

My Zurich for Customers

Putting you in control of your risk

My Zurich is a secure risk management center that helps you control how your business and your employees are protected across the globe through your International Program.

It combines real-time data, market intelligence and analytics – all helping you to make the right decisions, and is accessible 24/7 online wherever you are.

My Zurich gives you a 24/7 overview

Your international insurance programs

All your global insurance programs at your fingertips – drill down to review specific policy details with real-time portfolio overviews

Your risk engineering information

View and analyze your risk assessment data, whether performed by a Zurich Risk Engineer or another person, and manage your risk improvement actions*

Your employee benefits

Your global employee benefits at your fingertips – drill down to view specific benefit details with up-to-date portfolio overviews

Earthquake, flood and live storm maps overlaid with your locations globally

Protect your business with actionable information on earthquakes, flood and live storms

** Even if the risk assessment is not performed by Zurich Risk Engineer, fire and employer risk assessments are available in My Zurich, additional assessment types will be added soon.*
