend to clients that they acquire, long or short positions in such securities and instruments.

SWISS TAXATION

General

The following is a summary of certain Swiss tax consequences of the purchase, beneficial ownership and disposition of the Notes. The summary does not purport to be a comprehensive description of all of the tax considerations that may be relevant to a decision to purchase, own or dispose of the Notes. The summary relates only to the position of persons who are the absolute beneficial owners of the Notes and may not apply to certain other classes of persons.

The summary is based upon Swiss tax laws and tax practice as in effect on the date of this Prospectus, which are subject to prospective or retroactive change, and a tax ruling with the Swiss federal tax administration. The summary does not constitute tax or legal advice and the comments below are of a general nature only. Prospective investors in the Notes should consult their own advisors as to the Swiss or other tax consequences of the purchase, beneficial ownership and disposition of the Notes.

Withholding Tax

Interest, principal and other payments on the Notes will not be subject to Swiss Federal Withholding Tax (*Verrechnungssteuer*).

On August 24, 2011 the Swiss Federal Council issued draft legislation, which, if enacted, may require a paying agent in Switzerland to withhold Swiss withholding tax at a rate of 35 per cent. on any payment of interest in respect of a Note to an individual resident in Switzerland. If this legislation or similar legislation were enacted and an amount of, or in respect of, Swiss withholding tax were to be deducted or withheld from that payment, neither the Issuer nor any paying agent nor any other person would pursuant to the Conditions be obliged to pay additional amounts with respect to any Note as a result of the deduction or imposition of such withholding tax.

Stamp Taxes

The issue and the redemption of the Notes will not be subject to Swiss federal stamp duty on the issue of securities or Swiss federal stamp duty on the dealing in securities (primary market). Secondary market dealings in the Notes where a Swiss domestic bank or a Swiss domestic securities dealer (as defined in the Swiss Federal Stamp Duty Act) is a party, or acts as an intermediary, to the transaction may be subject to Swiss federal stamp duty on the dealing in securities at a rate of up to 0.3 per cent. of the consideration paid for the Notes. Where both the seller and the purchaser of the Notes are not resident in Switzerland or the Principality of Liechtenstein, no Swiss federal stamp duty on the dealing in securities is payable.

Income Taxation on Principal or Interest

Notes held by Non-Swiss holders

Payments by the Issuer of interest on, and repayment of principal of, the Notes, to, and gain realized on the sale or redemption of Notes by, a holder of Notes, who is not a resident of Switzerland, and who during the relevant taxation year has not engaged in a trade or business through a permanent establishment or a fixed place of business in Switzerland to which the Notes are attributable, will not be liable for any Swiss federal, cantonal or communal income tax.

Notes held as Private Assets by Swiss Resident Holders

An individual who resides in Switzerland and holds a Note as a private asset is required to include all payments of interest received on the Note in his or her personal income tax return for the relevant tax period and will be taxable on any net taxable income (including the payment of interest on the Note) for such tax period at the then prevailing tax rates. Capital gains realized by such a holder on the sale or other disposition of a Note will be a tax-free capital gain, including in respect of interest accrued and currency; conversely, a capital loss is not tax-deductible. See “—Notes held as Swiss business assets” below for a summary on the tax treatment of individuals classified as “professional securities dealers.”

Notes held as Swiss Business Assets

Individuals who hold Notes as part of a business in Switzerland, and Swiss-resident corporate taxpayers, and corporate taxpayers residing abroad holding Notes as part of a Swiss permanent establishment or fixed place of business in Switzerland, are required to recognize payments of interest and any capital gain or loss, as applicable, realized on the sale or other disposal of such Notes in their income statement for the respective tax period and will be taxable on any net taxable earnings for such period at the prevailing tax rates. The same taxation treatment also applies to Swiss-resident individuals who, for Swiss income tax purposes, are classified as “professional securities dealers” for reasons of, *inter alia*, frequent dealings, or leveraged transactions, in securities.

European Directive on the Taxation of Savings Income

On October 26, 2004, the European Community and Switzerland entered into an agreement on the taxation of savings income pursuant to which Switzerland has adopted measures equivalent to those of the European Council Directive 2003/48/EC of 3 June 2003 on the taxation of savings income in the form of interest payments.

Any Swiss paying agent will have to withhold tax at a rate of 35% on interest payments made in respect of a Note to a beneficial owner who is an individual and resident of an EU member state, with the option of the individual to have the paying agent and Switzerland provide to the tax authorities of the EU member state the details of the interest payments in lieu of the withholding.

Final Foreign Withholding Taxes

On 1 January 2013 treaties on final withholding taxes entered into force between Switzerland and the United Kingdom and Switzerland and Austria. The treaties, *inter alia*, require a Swiss paying agent to levy final withholding tax at specified rates in respect of an individual resident in the United Kingdom or Austria, as applicable, on interest or capital gain paid, or credited to an account, relating to the Notes. The final withholding tax substitutes the United Kingdom or Austrian income tax, as applicable, on such item of income. The relevant person may, however, in lieu of the final withholding tax opt for voluntary disclosure of the relevant asset and item of income to the tax authority of his or her country of residency. Note that Switzerland may conclude similar treaties with other European countries, negotiations currently being conducted with Greece and Italy.

S Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person (as defined in Regulation S under the U.S. Securities Act), and may not be held otherwise than through Euroclear and Clearstream, Luxembourg. Registered Notes in individual form will be issued in exchange for interests in the Regulation S Global Note upon compliance with the procedures for exchange as described in “Form of the Notes and the Capital Notes” below in the limited circumstances described in the applicable Final Terms. Registered Notes in individual registered form from the date of issue may also be sold outside the United States in reliance on Regulation S under the U.S. Securities Act.

Each Tranche of Notes issued in bearer form (“**Bearer Notes**”) (other than a Tranche of Listed Swiss Franc Notes, as to which see “Form of the Notes and the Capital Notes”) will initially be represented by a temporary bearer global Note (a “**Temporary Global Note**”) or, if so specified in the applicable Final Terms, a permanent Global Note (a “**Permanent Global Note**”, together with the Temporary Global Note, the “**Bearer Global Notes**”) which if the Bearer Global Notes are not intended to be issued in new global note (“**New Global Note**”, or “**NGN**”) form, will be deposited on or around the relevant issue date with a common depository (the “**Common Depository**”) for Euroclear and Clearstream Luxembourg, and if the Bearer Global Notes are intended to be issued in NGN form, will be deposited on or around the relevant issue date with a Common Safekeeper for Euroclear and Clearstream, Luxembourg. Beneficial interests in a Temporary Global Note will be exchangeable for either beneficial interests in a Permanent Global Note or Definitive Bearer Notes upon certification as to non-U.S. beneficial ownership as required by U.S. Treasury Regulations and thereafter any Permanent Global Note may be exchanged for Definitive Bearer Notes in the circumstances described in the applicable Final Terms, in each case in accordance with the procedures described in “Form of the Notes and the Capital Notes” below.

Each Series may be issued in tranches (each a “**Tranche**”) on different issue dates.

No representation, warranty or undertaking, express or implied, is made and to the fullest extent permitted by law the Dealers and the Trustee disclaim all responsibility or liability which they might otherwise have as to the accuracy or completeness of the information contained in this Base Prospectus or any other information provided by any Issuer in connection with the Programme or the Notes or their distribution. The statements made in this paragraph are made without prejudice to the responsibility of each Issuer under the Programme.

Neither this Base Prospectus nor any other information supplied in connection with the Programme or any Notes (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation or constituting an invitation or offer by any Issuer, the Trustee or any of the Dealers that any recipient of this Base Prospectus or any other information supplied in connection with the Programme or any Notes should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the relevant Issuer or ZIC (where ZIC is not the relevant Issuer). Neither this Base Prospectus nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer by or on behalf of any Issuer, the Trustee or any of the Dealers to any person to subscribe for or to purchase any Notes.

The delivery of this Base Prospectus does not at any time imply that the information contained herein concerning the Issuers is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Dealers and the Trustee

expressly do not undertake to review the financial condition or affairs of the Issuers during the life of the Programme. Investors should review, inter alia, the most recently published audited annual financial statements and, if published later, the most recently published interim financial statements (if any) of the relevant Issuer and ZIC (where ZIC is not the relevant Issuer) when deciding whether or not to purchase any Notes.

The Notes have not been and will not be registered under the U.S. Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States and the Notes may include bearer Notes that are subject to U.S. tax law requirements. Notes may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the U.S. Securities Act) except in accordance with Regulation S under the U.S. Securities Act or pursuant to an exemption from the registration requirements of the U.S. Securities Act (see “Subscription and Sale” below) and hedging transactions involving the Notes may not be conducted unless in compliance with the U.S. Securities Act.

The distribution of this Base Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuers, the Trustee and the Dealers do not represent that this document may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuers, the Trustee or the Dealers which would permit a public offering of any Notes or distribution of this document in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Base Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations and the Dealers have represented that all offers and sales by them will be made in compliance with applicable law. Persons into whose possession this Base Prospectus or any Notes come must inform themselves about, and observe, any such restrictions. The Programme has been assigned credit ratings by Standard & Poor’s Credit Market Services Europe Limited (“**Standard & Poor’s**”) of A+ for Senior Notes, A+ for dated and undated Subordinated Notes and A for Capital Notes. The Programme has been assigned credit ratings by Moody’s Investors Service Ltd. (“**Moody’s**”) of A1 for Senior Notes, A2 for Subordinated Notes, A3 for Capital Notes (where Trigger Event (as such term is defined in Condition 3(b) of the Terms and Conditions of the Capital Notes) is not specified as being applicable in the relevant Final Terms) and Baa1 (where Trigger Event is specified as being applicable in the relevant Final Terms). Both Standard & Poor’s and Moody’s are established in the EEA and registered under Regulation (EC) No 1060/2009 of the European Parliament and of the Council of September 16, 2009 on credit rating agencies (the “**CRA Regulation**”). A list of registered and certified rating agencies published by the European Securities and Markets Authority (“**ESMA**”) in accordance with the CRA Regulation can be found on its website, though this is not conclusive evidence of the status of the relevant rating agency included in such list, as there may be delays between certain supervisory measures being taken against a relevant rating agency and the publication of the updated ESMA list. Standard & Poor’s and Moody’s are included in this list as at the date of this Base Prospectus.

Tranches of Notes may be rated or unrated. Where a Tranche of Notes is rated, the applicable rating(s) will be specified in the relevant Final Terms. Whether or not each credit rating applied for in relation to a relevant Tranche of Notes will be issued by a credit rating agency established in the European Union and registered under the CRA Regulation will be disclosed in the relevant Final Terms. In general, European regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the European Union and registered under the CRA Regulation unless the rating is provided by a credit rating agency operating in the European Union before June 7, 2010 which has submitted an application for registration in accordance with the CRA Regulation and such registration has not been refused. A rating is not a recommendation to buy, sell or hold Notes and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

Special provisions in relation to interest payable under Capital Notes:

Interest shall be payable on the Capital Notes on such date or dates as may be agreed with the relevant Dealer (as indicated in the applicable Final Terms), subject to the provisions relating to the optional or mandatory deferral or, as applicable, cancellation of interest payments set out in Condition 3 of the Terms and Conditions of the Capital Notes.

ZIC shall (if the applicable Final Terms specifies the Capital Note as being Cumulative with respect to such payment) defer or (if the applicable Final Terms specifies the Capital Note as being Non-Cumulative with respect to such payment) cancel any Interest Payment (or relevant part thereof as described herein) on the Capital Notes if a Solvency Event is specified in the applicable Final Terms as applicable and has occurred and is continuing.

ZIC shall also cancel any Interest Payment (or relevant part thereof as described herein) on the Capital Notes if a Trigger Event is specified in the applicable Final Terms as applicable and has occurred and is continuing.

In addition, ZIC may elect (if the applicable Final Terms provides for such election and specifies the Capital Note as being Cumulative with respect to such payment) to defer or (if the applicable Final Terms provides for such election and specifies the Capital Note as being Non-Cumulative with respect to such payment) to cancel such Interest Payment on the Capital Notes by giving notice of such election to the Trustee, the Agent and the Noteholders in accordance with the Terms and Conditions of the Capital Notes.

If an Interest Payment has not been paid in full by reason of any of the above then, in the case of Capital Notes specified as Cumulative with respect to such interest payment, for so long as such payment remains unpaid and, in the case of Capital Notes specified as Non-Cumulative with respect to such interest payment, until the next payment of an Interest Payment in full, (if the applicable Final Terms so provide), ZIC, Zurich Insurance Group Ltd (“**ZIG**” and, together with its subsidiaries, the “**Zurich Insurance Group**”) and their subsidiaries will be subject to the restrictions on making certain payments described in Condition 3(d) of the Terms and Conditions of the Capital Notes.

Settlement of Deferred Interest — Capital Notes:

The Issuer may, if the applicable Final Terms specify that Cash Settlement is applicable, elect to pay in cash in whole or in part any Deferred Interest pursuant to Condition 3(e). The Issuer and ZIG may elect, and shall in specified circumstances be required, to settle Deferred Interest utilising the APM in accordance with Condition 3(e) of the Terms and Conditions of the Capital Notes.

Redemption of the Senior Notes and Subordinated Notes:

The applicable Final Terms will indicate either that the relevant Notes cannot be redeemed prior (in the case of Senior Notes and Dated Subordinated Notes) to their stated maturity (other than in specified instalments, if applicable, for taxation reasons or following an Event of Default) or that such Notes and Undated Subordinated Notes will be redeemable at the option of the relevant Issuer and/or the Noteholders upon giving the notice required by the applicable Final Terms to the Noteholders or the relevant Issuer as the case may be, on a date or dates specified, at a price or prices and on such terms as are indicated in the applicable Final Terms and, where applicable pursuant to Condition 6 in the case of Subordinated Notes, having obtained the prior written approval of FINMA or any successor Authority for such payment. Furthermore, Subordinated Notes may be redeemed (i) for taxation reasons or (ii) if so specified in the applicable Final Terms, if an Accounting Event, a Capital Event or a Regulatory Event, has occurred. Upon the occurrence of any of the events described in (i) or, if so

specified in the applicable Final Terms, (ii) above, the relevant Issuer may at any time either substitute all (but not some only) of the Subordinated Notes for, or vary the terms of the Subordinated Notes so that they remain or, as appropriate, become, Qualifying Securities.

The applicable Final Terms may provide that Notes may be redeemable in two or more instalments of the amounts and on the dates indicated in the applicable Final Terms.

Redemption of the Capital Notes:

The Capital Notes are either Dated Capital Notes or Undated Capital Notes. Undated Capital Notes are perpetual securities in respect of which there is no fixed maturity date and they are redeemable or repayable only in accordance with the provisions of Conditions 6 and 9 of the Terms and Conditions of the Capital Notes. In all cases, ZIC may only redeem, substitute or vary the Capital Notes if FINMA has given and has not subsequently withdrawn its consent to the redemption, substitution or variation as appropriate, to the extent that such consent is required. The Dated Capital Notes may be redeemed upon maturity provided that, if so specified in the applicable Final Terms, if a Solvency Event has occurred and is continuing on the Maturity Date or would occur as a result of the relevant redemption, the Dated Capital Notes shall not be redeemed, unless the prior written approval of FINMA or any Successor Authority for such payment has been given. Furthermore, the Capital Notes may be redeemed (i) for taxation reasons or (ii), if so specified in the applicable Final Terms, on the occurrence of any of an Accounting Event, a Capital Event or a Regulatory Event pursuant to Condition 6.

Upon the occurrence of any of the events described in (i) or, if so specified in the applicable Final Terms, (ii) above, ZIC may at any time either substitute all (but not some only) of the Capital Notes for, or vary the terms of the Capital Notes so that they remain or, as appropriate, become, Qualifying Securities.

The Capital Notes may also be redeemed by the Issuer on any Optional Redemption Date in whole but not, unless so specified in the applicable Final Terms, in part, at the Optional Redemption Amounts specified in the applicable Final Terms, in accordance with Condition 6(d) of the Terms and Conditions of the Capital Notes.

Maintenance of Capital — Capital Notes:

The applicable Final Terms will specify whether ZIC or, as the case may be, ZIG intends to enter into a replacement capital covenant for the benefit of one or more designated series of ZIC's debt securities. It is anticipated that the terms of any such replacement capital covenant will provide that ZIC will not redeem or repurchase any of the relevant Capital Notes and will not permit any subsidiary to purchase any of the relevant Capital Notes, unless and to the extent the aggregate redemption, repurchase or purchase price is equal to or less than the net proceeds (or in certain circumstances a specified percentage of such net proceeds) received by ZIC, ZIG or their respective subsidiaries during the twelve months prior to such redemption, repurchase or purchase date, from new issuances of Qualifying Securities and that the covenant will terminate on the redemption of the Capital Notes if not terminated earlier in accordance with its terms. Any such replacement capital covenant will continue to be effective following any substitution or variation of the Capital Notes in accordance with their terms.

Denomination of Notes:

Notes issued under the Programme which may be listed on the Official List and admitted to trading on the regulated market of the Luxembourg Stock Exchange and/or admitted to listing, trading and/or quotation by any other listing authority, stock exchange and/or quotation system situated or operating in a Member State may not (a) have a minimum denomination of less than EUR 100,000 (or its equivalent in another currency), or (b) carry the right to acquire shares (or transferable securities equivalent to shares) issued by ZF (Luxembourg), ZF (USA), ZF (UK), Zurich Bank, ZIC or by any entity to whose group ZF (Luxembourg), ZF (USA), ZF (UK), Zurich Bank or ZIC belong.

Subject thereto, Notes will be issued in such denominations as may be agreed between the relevant Issuer and the relevant Dealer as indicated in the applicable Final Terms save that the minimum denomination of each Note will be such as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency.

If so specified in the Final Terms, so long as the Notes are represented by a Temporary Global Note or Permanent Global Note, the Notes may be tradeable only in minimum specified denominations of EUR 100,000 (or equivalent in another currency) and integral multiples of EUR 1,000 (or equivalent in another currency) in excess thereof.

Notes issued under the Programme may have a minimum specified denomination of less than EUR 100,000 if it is the intention that the Notes will not be listed on the Official List and admitted to trading on the regulated market of the Luxembourg Stock Exchange and/or admitted to listing, trading and/or quotation by any other listing authority, stock exchange and/or quotation system situated or operating in a Member State.

Taxation:

See Condition 7 of the relevant Conditions and “Relevant Jurisdiction” definition in Condition 6(c) of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes and Condition 6(b) of the Terms and Conditions of the Capital Notes.

All payments on Notes issued by each of ZF (Luxembourg), ZF (USA), ZF (UK) and Zurich Bank will be made without deduction for or on account of withholding tax imposed by Luxembourg and Switzerland (in the case of Notes issued by ZF (Luxembourg)), the U.S. and Switzerland (in the case of Notes issued by ZF (USA)), the United Kingdom and Switzerland (in the case of Notes issued by ZF (UK)) and Ireland and Switzerland (in the case of Notes issued by Zurich Bank) or required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “Code”) unless such withholding is required by law and/or by agreement of the relevant Issuer or the Guarantor. Subject to a number of exceptions set out in Condition 7 of the relevant Conditions, if such withholding is required, the relevant Issuer will generally be required to pay such additional amounts as will result in the receipt by the Noteholders of such amounts as they would have received had no such withholding been required.

All payments on Notes issued by ZIC will be made subject to withholding tax imposed by Switzerland to the extent required by law. No additional amounts will be paid by ZIC in respect of any such withholding as set out in Condition 7 of the relevant Conditions, save in the case of Restricted Capital Notes and Restricted Notes on which additional amounts will, subject to certain exceptions, be payable as discussed in Condition 7 of the Terms and Conditions of the Capital Notes and Condition 7 of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes.

Negative Pledge:

The terms of the Senior Notes issued by ZF (Luxembourg), ZF (USA) and ZF (UK) will contain a negative pledge provision as further described in Condition 3(c) of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes.

Cross Default:

In relation to any Senior Notes, the terms of such Senior Notes will contain a cross default provision as further described in Condition 9(a)(iii) of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes.

Status of the Notes:

Notes issued under the Programme may either be senior notes (“Senior Notes”), dated subordinated notes (“Dated Subordinated Notes”) or undated subordinated notes (“Undated Subordinated Notes”, together with Dated Subordinated Notes, “Subordinated Notes”) or, in the case of Notes issued by ZIC only, Capital Notes (the “Capital Notes”). The status of any such Subordinated Notes or Capital Notes will be described in Condition 2 of the relevant Conditions and the applicable Final Terms.

Senior Notes:

The Senior Notes will constitute direct, unconditional, unsubordinated and, subject to the provision of Condition 3(c) of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes, unsecured obligations of the relevant Issuer and (subject as aforesaid) will rank *pari passu*, without any preference among themselves save for statutory preferred exceptions, with all other outstanding unsecured and unsubordinated obligations of the relevant Issuer, present and future, but, in the event of insolvency, only to the extent permitted by applicable laws relating to creditors’ rights.

Subordinated Notes:

The Subordinated Notes will rank as set out in the applicable provisions of Condition 2 of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes, as specified in the applicable Final Terms.

Capital Notes:

The Capital Notes will rank as set out in the applicable provisions of Condition 2 of the Terms and Conditions of the Capital Notes, as specified in the applicable Final Terms.

The Capital Notes will constitute direct, subordinated and unsecured obligations of ZIC and will rank *pari passu*, without any preference among themselves. The claims of the holders of Capital Notes will rank on a voluntary or involuntary insolvency, winding-up, liquidation, dissolution or other similar proceedings of or against ZIC after the claims of any Senior Creditors (as defined in Condition 2) of ZIC, *pari passu* with the claims of the holders of any subordinated obligations of ZIC which whether now or in the future rank or are expressed to rank *pari passu* with the claims of the holders of the Capital Notes and prior to the claims of the holders of all classes of issued shares in the share capital of ZIC.

Save as otherwise specified in the applicable Final Terms, in the event of a voluntary or involuntary insolvency, winding-up, liquidation, dissolution or other similar proceedings of or against the Issuer, there shall be payable on each Capital Note, subject to the subordination provisions set out above, an amount equal to the principal amount of each Capital Note with, unless otherwise specified in the applicable Final Terms, unpaid and outstanding Deferred Interest and interest which has accrued up to, but excluding, the date of repayment.

Holders of Capital Notes will have limited remedies, as described under Condition 9 of the Terms and Conditions of the Capital Notes.

Guarantees by ZIC:

Each Tranche of Senior Notes issued by ZF (Luxembourg), ZF (USA), ZF (UK) or Zurich Bank will be unconditionally and irrevocably guaranteed by ZIC (each such guarantee, a “**Senior ZIC Guarantee**”). Each Senior ZIC Guarantee will be governed by Swiss law, will be issued by ZIC on the issue date of the relevant Tranche of Notes and will be limited to its stated maximum amount. The obligations of ZIC under each Senior ZIC Guarantee will be direct, non-accessory, unconditional, unsubordinated and unsecured obligations of ZIC and (subject as aforesaid) will rank *pari passu* with all other outstanding unsecured and unsubordinated obligations of ZIC, present and future, save for statutorily preferred exceptions, but, in the event of insolvency, only to the extent permitted by applicable laws relating to creditors’ rights. Payment under the relevant Senior ZIC Guarantee shall be made by ZIC within 7 days of receipt by it of notice from the Trustee that such payment has become due and remains unpaid.

Notes issued by Zurich Bank under this Programme will not receive the benefit of the guaranty and surety bond offered by certain of Zurich Bank’s parent companies to counterparties under certain other financial products and obligations of Zurich Bank, and therefore such Notes will only be covered by the Senior ZIC Guarantee or the Subordinated ZIC Guarantee (as applicable).

Each Tranche of Subordinated Notes issued by ZF (Luxembourg), ZF (USA), ZF (UK) or Zurich Bank will be unconditionally and irrevocably guaranteed on a subordinated basis by ZIC by way of an unsecured and subordinated guarantee (each such guarantee, a “**Subordinated ZIC Guarantee**”). The obligations of ZIC under each Subordinated ZIC Guarantee will constitute direct, non-accessory, unconditional, subordinated and unsecured obligations of ZIC ranking (i) after the claims of Senior Creditors, (ii) *pari passu* with Subordinated Notes and any other subordinated obligations of ZIC which whether now or in the future rank or are expressed to rank *pari passu* with the claims of the holders of such Subordinated Notes or the beneficiaries of the Subordinated ZIC Guarantee and (iii) prior to the claims of holders of any Capital Notes and of all claims of issued shares in the share capital of the Guarantor, it being understood that ZIC’s obligations in respect of certain guarantees (as more fully described under the section “Form of Subordinated Guarantee”) shall rank senior to the Subordinated ZIC Guarantee.

Prescription:

The Notes, Receipts and Coupons will become void unless presented for payment within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 8 of the relevant Conditions) therefor.

Applications have been made for the Notes to be admitted to trading on the regulated market of the Luxembourg Stock Exchange (which is a regulated market pursuant to Directive 2004/39/EC) and listed on the Official List of the Luxembourg Stock Exchange for a period of twelve months from the date hereof. The Notes may also be admitted to listing, trading and/or quotation by any other listing authorities, stock exchanges and/or quotation systems (including the SIX Swiss Exchange) as may be agreed between the relevant Issuer and the relevant Dealer in relation to each Series.

The applicable Final Terms will state whether or not and, if so, on which stock exchange(s) the Notes are to be listed.

Governing Law:

The Notes (other than the provisions of Condition 2 of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes in relation to Subordinated Notes which will be governed by, and construed in accordance with, the law of the jurisdiction of incorporation of the relevant Issuer of the Subordinated Notes and Condition 2 of the Terms and Conditions of the Capital Notes which will be governed by, and construed in accordance with, the laws of Switzerland) will be governed by, and construed in accordance with, English law. Holders of Listed Swiss Franc Notes should note that, among other things, under the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes, collective representation of investors is possible, albeit without any guarantee that investors' anonymity can be assured.

Each Senior ZIC Guarantee and each Subordinated ZIC Guarantee will be governed by Swiss law.

Selling Restrictions:

There are selling restrictions in relation to the U.S., the European Economic Area, Ireland, the United Kingdom and Japan and such other restrictions as may be required in connection with the offering and sale of a particular Tranche of Notes. See "**Subscription and Sale**" below.

RISK FACTORS

Prospective investors should carefully consider all of the information set forth in this Base Prospectus, the applicable Final Terms and any documents incorporated by reference before deciding to invest in any Notes or Capital Notes. Prospective investors should have particular regard to, among other matters, the considerations set out in this Risk Factors section of the Base Prospectus. The following is not intended as, and should not be construed as, an exhaustive list of relevant risk factors. There may be other risks that a prospective investor should consider that are relevant to its own particular circumstances or generally.

Each of the Issuers and ZIC believe that the following factors may affect their ability to fulfil its obligations under Notes or Capital Notes issued under the Programme. Most of these factors are contingencies which may or may not occur and none of the Issuers nor ZIC are in a position to express a view on the likelihood of any such contingency occurring. In addition, factors which are material for the purpose of assessing the market risks associated with Notes or Capital Notes issued under the Programme are also described below. None of the Issuers or ZIC represent that the statements below regarding the risks of holding any Notes or Capital Notes are exhaustive.

Factors that may affect the Issuers' ability to comply with their obligations under or in connection with Notes or Capital Notes issued under the Programme or of ZIC to comply with its obligations under its Guarantee

Reliance of investors on the creditworthiness of the relevant Issuer and ZIC (as applicable)

The Notes, the Capital Notes and the Guarantee (as applicable) will constitute unsecured, senior or subordinated obligations of the relevant Issuer and ZIC (as applicable), respectively, and will rank equally among themselves and equally with all other unsecured, senior or subordinated obligations of the relevant Issuer and ZIC (as applicable), respectively. The Capital Notes will constitute unsecured, subordinated obligations of ZIC and rank equally with any subordinated obligations of ZIC which whether now or in the future rank or are expressed to rank *pari passu* with the claims of the holders of the Capital Notes. It should be noted that mandatory provisions of law may operate such that certain other obligations of the relevant Issuer or ZIC must be satisfied in preference to their obligations under the Notes, the Capital Notes and the Guarantee (as applicable). In particular, ZIC is subject to certain insurance and financial services laws, regulations and policies which include provisions whereby certain assets are tied to obligations towards the policyholders and cannot be used for settlement of obligations to other creditors. This could affect its position under the Notes, the Capital Notes or the Guarantee (as applicable) either in its capacity as Guarantor or as Issuer (as applicable).

Noteholders are dependent solely on the ability of the relevant Issuer and ZIC to comply with its obligations under the Notes, the Capital Notes and the Guarantee (as applicable), and do not have the benefit of collateral or other forms of credit support.

Any actual or perceived deterioration in the financial condition, results of operations or cashflow of the relevant Issuer or ZIC could have a negative effect on the ability of the relevant Issuer or ZIC, as the case may be, to comply with its obligations under the Notes, the Capital Notes and the Guarantee (as applicable). In addition, investment in the Notes or the Capital Notes involves the risk that subsequent changes in actual or perceived creditworthiness of the relevant Issuer and ZIC (as applicable) may adversely affect the market value of the Notes or the Capital Notes.

Ratings

The financial strength and issuer credit ratings assigned to ZIC and other Zurich Insurance Group entities may be changed, suspended or withdrawn at any time by rating agencies. A downgrade, or the potential for such a downgrade, to the financial strength or issuer credit ratings assigned to ZIC or other Zurich Insurance Group entities may have an adverse effect on their competitive and financial position. Rating agencies look at a range of rating factors. For example large losses due to natural catastrophes could weaken the financial position of ZIC or other Zurich Insurance Group entities and trigger a downgrade of their respective ratings. The Zurich Insurance Group has issued debt through various entities. Ultimately the credit ratings of these debt issues are linked to the financial strength ratings of ZIC. Changes in credit ratings may affect both the ability to obtain new financing and the cost of financing.

The businesses, earnings and financial condition of ZIC and its operating subsidiaries are subject to the global economic and financial market environment and thus vulnerable to any slowdown or potential disruptions.

The performance of ZIC and its operating subsidiaries has been and will continue to be influenced by the economic conditions of the countries in which it operates. Global growth is divided between recovering emerging market economies where interest rates are falling and moribund developed economies. Currently, geopolitical risks are elevated and many economies, particularly in the peripheral Eurozone as well as the UK, are fragile. In addition, although the global financial system is recovering from the difficulties which first manifested themselves in August 2007 and culminated with the bankruptcy filing by Lehman Brothers in September 2008, a new dislocation of the financial system or the economy cannot be ruled out. Such conditions could lead to unprecedented levels of illiquidity, resulting in the development of significant problems for a number of the world's largest countries, corporate and financial institutions many of which are customers and counterparties of ZIC and its operating subsidiaries in the ordinary course of business.

The performance of ZIC and its operating subsidiaries may be affected by economic conditions impacting sovereign states including euro-zone member states. For example, the financial problems currently experienced by certain euro-zone member states may lead to the issue of significant volumes of debt, which may in turn reduce demand for debt issued by financial institutions and corporate borrowers. This could adversely affect the Zurich Insurance Group's access to the debt capital markets and may increase its funding costs, having a negative impact on its earnings and financial condition.

Volatility and disruption of capital and credit markets (including that arising by reason of the financial difficulties experienced by sovereign states described above) could affect the availability and cost of credit for financial institutions, including ZIC and its operating subsidiaries, and could continue to impact the credit quality of customers and counterparties. Such conditions, alone or in combination with regulatory changes or actions of other market participants, may cause ZIC and its operating subsidiaries to experience reductions in business activity, increased funding costs and funding pressures, decreased asset values, write-downs and impairment charges and lower profitability or to incur losses.

In addition, ZIC and its operating subsidiaries will continue to be exposed to the risk of loss if major counterparty financial institutions fail or are otherwise unable to meet their obligations. Their performance may also be affected by future recovery rates on assets and the historical assumptions underlying asset recovery rates, which may no longer be accurate given the unprecedented market disruption and general economic instability. The precise nature of all the risks and uncertainties faced by ZIC and its operating subsidiaries as a result of current economic conditions cannot be predicted and many of these risks are outside their control.

The actual or perceived failure or worsening credit risk of ZIC's and its subsidiaries' counterparties has adversely affected and could continue to adversely affect ZIC and its subsidiaries.

ZIC's and its subsidiaries' ability to engage in routine financial transactions has been and will continue to be adversely affected by the actual or perceived failure or worsening credit of its counterparties, including other financial institutions and corporate borrowers. ZIC and its subsidiaries have exposure to many different industries and counterparties and routinely execute transactions with counterparties in the financial industry, including brokers and dealers, commercial banks, investment banks, mutual and hedge funds, other insurance companies and other institutional clients. As a result, defaults by, or even the perceived lack of creditworthiness of or concerns about financial services institutions, or the financial services industry generally, have led to market-wide liquidity problems and could lead to losses or defaults by ZIC and its subsidiaries or by other institutions. Many of these transactions expose ZIC and its subsidiaries to credit risk in the event of default of ZIC's and its subsidiaries' counterparty or client. In addition, ZIC's and its subsidiaries' credit risk is exacerbated when the collateral it holds cannot be realised or is liquidated at prices not sufficient to recover the full amount of the loan or derivative exposure that is due to ZIC and its subsidiaries, which is most likely to occur during periods of illiquidity and depressed asset valuations. Any such losses could have a material adverse effect on ZIC's and its subsidiaries' results of operations and financial condition.

ZIC's and its subsidiaries' earnings and financial condition have been, and their future earnings and financial condition are likely to continue to be, affected by depressed asset valuations resulting from poor market conditions.

Financial markets are subject to significant stress conditions, where steep falls in perceived or actual asset values have been accompanied by a severe reduction in market liquidity, as exemplified by events affecting asset backed collateralised debt obligations ("CDOs"), the U.S. sub-prime residential mortgage market, the leveraged loan market and peripheral Eurozone debt markets. In dislocated markets, hedging and other risk management strategies have proven not to be as effective as they are in normal market conditions due in part to the decreasing credit quality of hedge counterparties, including monoline and other insurance companies and credit derivative product companies. Moreover, market volatility and illiquidity makes it difficult to value certain of ZIC's and its subsidiaries' exposures. Valuations in future periods, reflecting, among other things, then-prevailing market conditions and changes in the credit ratings of certain of ZIC's and its subsidiaries' assets, may result in significant changes in the fair values of ZIC's and its subsidiaries' exposures, even in respect of exposures for which the ZIC Group has previously recorded write-downs. In addition, the value ultimately realised by ZIC and its subsidiaries may be materially different from the current or estimated fair value. Any of these factors could require ZIC and its subsidiaries to recognise further significant write-downs or realise increased impairment charges, any of which may adversely affect their capital position, their financial condition and their results of operations.

Factors such as consumer spending, business investment, government oversight, the volatility and strength of the capital markets, and inflation all affect the business and economic environment and, ultimately, the amount and profitability of ZIC's and its subsidiaries' business.

In an economic downturn characterised by higher unemployment, lower family income, lower corporate earnings, lower business investment and lower consumer spending, the demand for ZIC's and its subsidiaries' financial and insurance products could be adversely affected. In addition, ZIC and its subsidiaries may experience an elevated incidence of claims and lapses or surrenders of policies. The ZIC Group's policyholders may choose to defer paying insurance premiums or stop paying insurance premiums altogether. Adverse changes in the economy could affect earnings negatively and could have a material adverse effect on its business, results of operations and financial condition. Because insurance assets serve as collateral for policyholder liabilities in most regulated jurisdictions, even limited losses on invested assets can have a severe adverse impact on the value and/or on cash flows available to service liabilities related to issued senior or subordinated debt of ZIC and its subsidiaries. In addition, regulators or courts may block, confiscate or otherwise influence the status of ZIC and its subsidiaries' invested assets, impairing their ability to service their obligations.

The current crisis has also raised the possibility of future legislative and regulatory actions in addition to the enactment of the Emergency Economic Stabilization Act of 2008 (the “EESA”) that could further impact ZIC and its subsidiaries’ business. ZIC and its subsidiaries cannot predict whether or when such actions may occur, or what impact, if any, such actions could have on ZIC and its subsidiaries’ business, results of operations and financial condition.

Currently, the U.S. federal government does not directly regulate the business of insurance. However, federal legislation and administrative policies in several other areas can significantly and adversely affect insurance companies. These areas include financial services regulation, securities regulation, pension regulation, privacy, tort reform legislation and taxation. For example, in 2010 President Obama signed into law the Dodd-Frank Act which effects sweeping reform of the financial services industries. While the Dodd-Frank Act does not implement the federal regulation of insurance, it does establish federal measures that will impact the U.S. insurance business and preempt certain state insurance measures. It may then lay the foundation for ultimately establishing some form of federal regulation of insurance in the future. Although various forms of direct federal regulation of insurance have been proposed in the past, there is at present no proposal before Congress to regulate the business of insurance at the federal level, and it is highly unlikely that any “optional federal charter” legislation will be introduced in the coming year. Nevertheless, the experience of the financial markets and certain financial institutions in recent years increases the possibility that the U.S. federal government may seek to heighten its oversight of insurers, including possibly through a federal system of insurance regulation and/or through the expansion of the oversight responsibilities and mandates of existing or newly created regulatory bodies. ZIC and its subsidiaries cannot predict whether such proposals will be adopted, or what impact, if any, such proposals or, if enacted, such laws, could have on the ZIC Group’s business, financial condition or results of operations.

The ZIC Group has credit exposure arising from OTC derivative contracts

The ZIC Group has credit exposure arising from over-the-counter derivative contracts which are carried at fair value. The fair value of these over-the-counter derivatives, as well as the ZIC Group’s exposure to the risk of default by the underlying counterparties, depends on the valuation and the perceived credit risk of the instrument against which protection has been bought.

The ZIC Group relies on third-party vendors for technology and information systems that are critical to its business.

The ZIC Group depends significantly on the effective operation of its technology and information systems. A substantial part of its technology and information systems are provided by third-party vendors. Accordingly, if any key vendor were unable to continue to provide its products or services or keep pace with advancements in technology, the ZIC Group may suffer operational impairments which could have a material adverse effect on its business, financial condition or results of operations. In addition, any failure on the part of any key vendor to protect the personal information of the ZIC Group’s customers, claimants or employees could interrupt or damage the ZIC Group’s operations, harm its reputation, lead to a loss in competitive advantage or to lawsuits or regulatory actions or otherwise have a material adverse effect on its business, financial condition or results of operations.

If the ZIC Group experiences difficulties with data security, its ability to conduct its business could be negatively impacted.

The ZIC Group’s operations rely on the secure processing, storage and transmission of confidential and other information in its computer systems and networks. Computer viruses, hackers, employee misconduct or other external hazards could expose its data systems to security breaches. As part of its business, the ZIC Group routinely transmits and receives personal, confidential and proprietary information by email and other electronic means. Although the ZIC Group believes that it has effective controls in place to secure transmission capabilities with third-party vendors and others with whom it does business, there always remains a residual risk of a data security incident.

The residual risks, and increased regulatory requirements regarding data security, could potentially expose the ZIC Group to data loss, monetary or reputational damages or significant increased compliance costs. As a result, the ZIC Group’s ability to conduct its business might be adversely affected.

Risk of insufficiency of loss reserves

ZIC and its operating subsidiaries maintain loss reserves for their insurance and run-off reinsurance businesses to cover estimated liability for losses and loss adjustment expenses for reported and unreported losses incurred as of the end of each accounting period. Such loss reserves may prove to be inadequate to cover actual losses and benefits experience. Additional losses, including losses arising from changes in the interpretation of legal liability, or the assessment of damages caused by judicial decisions or changes in law, the type of magnitude of which cannot be foreseen, may emerge in the future.

Loss reserves are established such that the provision for losses and benefits represents an amount that is believed to be greater than the mathematically expected amount that will be required to ultimately settle all claims incurred as of the fiscal year-end and interim statements. As such the provision makes allowance for identified sensitivities underlying the reserve estimates. These estimates are based on actuarial and statistical projections, at a given time, of facts and circumstances known at that time and estimates of trends in loss severity and other variable factors, including new concepts of liability or other changes in legal

precedents and general economic conditions. Changes in these trends or other variable factors could result in claims in excess of loss reserves.

For some types of losses, most significantly long tail exposures under workers' compensation and general liability contracts, as well as losses related to asbestos and environmental pollution, it has been necessary, and may over time be necessary, to increase estimated ultimate loss and, therefore, the related loss reserves. Consequently, actual losses, benefits and related expenses paid may differ from estimates reflected in the loss reserves in the financial statements of ZIC or its operating subsidiaries.

Any insufficiencies in or need to increase loss reserves maintained by ZIC or its operating subsidiaries for future claims on insurance obligations underwritten by ZIC or its operating subsidiaries could have a material adverse effect on the financial condition, results of operations and cash flows of ZIC or its operating subsidiaries (as applicable).

Life insurance:

Biometric Risks

Assumptions about mortality and morbidity used in pricing products are based on information provided from company and industry statistics and market information. These assumptions relate to the ZIC Group's best estimate of the experience in each year. However a global pandemic, such as avian flu or swine flu, may produce an increase in mortality or morbidity in excess of its assumptions. This will lead to the number of claims being paid being greater than planned. These types of events are considered when assessing and reviewing a variety of financial covers, such as reinsurance.

Life expectancies continue to increase in the world's developed areas. If mortality estimates, including rates of future mortality improvement, prove to understate such rates of improvement, liabilities to policyholders in connection with pensions and annuity products will increase at a rate faster than expected. This may lead to significant unexpected losses.

Surrenders

Surrenders of deferred annuities and life insurance products can result in losses and decreased revenues if surrender levels differ significantly from assumed levels. Surrenders could require the ZIC Group to dispose of assets earlier than planned, possibly at a loss. Moreover, surrenders require faster amortisation of the ZIC Group's deferred acquisition costs associated with the original sale of a product, thus reducing its net income.

Options and guarantees

Some life products contain options and guarantees for policyholders, such as guaranteed interest rates and surrender guarantees. These vary by product and country in which they have been written. Adverse financial market movements may result in increases in the value of these guarantees. The long term characteristic of the liabilities, especially for annuity and pension products, represent a potential risk for the ZIC Group's life business. Asset liability management follows this risk closely, and financial hedges are introduced when deemed necessary. Similarly, a significant increase in yield curves might encourage financially aware policyholders to lapse their contracts on guaranteed terms, resulting in significant losses and decreased revenues.

Guaranteed annuities

Certain of the ZIC Group's subsidiaries sell variable insurance products under which premiums are deposited into underlying funds selected by the policyholder and the policyholder bears the full investment risk associated with such funds. However, certain of these variable products contain guarantees for which its subsidiaries have recorded additional policyholder benefits. Primarily, the ZIC Group's subsidiary Zurich American Life Insurance Company ("ZALICO") (formerly known as Kemper Investors Life Insurance Company or KILICO) has written variable annuity contracts that provide annuitants with certain guarantees related to minimum death and income benefits. The policies are long duration contracts providing charges and benefits over a policy life that can be greater than 45 years.

Stable value options ("SVOs") reduce the volatility of the policyholders' investment returns. In the event that a policy is surrendered, the policyholder would be entitled to recover the excess of the notional SVO derived value as well as the market value of the underlying investments. Certain policy features, as well as certain regulations, provide disincentives for surrender. The ZIC Group monitors the risk of surrender on an ongoing basis and considers the likelihood of surrender as an input factor to the model to determine the fair value of the SVOs. The fair value of the derivative liability recognised in respect of the SVOs was U.S.\$52 million as of December 31, 2011. The notional SVO derived value was U.S.\$23 million as of December 31, 2011, representing the total loss before surrender charges in the unlikely event that all policies would have been surrendered on that date.

Inability of reinsurers to meet their obligations and unavailability of reinsurance

ZIC and its operating subsidiaries transfer exposure to certain risks to others through reinsurance arrangements. The availability, amount and cost of reinsurance depend on general market conditions and may vary significantly. Although periodic reviews of the financial statements and reputations of the relevant reinsurers are conducted, such reinsurers may become financially unable or unwilling to honour their commitments by the time they are called upon to pay amounts due, which may not occur for many years.

In addition, reinsurance may prove inadequate to protect against losses or may become unavailable in the future at commercially reasonable rates.

In December 2001, the Zurich Insurance Group divested its third party reinsurance business operated under the “Zurich Re” brand name by offering shares of the newly established Converium Holding AG to the public (the “**IPO**”). As part of the formation of Converium Holding AG and the IPO, members of the Zurich Insurance Group entered into various contracts with Converium Holding AG and its subsidiaries (“**Converium**”), including Quota Share Retrocession Agreements under which the Zurich Insurance Group retroceded certain third party assumed reinsurance business to Converium. These Quota Share Retrocession Agreements, together with subsequent amendments, provide for the reinsurance premium to Converium to be retained by Zurich Insurance Group on a funds withheld basis. Since the IPO, the Zurich Insurance Group has continued to buy reinsurance coverage from Converium. In 2007, Scor SA, a reinsurer based in France, launched an unsolicited tender offer for the shares of Converium and on August 8, 2007, Scor announced it successfully settled the offer for Converium. On August 31, 2007, Converium held an extraordinary general meeting and formally became a part of Scor SA.

Competition risks

ZIC and its operating subsidiaries participate in a highly competitive market. Developments in this market and increased competition may adversely affect the financial position of ZIC and its operating subsidiaries. Continued consolidation of the insurance industry could lead to market-wide price reductions resulting in pressure on margins. Such competitive pressure may lead to adjustments to policy terms, withdrawal from or reduction of capacity in certain business lines or reduction of prices resulting in decreased margins.

Foreign currency exchange risks

Due to the international nature of their businesses, ZIC and its subsidiaries are exposed to various currency exchange risks which can affect liquidity, profit and loss, shareholders’ equity, capital position and the overall economic enterprise value. ZIC’s consolidated financial statements are reported in U.S. Dollars, but its assets, liabilities, income and expenses are denominated in many currencies with significant amounts notably in Euro, Swiss Franc, British Pound, and U.S. Dollars. Therefore, fluctuations in exchange rates between currencies, could impact the consolidated financial condition, results of operations and cash flow from year to year of ZIC.

Regulatory investigation, litigation and settlement risks

ZIC and its subsidiaries are, and may in the future be, involved in civil litigation, the outcome of which cannot be predicted.

The initiation of litigation proceedings and their outcome may adversely affect the financial position of ZIC and its subsidiaries.

For further details see “Zurich Insurance Company Ltd — Legal Proceedings and Regulatory Investigations” below.

Regulatory or legal changes

Insurance laws, regulations and policies currently governing ZIC and its operating subsidiaries may change at any time in ways which may adversely affect their business. Furthermore, it is not possible to predict the timing or form of any future regulatory initiatives. ZIC and its subsidiaries are subject to applicable government regulation in each of the jurisdictions in which business is conducted. The insurance industry is also affected by political, judicial and other legal developments which have at times in the past resulted in new or expanded theories of liability.

Satisfaction of increased regulatory requirements could require additional regulatory capital, involve additional expense or otherwise adversely affect ZIC’s financial position and that of its operating subsidiaries.

In Switzerland, risk based capital requirements are regulated in accordance with the Swiss Solvency Test (the “**SST**”). Swiss insurers are required to build up sufficient risk bearing capital in order to cover their target capital under the SST since January 1, 2011.

In the European Union, risk-based capital requirements are also being introduced pursuant to the Solvency II Directive (“**Solvency II**”) that is expected to become effective as of January 1, 2013, with implementation for insurers being required by January 2014. The implementation measures that will complement the Solvency II directive are being drafted. These implementation measures are subject to a consultation process which is not expected to be finalised until a later point in 2012. Consequently there remains significant uncertainty regarding the final outcome of this process. As a result, there is a risk that the effect of the measures finally adopted could be adverse for ZIC and its subsidiaries, including potentially requiring a significant increase in the amount of capital required to support its business.

