Certain statements in this document are forward-looking statements, including, but not limited to, statements that are predictions of or indicate future events, trends, plans or objectives of Zurich Insurance Group Ltd or the Zurich Insurance Group (the ‘Group’). Forward-looking statements include statements regarding the Group’s targeted profit, return on equity targets, expenses, pricing conditions, dividend policy and underwriting and claims results, as well as statements regarding the Group’s understanding of general economic, financial and insurance market conditions and expected developments. Undue reliance should not be placed on such statements because, by their nature, they are subject to known and unknown risks and uncertainties and can be affected by other factors that could cause actual results and plans and objectives of Zurich Insurance Group Ltd or the Group to differ materially from those expressed or implied in the forward looking statements (or from past results). Factors such as (i) general economic conditions and competitive factors, particularly in key markets; (ii) the risk of a global economic downturn, in the financial services industries in particular; (iii) performance of financial markets; (iv) levels of interest rates and currency exchange rates; (v) frequency, severity and development of insured claims events; (vi) mortality and morbidity experience; (vii) policy renewal and lapse rates; and (viii) changes in laws and regulations and in the policies of regulators may have a direct bearing on the results of operations of Zurich Insurance Group Ltd and its Group and on whether the targets will be achieved. Zurich Insurance Group Ltd undertakes no obligation to publicly update or revise any of these forward-looking statements, whether to reflect new information, future events or circumstances or otherwise.

All references to ‘Farmers Exchanges’ mean Farmers Insurance Exchange, Fire Insurance Exchange, Truck Insurance Exchange and their subsidiaries and affiliates. The three Exchanges are California domiciled interinsurance exchanges owned by their policyholders with governance oversight by their Boards of Governors. Farmers Group, Inc. and its subsidiaries are appointed as the attorneys-in-fact for the Farmers Exchanges and in that capacity provide certain non-claims administrative and management services to the Farmers Exchanges. Neither Farmers Group, Inc., nor its parent companies, Zurich Insurance Company Ltd and Zurich Insurance Group Ltd, have any ownership interest in the Farmers Exchanges. Financial information about the Farmers Exchanges is proprietary to the Farmers Exchanges, but is provided to support an understanding of the performance of Farmers Group, Inc. and Farmers Reinsurance Company.

It should be noted that past performance is not a guide to future performance and that interim results are not necessarily indicative of full year results.

Persons requiring advice should consult an independent adviser.

November 15, 2017
Customer relationships will be key for long term success of insurance companies

MANUFACTURER AND BALANCE SHEET PROVIDER

- Capital is abundant and commoditized
- Constrained to small piece of value chain
- New challengers with new IT more efficient
- Disintermediation from customers
- Inability to react to new and evolving risks

Low ROEs and eventual consolidation

OWNER OF THE CUSTOMER RELATIONSHIP

- Enhanced returns through value added services
- Own a greater proportion of value chain
- Greater resilience to new entrants
- No risk of disintermediation
- Ability to react to emerging customer needs

Higher ROEs and market success
Success will require us to deepen our customer relationships and put them at the heart of everything we do.
We are leveraging new technologies to redesign customer interactions, increase service offerings and digitize core processes.

**STRENGTHENING OUR KNOWLEDGE OF THE CUSTOMER**

- Strengthened customer analytics to improve segmentation
- Artificial intelligence to optimize sales and customize propositions
- Advanced analytics to augment underwriting decision making

**NEW CAPABILITIES AND BROADER SERVICE OFFERINGS**

- Travel and aviation, Employee assistance, Medical assistance
- On demand insurance
- Entrepreneur Insurance for SMEs in Switzerland

**REINVENTING THE CUSTOMER EXPERIENCE**

- One-touch claims processing
- Behavior-based pricing
- Contextual offers
Farmers Exchanges\(^1\) show that this approach works within retail

**SYSTEMATIC CUSTOMER FEEDBACK AND ANALYTICS**

- Gather customer feedback via Net Promoter System
- Follow-up with select customers to address detractor experiences, prioritizing relationships with high lifetime value
- Identify trends in feedback and other customer data, fix root causes of issues and replicate ‘delighter’ experiences
- Cultivate customer loyalty and improve retention

**FARMERS EXCHANGES\(^1\) NPS AND GWP GROWTH**

Alternative Markets consists of four businesses with unique distribution and operating models to serve target customer segments

DIRECT MARKETS (USD 1.8bn)
- Direct sales force focused on auto dealers
- P&C products (e.g. property, crime, garage liability, inventory) for vehicle dealerships
- Finance and Insurance products (e.g. vehicle service contracts) serving 4.5m customers

GROUP CAPTIVES (USD 1.7bn)
- Captive Consultants focused on various segments (e.g. beverage distributors, senior living)
- P&C products (e.g. workers compensation, liability, auto)
- Largest writer of Group Captives serving 30 captives with over 2,500 members and 53% market share

