

Produce your own insurance certificates with My Zurich

Do you need evidence of insurance urgently, for example, for a big tender? Or do you always need the same Liability certificates at the beginning of a year to show your business partners that you're covered?

With My Zurich's new e-certificate feature, you can have the insurance certificates you need at your fingertips, 24/7, 365 days a year.

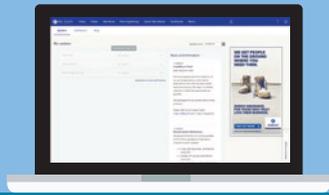

As a My Zurich customer, you can create Liability certificates:

- For more than 60 countries across the globe, if you are based in Switzerland, Germany, France or the UK.
- For the 31 member countries of the European Economic Area, if you're based in a country outside the EEA and hold a Freedom-of-Service (FoS) policy.
- On local paper and in local language for selected countries including Australia, China, Ireland, New Zealand and (future release) the U.S.

How to create a certificate in four easy steps:

01. Simply log in to My Zurich and select the appropriate policy

02. Customize the certificate to your specific needs using simple tick boxes and options

03. Specify the type and amount of coverage you want to show and hit 'Request certificate'

04. Within seconds you'll have the certificate you need in a format you can send on or print out

There's more to come

We will soon be adding a variety of new products and features, including:

- Business travel certificates
- Property certificates
- Multiple certificates in one go
- Certificate renewal with just one mouse click
- Many new producing and receiving countries