According to Solvency II, the European Commission may, after consultation with the European Insurance and Occupational Pensions Authority (the “**EIOPA**”), adopt a decision on equivalence of third-country systems. In its first assessments, EIOPA has positively assessed the equivalency of the Swiss system with Solvency II. However, the criteria established for such assessments

may still be subject to changes and therefore EIOPA is committed to revise them. The European Commission has announced that once such review is complete, it will make its decisions on equivalence, which is likely to occur during the first half year of 2013.

In the U.S., new reserving standards are being developed by the U.S. National Association of Insurance Commissioners (“**NAIC**”) that would replace current statutory reserving practices for life insurance products and variable annuities with a principles-based approach to valuation of capital and reserves. In March 2010, the U.S. enacted comprehensive health care reforms including various health insurance and related provisions that will be phased in over the next eight years. U.S. administrative agencies have not yet developed specific regulations for the implementation of these provisions, certain of which are being challenged in the U.S. Supreme Court, and as a consequence the potential impact on the U.S. health and related insurance markets remains unclear. In addition, there is increasing legislative and regulatory activity in light of the recent financial crisis which may adversely impact bank and non-bank financial companies’ business activities and investment activities. These actions include, but are not limited to, the enactment of the “Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010” (the “**Dodd-Frank Act**”), which imposes a new regulatory framework over the U.S. financial services industry and the consumer credit markets in general, and requires the Securities and Exchange Commission (“**SEC**”) and other federal agencies to propose regulations that provide more stringent guidelines and oversight of bank and non-bank financial companies. The Dodd-Frank Act also established the Financial Services Oversight Council (“**FSOC**”) which is authorised to designate certain non-bank financial companies (including insurance companies) as “systemically significant” and thus subject to oversight by the Board of Governors of the Federal Reserve. The Dodd-Frank Act also established a Federal Insurance Office (“**FIO**”) and contains provisions that preempt certain state insurance laws. In addition, FSOC and FIO are authorised to study and monitor the insurance industry and its regulation in the U.S. and report their findings to Congress. These efforts may result in calls for a more active federal role in insurance regulation. Currently, the U.S. federal government does not directly regulate the business of insurance. However, federal legislation and administrative policies in several other areas can significantly and adversely affect insurance companies. These areas include financial services regulation, securities regulation, pension regulation, privacy, tort reform legislation and taxation. For example, in 2010 President Obama signed into law the Dodd-Frank Act which effects sweeping reform of the financial services industries. While the Dodd-Frank Act does not implement the federal regulation of insurance, it does establish federal measures that will impact the U.S. insurance business and preempt certain state insurance measures. It may then lay the foundation for ultimately establishing some form of federal regulation of insurance in the future. Although various forms of direct federal regulation of insurance have been proposed in the past, there is at present no proposal before Congress to regulate the business of insurance at the federal level, and it is highly unlikely that any “optional federal charter” legislation will be introduced in the coming year. Nevertheless, the experience of the financial markets and certain financial institutions in recent years increases the possibility that the U.S. federal government may seek to heighten its oversight of insurers, including possibly through a federal system of insurance regulation and/or through the expansion of the oversight responsibilities and mandates of existing or newly created regulatory bodies. ZIC and its subsidiaries cannot predict whether such proposals will be adopted, or what impact, if any, such proposals or, if enacted, such laws, could have on the ZIC Group’s business, financial condition or results of operations.

Recent financial and economic uncertainties have provoked a number of proposals for reform and additional regulation of financial institutions and markets from regulators, governments, groups of governments (such as the G20) and others. These proposals address the issue of systemic risk and the perceived gaps in the regulatory framework which might have contributed to the financial crisis, inter alia, possible changes in accounting standards (including fair value accounting), management remuneration structures, internal control systems, capital and liquidity requirements and branch structures. They seek greater cooperation and information exchange between regulatory supervisors internationally and improved supervision of multinational groups. These proposals have primarily been focused on the banking sector and many are under development and have not yet become specific or precise. Accordingly, the financial consequences for the insurance sector generally (and particularly for ZIC and its subsidiaries) of the implementation of all or some of such proposals cannot yet be determined.

Regarding the insurance sector, it is expected that the International Association of Insurance Supervisors (the “**IAIS**”), pursuant to the mandate given to IAIS by the Financial Stability Board, will publish a methodology to determine systemically relevant insurers in summer 2012. It is to be expected that any insurer that is being designated as a global systemically important financial institution will be subject to heightened supervision and possibly increased capital requirements. In addition, the IAIS is working on a project to introduce a common framework for the supervision of internationally active insurance groups.

The above proposals, if adopted, could require additional regulatory capital of ZIC and its subsidiaries, require changes to the way in which ZIC and its subsidiaries carry on their business, lead to additional expense or otherwise adversely affect ZIC’s financial position and that of its operating subsidiaries.

Natural and man-made catastrophe risks

General insurance companies frequently experience losses from catastrophes. Catastrophes may have a material adverse effect on the financial condition, results of operations and cash flows of ZIC and its operating subsidiaries.

Natural catastrophes include, but are not limited to hurricanes, floods, windstorms, tidal waves, earthquakes, tornadoes, fires, severe hail and severe winter weather, and are inherently unpredictable in terms of both their occurrence and severity. Catastrophes can also be man-made, such as terrorist attacks, explosions, fires and oil spills. The incidence and severity of these catastrophes in any given period are inherently unpredictable.

Deferred tax assets and liabilities

Deferred tax assets and liabilities of ZIC and its subsidiaries are recorded in the tax paying entities throughout the world, which may include several legal entities within each tax jurisdiction. The recoverability of the deferred tax asset of each taxpayer is based on its ability to utilize the deferred tax asset over a reasonable period of time. ZIC or the relevant subsidiary may not be able to fully recover its deferred tax assets in each jurisdiction.

Tax authorities may dispute submitted tax returns of the Zurich Insurance Group, which could adversely affect it.

Tax authorities throughout the world who examine submitted tax returns may dispute the basis of computation and propose adjustments which may lead to additional tax charges, interest and/or penalties.

Tax liabilities of the Zurich Insurance Group may be adversely affected by proposed and recently adopted U.S. tax legislation.

In 2008, the Staff of the U.S. Senate Committee on Finance released a discussion draft (“**Discussion Draft**”) which proposes to disallow deductions for certain reinsurance premiums paid by U.S. property and casualty insurance companies to non-U.S. affiliates of those companies. The Discussion Draft proposal is similar to a measure that was introduced in the U.S. House of Representatives in 2008 and 2009 by Representative Neal. A similar proposal was also contained in President Obama’s Fiscal Year 2013 Revenue Proposals, with some modifications. If enacted in any of its present forms, the measure could adversely affect the Zurich Insurance Group and certain of its affiliates by increasing materially their U.S. tax liability. In addition, if the measure were enacted it may be necessary for the Zurich Insurance Group and certain of its affiliates to take steps to alter the manner in which they conduct their business. Whether the measure will be enacted in any of its present forms or in another form cannot be predicted. Moreover, until the terms of any final measure are known, the impact on the Zurich Insurance Group and certain of its affiliates of the measure and any business restructuring in response to such a measure cannot be evaluated.

Tax legislation enacted pursuant to the Foreign Account Tax Compliance Act provisions (commonly referred to as “**FATCA**”) of the Hiring Incentives to Restore Employment Act of 2010, imposes a 30 per cent U.S. withholding tax on certain payments to a “foreign financial institution” unless such institution enters into a disclosure agreement with the U.S. Department of Treasury regarding its U.S. account holders and certain other requirements are met. Under the FATCA legislation, a 30 per cent U.S. withholding tax may also apply to certain “pass-thru” payments by foreign financial institutions. Proposed Treasury Regulations provide that the withholding tax will not be imposed (i) on certain U.S. source payments such as interest and dividends until after December 31, 2013, (ii) on certain other “withholdable payments” (including payments of gross proceeds from a sale) until after December 31, 2014, and (iii) on “pass-thru payments” by foreign financial institutions until after December 31, 2016 at the earliest. There is currently some uncertainty as to whether a non-U.S. insurance company will be considered to be a “foreign financial institution” under the 2010 legislation. Proposed Treasury Regulations, however, generally provide that foreign insurance companies that issue insurance contracts with a cash value component would be considered “foreign financial institutions”.

The legislation may result in significant U.S. reporting requirements for the Zurich Insurance Group and additional U.S. withholding taxes on payments to members of the Zurich Insurance Group. To the extent these new reporting rules apply, the Zurich Insurance Group intends to reasonably comply with such rules to reduce or eliminate any U.S. withholding tax under such rules. Although the application of the FATCA withholding tax to pass-thru payments by foreign financial institutions is still uncertain, as the scope of these rules are still being determined by U.S. tax authorities, it is possible that in some circumstances payments by ZF (Luxembourg), ZF (UK), Zurich Bank or ZIC on Notes or Capital Notes after December 31, 2016 to persons failing to meet certain FATCA reporting requirements may be treated as “pass-thru payments” subject to U.S. withholding tax, if the Note or Capital Note is issued or deemed issued after December 31, 2012 or, if the Note or Capital Note is treated as equity for U.S. tax purposes, whenever issued. Under the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes and the Terms and Conditions of the Capital Notes, no Additional Amounts are due with respect to a tax imposed under the FATCA rules. Holders of Notes and Capital Notes should consult their own tax advisers on how these rules may apply to payments they receive under the Notes and the Capital Notes.

Adequacy of resources to meet pension obligations

There is a risk that provisions for present and/or future obligations to employees under the ZIC Group’s pension plans and other defined post-employment benefits may not be adequate. In assessing the ZIC Group’s liability for defined benefit pension plans and other post-employment plans, critical judgments include estimates of mortality rates, rates of employment turnover, disability, early retirement, discount rates, expected long-term rates of return on plan assets, future salary increases, future pension increases, increases in long-term healthcare costs and inflation rates. These assumptions may differ from actual results due to changing economic conditions, higher or lower withdrawal rates or longer or shorter life spans of participants. These differences may result in variability of the ZIC Group’s pension funding requirements and pension income or expense recorded in future years. In addition, pension related regulations are subject to review and change in many countries in which the ZIC Group operates. Further changes to actuarial assumptions or capital requirements in jurisdictions in which the ZIC Group has employees, and other factors such as business restructuring, could adversely affect its ability to meet its pension funding obligations.

Farmers Group, Inc.'s management fees for its services may drop significantly

Farmers Group, Inc. provides non-claims related insurance management services for the Farmers Exchanges. Management fees earned by it are based upon the volume of gross premiums earned by the Farmers Exchanges, whose ability to continue writing insurance is dependent upon, *inter alia*, statutory surplus levels and price competition. Any deterioration in the volume of gross premiums earned by the Farmers Exchanges may therefore affect the level of management fees received by Farmers Group, Inc. for its management services.

Risks related to the structure of a particular issue of Notes and Capital Notes

A wide range of Notes and Capital Notes may be issued under the Programme. A number of these Notes and Capital Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Notes and Capital Notes may not be a suitable investment for all investors

Each potential investor in any Notes and Capital Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes and Capital Notes, the merits and risks of investing in the relevant Notes and Capital Notes and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and Capital Notes and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Notes and Capital Notes, including where principal or interest is payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the relevant Notes and Capital Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Partly Paid Notes

The Issuers may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of its investment.

Notes or Capital Notes issued at a substantial discount

The market values of securities issued at a substantial discount to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities.

The Issuers' obligations under Subordinated Notes are subordinated

The obligations of the relevant Issuer under Subordinated Notes will rank junior in priority of payment to the claims of Senior Creditors (as defined in Condition 2 of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes). Furthermore, the relevant Issuer shall, if so specified in the Final Terms, have the option to defer payments of interest on Subordinated Notes when such interest has accrued in respect of an Interest Period which ends on an Optional Interest Payment Date (as such term is defined in Condition 4(f) of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes) and shall, if so specified in the Final Terms, also be required to defer payment of interest on Subordinated Notes if a "Solvency Event" (as such term is defined in Condition 4 of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes) has occurred and is continuing. Certain Arrears of Interest may only be payable on Subordinated Notes following the prior written approval of Swiss Financial Market Supervisory Authority FINMA ("**FINMA**") or any Successor Authority as more fully set out in Condition 4 (f) (iii) of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes.

Although Subordinated Notes may pay a higher rate of interest than comparable Notes which are not subordinated, there is a real risk that an investor in Subordinated Notes will lose all or some of his investment should the relevant Issuer become insolvent.

The relevant Issuer's obligations in respect of Dated Subordinated Notes and Dated Capital Notes to repay the Final Redemption Amount on the Maturity Date may be extended indefinitely

If the Maturity Date of a Dated Subordinated Note or Dated Capital Note occurs when a "Solvency Event" (as defined in Condition 4 of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes and in Condition 3 of the Terms and Conditions of the Capital Notes) has occurred and is continuing, then such Maturity Date will, if so specified in the applicable Final Terms, be extended until such event no longer exists, unless prior approval by FINMA or any Successor Authority is given for repayment.

The Senior ZIC Guarantee and the Subordinated ZIC Guarantee are limited to the Guarantee Amount

The maximum liability of the Guarantor under the Senior ZIC Guarantee and the Subordinated ZIC Guarantee shall not exceed in aggregate the Guarantee Amount as defined in the relevant Guarantee.

Notes or Capital Notes Redeemable at the relevant Issuer's Option

Notes or Capital Notes which are redeemable at the option of the relevant Issuer (because of the inclusion of a call option in the Final Terms, for tax related reasons or as a result of the occurrence of an Accounting Event (in relation to Subordinated Notes and Capital Notes), a Capital Event (in relation to Subordinated Notes and Capital Notes) or a Regulatory Event (in relation to Subordinated Notes and Capital Notes) provided in the Final Terms or for other specified reasons) may be redeemed at times when prevailing interest rates may be lower than the rate borne by such Notes or Capital Notes. As a result, the holders of such Notes or Capital Notes may not be able to reinvest the redemption proceeds in a comparable security at an interest rate as high as that of the relevant Notes or Capital Notes. In addition, the relevant Issuer's ability to redeem such Notes or Capital Notes at its option is likely to affect the market value of such Notes or Capital Notes. In particular, as the redemption date approaches, the market value of such Notes generally will not rise substantially above the redemption price because of the optional redemption feature. Subordinated Notes and Capital Notes contain provisions which allow the Issuer to substitute or vary the terms of such security for Qualifying Securities upon the occurrence of a Capital Event, an Accounting Event, a Regulatory Event or for tax related reasons as applicable.

Fixed/Floating Rate Notes or Capital Notes

Notes or Capital Notes may bear interest at a rate that the relevant Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate as set out in the Final Terms. The relevant Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Notes or Capital Notes. If the relevant Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes or Capital Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes or Capital Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes or Capital Notes. If the relevant Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes or Capital Notes.

Index Linked Notes or Capital Notes

Notes or Capital Notes may be issued which have principal, premium and/or interest determined by reference to an index or formula, to changes to the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a **Relevant Factor**) and these have significant risks that are not associated with a conventional fixed rate or floating rate debt security. Such risks include fluctuation of the particular indices or formulas and the possibility that an investor will receive a lower amount of principal, premium or interest and at different times than expected. Potential investors should be aware that:

- (i) the market price of such Notes or Capital Notes may be volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable will be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Index Linked Notes or Index Linked Capital Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk associated with an investment in any Index Linked Notes or Index Linked Capital Notes and the suitability of such Notes in light of its particular circumstances.

In recent years, values of indices and formulas have been volatile and investors should be aware that volatility may occur in the future.

Additional risks related specifically to Capital Notes

ZIC's obligations under the Capital Notes are deeply subordinated

The rights and claims of the holders of the Capital Notes will be subordinated to the claims of all Senior Creditors (as defined in Condition 2 of the Terms and Conditions of the Capital Notes), in that the claims of the holders of Capital Notes rank on a voluntary or involuntary insolvency, winding-up, liquidation, dissolution or other similar proceedings of or against ZIC after the claims of any Senior Creditors of ZIC, *pari passu* with the claims of the holders of any subordinated obligations of ZIC which rank or are expressed to rank *pari passu* with the claims of the Noteholders and prior to the claims of the holders of all classes of issued shares in the share capital of ZIC.

Furthermore, the claims of holders of Capital Notes and relative Receipts and Coupons rank, save as otherwise specified in the applicable Final Terms, on a voluntary or involuntary insolvency, winding up, liquidation, dissolution or other similar proceedings of or against ZIC, junior to the claims of holders of any ZIC Subordinated Guarantee.

In the event of a voluntary or involuntary insolvency, winding-up, liquidation, dissolution or other similar proceedings of or against ZIC, there shall be payable on each Capital Note, subject to the subordination provisions set out above, an amount equal to the principal amount of each Capital Note with, unless otherwise specified in the applicable Final Terms, unpaid Deferred Interest (as defined in the Terms and Conditions of the Capital Notes) and interest which has accrued up to, but excluding, the date of repayment. Although the Capital Notes may pay a higher rate of interest than comparable Notes which are unsubordinated or which are subordinated but not as deeply subordinated as the Capital Notes, there is a significant risk that an investor in Capital Notes will lose all or some of its investment should ZIC become insolvent.

Deferral or Cancellation of Interest

- (A) If a Solvency Event has occurred and is continuing as at the relevant Determination Date (as defined in the Terms and Conditions of the Capital Notes), then, in relation to any Interest Payment which is otherwise scheduled to be paid on an Interest Payment Date, ZIC shall (if the applicable Final Terms specifies a Solvency Event as being applicable and the Capital Note as being Cumulative in relation to a Solvency Event) defer or, (if the applicable Final Terms specifies a Solvency Event as being applicable and the Capital Note as being Non-Cumulative in relation to a Solvency Event) cancel, any Interest Payment which is otherwise scheduled to be paid on an Interest Payment Date and shall defer or, as applicable, cancel the relevant Solvency Shortfall (as defined in the Terms and Conditions of the Capital Notes) if, were ZIC to make payment of the relevant Interest Payment, a Solvency Event would, as at the date of such payment, occur, in any such case except that ZIC will not be required to defer or, as applicable, cancel such Interest Payment or Solvency Shortfall, as the case may be, if FINMA or any Successor Authority applicable at the time has consented to such payment.
- (B) If a Trigger Event has occurred and is continuing as at the relevant Determination Date, then, in relation to any Interest Payment which is otherwise scheduled to be paid on an Interest Payment Date, ZIC shall cancel the amount by which such Interest Payment exceeds the New Capital Amount per Capital Note outstanding at such time.

If the applicable Final Terms so provide, ZIC may also elect to (if the applicable Final Terms specifies the Capital Note as being Cumulative with respect to such payment) defer or (if the applicable Final Terms specifies the Capital Note as being Non-Cumulative with respect to such payment) cancel, in whole or in part, any Interest Payment which is otherwise scheduled to be paid on an Optional Interest Payment Date by giving notice of such election to the Trustee, the Agent and the holders of the Capital Notes in accordance with Condition 13 of the Terms and Conditions of the Capital Notes.

In the case where a payment is specified as aforesaid as being Cumulative and the applicable Final Terms specify that Cash Settlement is applicable, ZIC may elect at any time to pay in cash in whole or in part any Deferred Interest. However, any outstanding Deferred Interest will become immediately due and payable in cash in full (or in the case where limb (iv) of the definition of APM Deferred Settlement Date (as defined in the Terms and Conditions of the Capital Notes) is specified as applying as part of the definition of Cash Deferred Settlement Date, on a proportionate basis) upon the Cash Deferred Settlement Date (as defined in the Terms and Conditions of the Capital Notes).

Notwithstanding the foregoing, Deferred Interest shall only be due and payable if at the relevant time the prior written approval of FINMA or any Successor Authority to such payment has been given (if such approval is required under Applicable Regulations at the relevant time).

In the case where a payment is specified as aforesaid as being Cumulative and the applicable Final Terms specify that APM Settlement is applicable, ZIC and ZIG may elect at any time to use their commercially reasonable efforts to satisfy in whole or in part any Deferred Interest utilising the APM (as defined in Condition 3(e) of the Capital Notes) and ZIC and ZIG shall use their commercially reasonable efforts to apply the APM to satisfy all (or, in the case where limb (iv) of the definition of APM Deferred Settlement Date applies, on a proportionate basis) of the outstanding Deferred Interest upon the APM Deferred Settlement Date.

Notwithstanding the foregoing, ZIC and ZIG will only be obliged to use their commercially reasonable efforts to satisfy any Deferred Interest as aforesaid if at the relevant time the prior written approval of FINMA or any Successor Authority to such payment has been given.

Once ZIC and ZIG have become obliged to use their respective commercially reasonable efforts to operate the APM to settle any Deferred Interest, ZIC and ZIG must continue to use their respective commercially reasonable efforts to raise sufficient proceeds from the operation of the APM for certain specified time periods following the relevant APM Deferred Settlement Date to the extent permitted under prevailing applicable regulatory criteria governing the Capital Notes. If, and to the extent that ZIC and/or ZIG have not issued Qualifying APM Securities within such time period outlined above, ZIC's obligation with respect to such Deferred Interest will be cancelled. In any case, Deferred Interest that has not been settled within the period of time specified in the Final Terms of any deferral will be cancelled.

Use of the APM to satisfy Deferred Interest may be subject to restrictions

Upon ZIC and ZIG becoming obliged to use their commercially reasonable efforts to settle Deferred Interest using the APM pursuant to Condition 3(e), ZIC and ZIG will use their commercially reasonable efforts to satisfy such Deferred Interest by way of Ordinary Share Settlement (as determined in the Terms and Conditions of the Capital Notes).

Subject as provided in Condition 3(e) of the Terms and Conditions of the Capital Notes, ZIC may only utilise the Ordinary Share Settlement to the extent that the number of Payment Shares (as defined in the Terms and Conditions of the Capital Notes) used for the purpose of the APM in any 12-month period does not exceed 2 per cent of ZIG's outstanding share capital.

Perpetual Securities

ZIC is under no obligation to redeem the Undated Capital Notes at any time and the holders of Undated Capital Notes have no right to call for their redemption. Redemption of Dated Capital Notes on their Maturity Date is subject to no Solvency Event occurring on the Maturity Date, as more fully explained in Condition 6(a). ZIC or, as the case may be, ZIG may from time to time in connection with the issue of a Series of Capital Notes, enter into a replacement capital covenant for the benefit of holders of certain of its outstanding debt. A replacement capital covenant would permit ZIC to redeem such Series of Capital Notes only to the extent it has raised sufficient net proceeds from the issuance of qualifying securities. See Condition 6(f) of the Terms and Conditions of the Capital Notes for a summary of the terms of such a replacement capital covenant.

Redemption, Exchange Risk and Substitution

The Capital Notes may, subject as provided in Condition 6 of the Capital Notes, be redeemed by ZIC at their Optional Redemption Amount together with any interest accrued to (but excluding) the relevant Optional Redemption Date and, if the Capital Notes are expressed to be Cumulative with respect to such payment (but not otherwise) any Deferred Interest which will be satisfied by operation of Condition 3(e) of the Terms and Conditions of the Capital Notes. In addition, the Capital Notes may be redeemed (i) for tax reasons or, if so specified in the applicable Final Terms, (ii) upon the occurrence of any of an Accounting Event, a Capital Event or a Regulatory Event prior to the first Optional Redemption Date in whole but not in part at any time. Upon the occurrence of the events in either of (i) or, if so specified in the applicable Final Terms, (ii) above, the Capital Notes may be substituted for, or their terms varied so that they remain, Qualifying Securities.

No limitation on issuing senior or *pari passu* securities

There is no restriction on the amount of securities which ZIC or any other member of the Zurich Insurance Group may issue and which may rank senior to, or *pari passu* with, the respective Capital Notes. The issue of any such securities may reduce the amount recoverable by holders of Capital Notes on a winding-up of ZIC and/or may increase the likelihood of a deferral of payments under the Capital Notes.

Risks related to the market generally

An active trading market may not develop for the Notes or Capital Notes

The Notes or Capital Notes are a new issue of securities for which there is no trading market and one may never develop. If such a market were to develop, the Notes or Capital Notes could trade at prices which may be higher or lower than the initial offering price. Notes or Capital Notes issued with specific investment objectives or strategies will have a more limited trading market and may experience more price volatility. Prospective investors should be aware that, at the time they wish to sell their Notes or Capital Notes, there may be few or no investors willing to buy the Notes or Capital Notes.

Exchange rates and exchange controls

Notes or Capital Notes and or coupon payments can be denominated in, or the payment of which is to be or may be made in or related to the value of, a currency or composite currency and significant risks are entailed if such currency is other than the currency in which the prospective investor's financial activities are denominated. Such risks include the possibility of significant changes in the currency exchange rates and the risk of imposition or modification of foreign exchange controls by the relevant government. Depreciation of the currency in which a Note or Capital Note is denominated would result in a decrease in the effective yield of such Note or Capital Note and, in certain circumstances, could result in a loss to the investor.

Governments have imposed from time to time, and may in the future impose, exchange controls which could affect exchange rates as well as the availability of a specified foreign currency at the time of payment of principal of, and premium, if any, or interest, if any, on a Note or Capital Note.

Interest rate risks

Investment in Fixed Rate Notes or Fixed Rate Capital Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes or Capital Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes or Capital Notes. The ratings may not reflect the potential impact of all risks related to structure, market and other factors which may affect the value of the Notes or Capital Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Tax consequences of holding the Notes or Capital Notes

Potential investors should consider the tax consequences of investing in the Notes or Capital Notes and consult their tax advisers about their own tax situation.

Risks related to the Notes or Capital Notes generally

Set out below is a brief description of certain risks relating to the Notes or Capital Notes generally:

Modification

The conditions of the Notes and the Capital Notes contain provisions for calling meetings of holders of Notes and Capital Notes to consider matters affecting their interests generally. These provisions permit defined majorities to bind all holders of Notes and Capital Notes including holders of Notes and Capital Notes who did not attend and vote at the relevant meeting and holders of Notes and Capital Notes who voted in a manner contrary to the majority.

EU Savings Directive

Under EC Council Directive 2003/48/EC (the "EU Savings Directive") on the taxation of savings income, each Member State is required, to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in that other Member State; however, for a transitional period, Austria and Luxembourg are instead required (unless during such period they elect otherwise) to operate a withholding system in relation to such payments, deducting tax at rates rising over time to 35 per cent. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.

Also a number of non-EU countries, including Switzerland, and certain dependent or associated territories of certain Member States, have adopted similar measures to the EU Savings Directive (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in a Member State. In addition, the Member States have entered into provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident or certain limited types of entity established in one of those territories.

If a payment were to be made or collected through a Member State, or a non-EU country or territory, which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment then, in accordance with Condition 7 of the relevant Conditions, neither the relevant Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note or Capital Note as a result of the imposition of such withholding tax. The relevant Issuer and the Guarantor undertake at Condition 11 of the relevant Conditions that they will ensure that they maintain a Paying Agent in an EU member state that will not be obliged to withhold or deduct tax pursuant to the EU Savings Directive or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 or any law implementing or complying with, or introduced to conform to, such Directive.

The European Commission has proposed certain amendments to the EU Savings Directive which may, if implemented, amend or broaden the scope of the requirement discussed above.

Payment of additional amounts for Swiss withholding taxes may be null and void.

Although the terms of the Notes and the Capital Notes provide that, in the event of any withholding or deduction on account of Swiss tax being required by Swiss law, the Issuer or the Guarantor, as the case may be, shall, subject to certain exceptions, pay additional amounts or, in the case of Capital Notes, interest at a recalculated rate, so that the net amount received by the holders of the Notes shall equal the amount which would have been received by such holder in the absence of such withholding or deduction, such obligation may contravene Swiss legislation and be null and void.

Proposed Amendment of the Swiss Withholding Tax Act

On August 24, 2011, the Swiss Federal Council issued draft legislation, which, if enacted, may require a paying agent in Switzerland to deduct Swiss withholding tax at a rate of 35 per cent on any payment of interest in respect of a Note or a Capital Note (including, as the case may be, payment under the Guarantee) to an individual resident in Switzerland or to any person (not only individual) resident outside Switzerland. If this legislation or similar legislation were enacted and an amount of, or in respect of, Swiss withholding tax were to be deducted or withheld from that payment, neither the Issuer nor the Guarantor nor any paying agent nor any other person would, pursuant to the Conditions, be obliged to pay additional amounts with respect to any Note or a Capital Note as a result of the deduction or imposition of such withholding tax.

Applicable Law

The conditions of the Notes and the Capital Notes are governed by English law in effect as of the date of this Base Prospectus, save that the provisions relating to subordination in Notes which are Subordinated Notes will be governed by the law of the jurisdiction of incorporation of the Issuer of such Subordinated Notes and the provisions relating to subordination in the Capital Notes will be governed by the laws of Switzerland. The Guarantees by ZIC are governed by Swiss law and accordingly any dispute arising out of the Guarantees between the Guarantor and the Trustee, or the Guarantor and a Holder who is entitled to proceed against the Guarantor, shall fall exclusively within the courts of the City of Zurich, venue Zurich 1.

No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice or Swiss law or administrative practice, respectively, after the date of this Base Prospectus.

Denomination (secondary trading)

Although Notes or Capital Notes which are admitted to trading on a regulated market in the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Directive are required to have a minimum denomination of EUR 100,000 (or where the specified currency is not euro, its equivalent in the specified currency), or an integral multiple of EUR 1,000 (or where the specified currency is not euro, its equivalent in the specified currency) in excess thereof, it is possible that the Notes or Capital Notes may be traded in the clearing systems in amounts in excess of EUR 100,000 (or its equivalent) or an integral multiple of EUR 1,000 (or its equivalent) in excess thereof that are not integral multiples of EUR 100,000 (or its equivalent) or an integral multiple of EUR 1,000 (or its equivalent) in excess thereof. In such a case, should definitive Notes or Capital Notes be required to be printed, a holder who does not have an integral multiple of EUR 100,000 (or its equivalent) or an integral multiple of EUR 1,000 (or its equivalent) in excess thereof in his account with the relevant clearing system at the relevant time may not receive all of his entitlement in the form of definitive Notes or Capital Notes unless and until such time as his holding becomes an integral multiple of EUR 100,000 (or its equivalent) or an integral multiple of EUR 1,000 (or its equivalent) in excess thereof.

FORM OF THE NOTES AND THE CAPITAL NOTES

The Notes of each Tranche will be either in bearer form or registered form.

With respect to a particular Series of Registered Notes, the Registered Notes of each Tranche of such Series offered and sold in reliance on Regulation S under the U.S. Securities Act (“**Reg. S**”), which will be sold to non-U.S. persons outside the U.S., will initially be represented by a Reg. S Global Note which will be registered in the name of Citivic Nominees Limited as nominee for, and will be deposited with Citibank, N.A. as common depository for, and in respect of interests held through, Euroclear and Clearstream, Luxembourg for the accounts of their respective participants. Prior to expiry of the distribution compliance period applicable to each Tranche of Notes, interests in a Reg. S Global Note may not be offered or sold to or for the account or benefit of, a U.S. person save as otherwise provided in Condition 10 of the relevant Conditions and may not be held otherwise than through Euroclear or Clearstream, Luxembourg and such Reg. S Global Note will bear a legend regarding such restrictions on transfer.

Registered Notes will not be exchangeable for Bearer Notes.

Interests in the Reg. S Global Note will be exchangeable for Individual Registered Notes in the following limited circumstances: (i) if Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or announces its intention permanently to cease business or does in fact do so and no alternative clearance system acceptable to the Trustee is available, or (ii) the Trustee has instituted or has been directed to institute any judicial proceeding in a court to enforce the rights of Noteholders under the Notes represented by such Reg. S Global Note, and the Trustee has been advised by counsel that in connection with such proceedings it is necessary or appropriate for the Trustee to obtain possession of Individual Registered Notes representing the Reg. S Global Note.

Individual Registered Notes may also be sold outside the U.S. in reliance on Regulation S under the U.S. Securities Act.

Payments of the principal of, and interest (if any) on, the Reg. S Global Notes will be made to the nominee of Euroclear and/or Clearstream, Luxembourg as the registered holders of the Reg. S Global Notes. None of the relevant Issuer, the Trustee, the Agent, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Reg. S Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal on the Reg. S Notes (as defined in the Trust Deed) will be made to the persons shown on the Register at the close of business on the business day immediately prior to the relevant payment date. Payments of interest on the Reg. S Notes will be made to, or to the order of, the person whose name is entered in the Register at the close of business on the Clearing System Business Day immediately prior to the date for payment, where Clearing System Business Day means Monday to Friday inclusive except December 25 and January 1.

Each Tranche of Bearer Notes (other than a Tranche of Listed Swiss Franc Notes) will be initially represented by either (i) a Temporary Global Note or (ii) a Permanent Global Note, in each case without receipts, interest coupons or talons, which, if it is not intended to be issued in new global note (“**NGN**”) form, and each Registered Global Note which is not intended to be held under the NSS, each as specified in the relevant Final Terms, will be delivered to a common depository for Euroclear and Clearstream, Luxembourg and each Global Note which is intended to be issued in NGN form, and each Registered Global Note which is intended to be held under the NSS, each as specified in the relevant Final Terms, will be delivered on or around the issue date of the relevant Tranche of the Notes with a common safekeeper for Euroclear and Clearstream, Luxembourg.

On June 13, 2006 the European Central Bank (the “**ECB**”) announced that Notes in NGN form are in compliance with the “Standards for use of EU securities settlement systems in ESCB credit operations” of the central banking system for the euro (the “**Eurosystem**”), provided that certain other criteria are fulfilled. At the same time the ECB also announced that arrangements for Notes in NGN form will be offered by Euroclear and Clearstream, Luxembourg as of June 30, 2006 and that debt securities in global bearer form issued through Euroclear and Clearstream, Luxembourg after December 31, 2006 will only be eligible as collateral for Eurosystem operations if the NGN form is used and certain other criteria are fulfilled. From October 1, 2010, Registered Global Notes which are cleared through an international central securities depository and intended to constitute eligible collateral for Eurosystem monetary policy operations will need to be issued under a new safekeeping structure (“**NSS**”). Such Registered Global Notes will be registered in the name of a nominee of the international central securities depository acting as common safekeeper and asset servicing functions in respect of such Registered Global Notes will be performed by an agent of the international central securities depositories acting as common service provider.

Whilst any Note is represented by a Temporary Global Note and subject to TEFRA D selling restrictions, or any successor rules in substantially the same form as such rules for the purposes of section 4701 of the Code, payments of principal and interest (if any) due prior to the Exchange Date (as defined below) will be made against presentation of the Temporary Global Note only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interest in such Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like

certification (based on the certifications it has received) to the Agent. Listed Swiss Franc Notes will be represented by a Permanent Global SIS Note exchangeable for Definitive Bearer Notes in the circumstances set out therein and holders of such Notes will not have the right to effect or demand the conversion of the Permanent Global SIS Note representing such Swiss Franc Notes into, or delivery of, Notes in definitive or uncertificated form. Listed Swiss Franc Notes will be delivered through SIS or such other intermediary in Switzerland recognised for such purposes by the SIX Swiss Exchange on or prior to the original issue date of such Notes. Any reference in this section “**Form of the Notes and the Capital Notes**” to (i) Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearance system (including SIS or such other intermediary in Switzerland recognised for such purposes by the SIX Swiss Exchange on or prior to the original issue date of such Notes) approved by the relevant Issuer, ZIC (where ZIC is not the relevant Issuer), the Trustee and the Agent, and (ii) “**Notes**” shall be deemed to include the Permanent Global SIS Note issuable in respect of Listed Swiss Franc Notes. A Permanent Global SIS Note representing Swiss Franc Notes will be exchangeable for definitive Notes in whole but not in part only if the Swiss paying agent should, after consultation with the Issuer, deem the printing of definitive Notes to be necessary or useful, or if the presentation of definitive Notes is required by Swiss or other applicable laws and regulations in connection with the enforcement of rights of holders of Swiss Franc Notes, or if the Swiss paying agent at any time at its discretion determines to have definitive Notes issued; holders of Swiss Franc Notes will not have the right to effect or demand the conversion of the Permanent Global SIS Note representing such Swiss Franc Notes into, or delivery of, Notes in definitive or uncertificated form. If definitive Notes are delivered, the relevant Permanent Global SIS Note will be immediately cancelled by the Swiss paying agent and the definitive Notes shall be delivered to the relevant holders against cancellation of the relevant Swiss Franc Notes in such holders’ securities accounts.

On and after the date (the “**Exchange Date**”) which is 40 days after the date on which any Temporary Global Note is issued, interests in such Temporary Global Note will be exchangeable (free of charge) upon a request as described therein either for interests in a Permanent Global Note without receipts, interest coupons or talons or for Definitive Bearer Notes (notwithstanding the Final Terms may specify that no Definitive Bearer Notes will be issued over a certain denomination) with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of Definitive Bearer Notes, to such prior notice as is specified in the applicable Final Terms) in each case (if the Notes are subject to TEFRA D selling restrictions, or any successor rules in substantially the same form as such rules for the purposes of section 4701 of the Code) against certification of beneficial ownership as described in the second sentence of the immediately preceding paragraph unless such certification has already been given. The holder of a Temporary Global Note will not be entitled to collect any payment of interest or principal due on or after the Exchange Date unless upon due certification exchange of the Temporary Global Note is improperly withheld or refused.

Pursuant to the Agency Agreement (as defined under “Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes” and under “Terms and Conditions of the Capital Notes” below) the Agent shall arrange that, where a further Tranche of Notes is issued, the Notes of such Tranche shall be assigned (where applicable) a common code and ISIN by Euroclear and Clearstream, Luxembourg or CUSIP number which are different from the common code and ISIN or CUSIP number assigned to Notes of any other Tranche of the same Series until at least 40 days (as notified by the Agent to the relevant Dealer or, in the case of a syndicated issue, the lead manager) after the completion of the distribution of the Notes of such Tranche.

Payments of principal and interest (if any) on a Permanent Global Note will be made through Euroclear and/or Clearstream, Luxembourg against presentation or surrender (as the case may be) of the Permanent Global Note (if the Permanent Global Note is not intended to be issued in NGN form) without any requirement for certification. The applicable Final Terms will specify that either (i) a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive bearer Notes with, where applicable, receipts, interest coupons and talons attached upon not less than 60 days’ written notice from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of such Permanent Global Note) to the Agent as described therein or (ii) a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for definitive bearer Notes with, where applicable, receipts, interest coupons and talons attached only upon the occurrence of certain specified events as described therein. The events described are that (i) an Event of Default (as defined in Condition 9 of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes) or a Dissolution Event (as defined in Condition 9 of the Terms and Conditions of the Capital Notes) occurs in respect of any Note or (ii) Euroclear or Clearstream, Luxembourg are closed for business for a continuous period of 14 days (weekends and public holidays excepted) or announce an intention permanently to cease business or have in fact done so and no alternative clearing system satisfactory to the Trustee is available. The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 13 of the relevant Conditions if any such event occurs. In the event of the occurrence of any such event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Global Note) may give notice to the Agent requesting exchange.

For so long as any of the Notes is represented by a Bearer Global Note deposited with, or a Reg. S Global Note registered in the name of a nominee of, a common depositary for Euroclear and Clearstream, Luxembourg, each person who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as entitled to a particular nominal amount of Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg or its nominee as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be deemed to be the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on the Notes, for which purpose such common depositary or its nominee shall be deemed to be the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Bearer Global Note

or Reg. S Global Note and the Trust Deed (and the expressions “Noteholder” and “holder of Notes” and related expressions shall be construed accordingly).

Notes which are represented by a Global Note will be transferable only in accordance with the applicable procedures Euroclear and Clearstream, Luxembourg, in each case, to the extent applicable.

The following legend will appear on all Global Notes, Reg. S Global Notes, Definitive Notes, receipts and interest coupons in respect of obligations with an original maturity in excess of 365 days:

“Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code.”

The sections referred to provide that U.S. holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of Bearer Notes, receipts or interest coupons.

TERMS AND CONDITIONS OF THE SENIOR NOTES, DATED SUBORDINATED NOTES AND UNDATED SUBORDINATED NOTES

*The following are the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes which will be endorsed on each Global Note and each Definitive Bearer Note or Individual Registered Note, in the latter case only if permitted by the relevant stock exchange (if any) and agreed by the relevant Issuer and the relevant Dealer at the time of issue but, if not so permitted by the relevant stock exchange (if any) and agreed by the relevant Issuer and the relevant Dealer at the time of issue but, if so permitted and agreed, such Definitive Bearer Note or Individual Registered Note will have endorsed thereon or attached thereto such Terms and Conditions. References to the “**applicable Final Terms**” are to the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

The Notes, the Receipts (as defined below) and the Coupons (as defined below) are the subject of an amended and restated agency agreement (the “**Agency Agreement**” which expression shall, where the context permits, include any supplements or amendments thereto and any agency agreement relating to Listed Swiss Franc Notes as referred to in Condition 5(e)) dated May 15, 2012 and made between the Issuers, Citibank, N.A. as issuing and principal paying agent and agent bank (the “**Agent**”, which expression shall include any successor agent specified in the applicable Final Terms), the other paying agents named therein (together with the Agent, the “**Paying Agents**”, which expression shall include any additional or successor paying agents), Banque Internationale à Luxembourg société anonyme (the “**Luxembourg Listing Agent**”), the registrars named therein (each, a “**Registrar**”, which expression shall include any additional or successor registrar), the transfer agents named therein (the “**Transfer Agents**”, which expression shall include any additional or successor transfer agents) and the Trustee.

Interest bearing Definitive Bearer Notes (unless otherwise indicated in the applicable Final Terms) have interest coupons (“**Coupons**”) and, if indicated in the applicable Final Terms, talons for further Coupons (“**Talons**”) attached on issue. Any reference herein to Coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons. Definitive Bearer Notes repayable in instalments have receipts (“**Receipts**”) for the payment of the instalments of principal (other than the final instalment) attached on issue. Registered Notes do not have Receipts or Coupons attached on issue.

The Trustee acts for the benefit of the holders for the time being of the Notes (the “**Noteholders**”) in accordance with the provisions of the Trust Deed.

As used herein, “**Tranche**” means Notes which are identical in all respects (including as to listing) and “**Series**” means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single

series and (ii) identical in all respects (including as to listing) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the Trust Deed, the Agency Agreement, any applicable Senior ZIC Guarantee (as defined below), any applicable Subordinated ZIC Guarantee (as defined below) and the applicable Final Terms are available for inspection during normal business hours at the principal London office for the time being of the Trustee (being at the date of the Trust Deed at Citicorp Trustee Company Limited, 14th Floor, Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB) and are available at the specified office of each of the Agent, the other Paying Agents, the Registrar and the Transfer Agents save that, if this Note is an unlisted Note of any Series, the applicable Final Terms will only be available for inspection at the principal London office of the Agent by a Noteholder holding one or more unlisted Notes of that Series and such Noteholder must produce evidence satisfactory to the Trustee as to its holding of Notes and as to identity. The Noteholders, the holders of the Receipts (the “**Receiptholders**”) and the holders of the Coupons (the “**Couponholders**”) are deemed to have notice of, and are bound by, and are entitled to the benefit of, all the provisions of the Trust Deed, the Agency Agreement, the Senior ZIC Guarantee, the Subordinated ZIC Guarantee and the applicable Final Terms which are applicable to them.

Words and expressions defined in the Trust Deed, the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the Trust Deed, the Trust Deed will prevail and, in the event of any inconsistency between the Trust Deed or the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

1. Form, Denomination and Title

The Notes are either in bearer form (“**Bearer Notes**”) or in registered form (“**Registered Notes**”) as specified in the applicable Final Terms and, in the case of Definitive Bearer Notes or Individual Registered Notes, serially numbered, in the Specified Currency and the Specified Denomination(s) specified in the applicable Final Terms. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Indexed Interest Note, an Indexed Redemption Amount Note, an Instalment Note, a Dual Currency Note, a Partly Paid Note, each as defined in the applicable Final Terms, or a combination of any of the foregoing, depending upon the Interest/Payment Basis shown in the applicable Final Terms.

This Note is a Listed Swiss Franc Note if it is denominated or payable in Swiss francs and listed on the SIX Swiss Exchange and the applicable Final Terms so state.

Each Listed Swiss Franc Note will be represented exclusively by a Permanent Global SIS Note in bearer form which will be deposited with SIX SIS AG, Olten, Switzerland (“**SIS**”), or such other intermediary in Switzerland recognised for such purposes by the SIX Swiss Exchange (with respect to any such Permanent Global SIS Note, SIS or such other intermediary, the “**Intermediary**”) on or prior to the original issue date of such Note. As a matter of Swiss law, once the Permanent Global SIS Note has been deposited with the Intermediary and entered into the accounts of one or more participants of the Intermediary, the Listed Swiss Franc Notes represented thereby will constitute intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) (the “**Intermediated Securities**”). The Permanent Global SIS Note will be exchangeable for definitive Notes in whole but not in part only if the Swiss paying agent should, after consultation with the relevant Issuer, deem the printing of definitive Notes to be necessary or useful, or if the presentation of definitive Notes is required by Swiss or other applicable laws and regulations in connection with the enforcement of rights of Noteholders, or if the Swiss paying agent at any time at its discretion determines to have definitive Notes issued; holders of Listed Swiss Franc Notes will not have the right to effect or demand the exchange of the Permanent Global SIS Note representing such Listed Swiss Franc Notes into, or delivery of, Notes in definitive or un-certificated form. If definitive Notes are delivered, the relevant Permanent Global SIS Note will be immediately cancelled by the Swiss paying agent and the definitive Notes shall be delivered to the relevant holders against cancellation of the relevant Listed Swiss Franc Notes in such holders' securities accounts. As a matter of Swiss law, a holder of an interest in the Permanent Global SIS Note retains a quotal co-ownership interest (*Miteigentumsanteil*) in the Permanent Global SIS Note to the extent of the Notes represented by such Permanent Global SIS Note in which such holder has an interest; provided, however, that, for so long as the Permanent Global SIS Note remains deposited with the Intermediary (i.e., for so long as the Notes represented thereby constitute Intermediated Securities), the co-ownership interest is suspended and the Notes represented thereby may only be transferred by the entry of the transferred Notes in a securities account of the transferee. For so long as Notes constitute Intermediated Securities, as a matter of Swiss law, (i) the records of the Intermediary will determine the number of Notes held through each participant of the Intermediary and (ii) the holders of such Notes will be the persons holding such Notes in a securities account (*Effektenkonto*) that is in their name or, in the case of intermediaries (*Verwahrungsstellen*), the intermediaries (*Verwahrungsstellen*) holding such Notes for their own account in a securities account (*Effektenkonto*) that is in their name.

Each Tranche of Bearer Notes may be initially represented by a temporary Global Note without Receipts, Coupons or Talons (a “**Temporary Global Note**”) or, if so specified in the applicable Final Terms, a permanent Global Note (a “**Permanent Global Note**”), which, if the Bearer Global Notes are not intended to be issued in new global note (“**NGN**”) form will be delivered to the common depository for Euroclear Bank S.A./N.V. (“**Euroclear**”) and Clearstream Banking, *société anonyme*, Luxembourg

("**Clearstream, Luxembourg**") and, if the Bearer Global Notes are intended to be issued in NGN form, will be delivered to the Common Safekeeper for Euroclear and Clearstream, Luxembourg. On or after the end of the Distribution Compliance Period (as defined above), the Temporary Global Note will be exchangeable upon a request as described therein either for interests in a Permanent Global Note without Receipts, Coupons or Talons or for Definitive Bearer Notes (as indicated in the applicable Final Terms and subject, in the case of Definitive Bearer Notes to such notice period as is specified in the applicable Final Terms), in each case against certification to the effect that the beneficial owner of interests in such Temporary Global Note is not a U.S. person or a person who has purchased for resale to any U.S. person, as required by U.S. Treasury regulations. Each Tranche of Bearer Notes may also be initially represented by a Permanent Global SIS Note (as defined in the Trust Deed). Unless otherwise specified in the applicable Final Terms, a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for Definitive Bearer Notes with, where applicable, Receipts, Coupons and Talons attached (i) if an Event of Default (as defined in Condition 9) occurs in respect of any Note, (ii) if Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (weekends and public holidays excepted) or announces an intention to cease business permanently or in fact does so and no alternative clearing system satisfactory to the Trustee is available or (iii), if so specified in the applicable Final Terms, at the option of the Noteholder, provided that, in the case of an issue of Notes with minimum denomination of EUR 100,000 and smaller integral multiples thereof only exchange events (i) or (ii) above will apply.