PROGRAMS (USD 1.4bn)
- Program Administrators serving niche markets (e.g. historical buildings, veterinarians)
- P&C products (e.g. workers compensation, property, liability)
- Leading provider in North America with over 50 programs and 120,000 customers

CROP (USD 1.8bn)
- Agency Force serving 116,000 U.S. farmers
- Successful public / private partnership; heavily regulated and supported by US Government
- Crop products (e.g. Multi-Peril Crop Insurance) primarily insuring corn, wheat and soy
- Second largest U.S. crop insurance provider; insuring 1 in every 4 arable acres
All four businesses distinctly contribute to our recent performance and will continue to deliver results going forward.

Latin America – A continent full of opportunities

Claudia Dill, CEO Latin America
**Brazil turnaround**
The business has been stabilized and we have rebalanced the portfolio to reduce volatility; admin expense and combined ratios have been reduced by ~11 ppts and ~28 ppts since FY-14.

**Diversified portfolio**
Highly diversified product offering with strong distribution over all customer segments which we will leverage to become the leading retail and commercial player in Latin America.

**Platform for scale**
We have simplified our processes to support growth and will build on this momentum while ensuring underwriting and expense discipline.

**Investing in capabilities**
Investment in customer servicing, infrastructure and talent provides a creative and dynamic platform aligning with the changing environment.

**Customer focus**
We will focus on innovation while keeping the customers at the core of what we do.
Focused on accelerating growth from a solid foundation

WE HAVE BUILT A SUSTAINABLE BUSINESS

- Broad and solid footprint
- Diversification of products, distribution and customer segments
- Predominantly short-tailed, balanced P&C and Life portfolio
- Agile management of market dynamics
- Local empowerment with clear financial and quality targets

... WITH CONTINUOUS IMPROVEMENT AT ITS CORE

- Maintaining execution discipline even in a competitive environment
- Focusing on efficiency and productivity
- Improving customer servicing capabilities through digital adoption
- Deepening our talent bench

Investor Day
Our objective is to differentiate our offer to become the preferred global insurance provider for both, Retail and Commercial Latin America.

**OUR AMBITION**

Be the leading Retail and Commercial player in LatAm, providing differentiated value propositions to our customers and leveraging on the strengths of the Zurich Group.

**OUR PILLARS**

- Leverage our unique composite offering
- Enhance traditional distribution models
- Diversify through affinities and banks
- Expand mid-market Commercial
- Consolidate service capabilities

**OUR FOUNDATIONS**

- Simplicity
- Customer Focus
- Innovation
Retail represents 60% of premium and serves distinct customer segments with tailored propositions through all relevant channels.

**CUSTOMERS**

- **Affluent**
  - Savvy customers demand high product quality and excellent service
- **Middle class**
  - Lower disposable income but with protection needs
- **Emerging**
  - Attractive segment as emerging middle class with first insurance experience

**PRODUCTS**

- **Value-for-Money proposition**
  - Complementary motor, homeowners and life products
- **Capital-light and simple products**
- **Capital-light products, low risk exposure and simple underwriting**

**DISTRIBUTION**

- **Agents, brokers and bank distribution**
- **Small agents and brokers, bank distribution and/or worksite marketing**
- **Affinities & Sponsors such as retailers and utilities companies**
Commercial Insurance focuses on our traditional strong segment of Large Corporate but increasingly also on Middle Market.

**FOCUS AREA**

- **Large Corporate**
  - Strongest area with capacity, capabilities and know-how
  - Proven financial strength with global capabilities and sophisticated UW of complex risks
  - Opportunity to grow International Programs in LatAm-headquartered multinationals which currently produce USD 40m in GWP

- **Middle Market**
  - Implementation of straight forward standard products
  - Centralized underwriting with simple quotation tools
  - Focus on quality customer service supported by efficient and standardized architecture
**Zurich Brazil in the final stage of its recovery and enhancement of its foundation to sustain profitable growth**

**POSITIONED FOR THE FUTURE**

- Rebalanced product mix towards lower volatility affinity business and Mid Market
- Strong UW discipline, robust broker compensation model and a branch strategy aligned with profitability
- Realigned cost base, improved control and capabilities, stabilized infrastructure, cleared operational backlogs
- Strong pipeline and affinity discipline
- Effectively retained talent and improved employee engagement
- High yield environment allows for generally higher combined ratios; increase in affinity business mix a tailwind to reduce combined ratios further

We are rebalancing our portfolio to achieve our targets

**OUR APPROACH**

- Reducing exposure to long tail improves the underwriting result, shortens the payback period, and reduces market and reserve risk
- Long tail business lessens soft market pressures and reduces volatility at the expense of reserve risk
- A balanced portfolio is key to pursue our goals