With respect to a particular Series of Registered Notes, the Registered Notes of each Tranche sold outside the U.S. in reliance on Regulation S under the U.S. Securities Act of 1933, as amended, will, unless otherwise specified in the applicable Final Terms, be represented by a permanent global Note in registered form, without Receipts, Coupons or Talons, (the "**Reg. S Global Note**") which will be registered in the name of Citivic Nominees Limited as nominee for, and will be deposited with Citibank, N.A. as common depository for, and in respect of interests held through, Euroclear and Clearstream, Luxembourg. Notes in individual registered form ("**Individual Registered Notes**") issued in exchange for Reg. S Global Notes or otherwise sold or transferred in reliance on Regulation S under the U.S. Securities Act, together with the Reg. S Global Notes, are referred to herein as "**Reg. S Notes**". Prior to expiry of the period that ends 40 days after completion of the distribution of each Tranche of Notes, as certified by the relevant Dealer, in the case of a non-syndicated issue, or by the Lead Manager, in the case of a syndicated issue interests in a Reg. S Global Note may be held only through Euroclear or Clearstream, Luxembourg.

Individual Registered Notes from the date of issue may, if specified in the applicable Final Terms, be issued in reliance on Regulation S under the U.S. Securities Act.

Definitive Bearer Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in these Terms and Conditions are not applicable.

Subject as set out below, title to the Bearer Notes, Receipts and Coupons will pass by delivery and title to the Registered Notes will pass upon the registration of transfers in accordance with the Agency Agreement and the Trust Deed. The relevant Issuer, ZIC (where ZIC is not the relevant Issuer), the Trustee, the Agent, any Paying Agent, the Registrar, and any Transfer Agent may (subject to applicable laws or as otherwise ordered by a court of competent jurisdiction or an official authority) deem and treat the bearer of any Bearer Note, Receipt or Coupon and the registered holder of any Registered Note as the absolute owner thereof for all purposes (whether or not it is overdue and notwithstanding any notice of ownership, trust or any interest in it, any writing on it or on the related Individual Registered Note or notice of any previous loss or theft of it) and no person will be liable for so treating the holder.

No person shall have any right to enforce any term or condition of this Note or the Trust Deed under the United Kingdom Contracts (Rights of Third Parties) Act 1999.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg.

References in these Terms and Conditions to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system (including SIS) approved by the relevant Issuer, the Trustee and the Agent and specified in the applicable Final Terms.

2. Status of the Notes

(a) Senior Notes

This Condition 2(a) is only applicable to senior Notes ("**Senior Notes**") issued by the relevant Issuer which are described in the applicable Final Terms as being issued on an unsubordinated basis.

The Senior Notes and the relative Receipts and Coupons constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 3(c)) unsecured obligations of the relevant Issuer and (subject as aforesaid) rank and will rank *pari passu*, without any preference among themselves save for statutorily preferred exceptions, with all other outstanding unsecured and unsubordinated obligations of the relevant Issuer, present and future, but, in the event of insolvency, only to the extent permitted by applicable laws relating to creditors' rights.

(b) Subordinated Notes

This Condition 2(b) is only applicable to dated subordinated notes (“**Dated Subordinated Notes**”) and undated subordinated notes (“**Undated Subordinated Notes**”) issued by the relevant Issuer. Dated Subordinated Notes and Undated Subordinated Notes are together referred to as “**Subordinated Notes**”. The provisions of this Condition 2(b) are subject to such further provisions in respect of Subordinated Notes as may be specified in the applicable Final Terms and Condition 2(c) below.

(c) Ranking on a winding-up

The Subordinated Notes and the relative Receipts and Coupons will, save as otherwise specified in the applicable Final Terms, constitute direct, subordinated and unsecured obligations of the relevant Issuer and will rank *pari passu*, without any preference, among themselves. The Subordinated Notes and relative Receipts and Coupons will, save as otherwise specified in the applicable Final Terms, rank on a winding-up of the relevant Issuer:

- (i) after the claims of any Senior Creditors (as defined below) of the relevant Issuer;
- (ii) *pari passu* with the claims (a) of the holders of other Undated Subordinated Notes and Dated Subordinated Notes of the relevant Issuer; (b) of other creditors of the relevant Issuer whose claims rank or are expressed to rank *pari passu* with the claims of the Noteholders of any Undated Subordinated Notes or Dated Subordinated Notes of that Issuer; and (c) (in the case where ZIC is the relevant Issuer) under the Subordinated ZIC Guarantee (as defined below); and
- (iii) prior to claims of the holders of any Capital Notes (as defined in the Trust Deed) (in the case where ZIC is the relevant Issuer), and of any other subordinated obligations of the relevant Issuer which rank or are expressed to rank junior to the claims of (a) the Noteholders of any Undated Subordinated Notes or Dated Subordinated Notes of that Issuer or, as appropriate, (b) under the Subordinated ZIC Guarantee.

Save as otherwise specified in the applicable Final Terms, in the event of a winding-up, liquidation, dissolution or other similar proceedings of the relevant Issuer, there shall be payable in such winding-up, liquidation or dissolution on each Subordinated Note, subject to and after the claims of all Senior Creditors and prior to any payment to the holders of debt that ranks or is expressly designated as ranking junior to the Subordinated Notes, or holders of issued shares at such time in the relevant Issuer, an amount equal to the principal amount of such Subordinated Notes together with interest which has accrued up to, but excluding, the date of repayment (including any Arrears of Interest (as defined below)).

As used herein, save as otherwise specified in the applicable Final Terms, “**Senior Creditors**” of an entity means:

- (i) all unsubordinated creditors of that entity;
- (ii) all creditors of that entity whose claims are subordinated by operation of law or pursuant to their terms, to the claims of other unsubordinated creditors of that entity but not further or otherwise; and
- (iii) in the case of a relevant Issuer, all other subordinated creditors of that entity except those whose claims rank or are expressed to rank *pari passu* with or junior to the claims (a) of the Noteholders of the Undated Subordinated Notes or Dated Subordinated Notes of such relevant Issuer or, as appropriate, (b) under the Subordinated ZIC Guarantee.

Subject to applicable law, neither the Trustee nor any Noteholder of the Subordinated Notes may, save as otherwise specified in the applicable Final Terms, exercise or claim any right of set-off in respect of any amount owed to it by the relevant Issuer arising under or in connection with the Subordinated Notes and each such Noteholder of such Subordinated Note shall, by virtue of being the Noteholder of any of the Subordinated Notes, be deemed to have waived all such rights of set-off.

For the avoidance of doubt, the obligations of ZIC in relation to either Subordinated Notes issued by it or under a Subordinated ZIC Guarantee (see Condition 3(b) below) will, unless the applicable Final Terms provide otherwise, rank on a winding-up, liquidation, dissolution or other similar proceedings:

- (a) *pari passu with the obligations of ZIC in respect of its €425m 7.5% Subordinated Notes due 2039 and in respect of its guarantee of the €500m 5.75% Subordinated Notes due 2023, the €500m 4.5% Subordinated Notes due 2025, the £450m 6.625% Undated Subordinated Notes, the CHF700m 4.25% Undated Subordinated Notes, the CHF500m 4.625% Undated Subordinated Notes and any future Subordinated Notes issued by ZIC; and*
- (b) *senior to the obligations of ZIC in respect of its subordinated support agreements entered into in connection with the enhanced capital advantaged preferred securities (ECAPS) issued by ZFS Finance (USA) Trust II and the Trust Preferred Securities issued by ZFS Finance (USA) Trust IV and ZFS Finance (USA) Trust V and its obligations under the €143m 12% Capital Notes, the U.S.\$500m 8.250 % Undated Reset Capital Notes and any future Capital Notes.*

3. Senior ZIC Guarantee, Subordinated ZIC Guarantee and Negative Pledge

(a) Senior ZIC Guarantee

Where the relevant Issuer is ZF (Luxembourg), ZF (USA), ZF (UK) or Zurich Bank, the payment of principal and interest in respect of Senior Notes (together with any additional amounts payable under Condition 7 and all other moneys payable under the Trust Deed) up to a specified maximum amount has been unconditionally and irrevocably guaranteed by ZIC pursuant to a

guarantee agreement dated the issue date of the relevant Tranche of Notes (the “**Senior ZIC Guarantee**”). Each Senior ZIC Guarantee provides that the Guarantor will within seven days of receipt by it of notice from the Trustee confirming that a payment referred to in the preceding sentence has become due and remains unpaid make such payment, provided that such notice from the Trustee shall, however, not be submitted to the Guarantor before seven days have passed since the due date on which such amount due under the relevant Tranche of Notes or the Trust Deed should have been paid. The Senior ZIC Guarantee, which is governed by Swiss law, is limited to a maximum amount stated in the relevant Senior ZIC Guarantee. The obligations of ZIC under the Senior ZIC Guarantee in respect of unsubordinated Notes constitute direct, unconditional, unsubordinated and unsecured obligations of ZIC and (subject as aforesaid) rank and will rank *pari passu* with all other outstanding unsecured and unsubordinated obligations of ZIC, present and future, save for statutorily preferred exceptions, but, in the event of insolvency, only to the extent permitted by applicable laws relating to creditors’ rights. No Noteholder, Couponholder or Receiptholder will be entitled to proceed directly against ZIC unless the Trustee, having become bound to do so, fails to do so within a reasonable period and such failure shall be continuing.

(b) Subordinated ZIC Guarantee

Where the relevant Issuer of Subordinated Notes is ZF (Luxembourg), ZF (USA), ZF (UK) or Zurich Bank, the payment of principal and interest in respect of the Subordinated Notes (together with any additional amounts payable under Condition 7 and all other moneys payable under the Trust Deed) up to a specified maximum amount has been unconditionally and irrevocably guaranteed on a subordinated basis by ZIC pursuant to a guarantee agreement dated the issue date of the relevant Tranche of the Subordinated Notes (the “**Subordinated ZIC Guarantee**”). Each Subordinated ZIC Guarantee provides that the Guarantor will, within seven days of receipt by it of notice from the Trustee confirming that a payment referred to in the preceding sentence has become due and remains unpaid, make such payment, provided that such notice from the Trustee shall, however, not be submitted to the Guarantor before seven days have passed since the due date on which such amount due under the relevant Tranche of the Subordinated Notes or the Trust Deed should have been paid. The Subordinated ZIC Guarantee, which is governed by Swiss law, is limited to the maximum amount stated in the relevant Subordinated ZIC Guarantee. The obligations of ZIC under the Subordinated ZIC Guarantee in respect of the Subordinated Notes issued by the relevant Issuer constitute direct, subordinated and unsecured obligations of the Guarantor. Claims in respect of the Subordinated ZIC Guarantee will, in the event of a winding-up, liquidation, dissolution or other similar proceedings of the Guarantor (like “**Nachlassstundung**”), rank *pari passu* with the claims of holders of Subordinated Notes issued by ZIC as described in Condition 2(c).

(c) Negative Pledge

This Condition 3(c) is only applicable to Senior Notes.

So long as any of the Notes of the relevant Series remains outstanding (as defined in the Trust Deed), the relevant Issuer (except where ZIC or Zurich Bank is the relevant Issuer) will not create or permit to subsist any mortgage, charge, pledge, lien or other form of encumbrance or security interest upon the whole or any part of its undertaking, property, assets or revenues present or future to secure any Relevant Debt, or to secure any guarantee of or indemnity in respect of any Relevant Debt, unless, at the same time or prior thereto, such Issuer’s obligations under the Notes, the Receipts, the Coupons and the Trust Deed (i) are secured equally and rateably therewith to the satisfaction of the Trustee, or (ii) have the benefit of such other security, guarantee, indemnity or other arrangement as the Trustee in its absolute discretion shall deem to be not materially less beneficial to the Noteholders of the relevant Series or as shall be approved by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders of the relevant Series.

For the purposes of this Condition, “**Relevant Debt**” means any present or future indebtedness of the relevant Issuer or any other person in the form of, or represented by, bonds, notes, debentures, loan stock or other securities of such Issuer or such other person which are, or are capable of being, quoted, listed or ordinarily traded on any stock exchange, over-the-counter or other securities market.

4. Interest

(a) Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year and (if applicable) on the Maturity Date or other date fixed for redemption if that does not fall on an Interest Payment Date.

Except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

If interest is required to be calculated for a period ending other than on an Interest Payment Date, such interest shall be calculated by applying the Rate of Interest to each calculation amount as specified in the applicable Final Terms (“**Calculation Amount**”) multiplying such sum by the applicable Fixed Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the

relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

For the purposes of these Conditions “**Fixed Day Count Fraction**” means:

- (i) if “**Actual/Actual (ICMA)**” is specified in the applicable Final Terms:
 - (a) where the relevant period (from and including the first day to but excluding the last day) is equal to or shorter than the Regular Period during which it falls, the actual number of days in the relevant period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods normally ending in any year; and
 - (b) where the relevant period (from and including the first day to but excluding the last day) is longer than one Regular Period, the sum of:
 - (A) the actual number of days in such relevant period falling in the Regular Period in which it begins divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and
 - (B) the actual number of days in such relevant period falling in the next Regular Period divided by the product of (1) the actual number of days in such Regular Period and (2) number of Regular Periods normally ending in any year;
- (ii) if “**30/360**” is specified in the applicable Final Terms, the number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360; and

“**Regular Period**” means:

- (i) in the case of Notes where interest is scheduled to be paid only by means of regular payments, each period from and including the Interest Commencement Date to but excluding the first Interest Payment Date and each successive period from and including one Interest Payment Date to but excluding the next Interest Payment Date;
- (ii) in the case of Notes where, apart from the first Interest Period, interest is scheduled to be paid only by means of regular payments, each period from and including a Regular Date falling in any year to but excluding the next Regular Date, where “Regular Date” means the day and month (but not the year) on which any Interest Payment Date falls; and
- (iii) in the case of Notes where, apart from one Interest Period other than the first Interest Period, interest is scheduled to be paid only by means of regular payments, each period from and including a Regular Date falling in any year to but excluding the next Regular Date, where “Regular Date” means the day and month (but not the year) on which any Interest Payment Date falls other than the Interest Payment Date falling at the end of the irregular Interest Period.

“**sub-unit**” with respect to any currency other than euro, means the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

If the applicable Final Terms specify that a Mid Swap Rate is applicable to interest payable on Interest Payment Dates falling in a specified period (the “**Reset Period**”), the Notes will bear interest during such Reset Period at a rate determined on the Reset Determination Date as being the aggregate of the Reset Margin and the Specified Mid Swap Rate. The Specified Mid Swap Rate shall be the mid-market swap rate for the Specified Swap Duration, expressed as a percentage, which appears on the Mid Swap Rate Screen Page (or such other page as may replace that page, or such other service as may be nominated by the person providing or sponsoring the information appearing there for the purpose of displaying comparable rates) at 11.00 a.m. (local time) on the Reset Determination Date. If swap rates do not appear on the Mid Swap Rate Screen Page, the Specified Mid Swap Rate shall be determined by the Swap Rate Determination Agent (which, unless otherwise specified in the applicable Final Terms, shall be the Agent) on the basis of (i) quotations provided by the principal office of each of four major banks in the relevant swap market of the rates at which swaps in the applicable currency are offered by it at approximately 11.00 a.m. (local time) on the Reset Determination Date to participants in the relevant swap market for the period equal to the Specified Swap Duration; and (ii) the arithmetic mean rounded, if necessary, to the nearest 0.00001 (0.000005 being rounded upwards) of such quotations.

The Swap Rate Determination Agent will at, or as soon as practicable after, each time at which the Specified Mid Swap Rate is to be determined, determine the Specified Mid Swap Rate for the relevant Reset Period and notify the Agent as soon as practicable after determining the same.

The Agent will cause the Specified Mid Swap Rate to be notified to the relevant Issuer and any stock exchange on which the relevant Notes are for the time being listed and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth London Business Day (as defined below) thereafter.

If for any reason the Swap Rate Determination Agent at any time after the Issue Date defaults in its obligation to determine the Specified Mid Swap Rate, the Trustee shall determine the Specified Mid Swap Rate at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition, but subject always to any minimum or maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all the circumstances and any such determination shall be deemed to have been made by the Swap Rate Determination Agent.

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(a), whether by the Swap Rate Determination Agent or the Trustee, shall (in the absence of wilful default, bad faith or manifest error) be binding on the relevant Issuer, ZIC (where ZIC is not the relevant Issuer), the Trustee, the Agent, the Swap Rate Determination Agent, the other Paying Agents, the Registrar and any Transfer Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the relevant Issuer, ZIC (where ZIC is not the relevant Issuer), the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent, the Trustee or the Swap Rate Determination Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(b) Interest on Floating Rate Notes and Indexed Interest Notes

(i) Interest Payment Dates

Each Floating Rate Note and Indexed Interest Note bears interest on its nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no express Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an “**Interest Payment Date**”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) the Interest Commencement Date to but excluding the first Interest Payment Date and each successive period from (and including) an Interest Payment Date to but excluding the next Interest Payment Date).

If the business day convention is specified in the applicable Final Terms and if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the business day convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In this Condition, “**Business Day**” means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments in any Additional Business Centre specified in the applicable Final Terms; and
- (B) either (1) in relation to interest payable in Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments in the principal financial centre of the country of the relevant Specified Currency (if other than any Additional Business Centre) or (2) in relation to interest payable in euro, a day on which the TARGET system is operating.

For the purposes of these Conditions “**TARGET system**” means the Trans-European Automated Real-Time Gross Settlement Express Transfer (known as TARGET 2) System which was launched on November 19, 2007 or any successor thereto.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Indexed Interest Notes will be determined in the manner specified in the applicable Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), “**ISDA Rate**” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (**LIBOR**) or the European inter-bank offered rate (**EURIBOR**) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**” and “**Reset Date**” have the meanings given to those terms in the ISDA Definitions.

When this sub-paragraph (A) applies, in respect of each relevant Interest Period the Agent will be deemed to have discharged its obligations under Condition 4(b)(iv) in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Interest Period in the manner provided in this sub-paragraph (A).

(B) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations, expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time or in the case of EURIBOR, Brussels time) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such quotation appears or, in the case of (ii) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than the London inter-bank offered rate or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(iii) *Minimum and/or Maximum Interest Rate*

If the applicable Final Terms specify a Minimum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Interest Rate, the Rate of Interest for such Interest Period shall be such Minimum Interest Rate.

If the applicable Final Terms specify a Maximum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Interest Rate, the Rate of Interest for such Interest Period shall be such Maximum Interest Rate.

(iv) *Determination of Rate of Interest and Calculation of Interest Amounts*

The Agent, in the case of Floating Rate Notes, or the Calculation Agent specified in the applicable Final Terms, in the case of Indexed Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine

the Rate of Interest for the relevant Interest Period. In the case of Indexed Interest Notes, the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Agent will calculate the amount of interest (the “**Interest Amount**”) payable on the Floating Rate Notes or Indexed Interest Notes in respect of each Calculation Amount for the relevant Interest Period.

Each Interest Amount shall be calculated by applying the Rate of Interest to each Calculation Amount, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest of any Interest Period:

- (A) if “Actual/Actual” or “Actual/Actual/ISDA” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (B) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (C) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (D) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_{(2)} - Y_{(1)})] + [30 \times (M_{(2)} - M_{(1)})] + (D_{(2)} - D_{(1)})}{360}$$

where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“**Y₂**” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**M₁**” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“**M₂**” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**D₁**” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

“**D₂**” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D₂ will be 30;

- (E) if “**30E/360**” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_{(2)} - Y_{(1)})] + [30 \times (M_{(2)} - M_{(1)})] + (D_{(2)} - D_{(1)})}{360}$$

where:

“**Y₁**” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“**Y₂**” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**M₁**” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“**M₂**” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“**D₁**” is the first calendar day, expressed as a number, of the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₂ will be 30.

(F) if “30E/360 (ISDA)” is specified hereon, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_{(2)} - Y_{(1)})] + [30 \times (M_{(2)} - M_{(1)})] + (D_{(2)} - D_{(1)})}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“D₁” is the first calendar day, expressed as a number, of the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₂ will be 30.

(v) Notification of Rate of Interest and Interest Amounts

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the relevant Issuer and any stock exchange on which the relevant Floating Rate Notes or Indexed Interest Notes are for the time being listed and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth London Business Day (as defined below) thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange, listing authority and/or quotation system by which the relevant Floating Rate Notes or Indexed Interest Notes are for the time being admitted to listing, trading and/or quotation and to the Noteholders in accordance with Condition 13. In these Conditions “London Business Day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

(vi) Determination or Calculation by Trustee

If for any reason the Agent or, as the case may be, the Calculation Agent at any time after the Issue Date defaults in its obligation to determine the Rate of Interest or the Agent defaults in its obligation to calculate any Interest Amount in accordance with subparagraphs (ii) and (iv) above, the Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition, but subject always to any minimum or maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Trustee shall calculate the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Agent or the Calculation Agent, as applicable.

(vii) Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), whether by the Agent or the Trustee or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the relevant Issuer, ZIC (where ZIC is not the relevant Issuer), the Trustee, the Agent, the Calculation Agent (if applicable), the other Paying Agents, the Registrar and any Transfer Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the relevant Issuer, ZIC (where ZIC is not the relevant Issuer), the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent, the Trustee or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) Dual Currency Notes

In the case of Dual Currency Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Final Terms.

(d) Partly Paid Notes

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(e) Accrual of Interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

(f) Special provisions in relation to Subordinated Notes

This Condition 4(f) is only applicable to Subordinated Notes:

(i) *Optional deferral of interest*

If so specified in the applicable Final Terms, there may be paid, on each Optional Interest Payment Date, interest accrued in respect of the Interest Period which ends on such Optional Interest Payment Date but the relevant Issuer shall have the option to defer payment of interest on the Notes which would otherwise be payable on such date. If so specified in the applicable Final Terms, notwithstanding the other provisions of this Condition 4(f)(i) but without prejudice to the provisions of Condition 4(f)(ii), if as at any Optional Interest Payment Date FINMA or any Successor Authority no longer accords any regulatory capital credit to the Notes under the Applicable Regulations (as defined below), the relevant Issuer will only be allowed to exercise its option under this Condition 4(f)(i) to defer payment of interest on the Notes on such Optional Interest Payment Date for a period of up to five years (a “**Fixed Term Deferred Interest Payment**”). The deferral of any interest payment on any Optional Interest Payment Date in accordance with this Condition 4(f)(i) will not constitute an Event of Default by the relevant Issuer and will not give Noteholders or the Trustee any right to accelerate the Notes or make a demand under the relevant Subordinated ZIC Guarantee. The relevant Issuer, failing whom, the Guarantor, shall notify the Trustee and the Noteholders, immediately as soon as it becomes aware that an Interest Payment Date will be an Optional Interest Payment Date in respect of which payment is deferred of the amount of such payment otherwise due on that date and the grounds upon which such deferral has been made. The relevant Issuer may defer paying interest on each Optional Interest Payment Date until the Notes become due and payable as described in Condition 4(f)(iii).

For the purpose of this Condition 4(f), “**Optional Interest Payment Date**” means any Interest Payment Date in respect of which during the six month period ending thereon, but subject as provided in the next paragraph, (i) no dividend has been declared or paid on any class of share capital of ZIG; and (ii) (provided at the relevant time the existence of this requirement (ii) does not cause a Regulatory Event) no interest, distribution or other payments (including payment for the purpose of a redemption or repurchase) have been made on any securities issued (or guaranteed) by (a) ZIC as the relevant Issuer or Guarantor and the claims in respect of such securities or, as applicable, guarantee rank junior to, or *pari passu* with, the claims of holders of Subordinated Notes issued by ZIC or, as applicable, under a ZIC Subordinated Guarantee or (b) ZIG (unless, in each case aforesaid, such payment was compulsory on such securities or required due to the repayment of such securities).

Notwithstanding the immediately preceding paragraph, any Interest Payment Date which would otherwise not be an Optional Interest Payment Date by reason of one or more of the following events shall be treated as an Optional Interest Payment Date:

- (aa) repurchases, redemptions or other acquisitions of ZIG’s ordinary shares in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or shareholder stock purchase plan or in connection with the issuance of ZIG’s ordinary shares (or securities convertible into or exercisable for ZIG’s ordinary shares) as consideration in an acquisition transaction entered into prior to the applicable deferral period;
- (bb) as a result of any exchange or conversion of any class or series of ZIG’s ordinary shares (or any capital stock of any of its subsidiaries) for any class or series of common stock or of any class or series of its indebtedness (or for the indebtedness of any of its subsidiaries);
- (cc) the purchase of fractional interests in ZIG’s ordinary shares, pursuant to the conversion or exchange provisions of such ZIG’s ordinary shares, or the security being converted or exchanged;
- (dd) any declaration of a dividend in connection with any shareholders’ rights plan, or the issuance of rights, stock or other property under any shareholders’ rights plan, or the redemption or repurchase of rights pursuant thereto;
- (ee) any dividend or distribution in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks *pari passu* with or junior to such stock; or

- (ff) payments of interest on any Subordinated Notes and any other obligations which rank pari passu with the Subordinated Notes rateably and in proportion to the respective amounts as at such Interest Payment Date of (y) accrued and unpaid interest on such other obligations, on the one hand, and (z) if applicable, Arrears of Interest and any other accrued and unpaid interest on the Subordinated Notes, on the other hand.

(ii) *Solvency Deferral of Interest*

If Solvency Deferral is specified in the applicable Final Terms as being applicable and a Solvency Event has occurred and is continuing as at the relevant Deferral Determination Date, then, in relation to any Interest Payment which is otherwise scheduled to be paid on an Interest Payment Date, the relevant Issuer shall defer such Interest Payment, and shall defer the relevant Solvency Shortfall if, were the relevant Issuer to make payment of the relevant Interest Payment, a Solvency Event would as at the date of such payment occur except that the relevant Issuer will not be required to defer such Interest Payment or Solvency Shortfall, as the case may be, if FINMA or any Successor Authority applicable at the time has given its consent to such payment. The deferral of any Interest Payment or part thereof in accordance with this Condition 4(f)(ii) will not constitute an Event of Default and will not give Noteholders or the Trustee any right to accelerate the Notes or make a demand under the relevant Subordinated ZIC Guarantee. The relevant Issuer, failing whom the Guarantor, shall give notice of such deferral to the Trustee (together with the certificate of the occurrence of a Solvency Event referred to below), and to the Noteholders in accordance with Condition 13 not less than seven days prior to the relevant Interest Payment Date. A certificate as to the occurrence of a Solvency Event signed by two Directors of the relevant Issuer or ZIG, shall, in the absence of manifest error, be treated and accepted by the relevant Issuer, the Noteholders, the Trustee, the Receiptholders, the Couponholders and all other interested parties as correct and sufficient evidence thereof. The Trustee shall be entitled to rely upon such certification absolutely without liability to any person.

As used herein:

“**Applicable Regulations**” means, with respect to the Relevant Entity at any time, the regulatory capital requirements applicable to such entity and/or its group at such time including, but not limited to, such insurance regulatory law (for group solvency or single solvency and/or financial conglomerate purposes, as applicable) and/or applicable generally recognised administrative practice, if any, of FINMA or any Successor Authority.

“**Assets**” means, where ZIC is specified in the relevant Final Terms as being the Relevant Entity, ZIC’s consolidated total assets and, where ZIG is specified in the relevant Final Terms as being the Relevant Entity, ZIG’s consolidated total assets, each as shown in its latest annual audited balance sheet, but adjusted for all subsequent events, as reasonably determined by the Relevant Entity, or if the Relevant Entity is being liquidated, its liquidator.

“**Relevant Entity**” means ZIC and/or ZIG, as specified in the applicable Final Terms.

A “**Solvency Event**” shall be deemed to have occurred as at any date if as at such date:

- (i) the Relevant Entity does not at such date have appropriate funds to cover the required minimum solvency margin or meet any other required level of own funds regulatory capital (or another applicable term in case of a change in Applicable Regulations) in accordance with Applicable Regulations and a deferral or, as applicable, cancellation of interest is required under the Applicable Regulations; or
- (ii) the Relevant Entity is unable to pay its debts owed to its Senior Creditors (as defined in Condition 2(c)) as they fall due; or
- (iii) the Relevant Entity’s Assets do not exceed its Liabilities (each as defined above) (other than liabilities to persons who are not Senior Creditors); or
- (iv) FINMA or a Successor Authority has given (and not withdrawn) notice to the Relevant Entity that it has determined, in view of the financial and/or capital position of the Relevant Entity, that in accordance with Applicable Regulations at such time, the relevant Issuer must take specified action in relation to payments on the Notes; or

- (v) the Relevant Entity's auditors cannot give a confirmation pursuant to Article 725(2) of the Swiss Code of Obligations or any equivalent provision under applicable laws.

“Solvency Shortfall” means the portion of interest that would cause a Solvency Event to occur or be continuing.

“Successor Authority” means any domestic or foreign successor to FINMA or otherwise that has primary supervisory authority over ZIC and/or the Zurich Insurance Group.

(iii) *Arrears of Interest*

Any interest in respect of the Notes not paid on an Interest Payment Date (including any Solvency Shortfall), together with any other interest in respect thereof not paid on any earlier Interest Payment Date, in each case by virtue of this Condition 4(f), shall, so long as the same remains unpaid, constitute **“Arrears of Interest”**. Arrears of Interest and any other amount, payment of which is deferred in accordance with this Condition 4(f), shall not themselves bear interest. Any Arrears of Interest and any other amount, payment of which is deferred in accordance with this Condition 4(f) may, if so specified in the applicable Final Terms and subject to obtaining the prior written approval of FINMA or any Successor Authority (if such approval is required under Applicable Regulations at the relevant time), be satisfied at the option of the relevant Issuer in whole or in part, at any time upon the expiry of not less than 15 nor more than 30 days' notice to such effect given by the relevant Issuer or the Guarantor to the Trustee and to the Noteholders in accordance with Condition 13 and in any event such Arrears of Interest and any other amount payment of which is deferred in accordance with this Condition 4(f) will, save as otherwise specified in the applicable Final Terms and as provided below, automatically become immediately due and payable upon the earliest of the following dates:

- (A) the date upon which a dividend is next declared or paid on any class of share capital of ZIG; or

- (D) the date upon which the relevant Issuer or, as the case may be, the Guarantor pays interest on any other junior or *pari passu* securities of the relevant Issuer or the Guarantor (unless such payment was compulsory on such securities or required due to the repayment of such securities); or
- (E) in the case of a Fixed Term Deferred Interest Payment only, the fifth anniversary of the Optional Interest Payment Date on which such payment was deferred.

Notwithstanding the foregoing, Arrears of Interest arising pursuant to Condition 4(f)(ii) will only be due and payable by reason of items (A) and (D) above following the prior written approval of FINMA or any Successor Authority (if such approval is required under Applicable Regulations at the relevant time) and provided the relevant dividend or interest payment under item (A) or (D) is not one of a type described in paragraphs (aa) to (ff) in Condition 4(f)(i).

5. Payments

(a) Method of Payment

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by transfer to an account in the relevant Specified Currency maintained by the payee with, or by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is New Zealand dollars, shall be Auckland); and
- (ii) payments in euro will be made by credit or transfer to an euro account specified by the payee.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in any jurisdiction (whether by operation of law or agreement of the relevant Issuer or the Guarantor or its Agents and neither the relevant Issuer nor the Guarantor will be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements), but without prejudice to the provisions of Condition 7. References to “Specified Currency” will include any successor currency under applicable law.

(b) Presentation of Notes, Receipts and Coupons

Payments of principal in respect of Definitive Bearer Notes will (subject as provided below) be made in the manner provided in Condition 5(a) above only against presentation and surrender (or, in the case of part payment only, endorsement) of Definitive Bearer Notes, and payments of interest in respect of Definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment only, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the U.S. (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

In respect of Definitive Bearer Notes payments of instalments of principal (if any), other than the final instalment, will (subject as provided below) be made in the manner provided in Condition 5(a) above against presentation and surrender (or, in the case of part payment only, endorsement) of the relevant Receipt in the manner provided in the preceding paragraph. Payment of the final instalment will be made in the manner provided in Condition 5(a) above only against presentation and surrender of the relevant Definitive Bearer Note in the manner provided in the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Bearer Note to which it appertains. Receipts presented without the Definitive Bearer Note to which they appertain do not constitute valid obligations of the relevant Issuer. Upon the date on which any Definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive bearer form (other than Dual Currency Notes, Indexed Interest Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against presentation and surrender (or, in the case of part payment only, endorsement) of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note becoming due and repayable, all unmatured Talons (if any) appertaining hereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Indexed Interest Note or Long Maturity Note (as defined below) in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. Where any such Definitive Bearer Note is presented for redemption without all unmatured Receipts, Coupons or Talons relating to it, redemption shall be made only against the provision of such indemnity as the relevant Issuer may require. A "Long Maturity Note" is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Definitive Bearer Note shall cease to be a Long Maturity Note on the Fixed Interest Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any Definitive Bearer Note is not a Fixed Interest Date or an Interest Payment Date, interest (if any) accrued in respect of such Definitive Bearer Note from (and including) the preceding Fixed Interest Date or Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against presentation and surrender (or, in the case of part payment only, endorsement) of the relevant Definitive Bearer Note.

Payments of principal and interest (if any) in respect of Notes represented by any Bearer Global Note will (subject as provided below) be made in the manner specified above in relation to Definitive Bearer Notes and otherwise in the manner specified in the relevant Bearer Global Note against presentation or surrender, as the case may be, of such Bearer Global Note at the specified office of any Paying Agent outside the U.S.. A record of each payment made against presentation or surrender of such Bearer Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Bearer Global Note by such Paying Agent and such record shall be prima facie evidence that the payment in question has been made.

The holder of a Bearer Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Bearer Global Note and the relevant Issuer or, as the case may be, ZIC will be discharged by payment to, or to the order of, the holder of such Bearer Global Note in respect of each amount so paid.

Notwithstanding the foregoing, if any amount of principal and/or interest in respect of this Bearer Global Note is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of this Bearer Global Note will be made at the specified office of a Paying Agent in the U.S. if:

- (i) the relevant Issuer and ZIC (where ZIC is not the relevant Issuer) have appointed Paying Agents with specified offices outside the U.S. with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at

such specified offices outside the U.S. of the full amount of principal and interest on the Notes in the manner provided above when due;

- (ii) payment of the full amount of such principal and interest at all such specified offices outside the U.S. is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under U.S. law without involving, in the opinion of the relevant Issuer and ZIC (where ZIC is not the relevant Issuer), adverse tax consequences to the relevant Issuer or ZIC (where ZIC is not the relevant Issuer).

Payments of principal in respect of Registered Notes (whether in individual or global form) will be made in the manner provided in Condition 5(a), above against presentation and surrender (or, in the case of part payment of any sum due only, endorsement) of such Registered Global Note or Individual Registered Notes at the specified office of the Registrar or at the specified office of any Paying Agent. Payments of interest due on a Registered Note and payments of instalments (if any) of principal on a Registered Note, other than the final instalment, will be made to the person in whose name such Note is registered (i) where in global form, at the close of business on the Clearing System Business Day immediately prior to the date for payment, where Clearing System Business Days means Monday to Friday inclusive except December 25 and January 1, and (ii) where in individual form, at the close of business on the fifteenth day (whether or not such fifteenth day is a business day (being for the purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) (the “**Record Date**”). In the case of payments by cheque, cheques will be mailed to the holder (or the first named of joint holders) at such holder’s registered address on the due date. If payment is required by credit or transfer as referred to in Condition 5(a) above, application for such payment must be made by the holder to the Registrar not later than the relevant Record Date.

(c) Payment Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment of the amount due until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, and unless otherwise specified in the applicable Final Terms, “**Payment Day**” means any day which is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Payment Business Centre specified in the applicable Final Terms and, in the case of Notes in individual form only, in the relevant place of presentation; and

In this Condition 5, the following expressions have the following meanings:

6. Redemption and Purchase

(a) At Maturity

This Condition 6(a) is applicable to Notes other than Undated Subordinated Notes.

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the relevant Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date provided that, in the case of Dated Subordinated Notes if so specified in the applicable Final Terms, if a Solvency Event has occurred and is continuing on the Maturity Date or would occur as a result of the relevant redemption, the Dated Subordinated Notes shall not be redeemed unless the prior written approval of FINMA or any Successor Authority for such payment has been given. If a Solvency Event has occurred and is continuing on the Maturity Date and no prior written approval as aforesaid has been given, each Dated Subordinated Note will be redeemed by the relevant Issuer promptly following either the obtaining of such written approval or no Solvency Event continuing (including, following the relevant redemption) and the giving of not more than 30 nor less than 15 days’ notice to such effect by the relevant Issuer to the Trustee and to Noteholders in accordance with Condition 13. References herein to “**Maturity Date**” shall be construed accordingly to refer to such later date of redemption and, for the avoidance of doubt, interest shall continue to accrue (without compounding) as provided in Condition 4 on any such Dated Subordinated Note until such later date of redemption.

A certificate as to the occurrence and/or continuation of a Solvency Event and as to whether or not written approval of FINMA or any Successor Authority as aforesaid has been given signed by two Directors of the relevant Issuer or ZIG, shall, in the absence of manifest error be treated and accepted by the relevant Issuer, to Noteholders, the Trustee, the Receiptholders, the Couponholders and all other interested parties as correct and sufficient evidence thereof. The Trustee shall be entitled to rely upon such certification absolutely without liability to any person.

(b) Redemption of Undated Subordinated Notes

This Condition 6(b) is only applicable to Undated Subordinated Notes.

Each Note has no final maturity date and is only redeemable or repayable in accordance with the following provisions of this Condition 6 and Condition 9(b).

(c) Redemption for Tax Reasons

The Notes of any Series may be redeemed at the option of the relevant Issuer, subject to Condition 6(n), in whole, but not in part, at any time (if this Note is neither a Floating Rate Note nor an Indexed Interest Note) or on any Interest Payment Date (if this Note is either a Floating Rate Note or an Indexed Interest Note) at their principal amount, together, if applicable, with interest accrued to the date fixed for redemption and any Arrears of Interest, on giving not less than 30 nor more than 60 days’ notice to the Trustee and the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), if the Issuer satisfies the Trustee immediately before the giving of such notice that:

- (i) on the occasion of the next payment due under the Notes, (A) the relevant Issuer is or will become obliged to pay additional amounts as provided or referred to in Condition 7 or (B) ZIC (where ZIC is not the relevant Issuer) would be unable for reasons outside its control to procure payment by the relevant Issuer and in making payment itself would be required to pay such additional amounts, in each of cases (A) and (B) as a result of (1) any current law (in the case of an issue of Undated Subordinated Notes) or (2) (in the case of an issue of Senior Notes, Dated Subordinated Notes or Undated Subordinated Notes) change in, or amendment to, the laws or regulations of the Relevant Jurisdictions (as defined below) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation

of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes of the relevant Series; and

- (ii) such obligation cannot be avoided by the relevant Issuer or, as the case may be, ZIC (where ZIC is not the relevant Issuer) taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the relevant Issuer or, as the case may be, ZIC (where ZIC is not the relevant Issuer) would be obliged to pay such additional amounts were a payment in respect of the Notes then due; or
- (iii) save as otherwise specified in the applicable Final Terms, on the next Interest Payment Date the payment of interest in respect of any Undated Subordinated Notes would (whether or not as a result of a change in or amendment of law or regulation as aforesaid) (i) in the case of Notes issued by ZF (UK), be treated as a “distribution” within the meaning of the UK Corporation Tax Act 2010 (as amended, re-enacted or replaced) or (ii) not be deductible as an expense for tax purposes of the relevant Issuer, in each case for reasons outside the control of and which cannot be avoided by, the relevant Issuer taking reasonable measures available to it.

Prior to the publication of any notice of redemption pursuant to this Condition, the relevant Issuer shall deliver to the Trustee a certificate signed by two Directors of the relevant Issuer or, as the case may be, two Directors of ZIC (where ZIC is not the relevant Issuer) stating that the relevant Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the relevant Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the relevant Issuer or, as the case may be, ZIC (where the relevant Issuer is not ZIC), has or will become obliged to pay such additional amounts as a result of such circumstances, change or amendment and the Trustee shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Noteholders, the Receiptholders and the Couponholders.

In these Conditions, “**Relevant Jurisdiction**” means, unless otherwise specified in the applicable Final Terms (i) Luxembourg and Switzerland, in the case of Notes issued by ZF (Luxembourg), (ii) each of the U.S. and Switzerland, in the case of Notes issued by ZF (USA), (iii) Switzerland, in the case of Notes issued by ZIC, (iv) United Kingdom and Switzerland, in the case of Notes issued by ZF (UK); and (v) Ireland and Switzerland, in the case of Notes issued by Zurich Bank.

Notes redeemed pursuant to this Condition 6(c) will be redeemed at their Early Redemption Amount referred to in Condition 6(f) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(d) Redemption for Other Reasons

This Condition 6(d) is only applicable to Subordinated Notes.

The Notes may, subject to Condition 6(n), be redeemed at the option of the relevant Issuer in whole, but not in part, at any time (if this Note is neither a Floating Rate Note nor an Indexed Interest Note) or on any Interest Payment Date (if this Note is either a Floating Rate Note or an Indexed Interest Note) (provided that if at any time the inclusion of a redemption option due to an Accounting Event and/or a Capital Event (each as defined below) would cause a Regulatory Event the relevant date for redemption may only fall on or after the fifth anniversary of the Issue Date) at the Regular Redemption Price or the Special Redemption Price, as specified in the applicable Final Terms, together, if applicable, with interest accrued to the date fixed for redemption and any Arrears of Interest on giving not less than 30 nor more than 60 days’ notice to the Trustee and, in accordance with Condition 13, the Noteholders (which shall be irrevocable), if the relevant Issuer satisfies the Trustee immediately before the giving of such notice that:

- (i) if so specified in the applicable Final Terms, an Accounting Event has occurred and is continuing;
- (ii) if so specified in the applicable Final Terms, a Capital Event has occurred and is continuing; or
- (iii) if so specified in the applicable Final Terms, a Regulatory Event has occurred and is continuing.

As used herein:

“**Accounting Event**” means that an opinion of a recognised accounting firm has been delivered to the Issuer, stating that obligations of the Issuer in respect of the Notes must not or must no longer be recorded under the Initial Accounting Treatment Methodology specified in the applicable Final Terms (either “**liabilities**” or “**equity**”), (being the presentation of the Notes under IFRS as at the Issue Date) on the balance sheet of ZIG published in its annual consolidated financial statements pursuant to IFRS and this cannot be avoided by the Issuer or, as the case may be, ZIG taking such reasonable measures as the Issuer or ZIG (acting in good faith) deems appropriate. The Issuer will deliver the applicable opinion to the Trustee.

“**Capital Event**” means a change by a nationally recognised statistical rating organisation to its equity credit criteria, or the interpretation or application thereof, for securities such as the Notes, as such criteria are in effect on the Issue Date (the “**current criteria**”), which change has been confirmed in writing to the relevant Issuer or ZIC by such organisation and which results in a lower equity credit being given to the Notes as of the date of such change by such nationally recognised statistical rating organisation as compared with the equity credit pursuant to its current criteria.

“**Future Regulations**” means the solvency margin, regulatory capital or capital adequacy regulations (if any) which may be introduced in Switzerland (or if ZIG becomes domiciled for regulatory purposes in a jurisdiction other than Switzerland, such other jurisdiction) and which are applicable to the relevant Issuer and/or ZIG, which would set out the requirements to be satisfied by financial instruments in order that they be eligible to be included in Tier Two (or equivalent) own funds regulatory capital.

“**Regulatory Event**” means the occurrence of any of the following events which occurrence cannot be avoided by the relevant Issuer or the Guarantor or ZIG taking such reasonable measures as they (acting in good faith) deem appropriate:

- (A) prior to the implementation of the Future Regulations, FINMA or any Successor Authority states that the Notes are no longer eligible to qualify as at least lower additional capital (in the case of Dated Subordinated Notes) or upper additional capital (in the case of Undated Subordinated Notes) pursuant to Art. 49 in connection with Art. 39 of the SPICO (as defined below), and no longer fulfil the requirements for such category, or equivalent thereof, for group or solo solvency purposes; or
- (B) with effect from the implementation of the Future Regulations, the Notes do not qualify, or initially qualify but cease to so qualify, as at least Tier Two own funds (or equivalent) under such Future Regulations (or an official application or interpretation of those regulations including a decision of a court or tribunal)

save, in each case above, where such non-qualification thereof applicable to the Notes is only as a result of any applicable limitation on the amount of such capital.

“**SPICO**” means the Ordinance on the Supervision of Private Insurance Companies (*Verordnung über die Beaufsichtigung von privaten Versicherungsunternehmen* — AVO) of November 9, 2005, as amended.

“**Special Event**” means any of an Accounting Event, a Capital Event or a Regulatory Event or any combination of the foregoing.

Prior to the publication of any notice of redemption pursuant to this Condition, the relevant Issuer shall deliver to the Trustee a certificate signed by two Directors of the relevant Issuer stating that the circumstances described in the definitions of Accounting Event, Capital Event or Regulatory Event (as appropriate) have occurred and that, in the case of a Regulatory Event, such Regulatory Event cannot be avoided by the Issuer, Guarantor or, as the case may be, ZIG taking such measures as are provided for in the definition of Regulatory Event to avoid such Regulatory Event and the Trustee shall be entitled to accept such certificate as sufficient evidence that the circumstances described in the relevant Special Event apply, in which event it shall be conclusive and binding on the Noteholders, Receiptholders and the Couponholders. In the case of a Capital Event, prior to the publication of any notice of redemption, the relevant Issuer shall also deliver a copy of the relevant written confirmation of the rating organisation referred to in the definition of Capital Event.

The Trustee is under no obligation to ascertain whether any Special Event or any event which could lead to the occurrence of, or could constitute, any such Special Event, has occurred and, until it shall have actual knowledge or notice pursuant to the Trust Deed to the contrary, the Trustee may assume that no such Special Event has occurred.

(e) Redemption at the Option of the Relevant Issuer

If the relevant Issuer is specified in the applicable Final Terms as having an option to redeem, such Issuer may, subject to Condition 6(n) and having given:

- (i) not less than 15 nor more than 30 days’ notice to the Noteholders in accordance with Condition 13; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Trustee and the Agent;

(which notices shall be irrevocable), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount or not more than the Maximum Higher Redemption Amount, in each case as may be specified in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed (“**Redeemed Notes**”) will be selected individually by lot in a manner approved by the Trustee, in the case of Redeemed Notes represented by Definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg, in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the “**Selection Date**”). In the case of Redeemed Notes represented by Definitive Bearer Notes or Individual Registered Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 13 not less than 15 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by Definitive Bearer Notes or Individual Registered Notes shall bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of Definitive Bearer Notes or Individual Registered Notes outstanding bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination, and the aggregate nominal amount of Redeemed Notes represented by a Global Note shall be equal to the balance of the Redeemed Notes. No exchange of the relevant Global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this Condition 6(e) and notice to that effect shall be given by the relevant Issuer to the Noteholders in accordance with Condition 13 at least five days prior to the Selection Date.

(f) Substitution or Variation

This Condition 6(f) is only applicable to Subordinated Notes.

If any of the events described in Condition 6(c) or 6(d) has occurred and is continuing, then the relevant Issuer may, subject to Condition 6(n), (without any requirement for the consent or approval of the Noteholders) and subject to having satisfied the Trustee immediately prior to the giving of such notice referred to herein that the provisions of this Condition 6(f) have been complied with and having given not less than seven days' written notice to the Trustee and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), at any time either substitute all (but not some only) of the Notes for, or vary the terms of the Notes so that they remain or, as appropriate, become, Qualifying Securities and the Trustee shall (subject as provided below and to the following provision of this Condition 6(f) being complied with and subject further to the receipt by the Trustee of a certification by the Directors of the relevant Issuer referred to below) agree to such substitution or variation. In connection therewith, all Arrears of Interest (if any) will be paid.

Upon the expiry of such notice, the relevant Issuer shall either vary the terms of, or substitute, the Notes in accordance with this Condition 6(f), as the case may be. The Trustee shall not be obliged to participate in any substitution or variation of the Notes for any proposed alternative Qualifying Securities if the terms of the proposed alternative Qualifying Securities would impose, in the Trustee's opinion, more onerous obligations on it.

As used herein, "**Qualifying Securities**" means securities:

- (a) having terms (including terms providing for deferral and/or cancellation of payment of interest and/or principal) that are not materially less favourable to an investor than the terms of the Notes (as reasonably determined by the relevant Issuer after consulting an independent investment bank of international standing, and provided that a certification to such effect of two Directors of the relevant Issuer shall have been delivered to the Trustee prior to the issue of the relevant securities); and
- (b) issued by the relevant Issuer or issued by another member of the Zurich Insurance Group with a guarantee by the relevant Issuer and, as appropriate, Guarantor, such that investors have the same material rights and claims as provided by the Notes (as reasonably determined by the relevant Issuer, and provided that a certification to such effect of two Directors shall have been delivered to the Trustee prior to the issue of the relevant securities); and
- (c) ranking at least equal to the Notes and featuring the same principal amount, interest rate (including applicable margins and step-up), Interest Payment Dates and Optional Redemption Dates as the Notes; and
- (d) containing terms which preserve the obligations (including the obligations arising from the exercise of any right) of the relevant Issuer as to redemption of the Notes, including (without limitation) as to timing of and amounts payable on, such redemption; and
- (e) which do not contain any terms providing for loss absorption through principal write-down or conversion to ordinary shares, unless the triggers are objective and measurable; and
- (f) which, benefit from a guarantee from ZIC which is subordinated on the same basis, and to the same extent, as the Subordinated ZIC Guarantee in circumstances where the Notes benefitted from the Subordinated ZIC Guarantee; and
- (g) listed on an internationally recognised stock exchange, if the Notes were listed prior to such substitution or variation.

In addition, any substitution or variation is subject to (A) all interest amounts, including Arrears of Interest, and any other amount payable under the Notes which, in each case has accrued to Noteholders and has not been paid, being satisfied in full on or prior to the date thereof; (B) compliance with Condition 6(n); (C) the substitution or variation not itself giving rise to a change in any published rating of the Notes in effect at such time as confirmed in writing by the rating organisations who have given such published rating of the Notes previously; (D) the substitution or variation not triggering the right on the part of the relevant Issuer to redeem the Notes pursuant to Condition 6(c) or 6(d); and (E) certification by two Directors of the relevant Issuer that the securities in question are "**Qualifying Securities**" in accordance with the definition set out above and that the conditions set out herein have been complied with, which such certificate shall be delivered to the Trustee prior to the substitution or variation of the relevant securities and upon which certificate the Trustee shall be entitled to rely absolutely without liability to any person.

In connection with any substitution or variation as described above, the relevant Issuer will comply with the rules of any stock exchange or other relevant authority on which the Notes are then listed or admitted to trading.

(g) Redemption at the Option of the Noteholders

This Condition 6(g) is only applicable to Senior Notes.

If the Noteholders are specified in the applicable Final Terms as having an option to redeem, upon the holder of any Note giving to the relevant Issuer in accordance with Condition 13 not less than 15 nor more than 30 days' notice the relevant Issuer will, upon

the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

If a Note is in individual or definitive form, to exercise the right to require redemption of such Note the holder of the Note must deliver such Note in individual or definitive form at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent falling within the notice period, accompanied by a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a “**Put Notice**”) and in which the holder must (subject to the terms of Condition 5) specify a bank account (or, if payment is by cheque, an address) to which payment is to be made under this Condition.

The Paying Agent with which a Note in individual or definitive form is so deposited shall deliver a duly completed receipt for such Note (a “**Put Option Receipt**”) to the depositing Noteholder. No Definitive Note, once deposited with a duly completed Put Option Notice in accordance with this Condition 6(g), may be withdrawn; provided, however, that if, prior to the relevant Optional Redemption Date, any such Note in individual or definitive form becomes immediately due and payable or, upon due presentation of any such Note on the relevant Optional Redemption Date, payment of the redemption moneys is improperly withheld or refused, the Paying Agent shall mail notification thereof to the depositing Noteholder at such address as may have been given by such Noteholder in the relevant Put Notice and shall hold such Note in individual or definitive form at its specified office for collection by the depositing Noteholder against surrender of the relevant Put Option Receipt. For so long as any outstanding Note in individual or definitive form is held by a Paying Agent in accordance with this Condition 6(g), the depositor of such Note in individual or definitive form and not such Paying Agent shall be deemed to be the holder of such Note for all purposes.

If a Note is in global form, the Noteholder shall comply with the procedures of the relevant Clearing System so as to enable such Clearing System to procure the giving of a Put Notice as provided by this Condition 6(g).

(h) Early Redemption Amounts

For the purpose of Condition 6(c) above and Condition 9, the Notes will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of Notes with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (ii) in the case of Notes (other than Zero Coupon Notes but including Instalment Notes and Partly Paid Notes) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated, at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms, at their nominal amount; or
- (iii) in the case of Zero Coupon Notes, at an amount (the “**Amortised Face Amount**”) equal to the sum of:
 - (a) the Reference Price specified in the applicable Final Terms; and
 - (b) the product of the Accrual Yield (compounded annually) being applied to the Reference Price from (and including) the Issue Date to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable.

Where such calculation is to be made for a period which is not a whole number of years, it shall be made on the basis of a 360 day year consisting of 12 months of 30 days each or such other calculation basis as may be specified in the applicable Final Terms.

(i) Instalments

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to Condition 6(h) above.

(j) Partly Paid Notes

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Final Terms.

(k) Purchases

The relevant Issuer, ZIC (where ZIC is not the relevant Issuer) or any of ZIC’s Subsidiaries (as such term is defined in the Trust Deed) may subject to Condition 6(n), in the case of Restricted Notes subject to Condition 10(l), at any time purchase Notes (provided that, in the case of definitive Bearer Notes, all unmaturing Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Notes may be held, resold or, at the option of the relevant Issuer or ZIC (where ZIC is not the relevant Issuer), surrendered to any Paying Agent or the Registrar for cancellation.

(l) Cancellation

All Notes which are redeemed or purchased and surrendered for cancellation will forthwith be cancelled (together, in the case of Definitive Bearer Notes, with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to Condition 6(i) above (together in the case of Definitive Bearer Notes with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

(m) Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 6(a), (c), (d), (e) or (g) above or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 6(h)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable has been received by the Agent or the Trustee and notice to that effect has been given to the Noteholders in accordance with Condition 13.

(n) Condition to redemption, substitution or variation of Subordinated Notes

Any redemption, substitution, variation of the terms or purchase of Subordinated Notes in accordance with Condition 6(c), (d), (e), (f) or (k) is subject to the relevant Issuer obtaining the prior written consent of FINMA or any Successor Authority thereto provided that such consent is required at that time under applicable capital or solvency regulations to be obtained.

7. Taxation

(a) Notes issued by ZF (Luxembourg) or ZF (UK)

In the case of Notes issued by ZF (Luxembourg) or ZF (UK), all payments under the Trust Deed, the Notes, the Receipts and the Coupons will be made without withholding or deduction for or on account of any taxes or duties of whatever nature imposed or levied by or on behalf of the Relevant Jurisdiction or any political subdivision or any authority thereof or therein having power to tax or required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “**Code**”) unless such withholding or deduction is required by law and/or by agreement of the relevant Issuer or the Guarantor, as the case may be. In such event, ZF (Luxembourg) or ZF (UK), as the case may be, will pay such additional amounts (“**Additional Amounts**”) as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such Additional Amounts shall be payable with respect to any Note, Receipt or Coupon presented for payment:

- (i) in Luxembourg, in the case of Notes issued by ZF (Luxembourg);
- (ii) by or on behalf of a Noteholder, Receiptholder or Couponholder who is liable for such taxes or duties in respect of such Note, Receipt or Coupon by reason of his having some connection with the United Kingdom (in the case of ZF (UK)) or Luxembourg (in the case of ZF (Luxembourg) or Switzerland (in the case of payments made by ZIC) other than the mere holding of such Note, Receipt or Coupon;
- (iii) more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an Additional Amount on presenting the same for payment on such thirtieth day;
- (iv) any U.S. federal withholding tax that is imposed, assessed, levied or collected by reason of Section 1471 through 1474 of the Code (or any regulations promulgated thereunder or administrative interpretations thereof or agreement with any Relevant Jurisdiction or the U.S. relating thereto);
- (v) where such withholding or deduction is imposed on a payment to an individual or a residual entity and (y) is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income or any law implementing or complying with, or, introduced in order to conform to, such Directive or (z) is required to be made pursuant to any agreements between the European Community and other countries or territories providing for measures equivalent to those laid down in the European Council Directive 2003/48/EC or any law or other governmental regulation implementing or complying with, or introduced in order to conform to, such agreements;
- (vi) where such withholding or deduction is imposed on a payment and is required to be made pursuant to laws enacted by Switzerland providing for the taxation of payments according to principles similar to those laid down (y) in the European

Council Directive 2003/48/EC or (z) in the draft legislation proposed by the Swiss Federal Council on August 24, 2011, in particular the principle to have a person other than the Issuer withhold or deduct the tax, including, without limitation, any paying agent; or

- (vii) by or on behalf of a Noteholder, Receiptholder or Couponholder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a member state of the EU.

As used herein, the “**Relevant Date**” means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent or the Trustee on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 13.

(b) Notes issued by ZF (USA)

In the case of Notes issued by ZF (USA), all payments under the Trust Deed, the Notes, the Receipts and the Coupons will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of the Relevant Jurisdiction or any political subdivision or any authority thereof or therein having power to tax unless such withholding or deduction is required by law. In such event, ZF (USA) will pay such additional amounts (“**Additional Amounts**”) as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; provided that the obligations of ZF (USA) to pay Additional Amounts shall not apply as a result of a withholding or deduction on account of any one or more of the following:

- (i) any tax, assessment or other governmental charge which would not have been imposed but for (A) the existence of any present or former connection between such holder (or between a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of a power over, such holder, if such holder is an estate, a trust, a partnership, a corporation or another entity) and the U.S. or any political subdivision or territory or possession thereof, including, without limitation, such holder (or such fiduciary, settlor, beneficiary, member, shareholder or possessor) being or having been a citizen or resident or treated as a resident thereof or being or having been present or engaged in trade or business therein or having or having had a permanent establishment therein or otherwise having or having had some connection with the U.S. or such political subdivision, territory or possession other than the mere holding or ownership of a Note, Receipt or Coupon or (B) such holder’s present or former status as a domestic or foreign personal holding company or a controlled foreign corporation with respect to the U.S. or a corporation which accumulates earnings to avoid U.S. federal income tax;
- (ii) any tax, assessment or other governmental charge which would not have been so imposed but for presentation by the holder of a Note, Receipt or Coupon for payment on a date more than 15 days after the Relevant Date;
- (iii) any estate, inheritance, gift, sales, transfer or personal property tax or any similar tax, assessment or other governmental charge;
- (iv) any tax, assessment or other governmental charge which would not have been imposed but for the failure to comply with certification, information, documentation or other reporting requirements concerning the nationality, residence, identity or connection with the U.S. or any political subdivision thereof of the holder or beneficial owner of such Note, Receipt or Coupon;
- (v) any U.S. federal withholding tax that is imposed, assessed, levied or collected by reason of Section 1471 through 1474 of the Code (or any regulations promulgated thereunder or administrative interpretations thereof or agreement with any Relevant Jurisdiction relating thereto);
- (vi) any tax, assessment or other governmental charge which is (A) payable otherwise than by withholding from payments of or in respect of principal of or interest on such Note, Receipt or Coupon or (B) required to be withheld by a Paying Agent from any such payment, if such payment can be made without such withholding by any other Paying Agent outside the U.S.;
- (vii) any tax, assessment or other governmental charge imposed on interest received by a person holding, actually or constructively, 10 per cent or more of the total combined voting power of all classes of stock of ZF (USA) or certain of their respective affiliates entitled to vote;
- (viii) where such withholding or deduction is imposed on a payment to an individual or a residual entity and (y) is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income or any law implementing or complying with, or, introduced in order to conform to, such Directive or (z) is required to be made pursuant to any agreements between the European Community and other countries or territories providing for measures equivalent to those laid down in the European Council Directive 2003/48/EC or any law or other governmental regulation implementing or complying with, or introduced in order to conform to, such agreements;

- (ix) where such withholding or deduction is imposed on a payment and is required to be made pursuant to laws enacted by Switzerland providing for the taxation of payments according to principles similar to those laid down (y) in the European Council Directive 2003/48/EC or (z) in the draft legislation proposed by the Swiss Federal Council on August 24, 2011, in particular the principle to have a person other than the Issuer withhold or deduct the tax, including, without limitation, any paying agent;
- (x) where such Note, Receipt or Coupon is presented for payment by or on behalf of a Noteholder, Receiptholder or Couponholder who would have been able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a member state of the EU; or
- (xi) any combination of items (i) through (x) above;

nor will Additional Amounts be paid with respect to principal or interest on such Note, Receipt or Coupon to any U.S. Alien which is a fiduciary or partnership or beneficial owner of such Note, Receipt or Coupon to the extent such payment would be required by the laws of the U.S. (or any political subdivision or taxing authority thereof or therein) to be included in the income, for tax purposes, of a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the holder of such Note, Receipt or Coupon.

- (iii) any U.S. federal withholding tax that is imposed, assessed, levied or collected by reason of Section 1471 through 1474 of the Code (or any regulations promulgated thereunder or administrative interpretations thereof or agreement with any Relevant Jurisdiction or the U.S. relating thereto);
- (iv) presented for payment more than 30 days after the Relevant Date (as defined in Condition 7(a) above), except to the extent that the relevant holder would have been entitled to payment of an additional amount or recalculated interest if it had presented its Note, Receipt or Coupon for payment on the 30th day after the Relevant Date, on the assumption if such is not the case, that such last day is a Business Day;
- (v) where such withholding or deduction is imposed on a payment to an individual or a residual entity and (y) is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive or (z) is required to be made pursuant to any agreements between the European Community and other countries or territories providing for measures equivalent to those laid down in the European Council Directive 2003/48/EC or any law or other governmental regulation implementing or complying with, or introduced in order to conform to, such agreements;

- (vii) presented for payment by or on behalf of a holder who/would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to a Paying Agent in another Member State of the European Union;
- (viii) (if so specified in the applicable Final Terms) if the payment could have been made to the relevant Noteholder, Couponholder or Receiptholder without such withholding or deduction if it were a Qualifying Lender (as defined below), but on that date that Noteholder, Couponholder or Receiptholder is not or has ceased to be a Qualifying Lender other than as a result of any change after the date it became a Noteholder, Couponholder or Receiptholder under these Conditions in (or in the interpretation, administration, or application of) any law or double taxation treaty, or any published practice or concession of any relevant taxing authority; or

“Non-Bank Rules” means the Ten Non-Bank Rule and the Twenty Non-Bank Rule (each as defined below).

“Permitted Non-Qualifying Lender” means in respect of a Series of Restricted Notes a person or entity which is not a Qualifying Bank on the date it becomes a Noteholder and:

- (i) is initially a Permitted Non-Qualifying Lender (if any) specified in the applicable Final Terms (for so long as that Permitted Non-Qualifying Lender continues to be a Noteholder in accordance with the Conditions), or
- (ii) is a successor of an initial Permitted Non-Qualifying Lender, or any subsequent successor thereof, by way of Transfer (as defined in Condition 10(j)) of all but not some only of the Restricted Notes held by such initial Permitted Non-Qualifying Lender, or such subsequent successor thereof (for so long as that successor continues to be a Noteholder in accordance with the Conditions), which:
 - (a) has prior to its becoming a Noteholder, satisfied all obligations to be fulfilled by a proposed Permitted Non-Qualifying Lender in accordance with Condition 10(j), provided that:
 - (A) within ten (10) Business Days of notification to it by the existing Permitted Non-Qualifying Lender of the identity of such proposed Permitted Non-Qualifying Lender, the Issuer may, as a condition precedent to such proposed Permitted Non-Qualifying Lender becoming a Noteholder:
 - (i) request from that proposed Permitted Non-Qualifying Lender a confirmation that it has disclosed to the Issuer all facts relevant to the determination as to whether it would be a Permitted Non-Qualifying Lender and would constitute one (1) person only for purposes of the Non-Bank Rules; and
 - (ii) irrespective of whether a request is made in accordance with paragraph (a)(A)(i) above, request from that proposed Permitted Non-Qualifying Lender a tax ruling of the Swiss Federal Tax Administration (at the cost of the existing Permitted Non-Qualifying Lender or the proposed Permitted Non-Qualifying Lender), confirming to the Issuer’s satisfaction that such proposed Permitted Non-Qualifying Lender does constitute one (1) person only for purposes of the Non-Bank Rules; and
 - (B) the Issuer, acting reasonably, shall confirm within ten (10) Business Days of notification of all facts (if a request in accordance with paragraph (a)(A)(i) above has been made) or receipt of a tax ruling (if a request in accordance

with paragraph (a)(A)(ii) above has been made) whether or not such disclosure, or such tax ruling, as the case may be, is satisfactory and, in the absence of such confirmation, the Issuer shall be deemed to have confirmed such disclosure, or such tax ruling, as the case may be, is so satisfactory on the tenth (10th) Business Day after receipt hereof or thereof; and

- (b) has, simultaneously with becoming a Noteholder, succeeded the existing Permitted Non-Qualifying Lender as “Permitted Non-Qualifying Lender” under all, but not some only, Restricted Notes of the respective Series, and under any and all other existing or future Series of Restricted Notes, as the case may be, or similar instruments, between the issuer and the existing Permitted Non-Qualifying Lender (or any successor thereof).

“**Permitted Non-Qualifying Lenders**” means in respect of a Series of Restricted Notes the number of Permitted Non-Qualifying Lenders specified in the applicable Final Terms.

“**Qualifying Bank**” means a person or entity which (a) effectively conducts banking activities with its own infrastructure and staff as its principal business purpose and which has a banking licence in full force and effect issued in accordance with the banking laws in force in its jurisdiction of incorporation, or if acting through a branch, issued in accordance with the banking laws in the jurisdiction of such branch and (b) is organised under the laws of a country which is a member of the Organisation for Economic Co-operation and Development (OECD).

“**Twenty Non-Bank Rule**” means the rule that the aggregate number of the Issuer’s lenders (including Noteholders), other than Qualifying Banks, under all outstanding debts relevant for classification as debenture (*Kassenobligation*), such as intra-Group loans, facilities and/or private placements (including under Restricted Notes and Notes not classified as a taxable bond (*Anleihenobligation*)) must not at any time exceed twenty, in each case in accordance with the meaning of the Guidelines.

Under existing law, ZIC is obliged to withhold the Swiss federal withholding tax on any payment of interest in respect of a Capital Note at the current rate of 35 per cent. On August 24, 2011 the Swiss Federal Council issued draft legislation, which, if enacted, would remove such obligation entirely. Instead, the obligation would be imposed on any paying agent in Switzerland (as defined in the proposed new law) but only if the payment of interest in respect of a Capital Note were made to an individual resident in Switzerland or to any person (not only individual) resident outside Switzerland. In all other cases no withholding obligation would arise under the proposed new law.

8. Prescription

The Notes, Receipts and Coupons will become void unless presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

The Luxembourg Act dated September 3, 1996 on the involuntary dispossession of bearer securities, as amended, requires that any amount that is payable under the Bearer Notes (if any) before opposition (if applicable) in relation to the Bearer Notes has been filed but not yet been paid to the holder of the Bearer Notes is paid to the *Caisse de Consignation* in Luxembourg until the opposition has been withdrawn or has elapsed.

9. Events of Default

(a) Senior Notes

This Condition 9(a) is only applicable to Senior Notes.

The Trustee at its discretion may, and if so requested in writing by the holders of not less than 25 per cent in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders shall (subject, in the case of the happening of any of the events set out in Conditions 9(a)(ii), (iii), (v), (vi), (vii), (ix) and (x) (to the extent that it applies to Conditions 9(a)(v), (vi), (vii) and (x)) below, to the Trustee having certified in writing that the happening of such event is in its opinion materially prejudicial to the interests of the Noteholders and, in all cases to the Trustee having been indemnified and/or secured to its satisfaction), give notice (the “**default notice**”) in writing to the relevant Issuer and ZIC (where ZIC is not the relevant Issuer) that the Notes are immediately due and repayable if any of the following events (“**Events of Default**”) shall have occurred and be continuing:

- (i) there is a failure by the relevant Issuer or ZIC (where ZIC is not the relevant Issuer) to pay principal or interest on any of the Notes when due and such failure continues for a period of fourteen days; or
- (ii) a default is made by the relevant Issuer or ZIC (where ZIC is not the relevant Issuer) in the performance or observance of any other covenant, condition or provision contained in the Trust Deed or in the Notes and on its part to be performed or observed (other than the covenant to pay principal and interest in respect of any of the Notes) and (except where the Trustee certifies in writing that, in its opinion, such default is not capable of remedy, when no such notice as mentioned below shall be required) such default continues for the period of 30 days (or such longer period as the Trustee may permit) next following the service by the Trustee on the relevant Issuer or ZIC, as the case may be, of notice requiring such default to be remedied; or
- (iii) if any other indebtedness of the relevant Issuer or ZIC (where ZIC is not the relevant Issuer) for borrowed moneys is declared due and payable prior to the due date for payment thereof by reason of default on the part of the relevant Issuer or ZIC (where ZIC is not the relevant Issuer), or if any such indebtedness is not repaid on the due date for payment thereof (or by the expiry of any applicable grace period), or any guarantee or indemnity in respect of indebtedness for borrowed moneys given by the relevant Issuer or ZIC (where ZIC is not the relevant Issuer) is not honoured when due and called upon or at the expiry of any applicable grace period, save in any such case where the relevant payment liability is being contested in good faith and by appropriate means, provided that no such event as aforesaid shall constitute an Event of Default unless the amount declared due and payable or not paid, either alone or when aggregated with other such amounts then declared due and payable or not paid by such Issuer or ZIC (where ZIC is not the relevant Issuer), shall amount to at least USD300,000,000 or its equivalent in other currencies; or
- (iv) a resolution is passed or an order of a court of competent jurisdiction is made that the relevant Issuer or ZIC (where ZIC is not the relevant Issuer) be wound up or dissolved or the relevant Issuer or ZIC (where ZIC is not the relevant Issuer) stops payment or ceases business, or disposes (other than in the ordinary course of its business) of the whole or substantially the whole of its assets, otherwise than in any such case for the purposes of or pursuant to and followed by a consolidation, amalgamation, merger or reconstruction the terms of which shall have previously been approved in writing by the Trustee or by an Extraordinary Resolution of Noteholders or as a result of a Permitted Reorganisation; or
- (v) an encumbrancer or a person with similar functions appointed for execution (in Switzerland, a *Sachwalter* or *Konkursverwalter*) takes possession or a receiver is appointed of the whole or substantially the whole of the assets or undertaking of the relevant Issuer or ZIC (where ZIC is not the relevant Issuer) or a distress, execution or seizure before judgment is levied or enforced upon or sued out against any substantial part of the property, assets or revenues of the relevant Issuer or ZIC (where ZIC is not the relevant Issuer) unless discharged, stayed or removed within 60 days thereof (or such longer period as the Trustee may consider appropriate in relation to the jurisdiction concerned) or being contested in good faith and by appropriate means; or
- (vi) the relevant Issuer or ZIC (where ZIC is not the relevant Issuer) is insolvent or bankrupt or unable to pay its debts as and when they fall due or the relevant Issuer or ZIC (where ZIC is not the relevant Issuer) shall initiate or consent or become subject to proceedings relating to itself under any applicable bankruptcy, liquidation, insolvency, composition, *Nachlassvertrag*, *faillite*, administration, examinership, or insolvency law or make a general assignment for the benefit of, or enter into any composition with, its creditors or notifies the court of its financial situation in accordance with Article 725(2) of the Swiss Code of Obligations or enters into a moratorium (*Stundung*); or
- (vii) proceedings shall have been initiated against the relevant Issuer or ZIC (where ZIC is not the relevant Issuer), under any applicable bankruptcy, composition, administration or insolvency law in respect of a sum claimed in aggregate of at least USD200,000,000 or its equivalent in other currencies unless such proceedings are discharged or stayed within a period of 60 days (or such longer period as the Trustee may consider appropriate in relation to the jurisdiction concerned) or are being contested in good faith and by appropriate means; or
- (viii) if the relevant Issuer is ZF (Luxembourg), ZF (USA), ZF (UK) or Zurich Bank, if the Senior ZIC Guarantee ceases to be, or is claimed by ZIC not to be, in full force and effect; or
- (ix) where ZIC is not the relevant Issuer, the relevant Issuer (excluding ZF (UK) and Zurich Bank) ceases to be a subsidiary wholly-owned and controlled, directly or indirectly, by ZIC, unless such cessation is as a result of a Permitted Reorganisation or is previously approved either in writing by the Trustee or by an Extraordinary Resolution of Noteholders; or
- (x) any event occurs which under applicable laws has an analogous effect to any of the events referred to in paragraphs (iv) to (vii) above.

(b) Subordinated Notes

This Condition 9(b) is only applicable to Dated Subordinated Notes and Undated Subordinated Notes and is subject to such other provisions as may be specified in the applicable Final Terms.

(i) Events of Default for Dated Subordinated Notes and Undated Subordinated Notes

The Trustee at its discretion may, and if so requested in writing by the holders of not less than 25 per cent in nominal amount of the Notes then outstanding or if so directed by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders shall (but, in each case, subject to the Trustee having been indemnified and/or secured to its satisfaction), give notice to the relevant Issuer and the Guarantor that the Notes are immediately due and repayable if any of the following events shall have occurred and be continuing:

- (a) subject to the provisions of Condition 4(f), there is a failure by the relevant Issuer to pay principal or interest on any of the Notes when due and such failure continues for a period of fourteen days; or
- (b) a resolution is passed or an order of a court of competent jurisdiction is made that the relevant Issuer or the Guarantor be wound up or dissolved otherwise than for the purpose of or pursuant to and followed by a consolidation, amalgamation, merger or reconstruction the terms of which shall have previously been approved in writing by the Trustee or by an Extraordinary Resolution of Noteholders or as a result of a Permitted Reorganisation.

(ii) Proceedings for Winding-up

If the Notes become due and repayable (whether pursuant to Condition 9(b)(i), Condition 6(c) or 6(d) or 6(e) or otherwise) and are not paid when so due and repayable, the Trustee may at its discretion participate in, but not itself institute, proceedings for the winding-up of the relevant Issuer and may take no further action to enforce the obligations of the relevant Issuer for payment of any principal or interest (including Arrears of Interest, if any) in respect of the Notes.

If the Guarantor fails to pay to the Trustee (pursuant to the relevant Subordinated ZIC Guarantee and the Trust Deed) an amount claimed under the relevant Subordinated ZIC Guarantee, the Trustee may at its discretion participate in, but not itself institute, proceedings for the winding-up of the Guarantor and may take no further action to enforce the obligations of the Guarantor under the relevant Subordinated ZIC Guarantee.

No payment in respect of the Notes may be made by the relevant Issuer pursuant to Condition 9(b)(i), nor will the Trustee accept the same, otherwise than during or after a winding-up of the relevant Issuer.

(iii) Enforcement

Without prejudice to Condition 9(b)(i) or (ii) above (including, for the avoidance of doubt, the Trustee's right to make a demand under the relevant Subordinated ZIC Guarantee), however, in the case of Restricted Notes, subject to Conditions 10(j) and 10(k), the Trustee may at its discretion and without further notice institute such proceedings against the relevant Issuer or, as the case may be, the Guarantor as it may think fit to enforce any obligation, condition or provision binding on the relevant Issuer or, as the case may be, the Guarantor under the Trust Deed, the Notes or the Coupons (other than any obligation for the payment of any principal or interest in respect of the Notes or the Coupons) provided that the relevant Issuer and the Guarantor shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

(iv) Rights of Noteholders

No Noteholder or Couponholder shall be entitled to proceed directly against the relevant Issuer or, as the case may be, the Guarantor or to prove in the winding-up of the relevant Issuer or, as the case may be, the Guarantor unless the Trustee, having become so bound to proceed or being able to prove in such winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the Noteholders or Couponholder shall have only such rights against the relevant Issuer or, as the case may be, the Guarantor as those which the Trustee is entitled to exercise. Any such proceedings brought by any Noteholder or Couponholder shall be brought in the name of the Trustee, subject to such Noteholder or Couponholder indemnifying the Trustee to its satisfaction.

(v) Extent of Noteholders' remedy

No remedy against the relevant Issuer or the Guarantor other than as referred to in this Condition 9(b), shall be available to the Trustee or the Noteholders or Couponholders, whether for the recovery of amounts owing in respect of the Notes or under the Trust Deed or in respect of any breach by the relevant Issuer of any of its other obligations under or in respect of the Notes or under the Trust Deed.

In this Condition:

“Permitted Reorganisation” means an amalgamation, merger, consolidation, reorganisation or other similar arrangement entered into by the relevant Issuer or ZIC (where ZIC is not the relevant Issuer) under which:

- (a) the whole or a substantial part of the business, undertaking and assets of the relevant Issuer or, as the case may be, ZIC are transferred to and all the liabilities and obligations of the Issuer or, as the case may be, ZIC are assumed by the new or surviving entity either:
 - (i) automatically by operation of applicable law; or

- (b) the new or surviving entity will immediately after such amalgamation, merger, consolidation, reorganisation or other similar arrangement be subject to the same regulation and supervision by the same regulatory authority (if any) as the relevant Issuer or (as the case may be) ZIC was subject immediately prior thereto.

10. Exchange of Notes, transfer of Registered Global Notes, interests in Reg. S Notes, Individual Registered Notes and Replacement of Notes, Receipts, Coupons and Talons

(a) Exchange of Bearer Notes for Registered Notes

If so specified in the applicable Final Terms, a Bearer Note in definitive form may be exchanged for Registered Notes of like aggregate nominal amount (in individual registered form) by submission of a duly completed request for exchange substantially in the form provided in the Agency Agreement (an **“Exchange Request”**), copies of which are available from the specified office of the Registrar or any Transfer Agent, together with the Definitive Bearer Note and all unmatured Coupons, Talons and Receipts appertaining thereto, to a Transfer Agent at its specified office. Within five business days (being for this purpose, a day on which commercial banks and foreign exchange markets are open for business in the jurisdiction of the relevant Transfer Agent) of the request, in relation to Individual Registered Notes for which the Definitive Bearer Note is to be exchanged, the relevant Transfer Agent will authenticate (and in the case of an NGN, effectuate) and deliver, or procure the authentication (and in the case of an NGN, effectuation) and delivery of, at its specified office to the holder or (at the risk of the holder) send by mail to such address as may be specified by the holder in the Exchange Request, the Individual Registered Note(s) of a like aggregate nominal amount to the Definitive Bearer Note(s) exchanged and will enter the exchange of the Definitive Bearer Note(s) in the Register maintained by the Registrar as of the Exchange Date.

Exchange Requests may not be presented on or after the Record Date (as defined in Condition 5(b)) in respect of any Interest Payment Date up to and including such Interest Payment Date. Interest on Individual Registered Notes issued on exchange will accrue as from the immediately preceding Interest Payment Date, as the case may be. No exchanges of Bearer Notes for Registered Notes or interests in Registered Global Notes will be permitted for so long as the Bearer Notes are represented by a Temporary Bearer Global Note.

(b) Exchange of interests in Registered Global Notes for Individual Registered Notes

Interests in the Reg. S Global Note will be exchangeable for Individual Registered Notes in the following limited circumstances: (i) if Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or announces its intention permanently to cease business or does in fact do so and no alternative clearance system acceptable to the Trustee is available or (ii) the Trustee has instituted or has been directed to institute any judicial proceeding in a court to enforce the rights of Noteholders under the Notes represented by such Registered Global Note, and the Trustee has been advised by counsel that in connection with such proceedings it is necessary or appropriate for the Trustee to obtain possession of Individual Registered Notes representing the Registered Global Note. Upon the occurrence of any of the events described in the preceding sentence, the relevant Issuer will cause the appropriate Individual Registered Notes to be delivered, provided that notwithstanding the above, no Individual Registered Notes will be issued until expiry of the applicable Distribution Compliance Period.

(c) Transfers of Registered Global Notes

Transfers of a Registered Global Note shall be limited to transfers of such Registered Global Note, in whole but not in part, to a nominee of Euroclear or Clearstream, Luxembourg or to a successor of any of them or such successor’s nominee.

(d) Transfers of interests in Reg. S Notes

Prior to expiry of the applicable Distribution Compliance Period, transfers by the holder of, or of an interest in, a Reg. S Note to a transferee in the U.S. will only be made pursuant to the U.S. Securities Act or an exemption therefrom, subject to receipt by the relevant Issuer of such satisfactory evidence as such Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any state of the U.S., and in accordance with any applicable securities laws of any state of the U.S. or any other jurisdiction.

After expiry of the applicable Distribution Compliance Period such certification requirements will no longer apply to such transfers.

(e) Exchanges and transfers of Registered Notes generally

Registered Notes may not be exchanged for Bearer Notes.

Transfers of interests in Reg. S Global Notes will be effected by Euroclear or Clearstream, Luxembourg, as the case may be, and, in turn, by participants and, if appropriate, indirect participants in such clearing systems acting on behalf of transferors and transferees of such interests. An interest in a Reg. S Global Note will be transferable and exchangeable for Individual Registered Notes or for an interest in another Reg. S Global Note only in accordance with the rules and operating procedures for the time being of Euroclear or Clearstream, Luxembourg (the “**Applicable Procedures**”).

Upon the terms and subject to the conditions set forth in the Agency Agreement, an Individual Registered Note may be transferred in whole or in part (in the authorised Denominations set out in the applicable Final Terms) by the holder or holders surrendering the Individual Registered Note for registration of the transfer of the Individual Registered Note (or the relevant part of the Individual Registered Note) at the specified office of the Registrar or any Transfer Agent, with the form of transfer thereon duly executed by the holder or holders thereof or his or their attorney or attorneys duly authorised in writing and upon the Registrar or, as the case may be, the relevant Transfer Agent, after due and careful enquiry, being satisfied with the documents of title and the identity of the person making the request and subject to such reasonable regulations as the relevant Issuer and the Registrar, or as the case may be, the relevant Transfer Agent may with the prior approval of the Trustee prescribe, including any restrictions imposed by the relevant Issuer on transfers of Registered Notes in individual form originally sold to a U.S. person. Subject as provided above, the Registrar or, as the case may be, the relevant Transfer Agent will, within five business days (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar or, as the case may be, the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations) authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by mail to such address as the transferee may request, a new Individual Registered Note of a like aggregate nominal amount to the Registered Note (or the relevant part of the Individual Registered Note) transferred. In the case of the transfer of part only of an Individual Registered Note, a new Individual Registered Note in respect of the balance of the Registered Note not transferred will be so authenticated and delivered or (at the risk of the transferor) sent to the transferor.

Exchanges or transfers by a holder of an Individual Registered Note for an interest in, or to a person who takes delivery of such Individual Registered Note through, a Reg. S Global Note will be made no later than 60 days after the receipt by the Registrar or as the case may be, relevant Transfer Agent of the Individual Registered Note to be so exchanged or transferred and, if applicable, upon receipt by the Registrar of a written certification from the transferor.

(f) Registration of transfer upon partial redemption

In the event of a partial redemption of Notes under Condition 6(e), the relevant Issuer shall not be required:

- (i) to register the transfer of Registered Notes (or parts of Registered Notes) during the period beginning on the sixty-fifth day before the date of the partial redemption and ending on the date on which notice is given specifying the serial numbers of Notes called (in whole or in part) for redemption (both inclusive); or
- (ii) to register the transfer of any Registered Note, or part of a Registered Note, called for partial redemption.

(g) Closed Periods

No Noteholder may require the transfer of a Registered Note to be registered during the period of 30 days ending on the due date for any payment of principal or interest on that Note.

(h) Costs of exchange or registration

The transfer of a Note will be effected without charge by or on behalf of the relevant Issuer, the Registrar or any Transfer Agent but against such indemnity as the Registrar or (as the case may be) such Transfer Agent may require from the Noteholder in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such transfer.

(i) Replacement of Notes, Receipts, Coupons and Talons

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent, in the case of a Bearer Note, Receipt or Coupon, or the Registrar, in the case of an Individual Registered Note, or any other place approved by the Trustee of which notice shall have been published in accordance with Condition 13, upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the relevant Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

(j) Restrictions on Transfer of Certain Notes

(i) In the case of Notes issued by ZIC, if the applicable Final Terms designate the Notes as Restricted Notes, (but not otherwise) the provisions of this Condition 10(j) shall apply and the Restricted Notes will be issued as Registered Notes and may only be assigned, or transferred, including upon an enforcement of a security, (a “**Transfer**” and “**Transferred**” shall be construed accordingly):

- (a) in whole or in part, if the Transfer is to a Qualifying Bank, or
- (b) in whole, but not in part (except for parts of Restricted Notes held by Qualifying Banks at the time), if the Transfer is to a Permitted Non-Qualifying Lender,

provided that no Transfer under this Condition 10(j) may result in more Permitted Non-Qualifying Lenders being Noteholders than as specified in the applicable Final Terms.

The Restricted Notes will bear a legend setting forth the applicable transfer restrictions provided for in this Condition 10(j).

(ii) A Noteholder may at any time require that the Issuer replaces such Noteholder’s certificate(s) representing the Restricted Notes with certificates in minimum denominations equal to the Restricted Note Minimum Denomination Amount specified in the applicable Final Terms.

(iii) Restricted Notes may only be Transferred in amounts equal to the Restricted Note Transfer Amount specified in the applicable Final Terms.

(iv) Any Transfer of a Restricted Note shall be recorded by the Registrar in the Register on production of:

- (a) the relevant certificate representing the Restricted Note and certification delivered to the Registrar by the transferee to the effect that it is a Qualifying Bank or Permitted Non-Qualifying Lender: and
- (b) such other evidence as the Issuer may require.

Any Transfer of a Restricted Note shall only be effective and shall only be recorded by the Registrar in the Register if such Restricted Note is Transferred in accordance with this Condition 10(j).

(v) Subject to this Condition 10(j), no Noteholder shall at any time enter into any arrangement with another person under which such Noteholder transfers all or part of its interest in the Restricted Notes to that other person, unless under such arrangement throughout the life of such arrangement:

- (a) the relationship between the Noteholder and that other person is that of debtor and creditor (including in the bankruptcy or similar event of that Noteholder or the Issuer),
- (b) the other person will have no proprietary interest in the benefit of the Restricted Notes or in any monies received by the Noteholder under or in relation to the Restricted Notes held by that Noteholder; and
- (c) the other person will under no circumstances (other than by way of permitted Transfer under this Condition 10(j)) be subrogated to, or substituted in respect of, the Noteholder’s claims under its Restricted Notes and otherwise have any contractual relationship with, or rights against, the Issuer under or in relation to, the Restricted Notes.

For the avoidance of doubt, the granting of security in accordance with Condition 10(k) shall not constitute a transfer of an interest under the Restricted Notes for the purposes of this Condition 10(j).

(vi) As of the Issue Date and for so long as the Restricted Notes are outstanding, the Issuer will ensure that it is in compliance with the Non-Bank Rules, provided that the Issuer will not be in breach if either of the Non-Bank Rules are exceeded solely by the failure by one or more Noteholders to comply with the limitations set forth in this Condition 10(j) or in Condition 10(k).

(k) Grants of Security

If the applicable Final Terms provide that the Notes are Restricted Notes, then the following provisions of this Condition 10(k) shall apply but not otherwise. Any Noteholder may, without the consent of the Issuer, at any time charge or create a security interest in all or any portion of its rights under any Restricted Notes to secure obligations of such Noteholder; provided that:

- (i) no such charge or creation of a security interest shall:
 - (a) substitute any such chargee or holder of the benefit of such security interest for such Noteholder as Noteholder except in accordance with the provisions of Condition 10(j); or
 - (b) require any payments to be made by the Issuer other than as required by the Restricted Notes. A copy of any notice of charge or creation of security interest as envisaged in this paragraph shall be delivered to the Agent and the Agent shall not be obliged to take any action in regard to such notice; and
- (ii) such charge or security interest shall in each case provide that upon any assignment or transfer of the interest in the Restricted Notes or enforcement of such charge or security interest, any resulting assignment or transfer shall be in accordance with Condition 10(j); and
- (iii) the Noteholder promptly notifies the Registrar of any such charge or security interest and the secured party's identity and status by delivering to the Registrar a notification to such effect.

11. Agent, Paying Agents, Transfer Agents and Registrar

The names of the initial Agent, the other initial Paying Agents, the initial Registrar and the initial Transfer Agents and their initial specified offices are set out below.

The relevant Issuer and ZIC (where ZIC is not the relevant Issuer) are, with the prior written approval of the Trustee (such approval not to be unreasonably withheld), entitled to vary or terminate the appointment of any Paying Agent or Registrar or Transfer Agent and/or appoint additional or other Paying Agents, Registrars, Transfer Agents and/or approve any change in the specified office through which any Paying Agent, Registrar or Transfer Agent acts, provided that:

- (i) so long as the Notes are listed on any stock exchange, there will at all times be a Paying Agent and a Transfer Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange;
- (ii) there will at all times be a Paying Agent with a specified office in a city approved by the Trustee in continental Europe;
- (iii) there will at all times be an Agent and a Registrar;
- (iv) there will at all times be a Transfer Agent having a specified office in a place approved by the Trustee; and
- (v) the relevant Issuer and ZIC (where ZIC is not the relevant Issuer) undertake that they will ensure that they maintain a Paying Agent in an EU member state that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 or any law implementing or complying with, or introduced to conform to, such Directive; and
- (vi) if legislation is enacted in Switzerland providing for the taxation of payments according to principles similar to those laid down (i) in the European Union Council Directive 2003/48/EC or (ii) in the draft legislation proposed by the Swiss Federal Council on August 24, 2011, in particular, the principle to have a person other than the Issuer withhold or deduct tax, the relevant Issuer and ZIC (where ZIC is not the relevant Issuer) will use reasonable efforts to make payments in respect of the Notes through a Paying Agent outside Switzerland, provided that the use of such Paying Agent outside Switzerland would eliminate any Swiss withholding tax that would otherwise apply to payments from the Issuer.

In addition, the relevant Issuer and ZIC (where ZIC is not the relevant Issuer) shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in the penultimate paragraph of Condition 5(b). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency or where the Paying Agent is not, or ceases to be, a FATCA Compliant Entity, when it shall be of immediate effect) after not less than 30 or more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 13.

Notwithstanding the foregoing, the relevant Issuer will in respect of any Listed Swiss Franc Notes at all times maintain a Principal Paying Agent having a specified office in Switzerland and will at no time maintain a Paying Agent having a specified office outside Switzerland, unless permitted by applicable law.

As used herein:

"FATCA Compliant Entity" means a person payments to whom are not subject to FATCA Withholding; and

"**FATCA Withholding**" means any amount required to be withheld or deducted pursuant to the rules of U.S. Internal Revenue Code Sections 1471 through 1474 (or any amended or successor provisions and any regulations and official guidance issued thereunder) pursuant to any inter-governmental agreement, or implementing legislation adopted by another jurisdiction in connection with these provisions, or pursuant to any agreement with the US Internal Revenue Service.

12. Exchange of Talons

On and after the Interest Payment Date, as appropriate, on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Bearer Note to which it appertains) a further Talon, subject to the provisions of Condition 8. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date (as the case may be) on which the final Coupon of the relative Coupon sheet matures.

13. Notices

All notices regarding the Bearer Notes shall be published (i) in a leading English language daily newspaper of general circulation in London, (ii) if and for so long as such Bearer Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require on the website of the Luxembourg Stock Exchange (www.bourse.lu) in Luxembourg, (iii) (in the case of Listed Swiss Franc Notes) in a leading newspaper of general circulation in Switzerland which is expected to be the *Feuille Officielle Suisse du Commerce* and in a daily newspaper in each of Zurich and Geneva. It is expected that such publication will be made (in the case of (i) above) in the Financial Times in London or any other daily newspaper in London approved by the Trustee or, if this is not possible, in another English language daily newspaper approved by the Trustee with general circulation in Europe and (in the case of (ii) above) the website of the Luxembourg Stock Exchange (www.bourse.lu). The relevant Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any other stock exchange, listing authority and/or quotation system by which the Notes are for the time being admitted to listing, trading and/or quotation. To the extent required by Luxembourg law, notices shall also be published in the *Memorial C, Recueil des Sociétés et Associations* ("**Memorial C**").

In the case of Bearer Notes and Registered Notes, if and to the extent required by the Luxembourg law of January 11, 2008 relating to transparency obligations of issuers of securities implementing Directive 2004/109/EC of the European Parliament and of the Council of December 15, 2004 on the harmonisation of transparency requirements in relation to information about issuers whose securities are admitted to trading on a regulated market and amending Directive 2001/34/EC, notices will also be published in accordance with the provisions of such law and implementing provisions. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the first date on which publication in all the required newspapers has been made. If publication as provided above is not practicable, notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve. Receiptholders and Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the relative Noteholders in accordance with this Condition.

All notices to holders of Registered Notes will be valid if sent by first-class mail or (if posted to an overseas address) by air-mail to their registered addresses appearing on the Register. Any such notice shall be deemed to have been given on the fourth day after the day on which it is mailed. If and for so long as the relevant Registered Notes are listed on the Luxembourg Stock Exchange, and the rules of that exchange so require, all notices regarding Registered Notes shall be published on the website of the Luxembourg Stock Exchange (www.bourse.lu).

Until such time as any definitive Notes are issued, there may, so long as the global Note(s) is or are held in its/their entirety on behalf of Euroclear and Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and Clearstream, Luxembourg for communication by them to the holders of the Notes and in addition, for so long as any Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require, a notice will be published on the website of the Luxembourg Stock Exchange (www.bourse.lu). Any such notice shall be deemed to have been given to the holders of the Notes on the seventh day after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Agent and/or the Registrar via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and/or the Registrar and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14. Meetings of Noteholders, Modification and Waiver, Entitlement of Trustee, Substitution, Change and Indemnification of Trustee

(a) Single Noteholder

In relation to any Restricted Notes so long as there is only one Noteholder thereof, who shall certify to the Trustee that it is the sole Noteholder of the Notes and is not holding such Notes as a depositary for, or nominee of, Euroclear, Clearstream, Luxembourg on or prior to any such amendment, waiver or variation being made (i) no amendment, waiver or variation of the Notes or the Trust Deed may be made without the prior written consent of such Noteholder and parties to the Trust Deed and (ii) the meeting, quorum and voting provisions of Conditions 14(b) shall not apply.

(b) Meetings of Noteholders

The Trust Deed contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of such Notes, the relative Receipts, the relative Coupons or any relevant provisions of the Trust Deed. Such a meeting may be convened by the relevant Issuer, ZIC (where ZIC is not the relevant Issuer), the Trustee or at the request of Noteholders holding not less than 10 per cent in nominal amount of the Notes for the time being outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Trust Deed, the Notes, Receipts or Coupons (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes, Receipts or Coupons), the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third, in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on the relevant Receiptholders and the relevant Couponholders. The Trust Deed provides that a written resolution signed by or on behalf of the holders of not less than 100 per cent in nominal amount of Notes outstanding shall be as valid and effective as a duly passed Extraordinary Resolution. The provisions for convening meetings of Noteholders contained in the Trust Deed shall not apply to Listed Swiss Franc Notes.

The provisions of Articles 1157-1186 of the Swiss Code of Obligations will apply to all meetings of holders of Notes issued by ZIC.

The Trust Deed provides that the Trustee may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to any modification (subject to certain exceptions as provided in the Trust Deed) of, or to any waiver or authorisation of any breach or proposed breach of, any of these Terms and Conditions or any of the provisions of the Trust Deed, or may (in relation to the Events of Default set out in Condition 9(a)(ii), (iii), (v), (vi), (vii) and (x) (to the extent it applies to Conditions 9(a)(v), (vi) and (vii)) determine that any condition, event or act which, but for such determination, would constitute an Event of Default or Potential Event of Default (as defined in the Trust Deed), shall not be treated as such which in any such case, in the opinion of the Trustee, is not materially prejudicial to the interests of the Noteholders or to any modification of any of these Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes, the Receipts, the Coupons or any of the provisions of the Trust Deed which is of a formal, minor or technical nature or which is made to correct a manifest error or to comply with mandatory provisions of law. Any such modification, waiver, authorisation or determination shall be binding on the Noteholders, Receiptholders and Couponholders and, unless the Trustee agrees otherwise, any such modification shall be notified to the Noteholders as soon as practicable thereafter in accordance with Condition 13.

In connection with the exercise by it of any of its trusts, powers, authorities or discretions (including, but without limitation, any modification, waiver, authorisation or substitution), the Trustee shall have regard to the interests of the Noteholders as a class and, in particular, but without limitation, shall not have regard to the consequences of such exercise for individual Noteholders, Receiptholders or Couponholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory and the Trustee shall not be entitled to require, nor shall any Noteholder, Receiptholder or Couponholder be entitled to claim, from the relevant Issuer, ZIC (where ZIC is not the relevant Issuer), or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders, Receiptholders or Couponholders except, in the case of the relevant Issuer, ZIC (where ZIC is not the relevant Issuer), to the extent provided for in Condition 7 and/or any undertaking given in addition to, or in substitution for, Condition 7 pursuant to the Trust Deed.

The Trust Deed contains provisions permitting the Trustee to agree, without the consent of the Noteholders, the Receiptholders or the Couponholders, to the substitution at any time or times of any other company in the place of the relevant Issuer as the principal debtor under the Trust Deed and the Notes, Receipts and Coupons issued by the relevant Issuer. Notwithstanding the above, by subscribing to or purchasing the Notes, the Noteholders expressly consent to the substitution of the relevant Issuer and expressly consent to the release of the Issuer from any and all obligations in respect of the Notes and are deemed to have expressly accepted such substitution. Such agreement shall be subject to the relevant provisions of the Trust Deed, including, except in the case of a

substituted issuer domiciled in Luxembourg where appropriate, an irrevocable and unconditional guarantee by ZIC in terms substantially similar to those referred to in Condition 3(a) in respect of any Notes issued by the substituted issuer.

The Trust Deed contains general provisions for the retirement and removal of the Trustee and the appointment by the relevant Issuer of a substitute issuer which has previously been approved by the Trustee.

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking action unless indemnified and/or secured to its satisfaction.

For the avoidance of doubt, the provisions of articles 86 to 94-8 of the Luxembourg Act dated August 10, 1915 on commercial companies, as amended, are excluded.

15. Enforcement

- (a) Subject to the provisions of Condition 9(b) in the case of Subordinated Notes, the Trustee may at any time, at its discretion and without notice, however, in the case of Restricted Notes, subject to Conditions 10(j) and 10(k), take such proceedings against the relevant Issuer as it may think fit to enforce the provisions of the Trust Deed, the Notes, the Receipts and the Coupons, but it shall not be bound to take any proceedings or any other action in relation to the Trust Deed, the Notes, the Receipts or the Coupons unless (i) it shall have been so directed by an Extraordinary Resolution of the Noteholders or so requested in writing by the holders of not less than 25 per cent in principal amount of the Notes then outstanding, and (ii) it shall have been indemnified and/or secured to its satisfaction.
- (b) No Noteholder, Receiptholder or Couponholder shall be entitled to proceed directly against the relevant Issuer unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and such failure shall be continuing, in which case the Noteholder, Receiptholder or Couponholder shall have only such rights against the relevant Issuer or, as the case may be, the Guarantor as those which the Trustee is entitled to exercise. Any such proceedings brought by any Noteholder, Receiptholder or Couponholder shall be brought in the name of the Trustee, subject to such Noteholder, Receiptholder or Couponholder indemnifying the Trustee to its satisfaction.

16. Further Issues

The relevant Issuer shall be at liberty from time to time without the consent of the Noteholders, Receiptholders or Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

17. Governing Law and Submission to Jurisdiction

- (a) The Trust Deed (other than the provisions relating therein to the Senior ZIC Guarantee and the Subordinated ZIC Guarantee which shall be governed by, and construed in accordance with the laws of Switzerland), the Notes, (other than the provisions relating to Subordinated Notes of Condition 2 which shall be governed by, and construed in accordance with, the laws of the jurisdiction of incorporation of the relevant Issuer of the Subordinated Notes), the Receipts and the Coupons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law.
- (b) The relevant Issuer has agreed in the Trust Deed, for the exclusive benefit of the Trustee, the Noteholders, the Receiptholders and the Couponholders, that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes, the Receipts and/or the Coupons and that accordingly any suit, action or proceedings (together referred to as “**Proceedings**”) arising out of or in connection with the Notes, the Receipts and the Coupons may be brought in such courts.
- (c) The relevant Issuer has irrevocably waived in the Trust Deed any objection which it may have now or hereafter to the laying of the venue of any such Proceedings in any such court and any claim that any such Proceedings have been brought in an inconvenient forum.
- (d) Nothing contained in this Condition shall limit any right to take Proceedings against the relevant Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.
- (e) The relevant Issuer (other than ZF (UK)) has appointed Zurich Insurance plc, UK branch at its registered office for the time being as its agent for service of process in respect of any Proceedings in England and has undertaken in the Trust Deed that, in the event of Zurich Insurance plc, UK branch ceasing so to act or ceasing to be registered in England, it will appoint another person as its agent for service of process in England in respect of any Proceedings in England.
- (f) Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

- (g) In respect of Listed Swiss Franc Notes only, the relevant Issuer and the Trustee have agreed in the Trust Deed for the benefit of the Noteholders, the Receipts and the Couponholders to the additional jurisdiction of the courts of the City of Zurich, venue Zurich 1, with the right of appeal, where the law permits, to the Swiss Federal Court of Justice in Lausanne, the decision of which shall be final.
- (h) Each of the Senior ZIC Guarantee and the Subordinated ZIC Guarantee are governed by, and shall be construed in accordance with, the laws of Switzerland. Any legal action or proceedings in respect of each Senior ZIC Guarantee or each Subordinated ZIC Guarantee shall be brought exclusively in the courts of the City of Zurich, venue Zurich 1, with the right of appeal, where the law permits, to the Swiss Federal Court of Justice in Lausanne, the decision of which shall be final.

18. Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of this Note or the Trust Deed under the United Kingdom Contracts (Rights of Third Parties) Act 1999.

TERMS AND CONDITIONS OF THE CAPITAL NOTES

*The following, save for the paragraphs in italics, are the Terms and Conditions of the Capital Notes which will be endorsed on each Global Note and each Definitive Bearer Note or Individual Registered Note, in the latter case only if permitted by the relevant stock exchange (if any) and agreed by ZIC and the relevant Dealer at the time of issue but, if not so permitted by the relevant stock exchange (if any) and agreed by ZIC and the relevant Dealer at the time of issue but, if so permitted and agreed, such Definitive Bearer Note or Individual Registered Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Final Terms in relation to any Tranche of Capital Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, modify the following Terms and Conditions for the purpose of such Capital Notes. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and each Definitive Bearer Note or Individual Registered Note. Reference should be made to “**Form of the Notes and the Capital Notes**” above for a description of the content of Final Terms which will include the definitions of certain terms used in the following Terms and Conditions or specify which of such terms are to apply in relation in the relevant Capital Notes.*

This Capital Note is one of a Series (as defined below) of Capital Notes issued by Zurich Insurance Company Ltd (“**ZIC**” or the “**Issuer**”), constituted by an amended and restated trust deed (as further modified and/or supplemented and/or restated from time to time, the “**Trust Deed**”) dated May 15, 2012 made between, *inter alios*, the Issuer, Zurich Insurance Group Ltd (“**ZIG**”) and Citicorp Trustee Company Limited (the “**Trustee**”, which expression shall include any successor as trustee). ZIG is a party to the Trust Deed for the purposes of giving certain undertakings expressed to be given by it in these Terms and Conditions.

References herein to the “**Capital Notes**” shall be references to the Capital Notes of this Series and shall mean:

- (i) in relation to any Capital Notes represented by a Global Note (which expression shall include any Temporary Global Note or Permanent Global Note or Permanent Global SIS Note or Reg. S Global Note, all as defined in the Trust Deed), units of the lowest Specified Denomination in the Specified Currency; and
- (ii) in relation to any Capital Notes in definitive bearer form (“**Definitive Bearer Notes**”) issued in exchange for an interest or interests in a Global Note in bearer form (“**Bearer Global Note**”), units of the lowest Specified Denomination in the Specified Currency; and
- (iii) in relation to Individual Registered Notes either issued as such or issued in exchange for a Reg. S Global Note, units of the lowest Specified Denomination in the Specified Currency.

The Final Terms for this Capital Note (or the relevant provisions thereof) are attached to or endorsed on this Capital Note and supplement these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, modify these Terms and Conditions for the purposes of this Capital Note. References to the “**applicable Final Terms**” are to the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Capital Note.

The Capital Notes, the Receipts (as defined below) and the Coupons (as defined below) are the subject of an amended and restated agency agreement (the “**Agency Agreement**” which expression shall, where the context permits, include any supplements or amendments thereto and any agency agreement relating to Listed Swiss Franc Capital Notes as referred to in Condition 5(e)) dated May 15, 2012 and made between, *inter alios*, the Issuer, Citibank, N.A. as issuing and principal paying agent and agent bank (the “**Agent**”, which expression shall include any successor agent specified in the applicable Final Terms), the other paying agents named therein (together with the Agent, the “**Paying Agents**”, which expression shall include any additional or successor paying agents), Banque Internationale à Luxembourg société anonyme as listing agent (the “**Luxembourg Listing Agent**”), the registrars named therein (each, a “**Registrar**”, which expression shall include any additional or successor registrar), the transfer agents named therein (the “**Transfer Agents**”, which expression shall include any additional or successor transfer agents) and the Trustee.

Definitive Bearer Notes (unless otherwise indicated in the applicable Final Terms) have interest coupons (“**Coupons**”) and, if indicated in the applicable Final Terms, talons for further Coupons (“**Talons**”) attached on issue. Any reference herein to Coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons. Definitive Bearer Notes repayable in instalments have receipts (“**Receipts**”) for the payment of the instalments of principal (other than the final instalment) attached on issue. Registered Notes do not have Receipts or Coupons attached on issue.

The Trustee acts for the benefit of the holders for the time being of the Capital Notes (the “**Noteholders**”) in accordance with the provisions of the Trust Deed.

As used herein, “**Tranche**” means Capital Notes which are identical in all respects (including as to listing) and “**Series**” means a Tranche of Capital Notes together with any further Tranche or Tranches of Capital Notes which are (i) expressed to be consolidated and form a single series and (ii) identical in all respects (including as to listing) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the Trust Deed, the Agency Agreement and the applicable Final Terms are available for inspection during normal business hours at the principal London office for the time being of the Trustee (being at the date of the Trust Deed at Citicorp Trustee Company Limited, 14th Floor, Citigroup Centre, Canada Square, Canary Wharf, London E14 5LB, United Kingdom) and are available at the specified office of each of the Agent, the other Paying Agents, the Registrar and the Transfer Agents save that, if this Capital Note is an unlisted Capital Note of any Series, the applicable Final Terms will only be available for inspection at the principal London office of the Agent by a Noteholder holding one or more unlisted Capital Notes of that Series and such Noteholder must produce evidence satisfactory to the Agent as to its holding of Capital Notes and as to identity. The Noteholders, the holders of the Receipts (the **“Receiptholders”**) and the holders of the Coupons (the **“Couponholders”**) are deemed to have notice of, are bound by, and are entitled to the benefit of, all the provisions of the Trust Deed and the applicable Final Terms, and are deemed to have notice of, and be bound by, the provisions of the Agency Agreement which are applicable to them.

Words and expressions defined in the Trust Deed, the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the Trust Deed, the Trust Deed will prevail and, in the event of any inconsistency between the Trust Deed or the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

1. Form, Denomination and Title

The Capital Notes are either in bearer form (**“Bearer Notes”**) or in registered form (**“Registered Notes”**) as specified in the applicable Final Terms and, in the case of Definitive Bearer Notes or Individual Registered Notes, serially numbered, in the Specified Currency and the Specified Denomination(s) specified in the applicable Final Terms. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.

This Capital Note is a Fixed Rate Capital Note, a Floating Rate Capital Note, an Indexed Interest Capital Note, an Indexed Redemption Amount Capital Note, an Instalment Capital Note, a Dual Currency Capital Note each as defined in the applicable Final Terms, or a combination of any of the foregoing, depending upon the Interest/Payment Basis shown in the applicable Final Terms.

This Capital Note is a Listed Swiss Franc Capital Note if it is denominated or payable in Swiss francs and listed on the SIX Swiss Exchange and the applicable Final Terms so states.

Each Listed Swiss Franc Capital Note will be represented exclusively by a Permanent Global SIS Note which will be deposited with SIX SIS AG, Olten, Switzerland (**“SIS”**), or such other intermediary in Switzerland recognised for such purposes by the SIX Swiss Exchange (with respect to any such Permanent Global SIS Note, SIS or such other intermediary, the **“Intermediary”**) on or prior to the original issue date of such Capital Note. As a matter of Swiss law, once the Permanent Global SIS Note has been deposited with the Intermediary and entered into the accounts of one or more participants of the Intermediary, the Listed Swiss Franc Capital Notes represented thereby will constitute intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) (the **“Intermediated Securities”**). The Permanent Global SIS Note will be exchangeable for definitive Capital Notes in whole but not in part only if the Swiss paying agent should, after consultation with the Issuer, deem the printing of definitive Capital Notes to be necessary or useful, or if the presentation of definitive Capital Notes is required by Swiss or other applicable laws and regulations in connection with the enforcement of rights of Noteholders, or if the Swiss paying agent at any time at its discretion determines to have definitive Capital Notes issued; holders of Listed Swiss Franc Capital Notes will not have the right to effect or demand the exchange of the Permanent Global SIS Note representing such Listed Swiss Franc Capital Notes into, or delivery of, Notes in definitive or uncertificated form. If definitive Capital Notes are delivered, the relevant Permanent Global SIS Note will be immediately cancelled by the Swiss paying agent and the definitive Notes shall be delivered to the relevant holders against cancellation of the relevant Listed Swiss Franc Capital Notes in such holders' securities accounts. As a matter of Swiss law, a holder of an interest in the Permanent Global SIS Note retains a quotal co-ownership interest (*Miteigentumsanteil*) in the Permanent Global SIS Note to the extent of the Capital Notes represented by such Permanent Global SIS Note in which such holder has an interest; provided, however, that, for so long as the Permanent Global SIS Note remains deposited with the Intermediary (i.e., for so long as the Capital Notes represented thereby constitute Intermediated Securities), the co-ownership interest is suspended and the Capital Notes represented thereby may only be transferred by the entry of the transferred Capital Notes in a securities account of the transferee. For so long as Capital Notes constitute Intermediated Securities, as a matter of Swiss law, (i) the records of the Intermediary will determine the number of Capital Notes held through each participant of the Intermediary and (ii) the holders of such Capital Notes will be the persons holding such Capital Notes in a securities account (*Effektenkonto*) that is in their name or, in the case of intermediaries (*Verwahrungsstellen*), the intermediaries (*Verwahrungsstellen*) holding such Notes for their own account in a securities account (*Effektenkonto*) that is in their name.

Each Tranche of Bearer Notes may be initially represented by a temporary Global Note without Receipts, Coupons or Talons (a **“Temporary Global Note”**) or, if so specified in the applicable Final Terms, a permanent Global Note (a **“Permanent Global Note”**), which will be delivered to the common depository for Euroclear Bank S.A./N.V. (**“Euroclear”**) and Clearstream Banking, *société anonyme*, Luxembourg (**“Clearstream, Luxembourg”**). On or after the end of the period that ends 40 days after completion of the distribution of each Tranche of Capital Notes, as certified by the relevant Dealer, in the case of a non syndicated issue, or the Lead Manager, in the case of a syndicated issue (the **“Distribution Compliance Period”**), the Temporary Global Note will be exchangeable upon a request as described therein either for interests in a Permanent Global Note without Receipts, Coupons or Talons or for Definitive Bearer Notes (as indicated in the applicable Final Terms and subject, in the case of Definitive Bearer Notes, to such notice period as is specified in the applicable Final Terms), in each case against certification to the effect

that the beneficial owner of interests in such Temporary Global Note is not a U.S. person or a person who has purchased for resale to any U.S. person, as required by U.S. Treasury regulations. Each Tranche of Bearer Notes may also be initially represented by a Permanent Global SIS Note (as defined in the Trust Deed). Unless otherwise specified in the applicable Final Terms, a Permanent Global Note will be exchangeable (free of charge), in whole but not in part, for Definitive Bearer Notes with, where applicable, Receipts, Coupons and Talons attached (i) if a Dissolution Event (as defined in Condition 9) occurs in respect of any Capital Note, (ii) if Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (weekends and public holidays excepted) or announces an intention to cease business permanently or in fact does so and no alternative clearing system satisfactory to the Trustee is available or (iii), if so specified in the applicable Final Terms, at the option of the Noteholder, provided that, in the case of an issue of Capital Notes with a minimum denomination of EUR 100,000 and smaller integral multiples thereof only exchange events (i) or (ii) above will apply.

With respect to a particular Series of Registered Notes, the Registered Notes of each Tranche sold outside the U.S. in reliance on Regulation S under the U.S. Securities Act of 1933, as amended (the “**U.S. Securities Act**”), will, unless otherwise specified in the applicable Final Terms, be represented by a permanent global Note in registered form, without Receipts, Coupons or Talons, (the “**Reg. S Global Note**”) which will be registered in the name of Citivic Nominees Limited as nominee for, and will be deposited with Citibank, N.A. as common depository for, and in respect of interests held through, Euroclear and Clearstream, Luxembourg. Capital Notes in individual registered form (“**Individual Registered Notes**”) issued in exchange for Reg. S Global Notes or otherwise sold or transferred in reliance on Regulation S under the U.S. Securities Act, together with the Reg. S Global Notes, are referred to herein as “**Reg. S Notes**”. Prior to expiry of the period that ends 40 days after completion of the distribution of each Tranche of Capital Notes, as certified by the relevant Dealer, in the case of a non-syndicated issue, or by the Lead Manager, in the case of a syndicated issue, interests in a Reg. S Global Note may be held only through Euroclear or Clearstream, Luxembourg.

Individual Registered Notes from the date of issue may, if specified in the applicable Final Terms, be issued in reliance on Regulation S under the U.S. Securities Act.

Subject as set out below, title to the Bearer Notes, Receipts and Coupons will pass by delivery and title to the Registered Notes will pass upon the registration of transfers in accordance with the Agency Agreement and the Trust Deed. The Issuer, the Trustee, the Agent, any Paying Agent, the Registrar, and any Transfer Agent may (subject to applicable laws or as otherwise ordered by a court of competent jurisdiction or an official authority) deem and treat the bearer of any Bearer Note, Receipt or Coupon and the registered holder of any Registered Note as the absolute owner thereof for all purposes (whether or not it is overdue and notwithstanding any notice of ownership, trust or any interest in it, any writing on it or on the related Individual Registered Note or notice of any previous loss or theft of it) and no person will be liable for so treating the holder.

No person shall have any right to enforce any term or condition of this Capital Note or the Trust Deed under the United Kingdom Contracts (Rights of Third Parties) Act 1999.

Capital Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg.

References in these Terms and Conditions to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system (including SIS) approved by the Issuer, the Trustee and the Agent and specified in the applicable Final Terms.

2. Status of the Capital Notes

The Capital Notes and the relative Receipts and Coupons constitute, save as otherwise specified in the applicable Final Terms, direct, subordinated and unsecured obligations of the Issuer and rank *pari passu*, without any preference, among themselves. The claims of the holders of Capital Notes and relative Receipts and Coupons rank, save as otherwise specified in the applicable Final Terms, on a voluntary or involuntary insolvency, winding-up, liquidation, dissolution or other similar proceedings of or against the Issuer:

- (i) after the claims of any Senior Creditors (as defined below);
- (ii) *pari passu* with any subordinated obligations of the Issuer which whether now or in the future rank or are expressed to rank *pari passu* with the claims of the Noteholders (“**Parity Obligations**”, and “**Parity Obligation**” shall be construed accordingly); and
- (iii) prior to the claims of the holders of all classes of issued shares in the share capital of the Issuer.

For the avoidance of doubt, the Issuer’s obligations under the subordinated support agreements entered into in connection with the enhanced capital advantaged preferred securities (ECAPS) issued by ZFS Finance (USA) Trust II and the Trust Preferred Securities issued by ZFS Finance (USA) Trust IV and ZFS Finance (USA) Trust V and the Issuer’s obligations under the €143m 12% Capital Notes and U.S.\$500m 8.250 % Undated Reset Capital Notes each constitute Parity Obligations.

Save as otherwise specified in the applicable Final Terms, in the event of a voluntary or involuntary insolvency, winding-up, liquidation, dissolution or other similar proceedings of or against the Issuer, there shall be payable in such voluntary or involuntary insolvency, winding-up, liquidation, dissolution or other similar proceedings on each Capital Note, subject to the

subordination provisions set out in this Condition 2, an amount equal to the principal amount of such Capital Note together with, unless otherwise specified in the applicable Final Terms, unpaid Deferred Interest (as defined in Condition 3(c)) (if applicable) and interest which has accrued up to, but excluding, the date of repayment.

Notwithstanding the preceding paragraph, if the applicable Final Terms specify that Solvency Deferred Interest Limitation is applicable, then the amount payable in respect of Deferred Interest in the circumstances described in such paragraph shall be reduced by an amount equal to the Relevant Excess Solvency Deferred Interest.

As used herein, save as otherwise specified in the applicable Final Terms, “**Senior Creditors**” means (i) Senior Creditors and holders of Subordinated Notes (each as defined in Schedule 1 Part A to the Trust Deed) and (ii) creditors of the Issuer in respect of a ZIC Subordinated Guarantee (as defined in the Trust Deed) or in respect of other actual or contingent obligations (including claims of holders of insurance policies issued by the Issuer), whether outstanding at the Issue Date or subsequently incurred, other than any obligation as to which, in the instrument creating or evidencing the obligation or pursuant to which the obligation is outstanding, it is expressly provided that such obligation is *pari passu* with, or junior to, the Capital Notes and/or any Parity Obligations.

Subject to applicable law, neither the Trustee nor any Noteholder may, save as otherwise specified in the applicable Final Terms, exercise or claim any right of set-off in respect of any amount owed to it by the Issuer arising under or in connection with the Capital Notes against any claim that the Issuer may have against the Noteholder and each such Noteholder shall, by virtue of being the Noteholder of any of the Capital Notes, be deemed to have waived all such rights of set-off.

No security (save as otherwise specified in the applicable Final Terms) of whatever kind is, or will at any time be, provided by the Issuer or any other person securing the rights of the Noteholders under the Capital Notes. No agreement may defeat the subordination pursuant to the provisions set out in this Condition 2 or shorten any applicable notice period in respect of the Capital Notes as provided in these Conditions. If the Capital Notes are redeemed in breach of Condition 6(a) (if applicable), (b), (c) or (d), the amounts so paid to any Noteholder must be repaid to the Issuer by such Noteholder irrespective of any agreement to the contrary, unless (x) the Issuer has been dissolved or (y) such amounts have been replaced by regulatory capital qualifying for the same regulatory (sub-) category or equivalent thereof or (z) if FINMA or any Successor Authority (each as defined below) applicable at the time has given its prior written consent (if necessary) to the redemption.

The subordination provisions of this Condition 2 which are governed by, and shall be construed in accordance with, the laws of Switzerland, are irrevocable.

As used herein:

“**FINMA**” means the Swiss Financial Market Supervisory Authority FINMA in Switzerland.

“**Relevant Excess Solvency Deferred Interest**” means the amount by which Solvency Deferred Interest arising only by reason of limb (iii) of the definition of Solvency Event which has not been settled through the application of the APM Settlement exceeds 25 per cent. of the Aggregate Nominal Amount of the Capital Notes (then outstanding).

“**Successor Authority**” means any domestic or foreign successor to FINMA or otherwise that has primary supervisory authority over the Issuer and/or the Zurich Insurance Group.

3. Deferral or Cancellation of Interest

(a) Solvency Event

Condition 3(a) shall only apply in respect of a Capital Note where the applicable Final Terms specify that Solvency Event is applicable.

If Solvency Event is specified in the applicable Final Terms as being applicable and a Solvency Event has occurred and is continuing as at the relevant Determination Date, then, in relation to any Interest Payment which is otherwise scheduled to be paid on an Interest Payment Date the Issuer shall (if the applicable Final Terms specify the Capital Note as being Cumulative in relation to a Solvency Event) defer, or (if the applicable Final Terms specify the Capital Note as being Non-Cumulative in relation to a Solvency Event) cancel such Interest Payment, and shall defer or, as applicable, cancel the relevant Solvency Shortfall if, were the Issuer to make payment of the relevant Interest Payment, a Solvency Event would as at the date of such payment occur, in any such case except that the Issuer will not be required to defer or, as applicable, cancel such Interest Payment or Solvency Shortfall, as the case may be, if FINMA or any Successor Authority applicable at the time has given its consent to such payment.

Noteholders shall have no entitlement to, or claim for, any Interest Payment or Solvency Shortfall cancelled pursuant to this Condition 3(a) and, for the avoidance of doubt, such amount shall not constitute Deferred Interest (as defined below) hereunder and such cancellation shall not constitute a Dissolution Event by the Issuer or any other breach or default under the Capital Notes or for any other purpose.

Any Interest Payment or Solvency Shortfall deferred pursuant to this Condition 3(a) is referred to herein as **“Solvency Deferred Interest”**.

The Issuer shall give notice of any such deferral or cancellation to the Trustee (together with the certificate of the occurrence of a Solvency Event and as to the quantum of any Solvency Shortfall referred to below), the Agent and to the Noteholders in accordance with Condition 13 not less than seven days prior to the relevant Interest Payment Date.

A certificate as to the occurrence of a Solvency Event, as to the quantum of any Solvency Shortfall, signed by two Directors of the Issuer or ZIG, shall, in the absence of manifest error be treated and accepted by the Issuer, the Noteholders, the Trustee, the Receiptholders, the Couponholders and all other interested parties as correct and sufficient evidence thereof. The Trustee shall be entitled to rely upon such certification absolutely without liability to any person.

As used herein:

“Applicable Regulations” means, with respect to the Relevant Entity at any time, the regulatory capital requirements applicable to such entity and/or its group at such time including, but not limited to, Swiss insurance regulatory law (for group solvency or single solvency and/or financial conglomerate purposes, as applicable) and/or applicable generally recognised administrative practice, if any, of FINMA or any Successor Authority.

“Assets” means, where ZIC is specified in the relevant Final Terms as being the Relevant Entity, the Issuer’s consolidated total assets and, where ZIG is specified in the relevant Final Terms as being the Relevant Entity, ZIG’s consolidated total assets, each as shown in its latest annual audited balance sheet, but adjusted for all subsequent events, as reasonably determined by the Relevant Entity, or if the Relevant Entity is being liquidated, its liquidator.

“Determination Date” means, in respect of an Interest Payment Date, the 20th business day in Zurich preceding such date.

“Interest Payment” means, with respect to an Interest Payment Date, the interest scheduled to be paid on such Interest Payment Date.

“Liabilities” means, where ZIC is specified in the applicable Final Terms as being the Relevant Entity, ZIC’s consolidated total liabilities and, where ZIG is specified in the applicable Final Terms as being the Relevant Entity, ZIG’s consolidated total liabilities, each as shown in its latest annual audited balance sheet, but adjusted for all subsequent events, as reasonably determined by the Relevant Entity, or if the Relevant Entity is being liquidated, its liquidator.

“Relevant Entity” means ZIC and/or ZIG, as specified in the applicable Final Terms.

A **“Restricted Payments Provision”** in any obligation is a provision in such obligation or any related transaction agreements providing for complete or partial prohibitions as to payment of distributions (or similar payments) on other securities that rank *pari passu* with, or junior to, such obligations for so long as distributions (or similar payments) on such obligations remain unpaid.

A **“Solvency Event”** shall be deemed to have occurred as at any date if as at such date:

- (i) the Relevant Entity does not at such date have appropriate funds to cover the required minimum solvency margin or meet any other required level of own funds regulatory capital (or a comparable term in case of a change in Applicable Regulations) in accordance with Applicable Regulations and a deferral or, as applicable, cancellation of interest is required under the Applicable Regulations; or
- (ii) the Relevant Entity is unable to pay its debts owed to its Senior Creditors (as defined in Condition 2(a) or 2(b), as the case may be, if ZIC is specified as Relevant Entity in the applicable Final Terms, and as defined below if ZIG is specified as Relevant Entity in the applicable Final Terms) as they fall due; or
- (iii) the Relevant Entity’s Assets do not exceed its Liabilities (each as defined above) (other than liabilities to persons who are not Senior Creditors); or
- (iv) FINMA or a Successor Authority has given (and not withdrawn) notice to the Relevant Entity that it has determined, in view of the financial and/or capital position of the Relevant Entity, that in accordance with Applicable Regulations at such time, the Issuer must take specified action in relation to payments on the Capital Notes; or
- (v) the Relevant Entity’s auditors cannot give a confirmation pursuant to Article 725(2) of the Swiss Code of Obligations or any equivalent provision under applicable laws.

If ZIG is specified as the Relevant Entity in the Final Terms, **“Senior Creditors”** means (i) all unsubordinated creditors of ZIG; and (ii) all creditors of ZIG whose claims are subordinated by operation of law or pursuant to their terms, to the claims of other unsubordinated creditors of that entity but not further or otherwise.

“Solvency Shortfall” means the portion of interest that would cause a Solvency Event to occur or be continuing.

If Solvency Event is specified in the applicable Final Terms as being not applicable, then solely in respect of Interest Payments and without prejudice to Condition 2, such Capital Notes rank senior to any existing or future obligations of the Issuer (**“other obligations”**) that would otherwise have ranked *pari passu* with the Capital Notes, if and to the extent payment of such Interest Payments would otherwise be prohibited by any Restricted Payments Provision in such other obligations as a result of solvency event provisions with respect to such other obligations.

If payment of an Interest Payment is deferred or, as applicable, cancelled pursuant to Condition 3(a), the Issuer shall not have any obligation to pay such Interest Payment on the relevant Interest Payment Date and the failure to pay such Interest Payment shall not constitute a Dissolution Event by the Issuer or any other breach or default under the Capital Notes or for any other purpose.

(b) Mandatory Cancellation

Condition 3(b) shall only apply in respect of a Capital Note where the applicable Final Terms specify that Trigger Event is applicable.

If Trigger Event is specified in the applicable Final Terms as being applicable and a Trigger Event has occurred and is continuing as at the relevant Determination Date, then, in relation to any Interest Payment which is otherwise scheduled to be paid on an Interest Payment Date, the Issuer shall cancel the amount (the **“Trigger Event Shortfall”**) by which such Interest Payment exceeds the New Capital Amount per Capital Note outstanding at such time. The Issuer shall give notice of such cancellation and of the relevant Trigger Event Shortfall to the Trustee (together with the certificate referred to below), the Agent and to the Noteholders in accordance with Condition 13 not less than seven days prior to the relevant Interest Payment Date.

Noteholders shall have no entitlement to, or claim for, any Trigger Event Shortfall cancelled pursuant to this Condition 3(b) and, for the avoidance of doubt, such cancellation shall not constitute a Dissolution Event by the Issuer or any other breach or default under the Capital Notes or for any other purpose.

As used herein:

A **“Trigger Event”** shall be deemed to have occurred at any Determination Date if each of the following has occurred:

- (i) ZIG’s Trailing Four Quarters Consolidated Net Income Amount is not a positive amount for the four fiscal quarter periods ending on the last day of ZIG’s fiscal quarter that is two fiscal quarters prior to the most recently completed fiscal quarter before that Determination Date; and
- (ii) ZIG’s Adjusted Consolidated Shareholders’ Equity Amount as at the end of ZIG’s fiscal quarter that is two fiscal quarters prior to the most recently completed fiscal quarter before that Determination Date has declined by 10 per cent or more as compared to ZIG’s Adjusted Consolidated Shareholders’ Equity Amount at the end of the tenth fiscal quarter preceding ZIG’s most recently completed fiscal quarter before that Determination Date; and
- (iii) ZIG’s Adjusted Capital Amount as at the end of ZIG’s most recently completed fiscal quarter before that Determination Date has declined by 10 per cent or more as compared to ZIG’s Adjusted Consolidated Shareholders’ Equity Amount at the end of the tenth fiscal quarter preceding ZIG’s most recently completed fiscal quarter before that Determination Date.

A certificate as to the occurrence or continuation of a Trigger Event and as to the quantum of the relevant Trigger Event Shortfall, signed by two Directors of the Issuer or ZIG and which sets out the Issuer’s or ZIG’s determinations of the Trailing Four Quarters Consolidated Net Income Amount, the Adjusted Consolidated Shareholders’ Equity Amount and the Adjusted Capital Amount as at the dates aforesaid and that as a result, a Trigger Event shall have occurred shall, in the absence of manifest error, be treated and accepted by the Issuer, ZIG, the Trustee, the Noteholders, the Receiptholders, the Couponholders and all other interested parties as correct and sufficient evidence thereof and the Trustee shall be entitled to rely on such certification absolutely without liability to any person.

“Adjusted Capital Amount” means the Adjusted Consolidated Shareholders’ Equity Amount plus Qualifying Mandatory Convertibles.

“Adjusted Consolidated Shareholders’ Equity Amount” means, as at any quarter end and subject to the adjustments referred to below, ZIG’s total consolidated shareholders’ equity excluding preferred securities, net unrealised gains (or losses) on investments and cumulative translation adjustments, as reflected on ZIG’s consolidated IFRS balance sheets as at such quarter end.

“IFRS” means, at any date and for any period, International Financial Reporting Standards as applied to, and reflected in, ZIG’s consolidated financial statements as at the relevant dates and for the relevant periods.

“New Capital Amount” means, at any date, the net proceeds received by the Issuer or ZIG from new issuances (whether in one or more public offerings or private placements) and/or sales of ordinary shares, during the period commencing on the 180th day

prior to such date and designated by the Issuer or ZIG at or before the time of issuance as available to pay Interest Payments on the Capital Notes.

“Qualifying Mandatory Convertible” means, securities of ZIG or a subsidiary thereof (other than ordinary shares of ZIG) with (i) no prepayment obligation in respect of such securities on the part of the issuer thereof, whether at the election of the holders or otherwise, and (ii) a requirement that such securities convert into ordinary shares of ZIG within three years from the date of their issuance at a conversion ratio within a range established at the time of issuance of such securities.

“Trailing Four Quarters Consolidated Net Income Amount” means, for any fiscal quarter and subject to the adjustments referred to below, the sum of ZIG’s consolidated net income for the four fiscal quarters ending as at the last day of such fiscal quarter.

If the conditions for a Trigger Event are satisfied for any Determination Date, the cancellation of interest will continue until that Trigger Event has been deemed cured in the manner described below on a subsequent Determination Date. In addition, if additional Trigger Events are triggered on one or more subsequent Determination Dates before the initial Trigger Event is deemed cured (as described below), the cancellation of interest on the Capital Notes will continue until each such subsequent Trigger Event has been deemed cured (as described below). After one or more Trigger Events have occurred or are continuing, the Issuer may only begin to pay interest on the Capital Notes on any Interest Payment Date if on the relevant Determination Date (i) no new Trigger Event has occurred and (ii) all of the previous Trigger Events have been deemed cured (as described below).

A Trigger Event that was triggered on a prior Determination Date (the **“Previous Determination Date”**) will be deemed to be cured as at a later Determination Date if ZIG’s Adjusted Capital Amount as at its most recently completed fiscal quarter before that later Determination Date has increased, or has declined by less than 10 per cent, as compared to ZIG’s Adjusted Consolidated Shareholders’ Equity Amount as at the end of the originally specified benchmark fiscal quarter for that Previous Determination Date. All financial terms used in this Condition 3(b) will be determined in accordance with IFRS. If because of a change in IFRS that results in a change in accounting principles or a restatement, ZIG’s Adjusted Consolidated Shareholders’ Equity Amount as at a fiscal quarter end is higher or lower than it would have been absent such change, then for the purpose of the calculation described in the preceding sentence, ZIG’s Adjusted Consolidated Shareholders’ Equity Amount will be calculated on a pro forma basis as if such change had not occurred. Upon satisfaction of the conditions described in this paragraph, the Issuer will provide a certificate, signed by two Directors of the Issuer, certifying that such conditions have been met and the Trigger Event has been deemed to be cured and the Trustee shall be entitled to rely on such certification absolutely without liability to any person.

If Trigger Event is specified in the applicable Final Terms as being not applicable, then solely in respect of Interest Payments and without prejudice to Condition 2, such Capital Notes rank senior to any existing or future obligations of the Issuer (**“other obligations”**) that would otherwise have ranked *pari passu* with the Capital Notes, if and to the extent payment of such Interest Payments would otherwise be prohibited by any Restricted Payments Provision in such other obligations as a result of a Trigger Event Occurrence (as defined below) with respect to such other obligations.

A **“Trigger Event Occurrence”** with respect to any obligation is the mandatory deferral or cancellation of the payment of any distributions (or similar payments) on that obligation as a result of any event or condition specified in the provisions of such obligation or any related transaction agreements, including the suspension or the cancellation of the payment of any distributions (or similar payments) from any source other than a specific source of funds, but excluding any such mandatory deferral or cancellation purely as a result of solvency event provisions analogous to those in Condition 3(a).

(c) Optional Deferral or Cancellation

Condition 3(c) shall only apply in respect of a Capital Note where the applicable Final Terms specify that Optional Non-Payment is applicable.

In addition to the obligation of the Issuer to defer or, as applicable, cancel interest in certain circumstances set out in, and in accordance with, Conditions 3(a) and 3(b), the Issuer may elect (if the applicable Final Terms specify the Capital Note as being Cumulative in relation to Optional Non-Payment) to defer, or (if the applicable Final Terms specify the Capital Note as being Non-Cumulative in relation to Optional Non-Payment) to cancel in whole or in part any Interest Payment which is otherwise scheduled to be paid on an Optional Interest Payment Date (as defined below) by giving written notice of such election to the Trustee, the Agent and to the Noteholders in accordance with Condition 13 not less than seven days prior to the relevant Interest Payment Date. If so specified in the applicable Final Terms, notwithstanding the other provisions of this Condition 3(c) but without prejudice to the provisions of Conditions 3(a) and 3(b), if as at any Optional Interest Payment Date FINMA or any Successor Authority no longer accords any regulatory capital credit to the Capital Notes under Applicable Regulations (as defined below) the Issuer will only be allowed to exercise its option under this Condition 3(c) to defer payments of interest on the Capital Notes on such Optional Interest Payment Date for up to five years (a **“Fixed Term Deferred Interest Payment”**), and the Issuer will only be allowed to exercise its option under this Condition 3(c) to cancel payments of interest on the Capital Notes on such Optional Interest Payment Date and each Optional Interest Payment Date falling in the period of five years following such first Optional Interest Payment Date, but not thereafter. Any Fixed Term Deferred Interest Payment shall fall due on the relevant APM Deferred Settlement Date, or, as applicable, Cash Deferred Settlement Date or, if earlier, the fifth anniversary of the Optional Interest Payment Date on which such payment was deferred.

Noteholders shall have no entitlement to, or claim for, any Interest Payment or, as appropriate, any part thereof cancelled pursuant to this Condition 3(c) and, for the avoidance of doubt, such sum shall not constitute Deferred Interest hereunder and such cancellation shall not constitute a Dissolution Event by the Issuer or any other breach or default under the Capital Notes or for any other purpose.

Any Interest Payment, or, as appropriate, any part thereof, deferred pursuant to this Condition 3(c), is referred to herein as “**Optionally Deferred Interest**” and, together with Solvency Deferred Interest, as “**Deferred Interest**”.

If payment of an Interest Payment, or as appropriate, any part thereof, is deferred pursuant to Condition 3(c), the Issuer shall not have any obligation to pay such Interest Payment, or as appropriate, part thereof on the relevant Optional Interest Payment Date and the failure to pay such Interest Payment, or as appropriate, part thereof shall not constitute a Dissolution Event by the Issuer or any other breach or default under the Capital Notes or for any other purpose.

As used above, “**Optional Interest Payment Date**” means any Interest Payment Date in respect of which during the six month period ending thereon, but subject as provided in the next paragraph, (i) no dividend has been declared or paid on any class of share capital of ZIG; and (ii) (provided at the relevant time the existence of this requirement (ii) does not cause a Regulatory Event) no interest, distribution or other payments (including payment for the purpose of a redemption or repurchase) have been made on any securities issued (or guaranteed) by (a) ZIG as the relevant Issuer or Guarantor and the claims in respect of such securities or, as applicable, guarantee rank junior to, or *pari passu* with, the claims of Noteholders; or (b) ZIG (unless, in each case aforesaid, such payment was compulsory on such securities or required due to the repayment of such securities).

Notwithstanding the immediately preceding paragraph, any Interest Payment Date which would otherwise not be an Optional Interest Payment Date by reason of one or more of the following events shall be treated as an Optional Interest Payment Date:

- (aa) repurchases, redemptions or other acquisitions of ZIG’s ordinary shares in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or shareholder stock purchase plan or in connection with the issuance of ZIG’s ordinary shares (or securities convertible into or exercisable for ZIG’s ordinary shares) as consideration in an acquisition transaction entered into prior to the applicable deferral period;
- (bb) as a result of any exchange or conversion of any class or series of ZIG’s ordinary shares (or any capital stock of any of its subsidiaries) for any class or series of common stock or of any class or series of its indebtedness (or for the indebtedness of any of its subsidiaries);
- (cc) the purchase of fractional interests in ZIG’s ordinary shares, pursuant to the conversion or exchange provisions of such ZIG ordinary shares, or the security being converted or exchanged;
- (dd) any declaration of a dividend in connection with any shareholders’ rights plan, or the issuance of rights, stock or other property under any shareholders’ rights plan, or the redemption or repurchase of rights pursuant thereto;
- (ee) any dividend or distribution in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks *pari passu* with or junior to such stock; or
- (ff) payments of interest on any Parity Obligations and the Capital Notes rateably and in proportion to the respective amounts as at such Interest Payment Date of (y) accrued and unpaid interest on such Parity Obligations, on the one hand, and (z) if applicable, Deferred Interest and any other accrued and unpaid interest on the Capital Notes, on the other hand.

(d) Payment Restrictions following Deferral or Cancellation

In the case of a Capital Note where the applicable Final Terms specify that this Condition 3(d) applies but not otherwise, the Issuer and ZIG agree that if an Interest Payment has not been paid in full for an Interest Period by reason of Conditions 3(a), (b) or (c), then, subject as provided below, in the case of a Capital Note where the applicable Final Terms provide that it is Cumulative with respect to events specified under Conditions 3(a), or (c), for so long as any such Deferred Interest remains outstanding and, in the case of a Capital Note where the applicable Final Terms provide that it is Non-Cumulative with respect to events specified under Conditions 3(a) or (c), and in the case of a Capital Note where the relevant Interest Payment has been cancelled by reason of Condition 3(b), until the next payment of an Interest Payment in full, and in each case subject as provided below, (v) ZIG will not, nor will it permit any of its subsidiaries to, make any discretionary payment of principal, interest or premium, if any, on or repay, purchase or redeem any ZIG Subordinated Debt (as defined below); (w) ZIG will not, nor will it permit any of its subsidiaries to, make any discretionary guarantee payments with respect to any of its guarantees of the securities of any of its subsidiaries if such guarantee ranks *pari passu* with, or junior to, any ZIG Subordinated Debt; (x) ZIG will not, and will not permit any of its subsidiaries to, redeem, purchase or acquire, or make a liquidation payment with respect to, any of ZIG’s ordinary shares and any of its other capital stock that may then exist; (y) the Issuer will not, nor will it permit any of its subsidiaries to redeem any of its securities that rank *pari passu* with, or junior to, the Capital Notes; and (z) the Issuer will not, nor will it permit any of its

subsidiaries to, make any discretionary guarantee payments with respect to any of its guarantees of the securities of any of its subsidiaries if such guarantee ranks *pari passu* with, or junior to, the Capital Notes.

As used herein “**ZIG Subordinated Debt**” means obligations of ZIG which rank or are expressed to rank junior to any senior, unsubordinated obligations of ZIG.

The restrictions set out above in this Condition 3(d) shall not apply to:

- (i) repurchases, redemptions or other acquisitions of ZIG’s ordinary shares in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of one or more employees, officers, directors or consultants, in connection with a dividend reinvestment or shareholder stock purchase plan or in connection with the issuance of ZIG’s ordinary shares (or securities convertible into or exercisable for ZIG’s ordinary shares) as consideration in an acquisition transaction entered into prior to the applicable deferral period;
- (ii) as a result of any exchange or conversion of any class or series of ZIG’s ordinary shares (or any capital stock of any of its subsidiaries) for any class or series of common stock or of any class or series of its indebtedness (or for the indebtedness of any of its subsidiaries);
- (iii) the purchase of fractional interests in ZIG’s ordinary shares, pursuant to the conversion or exchange provisions of such ZIG ordinary shares, or the security being converted or exchanged;
- (iv) any declaration of a dividend in connection with any shareholders’ rights plan, or the issuance of rights, stock or other property under any shareholders’ rights plan, or the redemption or repurchase of rights pursuant thereto;
- (v) any dividend or distribution in the form of stock, warrants, options or other rights where the dividend stock or the stock issuable upon exercise of such warrants, options or other rights is the same stock as that on which the dividend is being paid or ranks *pari passu* with or junior to such stock; or
- (vi) payments of interest on any Parity Obligations and the Capital Notes rateably and in proportion to the respective amount of (aa) accrued and unpaid interest on such Parity Obligations, on the one hand, and (bb) if applicable, Deferred Interest and any other accrued and unpaid interest on the Capital Notes, on the other hand.

Further, the restrictions in (y) and (z) above shall not apply in the cases of (i) a Trigger Event in relation to Capital Notes where the securities otherwise ranking *pari passu* with the Capital Notes do not themselves contain a similar mandatory deferral or cancellation feature, (ii) where Intention Statement is applicable and the securities otherwise ranking *pari passu* with the Capital Notes themselves contain a Commercially Reasonable Efforts provision, (iii) a Solvency Event in relation to Capital Notes where the securities otherwise ranking *pari passu* with the Capital Notes do not themselves contain a substantially similar solvency event, (iv) interest becoming mandatorily due on such securities due to a provision analogous to provisions in Condition 3(e) below or otherwise where the terms of such securities do not permit the deferral of interest, or (v) at maturity of such securities. In the event of any of (i) to (iv) of this paragraph being applicable, the Issuer and ZIG will each provide a certificate signed by two Directors to the Trustee, the Agent and the Noteholders certifying which of (i) to (iv) above applies and that, as a result, the restrictions in (y) and (z) shall not apply which the Trustee shall rely on absolutely without liability to any person.

For the avoidance of doubt, Deferred Interest does not itself bear interest.

(e) Settlement of Deferred Interest

If the applicable Final Terms specify that Cash Settlement is applicable, the Issuer may (subject as provided below) elect at any time upon the expiry of not less than seven days’ written notice to such effect given by the Issuer to the Trustee, the Agent and, in accordance with Condition 13, the Noteholders, to pay in cash in whole or in part any Deferred Interest. However, any outstanding Deferred Interest will (subject as provided below) become immediately due and payable in cash in full (or in the case where limb (iv) of the definition of APM Deferred Settlement Date is specified as applying as part of the definition of Cash Deferred Settlement Date, on a proportionate basis) upon the Cash Deferred Settlement Date (as defined below).

Notwithstanding the foregoing, Deferred Interest shall only be due and payable if at the relevant time the prior written approval of FINMA or any Successor Authority to such payment has been given (if such approval is required under Applicable Regulations at the relevant time). If on the Cash Deferred Settlement Date no prior written approval as aforesaid has been given (if such approval is required under Applicable Regulations at the relevant time), the relevant Deferred Interest will be due and payable promptly following the obtaining of such written approval (if such approval is required under Applicable Regulations at the relevant time) and the giving of not more than 30 nor less than 15 days’ notice to such effect by the Issuer to the Trustee and to Noteholders in accordance with Condition 13. References herein to “**Cash Deferred Settlement Date**” shall be construed accordingly to refer to such later date for payment.

If the applicable Final Terms specify that APM Settlement is applicable, the Issuer and ZIG may (subject as provided below in relation to Deferred Interest) elect at any time upon the expiry of not less than seven days’ written notice to such effect given by the Issuer to the Trustee, the Agent and, in accordance with Condition 13, the Noteholders, to use their commercially reasonable efforts to satisfy in whole or in part any Deferred Interest utilising the APM (as defined below) (subject to the limitations and

conditions applicable to the APM) and, unless Deferred Interest has already been satisfied pursuant to the APM or cancelled in accordance with the applicable Final Terms, the Issuer and ZIG shall (subject as provided below in relation to Deferred Interest) use their commercially reasonable efforts to apply the APM (subject to the limitations and conditions applicable to the APM) to satisfy all (or, in the case where limb (iv) of the definition of APM Deferred Settlement Date applies, on a proportionate basis) of the outstanding Deferred Interest upon the APM Deferred Settlement Date (as defined below).

Notwithstanding the foregoing, the Issuer and ZIG will only be obliged to use their commercially reasonable efforts to satisfy any Deferred Interest as aforesaid if at the relevant time the prior written approval of FINMA or any Successor Authority to such payment has been given. If on the APM Deferred Settlement Date no prior written approval as aforesaid has been given, the Issuer and ZIG shall be obliged to use their commercially reasonable efforts to satisfy any Deferred Interest promptly following the obtaining of such written approval and the giving of not more than 30 nor less than 15 days' notice to such effect by the Issuer to the Trustee and to Noteholders in accordance with Condition 13. References herein to "**APM Deferred Settlement Date**" shall be construed accordingly to refer to such later date for payment.

A certificate as to whether or not written approval of FINMA or any Successor Authority as aforesaid has been given signed by two Directors of the Issuer or ZIG, shall, in the absence of manifest error, be treated and accepted by the Issuer, the Noteholders, the Trustee, the Receiptholders, the Couponholders and all other interested parties as correct and sufficient evidence thereof. The Trustee shall be entitled to rely upon such certification absolutely without liability to any person.

As used herein:

"**APM Deferred Settlement Date**" means, subject as provided above and in Condition 3(c) in relation to Fixed Term Deferred Interest Payments, the first to occur of the following dates:

- (i) the date on which the Capital Notes are called for redemption pursuant to Condition 6 or substituted or varied pursuant to Condition 6(e);
- (ii) the date upon which a dividend is next declared or paid on any class of share capital of ZIG;
- (iii) (A) as soon as practicable after cash proceeds representing the full amount of Deferred Interest have been realised from the APM which will be implemented following the declaration or payment by ZIG of any dividends or other payments (including any nominal value reduction under Swiss law) on any of its ordinary shares or on any of its other capital stock that may then exist, except in the circumstances described in subparagraphs (i) to (v) of the fourth paragraph of Condition 3(d) or (B) in the event that the Ordinary Share Issuance Threshold, as applicable, has been met or a Market Disruption Event has occurred, in each case prior to the realisation of the full amount of Deferred Interest from such APM, in an amount equal to the actual cash proceeds realised at the time such threshold has been met or such Market Disruption Event has occurred, as applicable;
- (iv) the Interest Payment Date next following a full or partial payment of current or deferred interest on any Parity Obligation (except for any such current or deferred interest payment of which is compulsory in accordance with the terms of the relevant Parity Obligation (including as a result of the maturity of such obligation)), in which case the relevant proportion shall be equal to the result from the division of the amount of the full or partial payment actually paid on the Parity Obligation by the outstanding amount (current or deferred) of the payment to which such full or partial payment relates that is payable on the Parity Obligation when such payment is made in full (for the avoidance of doubt, the terms of other obligations issued by the Issuer may be such as not to make them qualify as Parity Obligations specifically for these purposes);
- (v) the date on which the Issuer is dissolved pursuant to Article 736 of the Swiss Code of Obligations (other than for the purposes of, or pursuant to, an amalgamation, reorganisation or restructuring whilst solvent, where the continuing entity assumes substantially all of the assets and obligations of the Issuer); or
- (vi) if none of the events referred to in (i), (ii), (iii), (iv) or (v) above have already occurred and the applicable Final Terms so provide, upon expiration of the time period specified in the applicable Final Terms following the date upon which deferral of the relevant Deferred Interest or Solvency Deferred Interest commenced.

"**Cash Deferred Settlement Date**" means, subject as provided above and in Condition 3(c) in relation to Fixed Term Deferred Interest Payments, the first to occur of the dates specified in paragraphs (i), (ii), (v) and, if so specified in the applicable Final Terms, (iv) and/or (vi) of the definition of "APM Deferred Settlement Date" above. If limb (vi) of the definition of APM Deferred Settlement Date is specified in the applicable Final Terms as being applicable in the context of the definition of either APM Deferred Settlement Date or Cash Deferred Settlement Date and the Issuer and ZIG become obliged to pay or, as appropriate, use their commercially reasonable efforts to satisfy Deferred Interest by way of the APM, as a result of limb (vi) of the definition of APM Deferred Settlement Date, then solely in respect of such Interest Payment and without prejudice to Condition 2, the Capital Notes rank senior to any existing or future obligations of the Issuer ("**other obligations**") that would otherwise have ranked *pari passu* with the Capital Notes, if and to the extent payment of such Deferred Interest would otherwise be prohibited by any Restricted Payments Provision in such other obligations as a result of interest being outstanding with respect to such other obligations.

In relation to Optionally Deferred Interest or Solvency Deferred Interest, if limb (vi) above is not specified in the applicable Final Terms as being applicable and if none of the events in limb (i) to (v) of such definition take place prior to the date specified in the applicable Final Terms for this purpose following the Interest Payment Date on which such Optionally Deferred Interest or Solvency Deferred Interest was originally deferred, the Issuer and ZIG intend to raise sufficient proceeds from the operation of the APM to satisfy any Optionally Deferred Interest or Solvency Deferred Interest.

Alternative Payment Mechanism

The Issuer may elect at its discretion to satisfy on the relevant Interest Payment Date any Interest Payment that would otherwise have been due on such Interest Payment Date without application of Conditions 3(a), 3(b) and 3(c) with funds raised prior to the Interest Payment Date by way of an APM (as defined in Condition 3(e)).

If APM Settlement (as aforesaid) is applicable, the Issuer and ZIG shall satisfy their obligations in respect of Deferred Interest which falls due by way of the alternative payment mechanism (the “**APM**”), on the relevant APM Deferred Settlement Date, by the operation of Ordinary Share Settlement.

“**Ordinary Share Settlement**” means using cash proceeds from the sale, during the period of six months immediately prior to the relevant APM Deferred Settlement Date (the “**Relevant Period**”), of existing or newly issued ordinary shares of ZIG (the “**Payment Shares**”) which proceeds are made available by ZIG to the Issuer to make the relevant payment.

If APM Settlement (as aforesaid) is applicable, the Issuer shall (except in the case of a voluntary or involuntary insolvency, winding up, liquidation, dissolution or other similar proceedings of or against the Issuer) satisfy its obligations in respect of Deferred Interest only by operation of the APM in accordance with this Condition 3(e).

In the event of the Issuer and ZIG satisfying their obligations in respect of Deferred Interest by operation of the APM the Issuer shall certify, by delivering to the Trustee a certificate signed by two Directors of the Issuer, that in making use of such APM, the Issuer or ZIG was in compliance with its obligations under this Condition 3(e) which the Trustee shall rely on absolutely without liability to any person.

As used herein, “**Qualifying APM Securities**” means ordinary shares of ZIG (including, to the extent available, treasury stock purchased at least six months prior to the date of sale of such treasury stock).

Restrictions relating to the APM

Upon the Issuer and ZIG becoming obliged to use their commercially reasonable efforts to settle Deferred Interest using the APM pursuant to this Condition 3(e), the Issuer and ZIG will use their commercially reasonable efforts to satisfy such Deferred Interest by way of Ordinary Share Settlement. The Issuer and ZIG may only utilise the Ordinary Share Settlement to the extent that the number of Payment Shares used for the purposes of the APM in any 12-month period does not exceed 2 per cent (“**Ordinary Share Issuance Threshold**”) of ZIG’s outstanding share capital.

In the event of the Issuer and ZIG satisfying their obligations in respect of Deferred Interest by utilisation of Ordinary Share Settlement, the Issuer shall certify, by delivering to the Trustee a certificate signed by two Directors of the Issuer, that the Ordinary Share Issuance Threshold has not been exceeded which the Trustee shall rely on absolutely without liability to any person.

Periods of Application of the APM

Once the Issuer and ZIG have become obliged hereunder to use their respective commercially reasonable efforts to operate the APM to settle any Optionally Deferred Interest or Solvency Deferred Interest, the Issuer and ZIG shall continue to use their respective commercially reasonable efforts to raise sufficient proceeds from the operation of the APM for up to the period specified in the applicable Final Terms for this purpose following the relevant Deferred Settlement Date to the extent permitted under prevailing applicable regulatory criteria governing the Capital Notes. If there exists, in the Issuer’s reasonable opinion, a Market Disruption Event (as defined below), then the specified period described above shall be extended by a period equal to the time during which the Market Disruption Event exists plus 60 Zurich business days.

If the applicable Final Terms provide that Intention Statement is applicable, then the applicable Final Terms shall specify the period for which the Issuer and ZIG intend to continue voluntarily to operate the APM if for any reason this has not occurred within the original period of 30 days from the Interest Payment Date in relation to which a Trigger Event is occurring.

If and to the extent that the Issuer and/or ZIG have not issued Qualifying APM Securities to settle any Deferred Interest in full within such specified time period, or, if such time periods do not otherwise apply, upon expiration of the period specified in the applicable Final Terms for this purpose after the date on which such Deferred Interest was originally deferred, the Issuer’s obligation with respect to such unsettled Deferred Interest will be cancelled.

As used herein “**Market Disruption Event**” means the occurrence or existence of any of the following events or sets of circumstances: (i) the trading in the shares of ZIG generally on any internationally recognised exchange on which such securities are traded has been suspended or the settlement of such trading generally shall have been materially disrupted; (ii) a general moratorium shall have been declared on commercial banking activities or securities settlement systems in Switzerland, the U.S., the U.K. or the region comprised of member states of the European Union that adopted the euro in accordance with the Treaty establishing the European Community of March 25, 1957, as amended, as a result of which trading in shares of ZIG has been materially disrupted; (iii) there shall have occurred a change, event or circumstance that could be expected to result in a prospective change in Swiss taxation materially and adversely affecting the Issuer or ZIG, the ordinary shares of ZIG or the imposition of exchange controls by Switzerland; or (iv) there shall have occurred an outbreak or escalation of hostilities, any terrorist attacks or calamity or crisis, or any change or development involving or likely to involve a prospective change in national or international financial, political or economic conditions in any country, as a result of which trading in shares of ZIG has been materially disrupted. The Trustee shall be entitled to rely absolutely without liability to any person on a certificate given to it by two Directors of the Issuer as to the occurrence in the Issuer’s reasonable opinion of a Market Disruption Event.

4. Interest

(a) Interest on Fixed Rate Capital Notes

Each Fixed Rate Capital Note bears interest on its outstanding nominal amount from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest payable in arrear on the Interest Payment Date(s) in each year and (if applicable) on the Maturity Date or other date fixed for redemption if that does not fall on an Interest Payment Date.

Except as provided in the applicable Final Terms and subject to Condition 3, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

If interest is required to be calculated for a period ending other than on an Interest Payment Date, such interest shall be calculated by applying the Rate of Interest to each calculation amount as specified in the applicable Final Terms (“**Calculation Amount**”) multiplying such sum by the applicable Fixed Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

For the purposes of these Conditions “**Fixed Day Count Fraction**” means:

- (i) if “**Actual/Actual (ICMA)**” is specified in the applicable Final Terms:
 - (a) where the relevant period (from and including the first day to but excluding the last day) is equal to or shorter than the Regular Period during which it falls, the actual number of days in the relevant period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods normally ending in any year; and
 - (b) where the relevant period (from and including the first day to but excluding the last day) is longer than one Regular Period, the sum of:
 - (A) the actual number of days in such relevant period falling in the Regular Period in which it begins divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and
 - (B) the actual number of days in such relevant period falling in the next Regular Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods normally ending in any year;
- (ii) if “**30/360**” is specified in the applicable Final Terms, the number of days in the period from and including the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to but excluding the relevant payment date (such number of days being calculated on the basis of 12 30-day months) divided by 360; and

“**Regular Period**” means:

- (i) in the case of Capital Notes where interest is scheduled to be paid only by means of regular payments, each period from and including the Interest Commencement Date to but excluding the first Interest Payment Date and each successive period from and including one Interest Payment Date to but excluding the next Interest Payment Date;
- (ii) in the case of Capital Notes where, apart from the first Interest Period, interest is scheduled to be paid only by means of regular payments, each period from and including a Regular Date falling in any year to but excluding the next Regular Date, where “**Regular Date**” means the day and month (but not the year) on which any Interest Payment Date falls; and

(iii) in the case of Capital Notes where, apart from one Interest Period other than the first Interest Period, interest is scheduled to be paid only by means of regular payments, each period from and including a Regular Date falling in any year to but excluding the next Regular Date, where “**Regular Date**” means the day and month (but not the year) on which any Interest Payment Date falls other than the Interest Payment Date falling at the end of the irregular Interest Period.

“**sub-unit**” with respect to any currency other than euro, means the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

If the applicable Final Terms specify that a Mid Swap Rate is applicable to interest payable on Interest Payment Dates falling in a specified period (the “**Reset Period**”), the Capital Notes will bear interest during such Reset Period at a rate determined on the Reset Determination Date as being the aggregate of the Reset Margin and the Specified Mid Swap Rate. The Specified Mid Swap Rate shall be the mid market swap rate for the Specified Swap Duration, expressed as a percentage, which appears on the Mid Swap Rate Screen Page (or such other page as may replace that page, or such other service as may be nominated by the person providing or sponsoring the information appearing there for the purpose of displaying comparable rates) at 11.00 a.m. (local time) on the Reset Determination Date. If swap rates do not appear on that page, the Specified Mid Swap Rate shall be determined by the Swap Rate Determination Agent (which, unless otherwise specified in the applicable Final Terms, shall be the Agent) on the basis of (i) quotations provided by the principal office of each of four major banks in the relevant swap market of the rates at which swaps in the applicable currency are offered by it at approximately 11.00 a.m. (local time) on the Reset Determination Date to participants in the relevant swap market for the period equal to the Specified Swap Duration; and (ii) the arithmetic mean rounded, if necessary, to the nearest 0.00001 (0.000005 being rounded upwards) of such quotations.

The Swap Rate Determination Agent will at, or as soon as practicable after, each time at which the Specified Mid Swap Rate is to be determined, determine the Specified Mid Swap Rate for the relevant Reset Period and notify the Agent as soon as practicable after determining the same.

The Agent will cause the Specified Mid Swap Rate to be notified to the relevant Issuer and any stock exchange on which the relevant Capital Notes are for the time being listed and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth London Business Day (as defined below) thereafter.

If for any reason the Swap Rate Determination Agent at any time after the Issue Date defaults in its obligation to determine the Specified Mid Swap Rate, the Trustee shall determine the Specified Mid Swap Rate at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition, but subject always to any minimum or maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all the circumstances and any such determination shall be deemed to have been made by the Swap Rate Determination Agent.

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(a), whether by the Swap Rate Determination Agent or the Trustee, shall (in the absence of wilful default, bad faith or manifest error) be binding on the relevant Issuer, ZIC (where ZIC is not the relevant Issuer), the Trustee, the Agent, the Swap Rate Determination Agent, the other Paying Agents, the Registrar and any Transfer Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the relevant Issuer, ZIC (where ZIC is not the relevant Issuer), the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent, the Trustee or the Swap rate Determination Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(b) Interest on Floating Rate Capital Notes and Indexed Interest Capital Notes

(i) Interest Payment Dates

Each Floating Rate Capital Note and Indexed Interest Capital Note bears interest on its nominal amount from (and including) the Interest Commencement Date and such interest will be payable, subject to Condition 3, in arrear on either:

- (a) the Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (b) if no express Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an “**Interest Payment Date**”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable, subject to Condition 3, in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) the Interest Commencement Date to but excluding the first Interest Payment Date and each successive period from (and including) an Interest Payment Date to but excluding the next Interest Payment Date).

If the business day convention is specified in the applicable Final Terms and if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the business day convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(b) above, the Floating Rate Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby

fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or

- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In this Condition, **“Business Day”** means a day which is both:

- (a) a day on which commercial banks and foreign exchange markets settle payments in any Additional Business Centre specified in the applicable Final Terms; and
- (b) either (1) in relation to interest payable in Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments in the principal financial centre of the country of the relevant Specified Currency (if other than any Additional Business Centre) or (2) in relation to interest payable in euro, a day on which the TARGET system is operating.

For the purposes of these Conditions **“TARGET system”** means the Trans-European Automated Real-Time Gross Settlement Express Transfer, known as TARGET 2, System which was launched on November 19, 2007 or any successor thereto.

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Capital Notes and Indexed Interest Capital Notes will be determined in the manner specified in the applicable Final Terms.

(A) ISDA Determination for Floating Rate Capital Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), **“ISDA Rate”** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (LIBOR) or the European inter-bank offered rate (EURIBOR) for a currency, the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), **“Floating Rate”**, **“Calculation Agent”**, **“Floating Rate Option”**, **“Designated Maturity”** and **“Reset Date”** have the meanings given to those terms in the ISDA Definitions.

When this sub-paragraph (A) applies, in respect of each relevant Interest Period the Agent will be deemed to have discharged its obligations under Condition 4(b)(iv) in respect of the determination of the Rate of Interest if it has determined the Rate of Interest in respect of such Interest Period in the manner provided in this sub-paragraph (A).

(B) Screen Rate Determination for Floating Rate Capital Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time or in the case of EURIBOR, Brussels time) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such quotation appears or, in the case of (ii) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Capital Notes is specified in the applicable Final Terms as being other than the London inter-bank offered rate or EURIBOR, the Rate of Interest in respect of such Capital Notes will be determined as provided in the applicable Final Terms.

(iii) Minimum and/or Maximum Interest Rate

If the applicable Final Terms specify a Minimum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Interest Rate, the Rate of Interest for such Interest Period shall be such Minimum Interest Rate.

If the applicable Final Terms specify a Maximum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Interest Rate, the Rate of Interest for such Interest Period shall be such Maximum Interest Rate.

(iv) Determination of Rate of Interest and Calculation of Interest Amounts

The Agent, in the case of Floating Rate Capital Notes, or the Calculation Agent specified in the applicable Final Terms, in the case of Indexed Interest Capital Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Indexed Interest Capital Notes, the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Agent will calculate the amount of interest (the **“Interest Amount”**) payable on the Floating Rate Capital Notes or Indexed Interest Capital Notes in respect of each Calculation Amount for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to each Calculation Amount, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

“Day Count Fraction” means, in respect of the calculation of an amount of interest of any Interest Period:

- (A) if **“Actual/Actual”** or **“Actual/Actual/ISDA”** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (B) if **“Actual/365 (Fixed)”** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (C) if **“Actual/360”** is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (D) if **“30/360”**, **“360/360”** or **“Bond Basis”** is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_{(2)} - Y_{(1)})] + [30 \times (M_{(2)} - M_{(1)})] + (D_{(2)} - D_{(1)})}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“D₁” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

(E) if “**30E/360**” or “**Eurobond Basis**” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_{(2)} - Y_{(1)})] + [30 \times (M_{(2)} - M_{(1)})] + (D_{(2)} - D_{(1)})}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“D₁” is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless such number would be 31, in which case D₂ will be 30; and

(F) if “**30E/360 (ISDA)**” is specified hereon, the number of days in the Calculation Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_{(2)} - Y_{(1)})] + [30 \times (M_{(2)} - M_{(1)})] + (D_{(2)} - D_{(1)})}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Calculation Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day included in the Calculation Period falls;

“D₁” is the first calendar day, expressed as a number, of the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Calculation Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₂ will be 30.

(v) Notification of Rate of Interest and Interest Amounts

The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Capital Notes or Indexed Interest Capital Notes are for the time being listed and notice thereof to be published in accordance with Condition 13 as soon as possible

after their determination but in no event later than the fourth London Business Day (as defined below) thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange, listing authority and/or quotation system by which the relevant Floating Rate Capital Notes or Indexed Interest Capital Notes are for the time being admitted to listing, trading and/or quotation and to the Noteholders in accordance with Condition 13. In these Conditions “**London Business Day**” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in London.

(vi) Determination or Calculation by Trustee

If for any reason the Agent or, as the case may be, the Calculation Agent at any time after the Issue Date defaults in its obligation to determine the Rate of Interest or the Agent defaults in its obligation to calculate any Interest Amount in accordance with paragraphs (ii) and (iv) above, the Trustee shall determine the Rate of Interest at such rate as, in its absolute discretion (having such regard as it shall think fit to the foregoing provisions of this Condition, but subject always to any minimum or maximum Rate of Interest specified in the applicable Final Terms), it shall deem fair and reasonable in all the circumstances or, as the case may be, the Trustee shall calculate the Interest Amount(s) in such manner as it shall deem fair and reasonable in all the circumstances and each such determination or calculation shall be deemed to have been made by the Agent or the Calculation Agent, as applicable.

(vii) Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), whether by the Agent or the Trustee or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Trustee, the Agent, the Calculation Agent (if applicable), the other Paying Agents, the Registrar and any Transfer Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent, the Trustee or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) Dual Currency Capital Notes

In the case of Dual Currency Capital Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Final Terms.

(d) Accrual of Interest

Each Capital Note (or, in the case of the redemption of part only of a Capital Note, that part only of such Capital Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue as provided in the Trust Deed.

(e) Recalculation of Interest

If a tax deduction or withholding (collectively, a “**Tax Deduction**”) is required by law to be made by the Issuer in respect of any interest payable in respect of the Capital Notes and should Condition 7(a) be unlawful for any reason, the applicable Rate of Interest in relation to Interest Amounts payable for the period ending on that Interest Payment Date will, subject to the exceptions in Condition 7(b), be the Rate of Interest which would have otherwise been payable for the period ending on that Interest Payment Date divided by 1 minus the rate (expressed as a fraction of 1) at which the relevant Tax Deduction is required to be made and the Issuer will (i) be obligated to pay the relevant Interest Amount on that Interest Payment Date at the adjusted rate in accordance with this Condition 4(e) and (ii) make the Tax Deduction on the recalculated interest amount. Without prejudice to the foregoing, all references to a Rate of Interest in the Conditions shall be construed accordingly and all provisions in Condition 7 (other than Condition 7(a)) shall apply to the Tax Deduction on the recalculated interest payment (such recalculation is referred to herein as a “**Recalculation of Interest**”).

5. Payments

(a) Method of Payment

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by transfer to an account in the relevant Specified Currency maintained by the payee with, or by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is New Zealand dollars, shall be Auckland); and
- (ii) payments in euro will be made by credit or transfer to an euro account specified by the payee.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in any jurisdiction (whether by operation of law or agreement of the Issuer or its Agents and neither the Issuer or its Agents will be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements), but without prejudice to the provisions of Condition 7. References to “**Specified Currency**” will include any successor currency under applicable law.

(b) Presentation of Capital Notes, Receipts and Coupons

Payments of principal in respect of Definitive Bearer Notes will (subject as provided below) be made in the manner provided in Condition 5(a) above only against presentation and surrender (or, in the case of part payment only, endorsement) of Definitive Bearer Notes, and payments of interest in respect of Definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment only, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the U.S. (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

In respect of Definitive Bearer Notes, payments of instalments of principal (if any), other than the final instalment, will (subject as provided below) be made in the manner provided in Condition 5(a) above against presentation and surrender (or, in the case of part payment only, endorsement) of the relevant Receipt at the specified office of any Paying Agent outside the U.S. (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)). Payment of the final instalment will be made in the manner provided in Condition 5(a) above only against presentation and surrender of the relevant Definitive Bearer Note in the manner provided in the preceding sentence. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Bearer Note to which it appertains. Receipts presented without the Definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Upon the date on which any Capital Note in definitive bearer form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. Where any such Definitive Bearer Note is presented for redemption without all unmatured Receipts, Coupons or Talons relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.

If the due date for redemption of any Definitive Bearer Note is not a Fixed Interest Date or an Interest Payment Date, interest (if any) accrued in respect of such Definitive Bearer Note from (and including) the preceding Fixed Interest Date or Interest Payment Date or, as the case may be, the Interest Commencement Date shall, subject to Condition 3, be payable only against presentation and surrender (or, in the case of part payment only, endorsement) of the relevant Definitive Bearer Note.

Payments of principal and interest (if any) in respect of Capital Notes represented by any Bearer Global Note will (subject as provided below) be made in the manner specified above in relation to Definitive Bearer Notes and otherwise in the manner specified in the relevant Bearer Global Note against presentation or surrender, as the case may be, of such Bearer Global Note at the specified office of any Paying Agent outside the U.S.. A record of each payment made against presentation or surrender of such Bearer Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Bearer Global Note by such Paying Agent and such record shall be prima facie evidence that the payment in question has been made.

The holder of a Bearer Global Note shall be the only person entitled to receive payments in respect of Capital Notes represented by such Bearer Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Bearer Global Note in respect of each amount so paid.

Notwithstanding the foregoing, if any amount of principal and/or interest in respect of this Bearer Global Note is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of this Bearer Global Note will be made at the specified office of a Paying Agent in the U.S. if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the U.S. with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the U.S. of the full amount of principal and interest on the Capital Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the U.S. is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under U.S. law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

Payments of principal in respect of Registered Notes (whether in individual or global form) will be made in the manner provided in Condition 5(a) above against presentation and surrender (or, in the case of part payment of any sum due only, endorsement) of

such Registered Global Note or Individual Registered Notes at the specified office of the Registrar or at the specified office of any Paying Agent. Payments of interest due on a Registered Note and payments of instalments (if any) of principal on a Registered Note, other than the final instalment, will be made to the person in whose name such Capital Note is registered (i) where in global form, at the close of business on the Clearing System Business Day immediately prior to the date for payment, where Clearing System Business Days means Monday to Friday inclusive except December 25 and January 1, and (ii) where in individual form, at the close of business on the 15th day (whether or not such 15th day is a business day (being for the purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) (the “**Record Date**”). In the case of payments by cheque, cheques will be mailed to the holder (or the first named of joint holders) at such holder’s registered address on the due date. If payment is required by credit or transfer as referred to in Condition 5(a) above, application for such payment must be made by the holder to the Registrar not later than the relevant Record Date.

(c) Payment Day

If the date for payment of any amount in respect of any Capital Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment of the amount due until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, and unless otherwise specified in the applicable Final Terms, “**Payment Day**” means any day which is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Payment Business Centre specified in the applicable Final Terms and, in the case of Notes in individual form only, in the relevant place of presentation; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation, any Additional Business Centre) or (2) in relation to Capital Notes denominated or payable in euro, a day on which the TARGET system is operating.

(d) Interpretation of Principal and Interest

Any reference in these Terms and Conditions to principal in respect of the Capital Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 7 or pursuant to any undertaking given in addition thereto or in substitution therefor pursuant to the Trust Deed;
- (ii) the Early Redemption Amount (as specified in the applicable Final Terms) of the Capital Notes;
- (iii) the Optional Redemption Amount(s) (as specified in the applicable Final Terms) (if any) of the Capital Notes;
- (iv) in relation to Capital Notes redeemable in instalments, the Instalment Amounts (as specified in the applicable Final Terms); and
- (v) any premium and any other amounts which may be payable by the Issuer under or in respect of the Capital Notes.

Any reference in these Terms and Conditions to interest in respect of the Capital Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7 or pursuant to any undertakings given in addition thereto or in substitution therefor pursuant to the Trust Deed.

(e) Payments on Listed Swiss Franc Capital Notes

The receipt by the Principal Paying Agent named in the applicable Final Terms (the “**Principal Paying Agent**”) from the Issuer of each payment in full of principal and/or interest then due in respect of any Listed Swiss Franc Capital Notes at the time and in the manner specified in the agency agreement appointing the Principal Paying Agent to act as such in relation to the Listed Swiss Franc Capital Notes shall (except to the extent that such payment is avoided or set aside for any reason) satisfy the obligation of the Issuer under such Capital Notes to make such payment on such date and shall (except as aforesaid) release it from all further obligations in respect of such payment.

(g) Definition

In this Condition, “**euro**” means the single currency adopted by those states participating in European Monetary Union from time to time.

6. Redemption and Purchase

(a) At Maturity

Each Capital Note which is specified in the applicable Final Terms as being a Dated Capital Note (“**Dated Capital Notes**”), unless previously redeemed or purchased and cancelled as specified below, will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms together, if applicable, with interest accrued to the date fixed for redemption and, in the case of Capital Notes which are specified in the applicable Final Terms as being Cumulative, any applicable Deferred Interest on the Maturity Date provided that, in the case of Dated Capital Notes if so specified in the applicable Final Terms, if a Solvency Event has occurred and is continuing on the Maturity Date or would occur as a result of the relevant redemption, the Dated Capital Notes shall not be redeemed, unless the prior written approval of FINMA or any Successor Authority for such payment has been given. In such circumstances, if a Solvency Event has occurred and is continuing on the Maturity Date and no prior written approval as aforesaid has been given, each such Dated Capital Note will be redeemed by the Issuer promptly following either the obtaining of such written approval or no Solvency Event continuing (including following the relevant redemption) and the giving of not more than 30 nor less than 15 days’ notice to such effect by the Issuer to Noteholders in accordance with Condition 13. References herein to “**Maturity Date**” shall be construed accordingly to refer to such later date of redemption and for the avoidance of doubt, interest shall continue to accrue (without compounding) as provided in Condition 4 on any such Dated Capital Note until such later date of redemption.

A certificate as to the occurrence of a Solvency Event and as to whether or not written approval of FINMA or any Successor Authority as aforesaid has been given signed by two Directors of the Issuer or ZIG, shall, in the absence of manifest error be treated and accepted by the Issuer, the Noteholders, the Trustee, the Receiptholders, the Couponholders and all other interested parties as correct and sufficient evidence thereof. The Trustee shall be entitled to rely upon such certification absolutely without liability to any persons.

Each Capital Note which is specified in the applicable Final Terms as an Undated Capital Note (“**Undated Capital Notes**”) is perpetual and has no fixed maturity date and is only redeemable or repayable in accordance with the following provisions of this Condition 6 or Condition 9.

(b) Redemption for Tax Reasons

The Capital Notes may, subject to Condition 6(j), be redeemed at the option of the Issuer prior to the first Optional Redemption Date in whole, but not in part, at any time (if this Capital Note is neither a Floating Rate Capital Note nor an Indexed Interest Capital Note) or on any Interest Payment Date (if this Capital Note is either a Floating Rate Capital Note or an Indexed Interest Capital Note) at the relevant Regular Redemption Price or, as appropriate, Special Redemption Price referred to below, together, if applicable, with interest accrued to the date fixed for redemption and, in the case of Capital Notes which are specified in the applicable Final Terms as being Cumulative, any applicable Deferred Interest, on giving not less than 30 nor more than 60 days’ notice to the Trustee and the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), if the Issuer satisfies the Trustee immediately before the giving of such notice that:

- (i) on the occasion of the next payment due under the Capital Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of (a) any law or regulation in existence on the Issue Date (in which case the Special Redemption Price specified in the applicable Final Terms shall apply) or (b) change in, or amendment to, the laws or regulations of the Relevant Jurisdiction(s) (as defined below) or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Capital Notes (a “**Tax Law Change**”) (in which case the Regular Redemption Price specified in the applicable Final Terms shall apply); and in the case of both (a) and (b) such obligation cannot be avoided by the Issuer taking such reasonable measures available to it as it (acting in good faith) deems appropriate, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Capital Notes then due;
- (ii) on the occasion of the next payment of interest due under the Capital Notes, the Issuer would not be able to obtain a tax deduction for the purposes of Swiss corporation tax for that payment as a result of (a) any law or regulation in existence on the Issue Date (in which case the Special Redemption Price specified in the applicable Final Terms shall apply) or (b) a Tax Law Change (in which case the Regular Redemption Price specified in the applicable Final Terms shall apply) and in the case of both (a) and (b) such cannot be avoided by the Issuer taking such reasonable measures available to it as it (acting in good faith) deems appropriate; or
- (iii) on the occurrence of a Recalculation of Interest which (a) arises as a result of a Tax Law Change, in which case the Regular Redemption Price specified in the applicable Final Terms shall apply or (b) arises otherwise than as a result of a Tax Law Change, in which case the Special Redemption Price specified in the applicable Final Terms shall apply; and in the case of both (a) and (b) such Recalculation of Interest cannot be avoided by the Issuer taking such reasonable measures available to it as it (acting in good faith) deems appropriate, provided that no such notice of redemption shall be given earlier than

90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Capital Notes then due.

The Trustee is under no obligation to ascertain whether any of the events described in this Condition or any event which could lead to the occurrence of, or could constitute any such event, has occurred and, until it shall have actual knowledge or notice pursuant to the Trust Deed to the contrary, the Trustee may assume that no such event has occurred.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Trustee a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to such effect and the Trustee shall be entitled to accept the certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event they shall be conclusive and binding on the Noteholders, the Receiptholders and the Couponholders.

In these Conditions, “**Relevant Jurisdiction(s)**” means, unless otherwise specified in the applicable Final Terms, Switzerland.

(c) Redemption for Other Reasons

The Capital Notes may, subject to Condition 6(j), be redeemed at the option of the Issuer prior to the first Optional Redemption Date in whole, but not in part, at any time (if this Capital Note is neither a Floating Rate Capital Note nor an Indexed Interest Capital Note) or on any Interest Payment Date (if this Capital Note is either a Floating Rate Capital Note or an Indexed Interest Capital Note) (provided that if at any time the inclusion of a redemption option due to an Accounting Event or a Capital Event (each as defined below) causes a Regulatory Event, the relevant date for redemption may only fall on or after the fifth anniversary of the Issue Date) at the Regular Redemption Price or the Special Redemption Price, as specified in the applicable Final Terms, together, if applicable, with interest accrued to the date fixed for redemption and, in the case of Capital Notes which are specified in the applicable Final Terms as being Cumulative, any applicable Deferred Interest on giving not less than 30 nor more than 60 days’ notice to the Trustee, the Agent and, in accordance with Condition 13, the Noteholders (which shall be irrevocable), if the Issuer satisfies the Trustee immediately before the giving of such notice that:

- (i) if so specified in the applicable Final Terms, an Accounting Event has occurred and is continuing; or
- (ii) if so specified in the applicable Final Terms, a Capital Event has occurred and is continuing; or
- (iii) if so specified in the applicable Final Terms, a Regulatory Event has occurred and is continuing.

As used herein:

“**Accounting Event**” means that an opinion of a recognised accounting firm has been delivered to the Issuer, stating that obligations of the Issuer in respect of the Capital Notes must not or must no longer be recorded under the Initial Accounting Treatment Methodology specified in the applicable Final Terms (either “**liabilities**” or “**equity**”), (being the presentation of the Capital Notes under IFRS as at the Issue Date) on the balance sheet of ZIG published in its annual consolidated financial statements pursuant to IFRS and this cannot be avoided by the Issuer or, as the case may be, ZIG taking such reasonable measures as the Issuer or ZIG (acting in good faith) deems appropriate. The Issuer will deliver the applicable opinion to the Trustee.

“**Capital Event**” means a change by a nationally recognised statistical rating organisation to its equity credit criteria, or the interpretation or application thereof, for securities such as the Capital Notes, as such criteria are in effect on the Issue Date (the “**current criteria**”), which change has been confirmed in writing to the Issuer by such organisation and results in a lower equity credit being given to the Capital Notes as of the date of such change by such nationally recognised statistical rating organisation pursuant to its current criteria and the Issuer shall deliver such written notification of such nationally recognised statistical rating organisation to the Trustee.

“**Future Regulations**” means the solvency margin, regulatory capital or capital regulations (if any) which may be introduced in Switzerland (or if ZIC becomes domiciled for regulatory purposes in a jurisdiction other than Switzerland, such other jurisdiction) and which are applicable to ZIC, which would set out the requirements to be fulfilled by financial instruments in order to be eligible to be included in Tier Two (or equivalent) own funds regulatory capital.

“**Regulatory Event**” means, in respect of Undated Capital Notes, the occurrence of any of the following events which occurrence cannot be avoided by the Issuer taking such reasonable measures as the Issuer (acting in good faith) deems appropriate:

- (A) prior to the implementation of the Future Regulations, FINMA or any Successor Authority states that the Capital Notes are no longer eligible to qualify as at least upper additional capital (“*oberes ergänzendes Kapital*”) pursuant to Art. 49 in connection with Art. 39 of the SPICO (as defined below), and no longer fulfil the requirements for such category, or equivalent thereof, for group or solo solvency purposes; or
- (B) with effect from the implementation of the Future Regulations, the Capital Notes do not qualify, or initially qualify but cease to so qualify, as at least Tier Two own funds (or equivalent) under such Future Regulations (or an official application or interpretation of those regulations including a decision of a court or tribunal); or

- (C) FINMA or any Successor Authority issues guidance after the Issue Date in relation to Tier 1 Capital (“*Kernkapital*”) qualifying instruments for group or solo solvency purposes (by way of law, ordinance, regulation or interpretation thereof), and FINMA or any Successor Authority affords the Capital Notes recognition as Tier 1 Capital (“*Kernkapital*”) for group or solo solvency purposes, and at a subsequent time FINMA or any Successor Authority states that the Capital Notes no longer fulfil the requirements of Tier 1 Capital (“*Kernkapital*”),

save, in each case above, where such non-qualification thereof applicable to the Capital Notes is only as a result of any applicable limitation on the amount of such capital.

“**Regulatory Event**” means, in respect of Dated Capital Notes, the occurrence of any of the following events which occurrence cannot be avoided by the Issuer taking such reasonable measures as the Issuer (acting in good faith) deems appropriate:

- (A) prior to the implementation of the Future Regulations, FINMA or any Successor Authority states that the Capital Notes are no longer eligible to qualify as at least lower additional capital pursuant to Art. 49 in connection with Art. 39 of the SPICO (as defined below), and no longer fulfil the requirements for such category, or equivalent thereof, for group or solo solvency purposes; or
- (B) with effect from the implementation of the Future Regulations, the Capital Notes do not qualify, or initially qualify but cease to so qualify, as at least Tier Two own funds (or equivalent) under such Future Regulations (or an official application or interpretation of those regulations including a decision of a court or tribunal); or
- (C) FINMA or any Successor Authority issues guidance after the Issue Date in relation to Tier 1 Capital (“*Kernkapital*”) qualifying instruments for group or solo solvency purposes (by way of law, ordinance, regulation or interpretation thereof), and FINMA or any Successor Authority affords the Capital Notes recognition as Tier 1 Capital (“*Kernkapital*”) for group or solo solvency purposes, and at a subsequent time FINMA or any Successor Authority states that the Capital Notes no longer fulfil the requirements of Tier 1 Capital (“*Kernkapital*”),

save, in each case above, where such non-qualification thereof applicable to the Capital Notes is only as a result of any applicable limitation on the amount of such capital.

“**SPICO**” means the Ordinance on the Supervision of Private Insurance Companies (*Verordnung über die Beaufsichtigung von privaten Versicherungsunternehmen* — AVO) of November 9, 2005, as amended.

“**Special Event**” means any of an Accounting Event, a Capital Event or a Regulatory Event or any combination of the foregoing;

“**Tier 1 Capital**” means core capital (“*Kernkapital*”) pursuant to Art. 48 SPICO.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Trustee a certificate signed by two Directors of the Issuer stating that the circumstances described in the definitions of Accounting Event, Capital Event or Regulatory Event (as appropriate) have occurred and that, where such Special Event requires reasonable measures as the Issuer or, as the case may be, ZIG may deem appropriate to be taken, the relevant Special Event cannot be avoided by the Issuer or, as the case may be, ZIG taking such measures and the Trustee shall be entitled to accept such certificate as sufficient evidence that the circumstances described in the relevant Special Event apply, in which event it shall be conclusive and binding on the Noteholders, Receiptholders and the Couponholders.

The Trustee is under no obligation to ascertain whether any Special Event or any event which could lead to the occurrence of, or could constitute, any such Special Event, has occurred and, until it shall have actual knowledge or notice pursuant to the Trust Deed to the contrary, the Trustee may assume that no such Special Event has occurred.

(d) Redemption at the Option of the Issuer

Subject to Condition 6(j), the Issuer may, having given:

- (i) not less than 15 nor more than 30 days’ notice to the Noteholders in accordance with Condition 13; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), written notice to the Trustee and the Agent,

(which notices shall be irrevocable), redeem all but not, unless so specified in the applicable Final Terms, some only of the Capital Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date and, in the case of Capital Notes which are specified in the applicable Final Terms as being Cumulative, any applicable Deferred Interest.

(e) Substitution or Variation

If any of the events described in Condition 6(b) or 6(c) has occurred and is continuing, then the Issuer may, subject to Condition 6(j), (without any requirement for the consent or approval of the Noteholders) and subject to having satisfied the Trustee immediately prior to the giving of such notice referred to herein that the provisions of this Condition 6(e) have been complied

with and having given not less than seven days' written notice to the Trustee, the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), at any time either substitute all (but not some only) of the Capital Notes for, or vary the terms of the Capital Notes so that they remain or, as appropriate, become, Qualifying Securities and the Trustee shall (subject as provided below and to the following provision of this Condition 6(e) being complied with and subject further to the receipt by the Trustee of a certification by the Directors of the Issuer referred to below) agree to such substitution or variation. In connection therewith, in the case of Capital Notes which are specified in the applicable Final Terms as being Cumulative, all applicable Deferred Interest (if any) will be satisfied by operation of the APM or otherwise, as applicable.

Upon the expiry of such notice, the Issuer shall either vary the terms of, or substitute, the Capital Notes in accordance with this Condition 6(e), as the case may be. The Trustee shall not be obliged to participate in any substitution or variation of the Capital Notes for any proposed alternative Qualifying Securities if the terms of the proposed alternative Qualifying Securities would impose, in the Trustee's opinion, more onerous obligations on it.

As used herein, "**Qualifying Securities**" means securities:

- (a) having terms (including terms providing for deferral and/or cancellation of payment of interest and/or principal) that are not materially less favourable to an investor than the terms of the Capital Notes (as reasonably determined by the Issuer after consulting an independent investment bank of international standing, and provided that a certification to such effect of two Directors of the Issuer shall have been delivered to the Trustee prior to the issue of the relevant securities); and
- (b) issued by the Issuer or issued by another member of the Zurich Insurance Group with a guarantee by the Issuer, such that investors have the same material rights and claims as provided by the Capital Notes (as reasonably determined by the Issuer, and provided that a certification to such effect of two Directors shall have been delivered to the Trustee prior to the issue of the relevant securities); and
- (c) ranking at least equal to the Capital Notes and featuring the same principal amount, interest rate (including applicable margins and step-up), Interest Payment Dates and Optional Redemption Dates as the Capital Notes; and
- (d) containing terms which preserve the obligations (including the obligations arising from the exercise of any right) of the Issuer as to redemption of the Notes, including (without limitation) as to timing of and amounts payable on, such redemption; and
- (e) which do not contain any terms providing for loss absorption through principal write-down or conversion to ordinary shares, unless the triggers are objective and measurable; and
- (f) listed on an internationally recognised stock exchange, if the Capital Notes were listed prior to such substitution or variation.

In addition, any substitution or modification is subject to (A) all interest amounts, including Deferred Interest, and any other amount payable under the Capital Notes which, in each case, has accrued to Noteholders and has not been paid, being satisfied in full on or prior to the date hereof; (B) compliance with Condition 6(j); (C) the substitution or variation not itself giving rise to a change in any published rating of the Capital Notes in effect at such time as confirmed in writing by the rating organisations who have given such published rating of the Capital Notes previously; (D) the substitution or variation not triggering the right on the part of the Issuer to redeem the Capital Notes pursuant to Condition 6(b) or 6(c); and (E) certification by two Directors of the Issuer that the securities in question are "**Qualifying Securities**" in accordance with the definition set out above and that the conditions set out herein have been complied with, which such certificate shall be delivered to the Trustee prior to the substitution or variation of the relevant securities and upon which certificate the Trustee shall be entitled to rely absolutely without liability to any person.

In connection with any substitution or variation as indicated above, the Issuer will comply with the rules of any stock exchange or other relevant authority on which the Capital Notes are then listed or admitted to trading.

(f) Maintenance of Capital

The applicable Final Terms will specify whether the Issuer or, as the case may be, ZIG intends to enter into a replacement capital covenant for the benefit of one or more designated series of the Issuer's debt securities. It is anticipated that the terms of any such replacement capital covenant will provide that the Issuer will not redeem or repurchase any of the relevant Capital Notes and will not permit any subsidiary to purchase any of the relevant Capital Notes, unless and to the extent that the aggregate redemption, repurchase or purchase price is equal to or less than the net proceeds (or in certain circumstances a specified percentage of such net proceeds) received by the Issuer, ZIG or their respective subsidiaries during the twelve months prior to such redemption, repurchase or purchase date from new issuances of qualifying securities and that the covenant will terminate on the redemption of the Capital Notes if not terminated earlier in accordance with its terms. Any such replacement capital covenant will continue to be effective following any substitution or variation of the Capital Notes in accordance with their terms.

In the event of a replacement capital covenant being specified in the applicable Final Terms, the Issuer will provide a certificate to the Trustee signed by two Directors of the Issuer prior to any redemption, repurchase or purchase referred to above that the

conditions specified in such replacement capital covenant in relation to any such redemption, repurchase or purchase have been satisfied which the Trustee shall rely on absolutely without liability to any person.

If so specified in the applicable Final Terms, the following statement shall apply. The Capital Notes will form part of the Issuer's capital resources and, as such, it is the Issuer's intention to redeem the Capital Notes only to the extent that the Issuer, ZIG or any of their respective subsidiaries have, in the period of twelve months preceding such redemption, raised funds in an amount at least equal to the aggregate principal amount of the Capital Notes by the external issuance and sale of any ordinary shares or any securities that have equal or greater equity characteristics relative to the Capital Notes.

(g) Instalments

Instalment Capital Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the relevant redemption amount will be determined as provided in the applicable Final Terms.

(h) Purchases

The Issuer or any of its Subsidiaries (as such term is defined in the Trust Deed) may, subject to Condition 6(j) and, in the case of Restricted Capital Notes subject to Condition 10(j), at any time purchase Capital Notes (provided that, in the case of Definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Capital Notes may be held, resold or, at the option of the Issuer, surrendered to any Paying Agent or the Registrar for cancellation.

(i) Cancellation

All Capital Notes which are redeemed or purchased and surrendered for cancellation will forthwith be cancelled (together, in the case of Definitive Bearer Notes, with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Capital Notes so cancelled and the Capital Notes purchased and cancelled pursuant to Condition 6(h) above (together in the case of Definitive Bearer Notes with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

(j) Conditions to Redemption, Substitution, Variation and Purchase

The Issuer may only redeem a Capital Note, or substitute or vary it in accordance with Condition 6(e) (and the persons referred to in Condition 6(h) may only purchase a Capital Note) if FINMA or any Successor Authority has given (and has not subsequently withdrawn) its consent to the redemption (or substitution or variation or purchase as appropriate) to the extent such consent is required or otherwise has not objected to such redemption (or substitution or variation or purchase).

7. Taxation

(a) Additional Amounts

All payments of principal, premium and interest in respect of the Capital Notes will be made free and clear of, and without any Tax Deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed by Switzerland or any subdivision thereof (“**Taxes**”) or required pursuant to an agreement described in section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “**Code**”), unless the Issuer is compelled by law and/or by agreement of the Issuer to make such Tax Deduction. In the event of such Tax Deduction, the Issuer will pay such additional amounts (the “**Additional Amounts**”) as will result (after such Tax Deduction) in receipt by the Noteholders of such sums as the Noteholders would have received if no Tax Deduction had been required.

(b) Exceptions

However, no such Additional Amounts or interest recalculated pursuant to Condition 4(e) shall be payable with respect to such Taxes in respect of any Noteholder:

- (i) if Capital Notes other than Restricted Capital Notes are issued;
- (ii) if the Capital Note is presented for payment by or on behalf of a Noteholder which is liable to such taxes, duties, assessments or governmental charges in respect of that Capital Note by reason of it having some connection with the Relevant Jurisdiction other than the mere holding of that Capital Note;
- (iii) if the Capital Note is presented for payment more than 30 days after the Relevant Date (as defined below), except to the extent that the relevant holder would have been entitled to payment of such Additional Amounts or recalculated interest if it had presented its Capital Note for payment on the 30th day after the Relevant Date, on the assumption if such is not the case, that such last day is a Business Day;

- (iv) where such Tax Deduction is imposed on a payment to an individual or a residual entity and (y) is required to be made pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive or (z) is required to be made pursuant to any agreements between the European Community and other countries or territories providing for measures equivalent to those laid down in the European Council Directive 2003/48/EC or any law or other governmental regulation implementing or complying with, or introduced in order to conform to, such agreements;
- (v) any U.S. federal withholding tax that is imposed, assessed, levied or collected by reason of Section 1471 through 1474 of the Code (or any regulations promulgated thereunder or administrative interpretations thereof or agreement with any Relevant Jurisdiction or the U.S. relating thereto);
- (vi) where such withholding or deduction is imposed on a payment and is required to be made pursuant to laws enacted by Switzerland providing for the taxation of payments according to principles similar to those laid down (y) in the European Council Directive 2003/48/EC or (z) in the draft legislation proposed by the Swiss Federal Council on August 24, 2011, in particular the principle to have a person other than the Issuer withhold or deduct the tax, including, without limitation, any paying agent;
- (vii) if the Capital Note is presented for payment by or on behalf of a Noteholder which would have been able to avoid such Tax Deduction by presenting the Capital Note to a Paying Agent in another Member State of the European Union;
- (viii) (if so specified in the applicable Final Terms) if the payment could have been made to the relevant Noteholder without a Tax Deduction if it were a Qualifying Lender (as defined below), but on that date that Noteholder is not or has ceased to be a Qualifying Lender other than as a result of any change after the date it became a Noteholder under these Conditions in (or in the interpretation, administration, or application of) any law or double taxation treaty, or any published practice or concession of any relevant taxing authority; or
- (ix) if the payment could have been made without a Tax Deduction if the Noteholders had complied with Conditions 10(j) and 10(k) (if Condition 10(j) is expressed in the applicable Final Terms to apply).

(c) Evidence

Within 30 days of making either a Tax Deduction or a payment required in connection with a Tax Deduction, the Issuer shall deliver to the relevant Noteholder evidence satisfactory to that Noteholder (acting reasonably) that the Tax Deduction has been made or (as applicable) the appropriate payment has been paid to the relevant taxing authority.

(d) Refund

If the Issuer is required to make a Tax Deduction and the relevant Noteholder (acting in good faith) determines that (i) a Tax refund for such Tax Deduction is available to it and it has retained that Tax refund, that Noteholder shall pay within 10 Business Days after such Tax refund an amount to the Issuer which that Noteholder determines (in its sole discretion) will leave it (after that payment) in the same after-tax position as it would have been if the payment of the Additional Amount had not been required to be made by the Issuer.

(e) Definitions

As used in the Conditions:

“Guidelines” means, together, the guideline “Interbank Loans” of September 22, 1986 (S-02.123) (*Merkblatt “Verrechnungssteuer auf Zinsen von Bankguthaben, deren Gläubiger Banken sind (Interbankguthaben)” vom 22. September 1986*); the guideline “Bonds” of April 1999 (S 02.122.1) (*Merkblatt “Obligationen” vom April 1999*); the guideline “Syndicated Loans” of January 2000 (S-02.128) (*Merkblatt “Steuerliche Behandlung von Konsortialdarlehen, Schuldscheindarlehen, Wechseln und Unterbeteiligungen” vom Januar 2000*); ; the circular letter No. 15 (1-015-DVS-2007) of February 7, 2007 in relation to bonds and derivative financial instruments as subject matter of Swiss federal income tax, Swiss federal withholding tax and Swiss federal stamp taxes (*Kreisschreiben Nr. 15 “Obligationen und derivative Finanzinstrumente als Gegenstand der direkten Bundessteuer, der Verrechnungssteuer und der Stempelabgaben” vom 7. Februar 2007*) and the circular letter “Deposits” of July 26, 2011 (1-034-V-2011) (*Kreisschreiben Kundenguthaben vom 26. Juli 2011*), each as issued, and as amended from time to time, by the Swiss federal tax authorities.

“Non-Bank Rules” means the Ten Non-Bank Rule and the Twenty Non-Bank Rule (each as defined below).

“Permitted Non-Qualifying Lender” means in respect of a Series of Restricted Capital Notes a person or entity which is not a Qualifying Bank on the date it becomes a Noteholder and:

- (i) is initially a Permitted Non-Qualifying Lender (if any) specified in the applicable Final Terms (for so long as that Permitted Non-Qualifying Lender continues to be a Noteholder in accordance with the Conditions), or

- (ii) is a successor of an initial Permitted Non-Qualifying Lender, or any subsequent successor thereof, by way of Transfer (as defined in Condition 10(j)) of all but not some only of the Capital Notes held by such initial Permitted Non-Qualifying Lender, or such subsequent successor thereof (for so long as that successor continues to be a Noteholder in accordance with the Conditions), which:
 - (A) has prior to its becoming a Noteholder, satisfied all obligations to be fulfilled by a proposed Permitted Non-Qualifying Lender in accordance with Condition 10(j), provided that:
 - (a) within ten (10) Business Days of notification to it by the existing Permitted Non-Qualifying Lender of the identity of such proposed Permitted Non-Qualifying Lender, the Issuer may, as a condition precedent to such proposed Permitted Non-Qualifying Lender becoming a Noteholder:
 - (i) request from that proposed Permitted Non-Qualifying Lender a confirmation that it has disclosed to the Issuer all facts relevant to the determination as to whether it would be a Permitted Non-Qualifying Lender and would constitute one (1) person only for purposes of the Non-Bank Rules; and
 - (ii) irrespective of whether a request is made in accordance with paragraph (A)(a)(i) above, request from that proposed Permitted Non-Qualifying Lender a tax ruling of the Swiss Federal Tax Administration (at the cost of the existing Permitted Non-Qualifying Lender or the proposed Permitted Non-Qualifying Lender), confirming to the Issuer's satisfaction that such proposed Permitted Non-Qualifying Lender does constitute one (1) person only for purposes of the Non-Bank Rules; and
 - (b) the Issuer, acting reasonably, shall confirm within ten (10) Business Days of notification of all facts (if a request in accordance with paragraph (A)(a)(i) above has been made) or receipt of a tax ruling (if a request in accordance with paragraph (A)(a)(ii) above has been made) whether or not such disclosure, or such tax ruling, as the case may be, is satisfactory and, in the absence of such confirmation, the Issuer shall be deemed to have confirmed such disclosure, or such tax ruling, as the case may be, is so satisfactory on the tenth (10th) Business Day after receipt hereof or thereof; and
- (B) has, simultaneously with becoming a Noteholder, succeeded the existing Permitted Non-Qualifying Lender as "Permitted Non-Qualifying Lender" under all, but not some only, Restricted Capital Notes of the respective Series and under any and all other existing or future Series of Restricted Capital Notes, or similar instruments, between the Issuer and the existing Permitted Non-Qualifying Lender (or any successor thereof).

"Permitted Non-Qualifying Lenders" means in respect of a Series of Restricted Capital Notes the number of Permitted Non-Qualifying Lenders specified in the applicable Final Terms.

"Qualifying Bank" means a person or entity which (a) effectively conducts banking activities with its own infrastructure and staff as its principal business purpose and which has a banking licence in full force and effect issued in accordance with the banking laws in force in its jurisdiction of incorporation, or if acting through a branch, issued in accordance with the banking laws in the jurisdiction of such branch and (b) is organised under the laws of a country which is a member of the Organisation for Economic Co-operation and Development (OECD).

"Qualifying Lender" means a Noteholder which is a Qualifying Bank or a Permitted Non-Qualifying Lender.

"Relevant Date" means whichever is the later of the date on which the payment in question first becomes due and, if the full amount payable has not been received by the Agent on or prior to that due date, the date on which notice of receipt of the full amount has been given to the Noteholders in accordance with Condition 13.

"Restricted Capital Notes" means Capital Notes issued in accordance with Conditions 10(j) and 10(k).

"Tax Deduction" has the meaning set out in Condition 4(e).

"Ten Non-Bank Rule" means the rule that the aggregate number of Noteholders under a Series of Restricted Capital Notes which are not Qualifying Banks must not at any time exceed ten, in each case in accordance with the meaning of the Guidelines.

"Twenty Non-Bank Rule" means the rule that the aggregate number of the Issuer's lenders (including Noteholders), other than Qualifying Banks, under all outstanding debts relevant for classification as debenture (*Kassenobligation*), such as intra-Group loans, facilities and/or private placements (including under Restricted Capital Notes and Capital Notes not classified as a taxable bond (*Anleihensobligation*)) must not at any time exceed twenty, in each case in accordance with the meaning of the Guidelines.

Under existing law, ZIC is obliged to withhold the Swiss federal withholding tax on any payment of interest in respect of a Capital Note at the current rate of 35 per cent. On August 24, 2011 the Swiss Federal Council issued draft legislation, which, if enacted, would remove such obligation entirely. Instead, the obligation would be imposed on any paying agent in Switzerland (as defined in the proposed new law) but only if the payment of interest in respect of a Capital Note were made to an individual resident in

Switzerland or to any person (not only individual) resident outside Switzerland. In all other cases no withholding obligation would arise under the proposed new law.

8. Prescription

The Capital Notes, Receipts and Coupons will become void unless presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) therefor.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

The Luxembourg Act dated September 3, 1996 on the involuntary dispossession of bearer securities, as amended, requires that any amount that is payable under the Bearer Notes (if any) before opposition (if applicable) in relation to the Bearer Notes has been filed but not yet been paid to the holder of the Bearer Notes is paid to the *Caisse de Consignation* in Luxembourg until the opposition has been withdrawn or has elapsed.

9. Dissolution Event

(a) Dissolution Event

The Trustee at its discretion may, and if so requested in writing by the holders of not less than 25 per cent in nominal amount of the Capital Notes then outstanding or if so directed by an Extraordinary Resolution (as defined in the Trust Deed) of the Noteholders shall (but, in each case, subject to the Trustee having been indemnified and/or secured to its satisfaction), give notice to the Issuer that the Capital Notes are immediately due and repayable at an amount equal to the principal amount of such Capital Note together with, unless otherwise specified in the applicable Final Terms, accrued interest and, in the case of Capital Notes which are specified in the applicable Final Terms as being Cumulative, any applicable Deferred Interest if the following event (“**Dissolution Event**”) shall have occurred: a resolution is passed or an order of a court of competent jurisdiction is made that the Issuer be wound up or dissolved otherwise than for the purpose of or pursuant to and followed by a consolidation, amalgamation, merger or reconstruction the terms of which shall have previously been approved in writing by the Trustee or by an Extraordinary Resolution of Noteholders or as a result of a Permitted Reorganisation (a “**Dissolution Event**”).

(b) Proceedings for Winding-up

If the Capital Notes become due and repayable (whether pursuant to Condition 9(a), Condition 6 or otherwise) and are not paid when so due and repayable, the Trustee may at its discretion participate in, but not itself institute, proceedings for the winding-up of the Issuer and may take no further action to enforce the obligations of the Issuer for payment of any principal or interest (including, in the case of Capital Notes which are specified in the applicable Final Terms as being Cumulative, applicable Deferred Interest, if any) in respect of the Capital Notes.

No payment in respect of the Capital Notes may be made by the Issuer pursuant to Condition 9(a), nor will the Trustee accept the same, otherwise than during or after a winding-up of the Issuer.

(c) Enforcement

Without prejudice to Condition 9(a) or 9(b) above and, in the case of Restricted Capital Notes, subject to Conditions 10(j) and 10(k), the Trustee may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Trust Deed, the Capital Notes or the Coupons (other than any obligation for the payment of any principal or interest in respect of the Capital Notes or the Coupons) provided that the Issuer shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

(d) Rights of Noteholders

No Noteholder, Receiptholder or Couponholder shall be entitled to proceed directly against the Issuer or to prove in the winding-up of the Issuer unless the Trustee, having become so bound to proceed or being able to prove in such winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the Noteholders, Receiptholders or Couponholders shall have only such rights against the Issuer as those which the Trustee is entitled to exercise.

(e) Extent of Noteholders’ Remedy

No remedy against the Issuer other than as referred to in this Condition 9, shall be available to the Trustee or the Noteholders, Receiptholders or Couponholders, whether for the recovery of amounts owing in respect of the Capital Notes or under the Trust Deed or in respect of any breach by the Issuer of any of its other obligations under or in respect of the Capital Notes or under the Trust Deed.

In this Condition: **“Permitted Reorganisation”** means an amalgamation, merger, consolidation, reorganisation or other similar arrangement entered into by the Issuer under which:

- (a) the whole or a substantial part of the business, undertaking and assets of the Issuer are transferred to, and all the liabilities and obligations of the Issuer are assumed by, the new or surviving entity either:
 - (A) automatically by operation of applicable law; or
 - (B) by means of the new or surviving entity assuming all of the obligations of the Issuer under the terms of the Trust Deed and the Notes and as fully as if (and to the same extent in terms of ranking in a winding-up) it had been named in the Trust Deed and the Notes in place of the Issuer, and,
- (b) the new or surviving entity will immediately after such amalgamation, merger, consolidation, reorganisation or other similar arrangement be subject to the same regulation and supervision by the same regulatory authority (if any) as the Issuer was subject to immediately prior thereto.

10. Exchange of Capital Notes, transfer of Registered Global Notes, interests in Reg. S Notes, Individual Registered Notes and Replacement of Notes, Receipts, Coupons and Talons

(a) Exchange of Bearer Notes for Registered Notes

If so specified in the applicable Final Terms, a Bearer Note in definitive form may be exchanged for Registered Notes of like aggregate nominal amount (in individual registered form) by submission of a duly completed request for exchange substantially in the form provided in the Agency Agreement (an **“Exchange Request”**), copies of which are available from the specified office of the Registrar or any Transfer Agent, together with the Definitive Bearer Note and all unmatured Coupons, Talons and Receipts appertaining thereto, to a Transfer Agent at its specified office. Within five business days (being for this purpose, a day on which commercial banks and foreign exchange markets are open for business in the jurisdiction of the relevant Transfer Agent) of the request, in relation to Individual Registered Notes for which the Definitive Bearer Note is to be exchanged, the relevant Transfer Agent will authenticate and deliver, or procure the authentication and delivery of, at its specified office to the holder or (at the risk of the holder) send by mail to such address as may be specified by the holder in the Exchange Request, the Individual Registered Note(s) of a like aggregate nominal amount to the Definitive Bearer Note(s) exchanged and will enter the exchange of the Definitive Bearer Note(s) in the Register maintained by the Registrar as of the date which is 40 days after the date on which any Temporary Global Note is issued (the **“Exchange Date”**).

Exchange Requests may not be presented on or after the Record Date (as defined in Condition 5(b)) in respect of any Interest Payment Date up to and including such Interest Payment Date. Interest on Individual Registered Notes issued on exchange will accrue as from the immediately preceding Interest Payment Date, as the case may be. No exchanges of Bearer Notes for Registered Notes or interests in Registered Global Notes will be permitted for so long as the Bearer Notes are represented by a Temporary Global Note.

(b) Exchange of interests in Registered Global Notes for Individual Registered Notes

Interests in the Reg. S Global Note will be exchangeable for Individual Registered Notes in the following limited circumstances: (i) if Euroclear or Clearstream, Luxembourg is closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or announces its intention permanently to cease business or does in fact do so and no alternative clearance system acceptable to the Trustee is available or (ii) the Trustee has instituted or has been directed to institute any judicial proceeding in a court to enforce the rights of Noteholders under the Capital Notes represented by such Registered Global Note, and the Trustee has been advised by counsel that in connection with such proceedings it is necessary or appropriate for the Trustee to obtain possession of Individual Registered Notes representing the Registered Global Note. Upon the occurrence of any of the events described in the preceding sentence, the Issuer will cause the appropriate Individual Registered Notes to be delivered, provided that notwithstanding the above, no Individual Registered Notes will be issued until expiry of the applicable Distribution Compliance Period.

(c) Transfers of Registered Global Notes

Transfers of a Registered Global Note shall be limited to transfers of such Registered Global Note, in whole but not in part, to a nominee of Euroclear or Clearstream, Luxembourg or to a successor of any of them or such successor’s nominee.

(d) Transfers of interests in Reg. S Notes

Prior to expiry of the applicable Distribution Compliance Period, transfers by the holder of, or of an interest in, a Reg. S Note to a transferee in the U.S. will only be made pursuant to the U.S. Securities Act or an exemption therefrom, subject to receipt by the Issuer of such satisfactory evidence as the Issuer may reasonably require, which may include an opinion of U.S. counsel, that such transfer is in compliance with any applicable securities laws of any state of the U.S., and in accordance with any applicable securities laws of any state of the U.S. or any other jurisdiction.

After expiry of the applicable Distribution Compliance Period such certification requirements will no longer apply to such transfers.

(e) Exchanges and transfers of Registered Notes generally

Registered Notes may not be exchanged for Bearer Notes.

Transfers of interests in Reg. S Global Notes will be effected by Euroclear or Clearstream, Luxembourg, as the case may be, and, in turn, by participants and, if appropriate, indirect participants in such clearing systems acting on behalf of transferors and transferees of such interests. - (ii) to register the transfer of any Registered Note, or part of a Registered Note, called for partial redemption.

(h) Costs of exchange or registration

The transfer of a Capital Note will be effected without charge by or on behalf of the Issuer, the Registrar or any Transfer Agent but against such indemnity as the Registrar or (as the case may be) such Transfer Agent may require from the Noteholder in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such transfer.

Should any Capital Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent, in the case of a Bearer Note, Receipt or Coupon, or the Registrar, in the case of an Individual Registered Note, or any other place approved by the Trustee of which notice shall have been published in accordance with Condition 13, upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Capital Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

(j) Restrictions on Transfer of Certain Capital Notes

(i) If the applicable Final Terms designate the Capital Notes as Restricted Capital Notes, (but not otherwise) the provisions of this Condition 10(j) shall apply and the Restricted Capital Notes will be issued as Registered Notes and may only be assigned or transferred, including upon an enforcement of a security, (a “**Transfer**” and “**Transferred**” shall be construed accordingly):

(a) in whole or in part, if the Transfer is to a Qualifying Bank, or

(b) in whole, but not in part (except for parts of Restricted Capital Notes held by Qualifying Banks at the time), if the Transfer is to a Permitted Non-Qualifying Lender,

provided that no Transfer under this Condition 10(j) may result in more Permitted Non-Qualifying Lenders being Noteholders than as specified in the applicable Final Terms.

The Restricted Capital Notes will bear a legend setting forth the applicable transfer restrictions provided for in this Condition 10(j).

(ii) A Noteholder may at any time require that the Issuer replaces such Noteholder’s certificate(s) representing the Restricted Capital Notes with certificates in minimum denominations equal to the Restricted Capital Note Minimum Denomination Amount specified in the applicable Final Terms.

(b) the other person will have no proprietary interest in the benefit of the Restricted Capital Notes or in any monies received by the Noteholder under or in relation to the Restricted Capital Notes held by that Noteholder, and

(c) the other person will under no circumstances (other than by way of permitted Transfer under this Condition 10(j) be subrogated to, or substituted in respect of, the Noteholder’s claims under its Capital Notes, and otherwise have any contractual relationship with, or rights against, the Issuer under or in relation to the Restricted Capital Notes.

For the avoidance of doubt, the granting of security in accordance with Condition 10(k) shall not constitute a transfer of an interest under the Restricted Capital Notes for the purposes of this Condition 10(j).

(vi) As of the Issue Date and for so long as the Restricted Capital Notes are outstanding, the Issuer will ensure that it is in compliance with the Non-Bank Rules, provided that the Issuer will not be in breach if either of the Non-Bank Rules are exceeded solely by the failure by one or more Noteholders to comply with the limitations set forth in this Condition 10(j) or in Condition 10(k).

(k) Grants of Security

If the applicable Final Terms provide that the Capital Notes are Restricted Capital Notes then the following provisions of this Condition 10(k) shall apply but not otherwise. Any Noteholder may, without the consent of the Issuer, at any time charge or create a security interest in all or any portion of its rights under any Restricted Capital Notes to secure obligations of such Noteholder; provided that:

A copy of any notice of charge or creation of security interest as envisaged in this paragraph shall be delivered to the Agent and the Agent shall not be obliged to take any action in regard to such notice; and
- (ii) such charge or security interest shall in each case provide that upon any assignment or transfer of the interest in the Restricted Capital Notes or enforcement of such charge or security interest, any resulting assignment or transfer shall be in accordance with Condition 10(j); and
- (iii) the Noteholder promptly notifies the Registrar of any such charge or security interest and the secured party's identity and status by delivering to the Registrar a notification to such effect.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in the penultimate paragraph of Condition 5(b). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency or where the Paying Agent is not, or ceases to be, a FATCA Compliant Entity, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 13.

Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the first date on which publication in all the required newspapers has been made. If publication as provided above is not practicable, notice will be given in such other manner, and will be deemed to have been given on such date, as the Trustee shall approve. Receiptholders and Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the relative Noteholders in accordance with this Condition.

- (b) The Issuer has agreed in the Trust Deed, for the exclusive benefit of the Trustee, the Noteholders, the Receiptholders and the Couponholders, that the courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Capital Notes, the Receipts and/or the Coupons and that accordingly any suit, action or proceedings (together referred to as “Proceedings”) arising out of or in connection with the Capital Notes, the Receipts and the Coupons may be brought in such courts.
- (c) The Issuer has irrevocably waived in the Trust Deed any objection which it may have now or hereafter to the laying of the venue of any such Proceedings in any such court and any claim that any such Proceedings have been brought in an inconvenient forum.
- (d) Nothing contained in this Condition shall limit any right to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

Change in accounting policies and change in presentation 2011

In the ZIC Group's General Insurance business in Germany, prior year results were misstated for a period of time due to some errors in adjustments between local GAAP and IFRS. This resulted in incorrect reserves for losses, unearned premium reserves and deferred acquisition costs for some specific products. The errors identified by management, have resulted in a restatement of equity of USD 80 million and USD 79 million as of December 31, 2010 and January 1, 2010 respectively. For the year ended December 31, 2010 the impact on net income after taxes was a loss of USD 6 million and on business operating profit a loss of USD 5 million. The impact on various line items as of December 31, 2010 in the consolidated balance sheet and the consolidated income statement are set out in the restatement tables. Consolidated income statements, consolidated balance sheets, consolidated statements of cash flows, consolidated statements of changes in equity and notes 8, 11, 12, 20, 22 and 29 of the Zurich Insurance Group (which was formerly used to refer to ZIC and its subsidiaries, now the ZIC Group) Annual Report 2011 have been restated accordingly.

In addition, there have been further restatements on the balance sheet and reclassifications as disclosed below which have no material impact on the ZIC Group's financial position or performance.

- o Certain balances erroneously reported as cash and cash equivalents amounting to USD 376 million and USD 723 million as of December 31, 2010, and January 1, 2010, respectively, are now presented as other loans. In addition, certain balances erroneously reported as unit-linked cash and cash equivalents amounting to USD 5,619 million and USD 4,917 million as of December 31, 2010, and January 1, 2010, respectively, are now presented under unit-linked other loans. These changes, as well as a change in presentation of certain debt during 2011 result in a decrease of net cash provided by operating activities of USD 766 million, a decrease in net cash used in financing activities of USD 411 million and a decrease of cash and cash equivalents by USD 5,995 million as of December 31, 2010 as presented in the cash flow statement. These changes in presentation are reflected in the consolidated balance sheets, consolidated income statements, consolidated statements of cash flows and note 6 of the Zurich Insurance Group (which was formerly used to refer to ZIC and its subsidiaries, now the ZIC Group) Annual Report 2011.

- o The ZIC Group erroneously classified certain life insurance products. The classification was corrected in 2011 as the impact on the ZIC Group's consolidated income statement was not material. The reclassifications in the balance sheet from other liabilities to future life policyholders' benefits and liabilities for investment contracts as well as from future life policyholders' benefits to liabilities for investment contracts, from liabilities for investment contracts to reserves for unit-linked contracts and from reserves for unit-linked contracts to liabilities for investment contracts are set out in notes 8 and 9 of the Zurich Insurance Group (which was formerly used to refer to ZIC and its subsidiaries, now the ZIC Group) Annual Report 2011.

- o Some assets related to non-risk transfer reinsurance deposits reported under receivables and other assets amounting to USD 4 million as of December 31, 2010, are now presented under deposits made under assumed reinsurance contracts in order to ensure consistency with the treatment of other related items.

o Certain balances erroneously reported under net unrealised gains/losses on available-for-sale investments amounting to USD 106 million as of December 31, 2010 and 2009 are now presented under retained earnings. This change in presentation is reflected in the consolidated balance sheet, consolidated statements of changes in equity and note 6 of the Zurich Insurance Group (which was formerly used to refer to ZIC and its subsidiaries, now the ZIC Group) Annual Report 2011.

Regulation

ZIC conducts its operations in Switzerland under operating licences for all lines of general insurance business. The operations of ZIC are subject to continued supervision by the Swiss Financial Market Supervisory Authority FINMA (“**FINMA**”) based on the Swiss Insurance Supervision Law (“**ISL**”) that came into force on January 1, 2006. Swiss insurance companies must always maintain net assets or funds free of any encumbrances in the amount of the “solvency margin” (“**Solvency I**”). Swiss regulation relating to the solvency margin is similar to the European Union (“**EU**”) solvency margin regime (Solvency I). The law introduced risk-based capital requirements (target capital) under the Swiss Solvency Test (“**SST**”) since January 1, 2011, similar to the ongoing Solvency II implementation in the EU. Swiss insurers also have to maintain tied assets that secure all known and estimated liabilities of the insurance company vis-à-vis the insureds arising out of insurance contracts. The law requires Swiss supervised insurance companies and groups to maintain a risk management system appropriate to its business activities and to establish effective internal control systems. It also requires every Swiss insurance company to designate an appointed actuary who has to provide certain reports to management. The law further introduces rules regarding the supervision of insurance groups and insurance conglomerates. These include the requirement to calculate a group solvency margin as well as a group risk based capital based on an internal model. The reporting of intra-group transactions is also required. Under the group supervision rules and based on a FINMA decree of December 28, 2011 the Zurich Insurance Group qualifies as an insurance group.

The different insurance and financial services subsidiaries of the Zurich Insurance Group are supervised by their relevant local regulators and may be subject to regulatory restrictions on the amount of dividends, cash loans and advances which can be remitted to ZIC or ZIG respectively.

LEGAL PROCEEDINGS AND REGULATORY INVESTIGATIONS

Legal Proceedings

The operating subsidiaries of ZIG are continuously involved in legal proceedings, claims and litigation arising in the ordinary course of their insurance operations, and which are in general the subject of policy claims. These liabilities are taken into account in setting reserves. In addition, certain companies within the Zurich Insurance Group are engaged in the following legal or arbitration proceedings which may have a significant effect on the financial position of the Zurich Insurance Group.

(a) *Fogel Litigation*

ZFS (now named Zurich Insurance Group Ltd) is a defendant in a putative class action pending in California state court captioned Benjamin Fogel v. Farmers Group, Inc (“**Fogel Case**”). The case, originally filed in August 2003, is brought on behalf of a putative class of all policyholders of the Farmers Exchanges from 1999 to the present. The plaintiff alleges that Farmers Group, Inc. and certain of its affiliates (“**Farmers**”), which acted as the attorneys-in-fact for policyholders of the Farmers Exchanges, collected excessive and unreasonable management fees. The complaint seeks, amongst other things, disgorgement, as well as damages and injunctive relief. In February 2005, the trial court granted Farmers’ motion for summary judgment, and the plaintiff appealed. In 2008, a California appellate court reversed the trial court’s ruling and reinstated the litigation. On September 9, 2009, the plaintiff filed a motion seeking to certify a nationwide class of all policyholders of the Farmers Exchanges since August 1, 1999. On October 7, 2010, ZFS announced that it and Farmers had agreed in principle to a proposed nationwide settlement of the Fogel Case. Under the terms of the settlement, a sum of USD 455 million was made available to approximately 12.5 million policyholders who may qualify for a distribution under the settlement, with any residual amount going to the Farmers Exchanges. ZFS and Farmers will also pay attorneys’ fees to class action counsel of up to USD 90 million, as well as the costs of administering the settlement. On December 12, 2010, the parties executed the settlement agreement, all terms of which are subject to the court’s final approval. On January 12, 2011 the parties filed a motion seeking preliminary approval of the settlement. On February 3, 2011, the court granted a motion to intervene by a class member who objects to certain aspects of the proposed settlement. The hearing on the motion for preliminary approval was held on March 2, 2011 and the court granted the motion. Notices were mailed and published to class members, and a number of objections and opt-out requests were submitted. On

² On April 3, 2012, the Zurich Insurance Group announced that Mr. Orator has decided to pursue new opportunities outside of the Zurich Insurance Group and will be leaving by the end of 2012. Mr. Orator will continue to serve in his current role until the announcement of a successor.

October 31, 2011, the court granted a motion by the State of Montana to intervene so it could object to certain aspects of the proposed settlement. On December 21, 2011, the court granted final approval of the settlement, and it reduced the total award of attorneys' fees, expenses, and incentive awards to approximately USD 74 million (instead of USD 90 million). A 60-day appeal period commenced following entry of the court's judgment on December 21, 2011. Five notices of appeal have been filed, including one by intervenor State of Montana. A briefing schedule has not yet been set.

(b) Converium Related Litigation

ZFS (now named Zurich Insurance Group Ltd) is a defendant in putative class-action securities lawsuits relating to its divestiture of its interest in Converium (now Scor Holding (Switzerland) AG). On July 25, 2008, ZFS and the class-action plaintiffs entered into an amended stipulation of settlement that called for a payment of USD 28 million to settle the case in two parts on behalf of all persons and entities who had purchased Converium securities between January 7, 2002 and September 2, 2004: one settlement in the U.S. court, covering all U.S. persons and entities, and all other persons who had purchased Converium securities on U.S. markets, and another settlement in the Amsterdam Court of Appeal, in the Netherlands, covering all non-U.S. persons and entities who had purchased Converium securities on non-U.S. markets. The U.S. and Dutch settlements are both subject to court approval and are independent of each other. The U.S. court approved the U.S. settlement on December 12, 2008, and the ruling became final in June 2009. On January 17, 2012, the Amsterdam Court of Appeal approved the non-U.S. settlement and the time to appeal has now expired.

(c) Fuller Austin/ API Litigations

An action entitled Fuller-Austin Asbestos Settlement Trust, et al. v. Zurich American Insurance Company ("**ZAIC**"), et al., was filed in May 2004 in the Superior Court for San Francisco County, California. Three other similar actions were filed in 2004 and 2005 and have been coordinated with the Fuller-Austin action (collectively "**Fuller-Austin Case**"). In addition to ZAIC and four of its insurance company subsidiaries, Zurich Insurance Company Ltd ("**ZIC**") and Orange Stone Reinsurance Dublin ("**Orange Stone**") are named as defendants. The plaintiffs, who are historical policyholders of the Home Insurance Company ("**Home**"), plead claims for fraudulent transfer, alter ego liability and unfair business practices relating to the recapitalisation of Home, which occurred in 1995 following regulatory review and approval. The plaintiffs allege that pursuant to the recapitalisation and subsequent transactions, various Zurich entities took assets of Home without giving adequate consideration in return, and contend that this forced Home into liquidation. The plaintiffs further allege that the defendants should be held responsible for Home's alleged obligations under their Home policies. The trial judge designated the plaintiffs' claims for constructive fraudulent transfer for adjudication before all other claims; he subsequently ordered an initial bench trial on certain threshold elements of those fraudulent transfer claims and on certain of defendants' affirmative defenses. The trial commenced on November 1, 2010, and trial testimony has concluded. Closing arguments were heard on February 22-23, 2012. A decision is pending.

A similar action entitled A.P.I., Inc. ("**API**") Asbestos Settlement Trust, et al. v. ZAIC, et al., was filed in March 2009 in the District Court for the Second Judicial District, County of Ramsey, Minnesota (the "**API Case**"). ZAIC and two of its insurance company subsidiaries were named as defendants. The defendants removed the case to the U.S. District Court for the District of Minnesota, where it is now pending. The plaintiffs subsequently amended their complaint to add ZIC, Orange Stone and two additional ZAIC subsidiaries as defendants. As in the Fuller-Austin Case, the plaintiffs allege that API is an insured under policies issued by Home, primarily in the 1970s. The complaint seeks to hold defendants liable for Home's policy obligations under various theories of vicarious liability tied to the recapitalisation of Home, and it also alleges that defendants are liable for damages under theories of fraudulent transfer and tortious interference with contract. In 2010, the court dismissed the plaintiffs' fraudulent transfer, tortious interference with contract and consumer fraud claims. Following the conclusion of pre-trial discovery, the defendants filed a motion for summary judgment seeking dismissal of all remaining claims against them; the plaintiffs also filed a motion for partial summary judgment on their claim of respondeat superior. On March 30, 2012, the court issued a decision granting the defendants' motion for summary judgment as to all remaining claims, and denying the plaintiffs' motion. On April 27, 2012, the plaintiffs filed a notice of appeal of certain of the court's summary judgment rulings to the U.S. Court of Appeals for the Eighth Circuit.

Zurich Insurance Group maintains that the Fuller-Austin and API Cases are without merit and intends to continue to defend itself vigorously.

2. ACCEPTANCE

The Trustee accepts the Senior ZIC Guarantee in its capacity as trustee for the Holders. Furthermore, the obligations of the Guarantor hereunder are additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person, whether from the Guarantor or otherwise, and may be enforced without first having recourse to the Issuer, any other person, any security or any other guarantee or indemnity.

(3) Exercise of Guarantor’s Rights

So long as any sum remains payable by the Issuer under the Subordinated Securities, no right of the Guarantor, by reason of the performance of any of its obligations under the Subordinated ZIC Guarantee, to be indemnified by the Issuer or to take the benefit of or enforce any security or other guarantee or indemnity shall be exercised or enforced. Until all amounts which may be or become payable in respect of the Subordinated Securities have been irrevocably paid in full, the Guarantor shall not by virtue of the Subordinated ZIC Guarantee be subrogated to any rights of the Trustee or any Holder or claim in competition with the Trustee or the Holders against Issuer.

(4) Avoidance of Payments

Any settlement or discharge between the Guarantor and the Trustee in respect of the Subordinated ZIC Guarantee shall be conditional upon no payment to the Trustee or any Holder by the Issuer or any person on the Issuer’s behalf being avoided or reduced by virtue of any provision or enactment relating to bankruptcy, insolvency or liquidation or similar laws or general application for the time being in force and, in the event of any such payment being so avoided or reduced, the Trustee shall be entitled to recover from the Guarantor the amount by which such payment is so avoided or reduced as if such settlement or discharge had not occurred.

2. ACCEPTANCE

The Trustee accepts the Subordinated ZIC Guarantee in its capacity as trustee for the Holders. The Guarantor agrees to be bound by the provisions of Conditions 7 (subject to Clause 1(1)(c)) of the Terms and Conditions of the Subordinated Notes as if set out in full in this guarantee agreement.

3. CURRENCY INDEMNITY

(1) Currency of Account and Payment

The currency of the Subordinated Notes (the “**Contractual Currency**”) is the sole currency of account and payment for all sums payable by the Guarantor under or in connection with the Subordinated ZIC Guarantee, including damages.

(2) Extent of Discharge

Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of the enforcement of a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Guarantor or otherwise), by the Trustee in

respect of any sum expressed to be due to it from the Guarantor will only discharge the Guarantor to the extent of the Contractual Currency amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recover (or, if it is not practicable to make that purchase on that day, on the first date on which it is practicable to do so).

(3) Indemnity

If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under the Subordinated ZIC Guarantee, the Guarantor will, subject to Clause 1(1)(c), indemnify the recipient against any loss sustained by it as a result and will indemnify it against the cost of making any such purchase.

(4) Indemnity separate

This indemnity constitutes a separate and independent obligation from the other obligations in the Subordinated ZIC Guarantee, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Trustee and will continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under the Subordinated ZIC Guarantee or any judgment or order, subject always to Clause 1(1)(c).

4. NOTICES

Each notice or demand under the Subordinated ZIC Guarantee shall be made in writing. Each notice or demand to be made or sent to the Guarantor under the Subordinated ZIC Guarantee shall be made or sent (airmail, postage prepaid, if sent by post to another country) to the Guarantor at the address, and for the attention of the person, from time to time designated by the Guarantor for the purposes of the Subordinated ZIC Guarantee. TAXATION

U.S. Taxation (in respect of Notes issued by ZF (USA))

Certain U.S. Federal Income Tax Consequences

The following is a general discussion of the material U.S. Federal income tax considerations applicable to initial Non-U.S. Holders of the Notes issued by ZF (USA). This summary is based upon current provisions of the Internal Revenue Code of 1986, as amended (the “Code”), regulations of the Treasury Department (“Treasury Regulations”), administrative rulings and pronouncements of the Internal Revenue Service (“IRS”) and judicial decisions currently in effect, all of which are subject to change, possibly with retroactive effect.

For purposes of this discussion, a “U.S. person” means (i) a citizen or resident (as defined in Section 7701(b)(1) of the Code) of the U.S., (ii) a corporation or other entity taxable as a corporation created or organised under the laws of the U.S. or any State thereof (including the District of Columbia), (iii) an estate or trust described in Section 7701(a)(30) of the Code, or (iv) a person whose worldwide income or gain is otherwise subject to U.S. Federal income taxation on a net income basis and a “Non-U.S. Holder” means any beneficial owner of a Note that is not a U.S. person.

The following discussion is based upon certain of the facts set forth in this Base Prospectus and other documents related to the issuance of Notes and upon compliance with the provisions thereof and the representations and agreements therein.

To ensure compliance with U.S. Treasury Department Circular 230, Noteholders are hereby notified that: (A) any discussion of U.S. Federal tax issues in this Base Prospectus is not intended or written to be relied upon, and cannot be relied upon, by Noteholders for the purpose of avoiding penalties that may be imposed on Noteholders under the Code, (B) such discussion is included herein by the Issuers in connection with the promotion or marketing (within the meaning of Circular 230) by the Issuers and the Dealers of the transactions or matters addressed herein and (C) Noteholders should seek tax advice based on their particular circumstances from an independent tax advisor.

The tax discussion set forth below may not be always applicable depending upon a Noteholder’s particular situation. In addition, the discussion does not consider the effect of any foreign, state, local, gift, estate or other tax laws that may be applicable to a particular investor. Noteholders are urged to consult their own tax advisors with respect to the particular consequences to them of holding and disposing of Notes in light of their own particular circumstances including the tax consequences under local, state, foreign and other tax laws and possible effects of changes in U.S. federal income or other tax laws.

Taxation of Non-U.S. Holders

Under present U.S. Federal income and estate tax laws and subject to the discussion of backup withholding and FATCA below:

- (a) A Non-U.S. Holder generally will not be subject to the U.S. Federal income or withholding tax on payments of interest on a Note (including original issue discount), provided that (i) the holder is not (A) a direct or indirect owner of 10 per cent or more of the total voting power of all voting stock of the relevant Issuer or (B) a controlled foreign corporation related to the relevant Issuer through stock ownership, (ii) such interest payments are not effectively connected with the conduct by the Non-U.S. Holder of a trade or business within the U.S., (iii) the Holder is not a bank receiving interest described in Section 881(c)(3)(A) of the Code (iv) the interest is not contingent interest described in Section 871(h)(4) of the Code, related primarily to interest based on or determined by reference to income, profits, cash flow and other comparable attributes of the obligor or a party related to the obligor (v) the Note must be issued in registered form and (vi) the Issuer or its paying agent receives appropriate documentation (generally an IRS form W-8BEN) establishing that the non-U.S. holder is not a U.S. person.
- (b) A Non-U.S. Holder generally will not be subject to U.S. Federal income or withholding tax on gains from the sale or other disposition of a Note, provided that (i) such gains are not effectively connected with the conduct by the Non-U.S. Holder of a trade or business within the U.S. and (ii) such Non-U.S. Holder is not an individual who is present in the U.S. for 183 days or more in the taxable year of disposition and meets certain other requirements; and
- (c) Any Note or coupon beneficially owned by an individual who at the time of death is not a citizen or resident of the U.S. will not be subject to U.S. Federal estate tax provided that, at the time of death, such individual does not actually or constructively own 10 per cent or more of the total combined voting power of the relevant Issuer entitled to vote and interest on the Notes or coupon was not effectively connected with a U.S. trade or business conducted by such individual.

If a Non-U.S. Holder cannot satisfy the requirements of the “portfolio interest” exception described in (a) above, payments of premium, if any, and interest made to such Non-U.S. Holder will be subject to a 30 per cent withholding tax unless such holder provides the relevant Issuer or its paying agent as the case may be with a properly executed (1) IRS Form W8BEN claiming an exemption from withholding under the benefit of a tax treaty or (2) IRS Form W8ECI stating that interest paid on the Note is not subject to withholding tax because it is effectively connected with the holder’s conduct of a trade or business in the U.S..

If a Non-U.S. Holder is engaged in a trade or business in the U.S. and premium, if any, or interest on the Notes is effectively connected with the conduct of such trade or business, such holder, although exempt from the withholding tax discussed above, will be subject to U.S. Federal income tax on such interest on a net income basis in the same manner as if it were a U.S. person. In addition, if such Non-U.S. Holder is a foreign corporation, it may be subject to a branch profits tax equal to 30 per cent of its

effectively connected earnings and profits for the taxable year, subject to adjustments. For this purpose, premium, if any, and interest on a Note will be included in such foreign corporation's earnings and profits.

Tax legislation enacted pursuant to the Foreign Account Tax Compliance Act provisions (commonly referred to as "FATCA") of the Hiring Incentives to Restore Employment Act of 2010 may impose additional U.S. withholding tax requirements for a Note issued after March 18, 2012. However, recently proposed Treasury Regulations provide that the withholding tax will not be imposed on payments pursuant to a note issued before January 1, 2013. Under FATCA, a Non-U.S. Holder may be subject to a 30 per cent U.S. withholding tax on a payment made after December 31, 2012 of interest (including original issue discount) on such a Note, or gross proceeds from the disposition of such a Note, if income from the payment is not effectively connected with a U.S. trade or business and the payment is made to (i) a "foreign financial institution" that does not meet certain U.S. tax reporting requirements regarding its U.S. account holders or (ii) to any recipient (including an intermediary) that has not otherwise established an exemption from FATCA withholding. Recently proposed Treasury Regulations provide that the withholding tax applies only to interest on the Notes paid on or after January 1, 2014 and to other "withholdable payments" (including payments of gross proceeds from a sale or disposition of the Notes) made on or after January 1, 2015. A refund or credit may be available to the extent the payment is otherwise exempt from U.S. tax (e.g. if the portfolio interest exemption applies), unless the beneficial owner is a "foreign financial institution" not exempt from FATCA withholding and not eligible to claim a refund under an applicable treaty.

Backup Withholding

A holder of a Note may be subject to backup withholding at a rate of 28 per cent (currently scheduled to increase to 31 per cent. in 2013) with respect to interest paid on the Note and proceeds from the sale, exchange, redemption or retirement of the Note, unless such holder (i) is a corporation or comes within certain other exempt categories and, when required, demonstrates that fact or (ii) provides a correct taxpayer identification number (social security number or employer identification number), certifies as to its exemption from backup withholding and otherwise complies with applicable requirements of the backup withholding rules. A Non-U.S. Holder generally will be exempt from backup withholding and information reporting requirements, but may be required to comply with certification and identification procedures in order to obtain an exemption from backup withholding and information reporting. Any amount withheld under the backup withholding rules from a payment to a holder is allowable as a credit against such holder's U.S. Federal income tax (which might entitle such holder to a refund), provided that such holder furnishes the required information to the IRS.

Luxembourg Taxation

The following information is of a general nature only and is based on ZF (Luxembourg)'s understanding of certain aspects of the laws and practice in force in Luxembourg as of the date of this Base Prospectus. It does not purport to be a comprehensive description of all of the tax considerations that might be relevant to an investment decision. It is not intended to be, nor should it be construed to be, legal or tax advice. It is a description of the essential material Luxembourg tax consequences with respect to the Notes and may not include tax considerations that arise from rules of general application or that are generally assumed to be known to holders of Notes. This summary is based on the laws in force in Luxembourg on the date of this Base Prospectus and is subject to any change in law that may take effect after such date. Prospective holders of Notes should consult their professional advisors with respect to particular circumstances, the effects of state, local or foreign laws to which they may be subject and as to their tax position.

Please be aware that the residence concept used under the respective headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a tax, duty, levy impost or other charge or withholding of a similar nature refers to Luxembourg tax law and/or concepts only. Also, please note that a reference to Luxembourg income tax encompasses corporate income tax (*impôt sur le revenu des collectivités*), municipal business tax (*impôt commercial communal*), a solidarity surcharge (*contribution au fonds pour l'emploi*), personal income tax (*impôt sur le revenu*). Corporate taxpayers may further be subject to net worth tax (*impôt sur la fortune*), as well as other duties, levies or taxes. Corporate income tax, municipal business tax, as well as the solidarity surcharge invariably apply to most corporate taxpayers resident of Luxembourg for tax purposes. Individual taxpayers are generally subject to personal income tax and the solidarity surcharge. Under certain circumstances, where an individual taxpayer acts in the course of the management of a professional or business undertaking, municipal business tax may apply as well.

(a) Luxembourg tax residency of the holders of Notes

Investors will not become resident nor be deemed to be resident, in Luxembourg by reason only of the holding of the Notes, or the execution, performance, delivery and/or enforcement of their rights thereunder.

(b) Withholding Tax

(i) Resident holders of Notes

Under the Luxembourg law dated December 23, 2005 (the "Law"), a 10% Luxembourg withholding tax is levied as of January 1, 2006 on interest or similar income payments (accrued since July 1, 2005) made by Luxembourg paying agents to or for the immediate benefit of an individual beneficial owner who is resident in Luxembourg. This withholding tax also applies on accrued

interest received upon disposal, redemption or repurchase of the Notes. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth.

Further, Luxembourg resident individuals who are the beneficial owners of interest payments and other similar income made as from January 1, 2008 by a paying agent established outside Luxembourg in a Member State of the European Union or the European Economic Area or in a jurisdiction having concluded an agreement with Luxembourg in connection with the Savings Directive may opt for a final 10% levy. In such case, the 10% levy is calculated on the same amounts as for the payments made by Luxembourg paying agents. The option for the 10% final levy must cover all interest payments made by paying agents to the beneficial owner during the entire civil year.

(ii) Non-resident holders of Notes

Under the Luxembourg tax law currently in effect and subject to the application of the Luxembourg laws dated June 21, 2005 (the “**Laws**”) implementing the Savings Directive and several agreements concluded between Luxembourg and certain dependant territories of the European Union, there is no withholding tax on payments of interest (including accrued but unpaid interest) made to a Luxembourg non-resident holder of Notes. There is also no Luxembourg withholding tax upon repayment of the principal, or subject to the application of the Laws, upon redemption or exchange of the Notes. Under the Laws, a Luxembourg based paying agent (within the meaning of the Savings Directive) is required since July 1, 2005, to withhold tax on interest and other similar income (including reimbursement premium received at maturity) paid by it to (or under certain circumstances, to the benefit of) an individual or a residual entity (“**Residual Entity**”) in the sense of article 4.2. of the Savings Directive (i.e. an entity without legal personality except for (1) a Finnish *avoin yhtiö* and *kommandiittiyhtiö* / *öppet bolag* and *kommanditbolag* and (2) a Swedish *handelsbolag* and *kommanditbolag*, and whose profits are not taxed under the general arrangements for the business taxation and that is not, or has not opted to be considered as, a UCITS recognised in accordance with Council Directive 85/611/EEC, as replaced by Directive 2009/65/EC), resident or established in another Member State of the European Union, unless the beneficiary of the interest payments elects for an exchange of information. The same regime applies to payments to individuals or Residual Entity resident in any of the following territories: Aruba, British Virgin Islands, Guernsey, the Isle of Man, Jersey, Montserrat as well as the former Netherlands Antilles, i.e. Bonaire, Curaçao, Saba, Sint Eustatius and Sint Maarten.

The withholding tax rate is 35% as from July 1, 2011.

In each case described here above (residents and non-residents), responsibility for the withholding tax will be assumed by the Luxembourg paying agent.

(c) Taxation of the holders of Notes

(i) Taxation of Luxembourg non-residents

Holders of Notes who are non-residents of Luxembourg and who have neither a permanent establishment nor a permanent representative in Luxembourg to which the Notes are attributable are not liable to any Luxembourg income tax, whether they receive payments of principal or interest (including accrued but unpaid interest) or realise capital gains upon redemption, repurchase, sale, disposal or exchange, in any form whatsoever, of any Notes.

Holders of Notes who are non-residents of Luxembourg and who have a permanent establishment or a permanent representative in Luxembourg to which the Notes are attributable are liable to Luxembourg income tax on any interest received or accrued, as well as any reimbursement premium received at maturity and any capital gain realised on the sale or disposal, in any form whatsoever, of the Notes and may have to include this income in their taxable income for Luxembourg income tax assessment purposes.

(ii) Taxation of Luxembourg residents

Luxembourg resident individuals

An individual holder of Notes, acting in the course of the management of his/her private wealth, is subject to Luxembourg income tax in respect of interest received, redemption premiums or issue discounts under the Notes, except if a withholding tax has been levied on such payments in accordance with the Law.

Under Luxembourg domestic tax law, gains realised upon the sale, disposal or redemption of the Notes, which do not constitute zero coupon notes, by an individual holder of Notes, who is a resident of Luxembourg for tax purposes and who acts in the course of the management of his/her private wealth, on the sale or disposal, in any form whatsoever, of Notes are not subject to Luxembourg income tax, provided this sale or disposal took place more than six months after the acquisition of the Notes. An individual holder of Notes, who acts in the course of the management of his/her private wealth and who is a resident of Luxembourg for tax purposes, has further to include the portion of the gain corresponding to accrued but unpaid income in respect of the Notes in his/her taxable income, insofar as the accrued but unpaid interest is indicated separately in the agreement.

A gain realised upon a sale of zero coupon Notes before their maturity by Luxembourg resident holders of Notes, in the course of the management of their private wealth, must be included in their taxable income for Luxembourg income tax assessment purposes.

Luxembourg resident individual holders of Notes acting in the course of the management of a professional or business undertaking to which the Notes are attributable, may have to include any interest received or accrued, as well as any gain realised on the sale or disposal of the Notes, in any form whatsoever, in their taxable income for Luxembourg income tax assessment purposes. Taxable gains are determined as being the difference between the sale, repurchase or redemption price (including accrued but unpaid interest) and the lower of the cost or book value of the Notes sold or redeemed.

Luxembourg corporate residents

Luxembourg corporate holders of Notes must include any interest received or accrued, as well as any gain realised on the sale or disposal of the Notes, in their taxable income for Luxembourg income tax assessment purposes. Taxable gains are determined as being the difference between the sale, repurchase or redemption price (including but unpaid interest) and the lower of the cost or book value of the Notes sold or redeemed.

Luxembourg residents benefiting from a special tax regime

Luxembourg holders of Notes who benefit from a special tax regime, such as, for example, undertakings for collective investment subject to the law of December 17, 2010, specialised investment funds governed by the amended law of February 13, 2007 or family wealth management companies governed by the amended law of May 11, 2007 are exempt from income taxes in Luxembourg and thus income derived from the Notes, as well as gains realised thereon, are not subject to income taxes.

(d) Net Wealth Tax

Luxembourg resident holders of Notes and non-resident holders of Notes who have a permanent establishment or a permanent representative in Luxembourg to which the Notes are attributable, are subject to Luxembourg wealth tax on such Notes, except if the holder of Notes is (i) an individual, (ii) an undertaking for collective investment subject to the law of December 17, 2010, (iii) a securitisation company governed by the amended law of March 22, 2004 on securitisation, (iv) a company governed by the amended law of June 15, 2004 on venture capital vehicles, (v) a specialised investment fund governed by the amended law of February 13, 2007 or (vi) a family wealth management company governed by the amended law of May 11, 2007.

(e) Other Taxes

There is no Luxembourg registration tax, stamp duty or any other similar tax or duty payable in Luxembourg by the holders of Notes as a consequence of the issuance of the Notes, nor will any of these taxes be payable as a consequence of a subsequent transfer, redemption or repurchase of the Notes (except in case of voluntary registration in Luxembourg).

No estate or inheritance taxes are levied on the transfer of the Notes upon death of a holder of Notes in cases where the deceased was not a resident of Luxembourg for inheritance tax purposes. Gift tax may be due on a gift or donation of Notes if the gift is recorded in a deed passed in front of a Luxembourg notary or otherwise registered in Luxembourg.

Swiss Taxation

The following is a summary of certain Swiss tax consequences of the purchase, beneficial ownership and disposition of Notes. The summary does not purport to be a comprehensive description of all of the tax considerations that may be relevant to a decision to purchase, own or dispose of the Notes. The summary relates only to the position of persons who are the absolute beneficial owners of the Notes and may not apply to certain other classes of persons. The summary is based upon Swiss tax laws and tax practice as in effect on the date of this Base Prospectus, which are subject to prospective or retroactive change. The summary does not constitute tax or legal advice and the comments below are of a general nature only. Prospective investors in the Notes should consult their own advisors as to the Swiss or other tax consequences of the purchase, beneficial ownership and disposition of the Notes.

(a) Withholding Tax

Payments by the Issuers (other than ZIC), or by ZIC as Guarantor (in respect of Notes issued by Zurich Finance (Luxembourg) S.A., Zurich Finance (USA), Inc., Zurich Finance (UK) plc and Zurich Bank), of interest on, and repayment of principal of, the Notes, will not be subject to Swiss federal withholding tax, even though the Notes are guaranteed by ZIC as Guarantor (in respect of Notes issued by Zurich Finance (Luxembourg) S.A., Zurich Finance (USA), Inc., Zurich Finance (UK) plc and Zurich Bank), provided that the relevant Issuer uses the proceeds from the offering and sale of the Notes outstanding outside of Switzerland unless use in Switzerland is permitted under the Swiss taxation laws in force from time to time without payments in respect of the Notes becoming subject to withholding or deduction for Swiss withholding tax as a consequence of such use of proceeds in Switzerland.

Payments of interest on Notes issued by ZIC will be subject to Swiss federal withholding tax at a rate of 35 per cent. Certain types of Notes issued by ZIC may classify as notes with a “predominant one-time interest payment” (*Obligationen mit überwiegender Einmalverzinsung*; see below “—Income Taxation on Principal or Interest”). A “one-time interest payment” will be subject to the Swiss federal withholding tax upon redemption of the Notes. Restricted Notes and Restricted Capital Notes will not be subject to the Swiss federal withholding tax.

A holder of a Note issued by ZIC who resides in Switzerland and who, at the time the payment of interest is due, is the beneficial recipient of the payment of interest and, in the case of a holder who is an individual, duly reports the gross payment of interest in his or her tax return and, in the case of a holder who is a legal entity or an individual required to keep accounting books, includes such payment as earnings in its income statement, is entitled to a full refund of or a full tax credit for the Swiss federal withholding tax. A holder of a Note issued by ZIC who does not reside in Switzerland may be able to claim a full or partial refund of the Swiss federal withholding tax by virtue of the provisions of an applicable double taxation treaty, if any, between Switzerland and the country of residence of such holder.

On August 24, 2011 the Swiss Federal Council issued draft legislation, which, if enacted, may require a paying agent in Switzerland to deduct Swiss withholding tax at a rate of 35 per cent on any payment of interest in respect of a Note (including, as the case may be, payment by ZIC as Guarantor (in respect of Notes issued by Zurich Finance (Luxembourg) S.A., Zurich Finance (USA), Inc., Zurich Finance (UK) plc and Zurich Bank) under the Guarantee) to an individual resident in Switzerland or to a person (not only individual) resident outside Switzerland. If this legislation or similar legislation were enacted and an amount of, or in respect of, Swiss withholding tax were to be deducted or withheld from that payment, neither the Issuer nor the Guarantor nor any paying agent nor any other person would pursuant to the Conditions be obliged to pay additional amounts with respect to any Note as a result of the deduction or imposition of such withholding tax.

(b) Stamp Taxes

The issue and redemption of Notes by the Issuers and the issue of the Guarantee by ZIC as Guarantor (in respect of Notes issued by Zurich Finance (Luxembourg) S.A., Zurich Finance (USA), Inc., Zurich Finance (UK) plc and Zurich Bank) are not subject to Swiss federal stamp duty on the issue of securities and Swiss federal stamp duty on the dealing in securities (primary market). Secondary market dealings in Notes with a maturity in excess of 12 months where a Swiss domestic bank or a Swiss domestic securities dealer (as defined in the Swiss federal stamp duty act) is a party, or acts as an intermediary, to the transaction may be subject to Swiss federal stamp duty on dealings in securities at a rate of up to 0.15 per cent of the purchase price of the Notes in the case of Notes issued by ZIC and at a rate of up to 0.3 per cent of such purchase price in the case of Notes issued by the other Issuers. Where both the seller and the purchaser of the Notes (whether or not issued by ZIC) are non-residents of Switzerland or the Principality of Liechtenstein, no Swiss federal stamp duty on dealing in securities is payable. Restricted Notes are not subject to Swiss federal stamp duty on dealings in securities.

(c) Income Taxation on Principal or Interest

(i) Notes held by non-Swiss holders

Payments by the Issuers, or by ZIC as Guarantor (in respect of Notes issued by Zurich Finance (Luxembourg) S.A., Zurich Finance (USA), Inc., Zurich Finance (UK) plc and Zurich Bank), of interest and repayment of principal to, and gain realised on the sale or redemption of Notes by, a holder of Notes who is not a resident of Switzerland and who during the current taxation year has not engaged in trade or business through a permanent establishment or a fixed place of business in Switzerland to which such Note is attributable and who is not subject to income taxation in Switzerland for any other reason will not be subject to any Swiss federal, cantonal or communal income tax (as concerns the Swiss federal withholding tax see above “—Withholding Tax”).

(ii) Notes held by Swiss resident holders as private assets

Notes without a “predominant one-time interest payment”: If the yield-to-maturity of a Note predominantly derives from periodic interest payments and not from a one-time-interest-payment such as an original issue discount or a repayment premium (see below “—Notes with a predominant one-time interest payment”), then a holder who is an individual resident in Switzerland and who holds the Note as private asset is required to include in his or her personal income tax return for the relevant tax period any periodic interest payments and any one-time interest payment received on the Note and will be taxable on any net taxable income (including such amounts) for the relevant tax period. A gain, including interest accrued, a loss, respectively, realised on the sale of such a Note is a tax-free private capital gain, a non-tax-deductible private capital loss, respectively.

Notes with a “predominant one-time interest payment”: If the yield-to-maturity of a Note predominantly derives from a one-time-interest-payment such as an original issue discount or a repayment premium and not from periodic interest payments, then a holder who is an individual resident in Switzerland and holds the Note as private asset, is required to include in his or her personal income tax return for the relevant tax period any periodic interest payments received on the Note and, in addition, any amount equal to the difference between the value of the Note at redemption or sale, as applicable, and its value at issuance or secondary market purchase, as applicable, and converted into Swiss Francs at the exchange rate prevailing at the time of sale or redemption, issuance or purchase, respectively, and will be taxable on any net taxable income (including such amounts) for the relevant tax period. Any value decreases realised on such Note on sale or redemption may be offset by such a holder against any gains

(including periodic interest payments) realised by him or her within the same taxation period from other securities with a predominant one-time interest payment.

See “Notes held as Swiss business assets” below for a summary on the tax treatment of individuals classified as “professional securities dealers.”

(iii) Notes held as Swiss business assets

Individuals who hold Notes as part of a business in Switzerland and Swiss-resident corporate taxpayers and corporate taxpayers residing abroad holding Notes as part of a Swiss permanent establishment or fixed place of business in Switzerland, are required to recognise the payments of interest and any capital gain or loss realised on the sale or other disposition of such Notes in their income statement for the respective tax period and will be taxable on any net taxable earnings for such period. The same taxation treatment also applies to Swiss-resident individuals who, for income tax purposes, are classified as “professional securities dealers” for reasons of, *inter alia*, frequent dealings and leveraged transactions in securities.

United Kingdom Taxation

The following is a summary of the United Kingdom withholding taxation treatment and reporting obligations based on UK law and HM Revenue & Customs published practice at the date hereof in relation to payments of interest in respect of the Notes. The comments do not deal with other United Kingdom tax aspects of acquiring, holding or disposing of Notes (and for the avoidance of doubt do not include consideration of direct taxation of income on which tax may or may not be withheld). The comments are made on the assumption that none of ZF (Luxembourg), ZF (USA), Zurich Bank and ZIC is resident in the United Kingdom for United Kingdom tax purposes, is issuing the Notes for the purposes of or in the course of a trade or other business carried on by it in the United Kingdom or pays interest on the Notes which has a United Kingdom source. The comments relate only to the position of persons who are absolute beneficial owners of the Notes (and may not apply to certain classes of Noteholders (such as dealers and persons who are connected or associated with the Issuer for relevant tax purposes)). Prospective Noteholders should be aware that the particular terms of issue of any series of Notes as specified in the relevant Final Terms may affect the tax treatment of that series and other Tranches of Notes. The following is a general guide and should be treated with appropriate caution. Noteholders who are in any doubt as to their tax position should consult their professional advisers. Noteholders who may be liable to taxation in jurisdictions other than the United Kingdom in respect of their acquisition, holding or disposal of the Notes are particularly advised to consult their professional advisers as to whether they are so liable (and if so under the laws of which jurisdictions), since the following comments relate only to certain United Kingdom taxation aspects of payments in respect of the Notes. In particular, Noteholders should be aware that they may be liable to taxation under the laws of other jurisdictions in relation to payments in respect of the Notes even if such payments may be made without withholding or deduction for or on account of taxation under the laws of the United Kingdom.

(a) Interest on the Notes issued by ZF (UK)

The Notes issued by ZF (UK) which carry a right to interest will constitute “quoted Eurobonds” within the meaning of section 987 of the UK Income Tax Act 2007 (the “Act”) as long as they are and continue to be listed on a “recognised stock exchange” within the meaning of section 1005 of the Act. Securities will be treated as listed on a recognised stock exchange if (and only if) they are admitted to trading on that exchange (the regulated market of the Luxembourg Stock Exchange is a recognised stock exchange for these purposes) and either they are included in the United Kingdom Official List (within the meaning of Part 6 of the Financial Services and Markets Act 2000) or they are officially listed, in accordance with provisions corresponding to those generally applicable in European Economic Area states, in a country outside the United Kingdom in which there is a recognised stock exchange.

Accordingly, payments of interest on such Notes issued by ZF (UK) may be made without withholding for or on account of UK income tax provided such Notes are and remain so listed and admitted to trading at the time of payment.

In all other cases, interest on the Notes issued by ZF (UK) may fall to be paid under deduction of United Kingdom income tax at the basic rate, which is currently 20 per cent, subject to such relief as may be available under an applicable double taxation treaty or to any other exemption which may apply. However, this withholding will not apply if the relevant interest is paid on Notes issued by ZF(UK) with a maturity date of less than one year from the date of issue and which are not issued under arrangements the effect of which is to render such Notes part of a borrowing with a total term of a year or more.

(b) Payments by the Guarantor

If any payments are made pursuant to a Senior ZIC Guarantee or a Subordinated ZIC Guarantee in respect of interest on Notes issued by ZF (UK) (or other amounts due under such Notes other than the repayment of amounts subscribed for the Notes) such payments may be subject to United Kingdom withholding tax at the basic rate, which is currently 20 per cent, subject to the availability of relief under the provisions of any applicable double taxation treaty or to any other exemption which may apply (although such payments may not be eligible for the exemptions described in paragraph (a) above).

(c) Provision of information

Noteholders should note that where any interest on Notes is paid to them (or to any person acting on their behalf) by ZF (UK) or any person in the United Kingdom acting on behalf of ZF (UK), ZF (Luxembourg), ZF (USA), Zurich Bank or ZIC (a “**paying agent**”), or is received by any person in the United Kingdom acting on behalf of the relevant Noteholder (other than solely by clearing or arranging the clearing of a cheque) (a “**collecting agent**”), then ZF (UK), the paying agent or the collecting agent (as the case may be) may, in certain cases, be required to supply to HM Revenue and Customs details of the payment and certain details relating to the Noteholder (including the Noteholder’s name and address). These provisions will apply whether or not the interest has been paid subject to withholding or deduction for or on account of United Kingdom income tax and whether or not the Noteholder is resident in the United Kingdom for United Kingdom taxation purposes. In certain circumstances, the details provided to HM Revenue and Customs may be passed by HM Revenue and Customs to the tax authorities of certain other jurisdictions.

For the purposes of this paragraph (c), “interest” should be taken, for practical purposes, as including payments made by a guarantor in respect of interest on Notes.

With effect from April 6, 2012, the provisions referred to in this paragraph (c) may also apply, in certain circumstances, to payments made on redemption of any Notes where the amount payable on redemption is greater than the issue price of the Notes.

(d) Other rules relating to United Kingdom withholding tax

Notes issued by ZF (UK) may be issued at an issue price of less than 100 per cent of their principal amount. Any discount element on any such Notes should not be subject to any United Kingdom withholding tax pursuant to the provisions mentioned in (a) above, but may be subject to reporting requirements as outlined in (c) above and in “EU Savings Directive” below.

Where Notes issued by ZF (UK) are to be, or may fall to be, redeemed at a premium, as opposed to being issued at a discount, then any such element of premium may constitute a payment of interest. Payments of interest are subject to United Kingdom withholding tax, and to reporting requirements as outlined in (c) above and in “EU Savings Directive” below.

The references to “interest” in this United Kingdom Taxation section above mean “**interest**” as understood in United Kingdom tax law. Such statements do not take any account of any different definitions of “interest” or “principal” which may prevail under any other law or which may be created by the terms and conditions of the Notes or any related documentation (e.g. see Condition 5(d) of the Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes).

The above description of the United Kingdom withholding tax position assumes that there will be no substitution of an issuer pursuant to Condition 14 of the Notes or otherwise and does not consider the tax consequences of any such substitution.

Where interest has been paid under deduction of United Kingdom income tax, Noteholders who are not resident in the United Kingdom may be able to recover all or part of the tax deducted if there is an appropriate provision in any applicable double taxation treaty and the relevant Noteholder successfully completes a claim for recovery of tax deducted under such double taxation treaty.

Ireland Taxation

The following is a general summary of Zurich Bank’s understanding of the current law and practice in Ireland relating to the taxation of Notes issued under the Programme. The summary relates only to the position of the persons who are the absolute beneficial owners of Notes and the interest on them and some aspects may not apply to certain classes of taxpayers (such as dealers). Prospective Noteholders should be aware that the particular terms of issue of any series of Notes as specified in the relevant Final Terms may affect the tax treatment of that and other series of Notes. This summary does not constitute tax or legal advice and the comments below are of a general nature only. Holders of Notes should seek their own professional advice as to their tax position.

(a) Liability of holders of Notes to Irish income tax

Persons resident in Ireland for the purposes of Irish tax are subject to Irish tax on their worldwide income, which would include interest paid (premium on redemption is treated as interest for this purpose) and discounts realised on the Notes (whether issued by Zurich Bank or another Issuer).

A company that is not resident in Ireland for the purposes of Irish tax but operates in Ireland through a branch or agency to which any Notes are attributable (whether issued by Zurich Bank or another Issuer) is subject to Irish corporation tax in respect of interest paid and discounts realised on the Notes.

Persons not resident in Ireland for the purposes of Irish tax are subject to Irish income tax on interest payable and discounts realised on Notes issued by Zurich Bank, unless one of the following exemptions is available:

- (i) A company which is not resident in Ireland for the purposes of Irish tax will not be chargeable to income tax in respect of interest paid in the ordinary course of business of Zurich Bank on the Notes if the company is resident in a Member State of the European Union under the laws of that Member State or in a territory with which Ireland has signed a double tax treaty and where that Member State or territory imposes a tax that generally applies to interest receivable from sources outside that Member State or territory, or where the interest paid would be exempted from the charge to income tax under a double taxation treaty that is in effect or, if not yet in effect, that has been signed between Ireland and the territory in which the company is a resident for tax purposes.
- (ii) A person (whether or not a company) who is not resident in Ireland for the purposes of tax will not be chargeable to income tax in respect of interest received or discounts realised on the Notes if the person is resident in a Member State of the European Union under the laws of that Member State or in a territory with which Ireland has signed a double tax treaty; and in the case of interest only, the interest is paid on:
 - (1) a Quoted Eurobond (as defined below); or
 - (2) a Wholesale Debt Instrument (as defined below)

A Note issued by Zurich Bank will qualify for exemption from withholding tax on interest as a “**Quoted Eurobond**” if:

- (i) it is quoted on a recognised stock exchange;
- (ii) it carries a right to interest; and
- (iii) one of the following conditions is satisfied:
 - (A) the person by or through whom the payment is made is not in Ireland; or
 - (B) the payment is made by or through a person in Ireland, and either:
 - (1) the Note is held in a recognised clearing system (Euroclear, Clearstream, Luxembourg and SIS are recognised for this purpose); or
 - (2) the person who is the beneficial owner of the Note and who is beneficially entitled to the interest is non-Irish resident and has made a declaration of non-Irish residence in the form required by the Irish Revenue Commissioners.

A Note issued by Zurich Bank will qualify for exemption from withholding tax on interest as a “**Wholesale Debt Instrument**” if:

- (i) it matures within two years;
- (ii) it has a minimum denomination of €500,000 if denominated in euro, USD500,000 if denominated in U.S. dollars or, in the case of Debt Obligations which are denominated in a currency other than euro or U.S. dollars, the equivalent in that other currency of €500,000 (such amount to be determined by reference to the relevant rate of exchange at the date of the first publication of this program); and
- (iii) one of the following conditions is satisfied:
 - (A) the Wholesale Debt Instrument is held in a recognised clearing system; or
 - (B) the payment is made by or through a person resident in Ireland or through a branch or agency through which a company not resident in Ireland carries on a trade or business in Ireland, and:
 - (1) the person who is beneficially entitled to the interest is resident in Ireland for the purposes of tax and has provided their Irish tax reference number to the Issuer; or
 - (2) the person who is the beneficial owner of the security and who is beneficially entitled to the interest thereon is not resident in Ireland for the purposes of tax and has made a declaration to that effect in the prescribed form.

(b) Withholding tax

Irish tax legislation requires licensed banks such as Zurich Bank to withhold deposit interest retention tax (“**DIRT**”) on the payment of interest or discounts on certain “deposits”. The term “**deposit**” is widely defined and would include Notes issued by Zurich Bank. There are a number of exceptions to the requirement to withhold tax, of which the most relevant are as follows:

- (i) The interest or discount is paid on a Note which is listed on a stock exchange.

- (ii) The interest or discount is paid on a Note that is held in a recognised clearing system (see above) in a denomination of not less than USD500,000 or €500,000, or if denominated in any currency other than U.S. dollars or Euro, not less than the equivalent of €500,000 in that other currency at the date the programme is first publicised and such Note:
 - (A) recognises an obligation to pay a stated amount;
 - (B) matures within two years of the date of issue; and
 - (C) carries a right to interest, is issued at a discount, or is issued at a premium.

Where Notes issued by Zurich Bank are not listed on a recognised stock exchange and do not mature within two years of the date of issue, the Irish Revenue Commissioners operate a published practice which remains in force and effect as of the date hereof whereby DIRT which would otherwise be applicable will not apply to interest or other returns paid to persons not resident in Ireland who are beneficially entitled to the interest or other returns and where such Notes are issued to persons not resident in Ireland, subject to certain specified conditions. These conditions require that:

- (i) the issuer will not sell any of the Notes to Irish residents and will not offer such Notes in Ireland;
- (ii) interest on the Notes is paid by a paying agent located outside of Ireland;
- (iii) the Dealers must undertake as a matter of contract with Zurich Bank that they will not knowingly make primary sales of the Notes to Irish residents or persons whose usual place of abode is Ireland (with a statement to that effect being included in the relevant offering documentation);
- (iv) the Notes are cleared through a recognised clearing system (see above); and
- (v) the minimum denomination in which the Notes issue is made will be €500,000 or its equivalent.

Irish tax legislation contains, in addition to withholding tax on deposit interest, a general withholding tax at the rate of 20 per cent which may apply if the withholding tax on deposit interest does not apply. No withholding tax applies where a Note issued by Zurich Bank qualifies for exemption as a Quoted Eurobond (see above). In the case of Notes issued by Zurich Bank that do not qualify for exemption as a Quoted Eurobond (for instance, Notes which are not listed) no withholding tax applies to interest in respect of Notes, where such interest payments are made in the ordinary course of the Zurich Bank's bona fide banking business carried on in Ireland.

(c) Encashment tax

Interest on any Notes issued by Zurich Bank which qualify for an exemption from withholding tax on interest as a Quoted Eurobond (see above) paid to or realised by an agent in Ireland on behalf of a holder of the relevant Note will be subject to a withholding in respect of Irish income tax at the standard rate of Irish income tax (at the date of this Base Prospectus being 20 per cent) unless the beneficial owner of the relevant Note that is entitled to the interest is not resident for tax purposes in Ireland and makes a declaration in the required form.

Interest on any Note issued by an Issuer other than Zurich Bank will be subject to a withholding in respect of Irish income tax at the standard rate of Irish income tax (at the date of this Base Prospectus being 20 per cent) if paid by a paying agent in Ireland. This is unless the beneficial owner of the relevant Note that is entitled to the interest is not resident for tax purposes in Ireland and makes a declaration in the required form.

(d) Capital gains tax

Provided the Notes are listed on a recognised stock exchange, or the Notes do not derive their value, or the greater part of their value from certain Irish land or mineral rights, then a Noteholder will not be subject to Irish tax on capital gains provided that such Noteholder is neither resident nor ordinarily resident in Ireland and such Noteholder does not have an enterprise, or an interest in an enterprise, which carries on business in Ireland through a branch or agency, or a permanent representative, to which or to whom the Notes are attributable

The rate of capital gains tax at the date of this Base Prospectus is 30 per cent.

(e) Capital acquisitions tax

If the Notes issued by Zurich Bank are comprised in a gift or inheritance taken from an Irish resident or ordinarily resident disponent or if the disponent's successor is resident or ordinarily resident in Ireland, or if any of the Notes (whether issued by Zurich Bank or not) are regarded as property situated in Ireland, the disponent's successor may be liable to capital acquisitions tax.

The Notes if issued in bearer form would be regarded as property situate in Ireland if they were ever to be physically kept or located in Ireland with a depositary or otherwise. The Notes if issued in registered form would be regarded as property situate in Ireland if the principal register of the Notes is maintained in Ireland.

The rate of capital acquisitions tax at the date of this Base Prospectus is 30 per cent.

(f) Stamp duty

No Irish stamp duty will be payable on the issue of the Notes nor will Irish stamp duty be chargeable on the transfer by delivery of Notes.

In the event of a written transfer of Notes issued by Zurich Bank no Irish stamp duty is chargeable provided that such Notes:

- (i) do not carry a right of conversion into stocks or marketable securities (other than loan capital) of a company having a register in Ireland or into loan capital having such a right,
- (ii) do not carry rights of the same kind as shares in the capital of a company, including rights such as voting rights, a share in the profits or a share in the surplus upon liquidation,
- (iii) are issued for a price which is not less than 90 per cent of their nominal value (e.g. Notes issued at a discount such as Zero Coupon Notes may not qualify for this exemption), and
- (iv) do not carry a right to a sum in respect of repayment or interest which is related to certain movements in an index or indices (based wholly or partly and directly or indirectly on stocks or marketable securities) specified in any instrument or other document relating to the Notes (thus the Indexed Notes would be excluded from this exemption).

No stamp duty will be payable on redemption of the Notes.

Where an exemption does not apply, a written transfer of a Note issued by Zurich Bank (wherever executed) is liable to Irish stamp duty at the rate of 1 per cent of the consideration paid under the transfer (or, if greater, the market value of the Note).

EU Savings Directive disclosure

Under the EU Savings Directive on taxation of savings income, each Member State is required to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in that other Member State. However, for a transitional period, Austria and Luxembourg may instead apply a withholding system in relation to such payments, deducting tax at rates rising over time to 35 per cent pursuant to EU Savings Directive or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income or any law implementing or complying with, or, introduced in order to conform to, such Directive. The transitional period is to terminate at the end of the first full fiscal year following agreement by certain non-EU countries to the exchange of information relating to such payments.

Also a number of non-EU countries, including Switzerland, and certain dependent or associated territories of certain Member States, have adopted similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident or certain limited types of entity established in a Member State. In addition, the Member States have entered into provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident or certain limited types of entity established in one of those territories.

The European Commission, the Council of the European Union and the European Parliament are considering a number of proposals to amend the EU Savings Directive. If any of the proposed changes are made to the Directive, they may amend or broaden the scope of the requirement discussed above.

On October 26, 2004, the European Community and Switzerland entered into an agreement (the **Swiss Savings Tax Agreement**) on the taxation of savings income by way of a withholding tax system and voluntary declaration in the case of transactions between parties in the EU Member States and Switzerland. In accordance with such agreement, which is in force since July 1, 2005, paying agents within Switzerland have to withhold tax at a rate of 35 per cent on any interest payment made or similar income paid under the Notes to a beneficial owner who is an individual and resident of an EU member state, with the option of the individual to have the paying agent and Switzerland provide to the tax authorities of the EU member state the details of the interest payments in lieu of the withholding. The beneficial owner of the interest payments may be entitled to a tax credit or refund of the withholding if certain conditions are met.

SUBSCRIPTION AND SALE

The Dealers have in an amended and restated dealer agreement (as further amended or supplemented from time to time, the “**Dealer Agreement**”) dated May 15, 2012 agreed with the Issuers as the basis upon which they or any of them may from time to time agree to subscribe for Notes. Any such agreement will extend to those matters stated under “Form of the Notes and the Capital Notes”, “Terms and Conditions of the Senior Notes, Dated Subordinated Notes and Undated Subordinated Notes” and “Terms and Conditions of the Capital Notes” above. In the Dealer Agreement, the Issuers have agreed to reimburse the Dealers for certain of their expenses in connection with the establishment of the Programme and the issue of Notes under the Programme.

United States

The Notes have not been and will not be registered under the U.S. Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the U.S. Securities Act) except in accordance with Regulation S under the U.S. Securities Act or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act.

Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to U.S. persons, except in certain transactions permitted by U.S. tax regulations. Terms used in the preceding sentence have the meanings given to them by the United States Internal Revenue Code of 1986 and regulations thereunder.

Each Dealer has represented and agreed that it will offer, sell and deliver Notes (i) as part of their distribution at any time and (ii) otherwise until forty days after the completion of the distribution of all Reg. S Notes of the Tranche of which such Notes are a part, only outside the United States to non-U.S. persons in accordance with Rules 903 and 904 of Regulation S under the U.S. Securities Act. Accordingly, each Dealer has represented and agreed that neither it, nor its affiliates nor any person acting on its or their behalf has engaged or will engage in any directed selling efforts (as defined in Rule 902 of Regulation S) with respect to the Notes, and that it and they have complied and will comply with the offering restrictions of Regulation S. Each Dealer has also agreed that, at or prior to confirmation of sale of the Notes, it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases Reg. S Notes from it or through it during the distribution compliance period a confirmation or notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in the above paragraph have the meanings given to them by Regulation S.

Each issuance of index, commodity or currency-linked Notes shall be subject to additional U.S. selling restrictions as the relevant Dealer or Dealers shall agree as a term of the issuance and purchase of such Notes. Each Dealer agrees that it shall offer, sell and deliver such Notes only in compliance with such additional U.S. selling restrictions.

The Notes are being offered and sold only outside the United States to persons other than U.S. persons (“**foreign purchasers,**” which term includes dealers or other professional fiduciaries in the United States acting on a discretionary basis for foreign beneficial owners, other than an estate or trust) in reliance upon Regulation S. As used in this discussion of “Subscription and Sale” — “United States”, the terms “**Offshore transaction**”, “**United States**” and “**U.S. person**” have the meanings given to them in Regulation S.

Each purchaser of Notes will be deemed to have represented and agreed as follows:

- (1) It is purchasing the Notes for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a foreign purchaser that is outside the United States (or a foreign purchaser that is a dealer or other fiduciary as referred to above).
- (2) It acknowledges that the Notes have not been registered under the U.S. Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except as set forth below.
- (3) It agrees that the Issuer has no obligation to register the Notes under the U.S. Securities Act.
- (4) It will not resell or otherwise transfer any Notes within two years after the original issuance of the Notes except (A) to the Issuer or any subsidiary of the Issuer, (B) outside the United States in an Offshore transaction in compliance with Rule 904 under the U.S. Securities Act, (C) pursuant to the exemption from registration provided by Rule 144 under the U.S. Securities Act (if available) or (D) pursuant to an effective registration statement under the U.S. Securities Act.
- (5) It will give to each person to whom it transfers Notes notice of any restrictions on transfer of those Notes.
- (6) It understands that the Reg. S Notes offered will be represented by a Reg. S Global Note. Before any interest in a Reg. S. Global Note may be offered, sold, pledged or otherwise transferred to a person who is not a foreign purchaser, the transferee will be required to provide the Trustee with a written certification (the form of which certification can be obtained from the Trustee) as to compliance with the transfer restrictions referred to above.

(7) It understands that each of the Reg. S Notes will bear a legend substantially to the following effect unless otherwise agreed by the Issuer and the holder of particular Notes:

THIS NOTE HAS NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE “U.S. Securities Act”), OR WITH ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES, AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OF BENEFIT OF, U.S. PERSONS. BY ITS ACQUISITION HEREOF, THE HOLDER (1) REPRESENTS THAT IT IS NOT A U.S. PERSON AND IS ACQUIRING THIS SECURITY IN AN OFFSHORE TRANSACTION IN COMPLIANCE WITH RULE 904 UNDER THE U.S. SECURITIES ACT, (2) AGREES THAT IT WILL NOT, PRIOR TO THE DATE THAT IS TWO YEARS AFTER THE LATER OF THE ORIGINAL ISSUANCE OF THIS SECURITY AND THE LAST DATE ON WHICH THE ISSUER OF THIS SECURITY OR ANY AFFILIATED PERSON OF THE ISSUER WAS THE OWNER OF THIS SECURITY, RESELL OR OTHERWISE TRANSFER THIS SECURITY EXCEPT (A) TO THE ISSUER OR ANY SUBSIDIARY OF THE ISSUER, (B) OUTSIDE THE UNITED STATES IN AN OFFSHORE TRANSACTION IN COMPLIANCE WITH RULE 904 UNDER THE U.S. SECURITIES ACT, (C) PURSUANT TO THE EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE U.S. SECURITIES ACT (IF AVAILABLE) OR (D) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE U.S. SECURITIES ACT AND (3) AGREES THAT IT WILL GIVE TO EACH PERSON TO WHOM THIS SECURITY IS TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND. AS USED IN THIS STATEMENT, THE TERMS “OFFSHORE TRANSACTION,” “UNITED STATES” AND “U.S. PERSON” HAVE THE MEANINGS GIVEN TO THEM BY REGULATION S UNDER THE U.S. SECURITIES ACT.

(8) It will not sell or otherwise transfer Notes to, and each purchaser represents and covenants that it is not acquiring the Notes for or on behalf of, and will not transfer Notes to, any “employee benefit plan” as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974 (“ERISA”) which is subject to Title I of ERISA or any “plan” as defined in Section 4975 of the Code, which is subject to Section 4975 of the Code (in such case, a “Plan”), or any entity the assets of which constitute “plan assets” of any Plan for the purposes of ERISA or Section 4975 of the Code (a “Plan Entity”).

(9) It acknowledges that the Trustee for the Notes will not be required to accept for registration of transfer any Notes acquired by it, except upon presentation of evidence satisfactory to the Issuer and the Trustee that the restrictions described above have been complied with.

(10) It acknowledges that the Issuers, the Dealers and others will rely upon the truth and accuracy of the foregoing acknowledgments, representations and agreements and agrees that if any of the acknowledgments, representations and agreements deemed to have been made by its purchase of Notes are no longer accurate, it will promptly notify the Issuer and the Dealers. If it is acquiring the Notes as a fiduciary or agent for one or more investor accounts, it represents that it has sole investment discretion with respect to each such account and it has full power to make the foregoing acknowledgments, representations and agreements on behalf of each account.

Public Offer Selling Restriction under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by the Base Prospectus as completed by the relevant Final Terms in relation thereto to the public in that Relevant Member State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the Relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive.

provided that no such offer of Notes referred to in (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression “offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression “Prospectus Directive” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the

Relevant Member State), and includes any relevant implementing measure in each Relevant Member State and the expression “**2010 PD Amending Directive**” means Directive 2010/73/EU.

Ireland

Each Dealer has represented and agreed (and each further Dealer appointed under the Programme will be required to represent and agree) that:

- (a) it has complied and will comply with the provision of the European Communities (Markets in Financial Instruments) Regulations 2007, as amended (the MiFID Regulations) if operating in or otherwise involving Ireland and, if acting under and within the terms of an authorisation to do so for the purposes of Directive 2004/39/EC of the European Parliament and of the Council of April 21, 2004 on markets in financial instruments (MiFID), it has complied with any applicable requirements of the MiFID Regulations or as imposed, or deemed to have been imposed, by the Central Bank of Ireland pursuant to the MiFID Regulations and, if acting within the terms of an authorisation granted to it for the purposes Directive 2006/48/EC of the European Parliament and the Council of the June 14, 2006 relating to the taking up and the pursuit of the business of credit institutions as amended, replaced or consolidated from time to time, it has complied with any codes of conduct or practice made under Section 117(1) of the Central Bank Act 1989 of Ireland (as amended) and any applicable requirements of the MiFID Regulations or as imposed pursuant to the MiFID Regulations;
- (b) it will not offer, sell, underwrite, place or do anything in Ireland in respect of any Notes otherwise than in compliance with the Market Abuse (Directive 2003/6/EC) Regulations 2005 of Ireland and any rules made by the Central Bank of Ireland pursuant thereto;
- (c) in respect of Notes issued by an Issuer (other than Zurich Bank) and which have an original maturity of less than one year, it shall not sell such Notes to the public in Ireland except in compliance with the exemption set out in Notice BSD C 01/02 of November 12, 2002 issued by the Central Bank of Ireland or otherwise in circumstances which do not require the relevant Issuer to hold a licence in Ireland for the carrying on of banking business;
- (d) in respect of any Notes issued by Zurich Bank that are not listed on any recognised stock exchange and that do not mature within two years of the date of issue:

Notes:

1. The Guarantee Amount in respect of a relevant Tranche of Notes (other than Variable Notes (as defined below)) will be calculated as follows:

For Fixed Rate Notes:
 $GA = RA + (3 \times I) + AA$

For Floating Rate Notes:
 $GA = RA + (3 \times EI) + AA$

For Zero Coupon Notes:
 $GA = RA + AA$

“GA” means Guarantee Amount;

“RA” means the greater of the Early Redemption Amount and the Final Redemption Amount of the Notes, each as defined in the applicable Final Terms;

“I” means the amount of interest payable on the Notes up to the first anniversary of their issue date;

“EI” means the estimated amount of interest payable on the Notes up to the first anniversary of their issue date calculated on the basis that interest is payable for each interest period ending on or prior to such first anniversary at 1.5 times the rate fixed for the first interest period; and

“AA” means USD100,000 (or its equivalent in the currency of the Guarantee Amount) representing an additional amount to guarantee the payments of the Issuer to be due under the Trust Deed but not under the Securities.

For Notes with a variable or partial redemption amount or for Notes (other than Floating Rate Notes) where the amount of interest is not determinable at the Issue Date (“Variable Notes”) the Guarantee Amount will be agreed between ZIC and the relevant Dealer on or before the Issue Date.

SUPPLEMENTAL DISCLOSURE IN RELATION TO ZURICH INSURANCE COMPANY LTD

The description of Zurich Insurance Company Ltd (“ZIC”) on pages 108 to 119 (inclusive) of the Base Prospectus is supplemented by the addition of the following disclosures under the heading of “Subsequent Events” on page 107.

“Issuances under the Euro Medium Term Note Programme

On June 11, 2012, the successful placement of CHF 400 million of 7-year senior notes, maturing in 2019 to investors in the Swiss Franc domestic market was announced. These notes have been issued by ZIC under its Euro Medium Term Note Programme (“EMTN Programme”). The coupon has been set at 1.50%.

On June 20, 2012, the successful placement of EUR 500 million 10-year senior notes, maturing in 2022 to investors in the Euromarket was announced. The coupon has been set at 3.375%.

Result release

On August 16, 2012, Zurich Insurance Group Ltd (“ZIG”), the ultimate parent company of ZIC, published its unaudited consolidated interim financial statements as of and for the six-month period ended 30 June 2012.

Financial adjustments to German General Insurance business

On October 17, 2012, ZIG announced that as the result of a review of its General Insurance business in Germany (which is conducted by the ZIC Group), including an in-depth claims file review, ZIC Group will strengthen its claims provisions, primarily in the long-tail liability lines, and write-off a portion of its deferred acquisition costs and that the financial adjustment would amount to approximately USD 550 million before tax or USD 390 million after tax.

On February 14, 2013, ZIG announced that in the course of further review, ZIC Group determined that improper case reserving practices had resulted in errors which led to the insufficient reserves for losses estimated in previous years. Additionally, ZIC Group determined that deferred policy acquisition costs were overstated due to a system error in Germany. In the aggregate the errors identified were deemed material and have resulted in a restatement of a portion of the financial adjustments recorded in the third quarter of 2012, reducing total equity of ZIC Group by USD 198 million and USD 188 million as of December 31, 2011 and January 1, 2011, respectively.

For the year ended December 31, 2011 the impact on net income after taxes was a loss of USD 17 million and on business operating profit a loss of USD 18 million. This restatement is already reflected in the Condensed Balance Sheet and P&L for ZIC Group as of and for the year ended December 31, 2011. The remainder of the financial adjustment is reflected in the Q3 2012 unaudited condensed income statement. Q4 2012 will be impacted by further reserve strengthening for Germany of approximately USD 130 million.

Result release

On November 15, 2012, ZIG, the ultimate parent company of ZIC, published its unaudited consolidated interim financial statements as of and for the nine-month period ended 30 September 2012.

Santander restatement

In 2011, ZIC Group completed the acquisition of the life insurance, pension and general insurance operations of Banco Santander S.A. (Santander) in Brazil, Argentina, Chile, Mexico and Uruguay. In the ZIG's Consolidated financial statements 2011, total assets of USD 15.6 billion and total liabilities of USD 13.2 billion were booked to receivables and other assets and other liabilities, respectively. The unaudited Consolidated financial statements for the nine months to September 30, 2012 included restated amounts as of December 31, 2011 to reallocate the preliminary numbers to individual balance sheet line items and for the subsequent reassessment of the initial purchase accounting.

Investor Day announcement

On November 29, 2012, in the announcement to the ZIG Investors' Day, Martin Senn, ZIG CEO, stated, inter alia, that the strategic ROE was unchanged and ZIG remained committed to delivering long-term business operating profit after tax return on equity (BOPaT ROE) of 16%, while in the current environment achieving a return of around 2 percentage points below was more realistic. He also reinforced that ZIG was on track to reduce run-rate costs in mature markets by USD 500 million by the end of 2013 and expenses had been cut by USD 200 million to date.

Claims estimate for Storm Sandy

For the year ended December 31, 2012, aggregate claims net of reinsurance of about USD 696 million were estimated relating to Storm Sandy. This included USD 36 million related to Farmers Re in connection with the reinsurance cover provided to the Farmers Exchanges, which are managed but not owned by Farmers Group, Inc., a wholly-owned subsidiary of ZIC. In addition, reinstatement premiums due on reinsurance covers of USD 60 million were estimated. These pre-tax estimates were recorded in the results for the fourth quarter 2012, which as part of the annual results of ZIG, were released on February 14, 2013.

The Eagle Star Insurance Group transfers its general insurance portfolio to RiverStone

On December 27, 2012, the Eagle Star Insurance Group (Eagle Star), which is wholly owned by ZIC and based in the UK, agreed to transfer its remaining General Insurance business to RiverStone Insurance (UK) Limited (RiverStone). ZIC and RiverStone have signed a reinsurance agreement which transfers the benefits and risks of Eagle Star's general insurance portfolio as at July 1, 2012 from ZIC to RiverStone until completion of the full transfer. As a result, USD 273 million in undiscounted gross liabilities will transfer to RiverStone, predominantly U.S. asbestos, pollution and health risks written from the mid-1940s to the mid-1980s. The transaction generated a pre-tax profit in 2012 and is expected to release USD 340 million of local capital within two years. The completion of this transaction will be subject to regulatory review and court approval.

North America earthquake protection from Lakeside Re III Ltd.

On January 3, 2013, it was announced that Zurich American Insurance Company (a wholly-owned subsidiary of ZIC) and ZIC have obtained a 3-year USD 270 million catastrophe excess of loss reinsurance protection from Lakeside Re III Ltd. to cover the risk of earthquakes in specific territories in North America. The cover offers protection on an annual aggregate basis. This reinsurance transaction is a replacement of the expiring 2009 Lakeside Re II Ltd. transaction. Lakeside Re III Ltd., in turn, has issued to the capital markets principal at-risk variable rate notes linked to this risk. The catastrophe bond has a floating coupon

consisting of a fixed 8% plus a variable investment yield received by Lakeside Re III Ltd. on the underlying assets.

Result release

On February 14, 2012, ZIG, the ultimate parent of ZIC, published its audited consolidated annual financial statements as of and for the twelve-month period ended 31 December 2012.”

The description of the legal proceedings and regulatory investigations on page 112 to 113 (inclusive) of the Base Prospectus is supplemented by the addition of the following paragraph. "In the Fogel litigation, the appeal period expired and all five appeals were subsequently abandoned. Accordingly, the settlement is now final, and the Fogel case has ended.

In the Converium-related litigation, the deadline to opt out of the non-U.S. settlement was July 31, 2012, and a number of opt-out requests were received. To date, none of the opt-outs has filed suit against Zurich Insurance Group Ltd.

On August 8, 2012, the defendants entered into a settlement with plaintiffs whereby defendants would make a payment to the plaintiffs of USD 200,000 plus defendants' forbearance of approximately USD 30,000 of costs plaintiffs owed as a result of the judgment. As no court approval was required, this settlement ended the API Case."
